Section 1. Construction Schedule. All construction activity, including landscaping, must be completed within eighteen (18) months from the date of issuance of a building permit.

Section 2. Maintenance of Premises. In order to maintain the standards of the property, no weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon any Lot, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. Owner shall maintain their Lot and improvements situated thereon in a manner so as to prevent the Lot or improvements from becoming unsightly, and specifically, Owner shall:

- (a) Mow the Lot at such times as may be reasonably required in order to prevent the unsightly growth of vegetation and noxious weeds. Grass allowed to grow to a height in excess of six inches (6") shall be deemed unsightly.

(b) Keep the exterior of all improvements in such state of repair or maintenance so as to avoid their becoming unsightly as may be determined by the majority of homeowners after a business meeting of the Association, in its sole discretion.

(c) Prevent the existence of any other condition that reasonably tends to detract from or diminish the appearance of the Lot and/or **ADAMS RANCH**.

Upon an Owner's failure to comply with these provisions, the Declarant or the Association may cut the growth or weeds, or clear the refuse from the Lot at the expense of the Owner, and there shall be a lien against said Lot for the expense thereof.

Section 3. Residential Purpose. Lots shall be used exclusively for residential purposes. No building shall be erected, altered, placed or permitted on any Lot other than a dwelling not to exceed two (2) stories in height. A dwelling shall have an attached garage of a size to accommodate at least two (2) cars.

Section 4. Setbacks. No building shall be located nearer to the front Lot line or nearer to the side street line than the minimum building setback lines shown on the plats.

Section 5. Easements. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the plat.

Section 6. Inoperative Parked Vehicles. Unlicensed or inoperative vehicles shall not be permitted to remain on any Lot, Common Area, street or easement within **ADAMS RANCH** for a continuous period in excess of seventy-two (72) hours unless kept entirely within a garage.

Section 7. Nuisances. No noxious, obnoxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. This provision may be construed to prohibit extremely audible music or activities.

Section 8. Drainage Ditches. Drainage swales (ditches) along dedicated roadways and within the right-of-way, or on dedicated easements, are not to be altered, dug out, filled in, tiled or otherwise changed without the written permission of the Morgan County Drainage Board. Property Owners must maintain these swales as sodded grassways, or other non-eroding surfaces. Water from roofs or parking areas must be contained on the property long enough so that said drainage swales or ditches will not be damaged by such water. Driveways may be constructed over these swales or ditches only when appropriate sized culverts or other approved structures have been permitted by the Morgan County Drainage Board.

Any Owner altering, changing, damaging, or failing to maintain these drainage swales or ditches will be held responsible for such action and will be given 10 days notice by certified mail to repair said damage, after which time, if no action is taken, the Morgan County Drainage Board

will cause said repairs to be accomplished at the Owner's expense. Failure to pay such expenses immediately upon receiving a bill will result in a lien against the property.

In every case, horses and livestock being raised for 4-H project or for food, dogs, cats, and other household pets which are excepted under this section, shall be kept in a manner that does not constitute an annoyance to the Owners of other Lots, and does not adversely affect their use and enjoyment of their property. This covenant may be modified by the developer and/or the Homeowner's Association.

Section 12. Rubbish, Trash, Garbage and Recyclables. Rubbish, trash, garbage, other waste, and recyclable materials shall not be dumped or accumulated on any Lot. All such materials shall be kept in appropriate containers which are not visible from the street, except on collection days.

Section 18. Mail Boxes. Owners shall keep their mailboxes in a good state of repair at all times.

ARTICLE IV.

Declarant's/Association's Right To Guarantee Compliance

Section 1. In the event the Owner of any Lot in ADAMS RANCH shall fail to maintain that Lot or any of its improvements situated therein in accordance with the provisions of these Covenants, Conditions and Restrictions, the Association or, prior to the Association's incorporation, the Declarant, shall have the right, but not the obligation, by and through its agents and employees or contractors to enter upon said Lot, and perform such acts as may be reasonably necessary to make such Lot and improvements thereon, if any, conform to the requirements of these Covenants, Conditions and Restrictions. The cost thereof to the Association or Declarant shall be collected in any reasonable manner from the Owner. Neither the Association/Declarant nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

ARTICLE V.

Architectural Control Committees

Section 1. Appointment Of Architectural Control Committees. The Board of Directors of the Association shall act as the Architectural Central Committee for ADAMS RANCH.

Section 2. Construction Approvals. No construction of any kind, including additions, alterations, fences, screens and walls, shall begin within ADAMS RANCH until a detailed plot plan, and plans and specifications have been submitted to and approved by the appropriate Architectural Control Committee. The plans and specifications of and location of all buildings,

structures, and other improvements shall be in compliance with all building and other applicable regulatory codes, and shall also comply with zoning covenants and restrictions which are applicable to the Real Estate. Disapproval of plans and specifications and/or plot plans may be based on any grounds, including purely aesthetic grounds, in the sole and absolute discretion of the Architectural Control Committees. Neither the Architectural Control Committee nor the Association/Declarant shall be responsible for any defects in such plans or specifications, or in any building, structure, or improvement erected according to such plans and specifications.

The plans and specifications submitted to the Architectural Control Committee shall contain a plot plan to scale with adequate provision for landscaping, including the planting of trees and shrubs. The determination of whether adequate provision has been made for landscaping shall be at the sole discretion of the Architectural Control Committees. The required landscaping and driveways shall be completed at the time of completion of the building, or as soon as weather and season permit.

Section 3. Powers of Committee. (i) In General. No dwelling, building, structure, improvement, exterior alteration or change of original color or material shall be constructed, placed or performed on any Lot in **ADAMS RANCH** unless the appropriate Architectural Control Committee chooses to grant a special exception. Such a special exception may be requested by written application to the Committee from the Owner of the Lot. Such written application shall be in the manner and form prescribed from time to time by the Committees, and shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction, improvement or alteration. Such plans shall include plot plans where applicable, showing the location of all improvements existing under or upon the Lot and the location of the improvement proposed to be constructed or placed upon the Lot, each properly and clearly designated. Such plans and specifications shall set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other material or information which the Committee may require. (ii) Specific. The Architectural Control Committees may adopt and enforce rules, guidelines, and specifications for the construction of dwellings, buildings, structures, and other improvements in **ADAMS RANCH**, including but not limited to approved construction materials, colors, and designs. The Architectural Control Committees shall require that all structures in **ADAMS RANCH** have shingled roofs of the same or similar color, and that all front yards be seeded at the time the initial construction is completed and landscaped in a manner deemed appropriate by the Architectural Control Committee with trees and shrubs of a type and size which may be specified by the Architectural Control Committee for Adams Ranch.

Section 4. Duties of Committees. The appropriate Committee shall approve or disapprove proposed improvements within fourteen (14) days after all required information shall have been submitted to it. One copy of submitted material shall be retained by the Committee for its permanent files. All notifications to applicants shall be in writing, and, in the event that such notification is one of disapproval, it shall specify the reason or reasons.

Section 5. Liability of Committees. Neither the Committees nor any agents thereof, nor the Association/Declarant, shall be liable or responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto.

Section 6. Inspection. The appropriate Committee may inspect work being performed with its permission to assure compliance with these Covenants, or the conditions of any approval granted by the Committees.

ARTICLE VI.

Covenants for Maintenance Assessments

Section 1. Purpose of the Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of preserving the value of the Lots within **ADAMS RANCH** and promoting the health, safety, and welfare of the Owners, users, and occupants of the same and, in particular, for the improvement, operation, repair, and maintenance of the Common Areas, if any, including, but not limited to, the payment of taxes and insurance thereon and for the cost of labor, equipment, material, and management furnished with respect to the Common Property, including the Association's costs for consultants, engineers, architects, attorneys, and accountants; provided that the Association shall not be responsible for the replacement, repair or maintenance of any Common Area which is or hereafter may be dedicated to the public. Each Owner hereby covenants and agrees to pay to the Association:

- (a) A pro-rata share (as hereinafter defined) of the annual assessments fixed, established, and determined from time to time as hereinafter provided.
- (b) A pro-rata share (as hereinafter defined) of any special assessments fixed, established, and determined from time to time, as hereinafter provided.

Section 2. Liability for Assessments. Each assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall be a charge on each Lot and shall constitute a lien from and after the due date thereof in favor of the Association upon each Lot. Each such assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees shall also be the personal obligation of the Owner of each Lot at the time when the assessment is due. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No such sale or transfer shall relieve any Owner of the personal liability hereby imposed. The personal obligation for delinquent assessments shall not pass to any successor in title unless such obligation is expressly assumed by such successor.

Section 3. Pro-rata Share. The pro-rata share of each Owner for purposes of this Article shall be the percentage obtained by dividing one by the total number of Lots within ADAMS RANCH that have been conveyed by the Declarant to an Owner ("Pro-Rata Share").

Section 4. Annual Assessment. The Board of Directors of the Association shall establish an annual assessment prior to the beginning of each calendar year, setting forth all Common Expenses for the coming year, together with a reasonable allowance for contingencies and reserves of the Association. The cost of the first year in which a homeowner purchases the lot shall be \$150.00 and thereafter as defined by the Board of Directors.

Section 5. Basis of Special Assessment. Should the Board of Directors of the Association at any time during the fiscal year determine that the assessments levied with respect to such year are insufficient to pay the Common Expenses for such year, the Board of Directors of the Association may, at any time, and from time to time, levy such special assessments as it may deem necessary for meeting the Common Expenses. In addition, the Board of Directors of the Association shall have the right to levy at any time, and from time to time, one or more special assessments for the purpose of defraying, in whole, or in part, any unanticipated Common Expense not provided for by the Annual Assessment.

Section 6. Notice Of Meetings. Written notice of any meeting called for the purpose of taking action to authorize assessments shall be sent to all members not less than thirty (30) days nor more than sixty (60) in advance of the meeting.

Section 7. Fiscal Year; Date of Commencement of Assessments; Due Dates. The fiscal year of the Association shall be established by the Association and may be changed from time to time by action of the Association. The annual assessments on each Lot in ADAMS RANCH shall commence on the day on which Declarant first conveys ownership of the Lot to an Owner. The annual assessment for each year after the first assessment year shall be due and payable on the first day of each fiscal year of the Association. Annual assessments shall be due and payable in full as of the above date, except that the Association may from time to time by resolution authorize the payment of such assessments in installments.

Section 8. Duties of the Association.

(a) The Board of Directors of the Association shall cause proper books and records of the levy and collection of each annual and special assessment to be kept and maintained, including a roster setting forth the identification of each and every Lot and each assessment applicable thereto, which books and records shall be kept in the office of the Association and shall be available for the inspection and copying by each Owner (or duly authorized representative of any Owner) at all reasonable times during regular business hours of the Association. The Board of Directors of the Association shall cause written notice of all assessments levied by the Association upon the Lots and Lots and upon the Owners to be mailed to the Owners or their designated representatives as promptly as practicable and in any event not less than thirty (30) days prior to the due date of such

assessment or any installment thereof. In the event such notice is mailed less than thirty (30) days prior to the due date of the assessment to which such notice pertains, payment of such assessment shall not be deemed past due for any purpose if paid by the Owner within thirty (30) days after the date of actual mailing of such notice.

(b) The Association shall promptly furnish to any Owner or Mortgagee, upon request, a certificate in writing signed by an officer of the Association, setting forth the extent to which assessment has been levied and paid with respect to such requesting Owner's or Mortgagee's Lot. As to any persons relying thereon, such certificate shall be conclusive evidence of payment of any assessments therein stated to have been paid.

(c) The Association shall notify any Mortgagee from which it has received a written request for notice of any default in the performance by any Owner of any obligation under the By-Laws or this Declaration which is not cured within sixty (60) days.

(d) The Association shall, upon notification of conveyance of an interest therein, provide a copy of this Declaration to the persons or entities receiving said interest.

Section 9. Non-payment of Assessments; Remedies of Association.

(a) If any assessment is not paid on the date when due, then such assessment shall be deemed delinquent and shall together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such assessment was made, and such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in such Lot; provided, however, that such lien shall be subordinate to any mortgage on such Lot recorded prior to the date on which such assessment becomes due.

(b) If any assessment upon any Lot is not paid within twenty (20) days after the due date, such assessment and all costs of collection thereof, including attorneys' fees, shall bear interest from the date of delinquency until paid at the maximum rate allowable under applicable usury laws (18%), and the Association may bring an action in any court having jurisdiction against the delinquent Owner to enforce payment of the same and/or to foreclose the lien against said Owner's Lot, and there shall be added to the amount of such assessment all costs of such action, including the Association's attorneys' fees, and in the event a judgment is obtained, such judgment shall include such interest, costs, and attorneys' fees.

Section 10. Adjustments. In the event that the amounts actually expended by the Association for Common Expenses in any fiscal year exceed the amounts assessed for Common Expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for assessments for the following fiscal year. Such deficit may be recouped either by inclusion in the budget for annual assessments or by the making of one or more special

assessments for such purpose, at the option of the Association. In the event that the amounts assessed for Common Expenses in any fiscal year exceed the amount actually expended by the Association for Common Expenses for that fiscal year, shall be carried in the corporate account to cover any other expenses that may or may not occur.

ARTICLE VII.

Organization and Duties of Association

Section 1. Organization of Association. The Association shall be organized as a not-for-profit corporation.

Section 2. Membership. The members of the Association shall consist of the Declarant and the Owners of Lots in **ADAMS RANCH** provided that, in the event that any one Lot shall be owned by more than one person, partnership, trust, corporation or other entity, they shall be treated collectively as one member for voting purposes.

The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B membership shall consist of the Declarant, who shall be entitled to three (3) votes for each Lot owned by the Declarant. The Class B membership shall cease and be converted to Class A membership when seventy-five percent (75%) of the lots are sold.

Section 3. Board Of Directors. The members shall elect a Board of Directors of the Association as prescribed by the By-Laws. The Board of Directors shall manage the affairs of the Association. There shall be three (3) members of the initial Board.

Section 4. General Duties of the Association. The Association is hereby authorized to act and shall act on behalf of, and in the name, place and stead of, the individual Owners in all matters pertaining to the maintenance, repair and replacement of the roads, the collection of annual and special assessments, and the granting of any approvals whenever and to the extent called for by this Declaration, for the common benefit of all such Owners. The Association shall also have the right, but not the obligation, to act on behalf of any Owner or Owners in seeking enforcement of the terms, covenants, conditions and restrictions contained in this Declaration.

Section 5. Liability of Association. Neither the Association nor its directors, officers or authorized agents shall have any liability whatsoever to any Owner for any action taken under color

or authority of this Declaration, or for any failure to take any action called for by this Declaration, unless such act or failure to act is in the nature of a willful or reckless disregard of the rights of the Owners or in the nature of the willful, intentional, fraudulent, or reckless misconduct.

Section 6. Amendment of Declaration. The Association shall have the right to amend this Declaration at any time, and from time to time, upon the recommendation of an amendment to the Association by its Board of Directors, and the subsequent approval of such amendment by both the Owners of at least two-thirds of the Lots; provided, however, that any such amendment of this Declaration shall require prior written approval of Declarant at all times prior to the Class B membership being converted to Class A membership as prescribed in subsection 2 of this Article IX.

Section 7. Insurance. The Association shall maintain in force adequate public liability insurance protecting the Association against liability for property damage and personal injury with the amount of such coverage in no event to be less than Five Hundred Thousand Dollars (\$500,000.00) for any single occurrence, occurring on or in connection with any and all Common Areas.

Section 8. Condemnation, Destruction. In the event that any of the Common Areas shall be condemned or taken by any competent public authority, or in the event the same shall be damaged or destroyed by any cause whatsoever, the Association shall represent the interests of the Owners in any proceedings, negotiations, insurance adjustments, settlements, or agreements in connection with such condemnation, damage, or destruction. Any sums recovered by the Association shall be applied, first, to the restoration and repair of any Common Area condemned, damaged, or destroyed, to the extent such restoration or repair is practicable, and the balance of such sums shall either be held as a reserve for future maintenance of the Common Area or turned over to the Owners in proportion to their Pro-Rata Shares, whichever may be determined by a majority vote of the members of the Association. Each Owner shall be responsible for pursuing his own action for damages to his Lot, either by reason of direct damage thereto or by reason of an impairment of value due to damage to the Common Areas; provided, however, that upon request of any Owner(s), the Association shall pursue such claims on such requesting Owner(s) behalf, and shall turn any recoveries for such Owners over to such Owners directly. The Association shall notify all Mortgagees of which it has notice of any condemnation, damage, or destruction of any Common Area.

Section 9. Mortgagees' Rights. The Mortgagees shall have the right, at their option, jointly or severally, to pay taxes or other charges which are in default or which may or have become a charge against the Common Area to pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for the Common Area, and Mortgagees making such payment shall be owed immediate reimbursement therefor from the Association.

General Provisions

Section 1. Covenants Run With the Land. The covenants created by this Declaration shall attach to and run with the Real Estate and shall be binding upon every person who may hereafter come into ownership, occupancy or possession of any portion of the Real Estate.

Section 2. Scope of Covenants. Declarant and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be expressed in such deed, are deemed to have agreed to each and every one of the various terms, Covenants, and conditions contained in this Declaration, and the same shall be of mutual and reciprocal benefit to Declarant and each Owner of each Lot. Declarant and each Owner shall be entitled to enforce this Declaration against any Owner to the full extent permitted herein and under applicable law, and shall have all rights and remedies for such enforcement at law or in equity. Each Owner shall be liable for such enforcement at law or in equity. Each Owner shall be liable for any failure to fully comply with all of the terms, Covenants, and conditions, contained in this Declaration only so long as each such Owner shall have any interest in any Lot; provided, however, that the relinquishing of all of such interest shall not operate to release any Owner from liability for a failure to comply with this Declaration which occurred while said Owner had such interest.

Section 3. Attorneys' Fees. As to any legal or equitable proceedings for the enforcement of, or to restrain the violation of, this Declaration or any provision thereof, if the party bringing such action is successful in obtaining any remedy against any defaulting Owner, such defaulting Owner shall pay the reasonable attorneys' fees of such successful party, in such amount as may be fixed by the Court in such proceedings.

Section 4. Failure to Enforce Not a Waiver of Rights. The failure of Declarant, the Association, or any Owner to enforce any term, Covenant, or condition, herein contained shall in no event be deemed to be a waiver of the right to do so thereafter, nor of the right to enforce any other such term, Covenant or condition.

Section 5. Rights of Mortgagees. Except to the extent otherwise provided in Article VIII no breach of this Declaration shall defeat or render invalid the lien of any mortgage now or hereafter executed upon any portion of the Real Estate; provided, however, that if all or any portion of said Real Estate is sold under a foreclosure of any mortgage, any purchaser at such sale and his successors and assigns shall hold any and all land so purchased subject to this Declaration. The provisions of Article VIII hereinabove notwithstanding, neither the Owners nor the Association shall have any right to make any amendment to this Declaration which materially impairs the rights of any Mortgagee holding, insuring, or guaranteeing any mortgage on all or any portion of the Real Estate at the time of such amendment.

Section 6. Effect of Invalidation. If any provision of this Declaration is held to be invalid by any Court, the invalidity of such provision shall not affect the validity of the remaining provisions thereof.

Section 7. Section Headings. Section headings used herein are used for convenience only and are not intended to be a part of this Declaration or in any way to define, limit, or describe the scope and intent of the particular sections to which they refer.

Section 8. Notices. All notices in connection with this Declaration shall be made in writing and shall be deemed delivered (a) upon personal delivery to the individual person, if any, designated in writing by the Owner, as listed in the roster of Owner's names and addresses referred to in Article VIII; or (b) seventy-two hours after the deposit thereof in any United States main or branch post office, first class postage prepaid, properly addressed to the addressee thereof at the address listed in the said roster.

Section 9. Limitations and Declarant's Rights. Any notice to or approval by Declarant under any provision of this Declaration shall not be necessary after the Class B membership has been converted to Class A membership pursuant to Section 2 of Article IX herein.

Section 10. Deed Clause to Implement Declaration. Each Owner covenants and agrees that it will not execute or deliver any deed or conveyance of a fee title interest in any Lot, or any portion thereof, unless such deed or conveyance contains a clause substantially as follows:

"By acceptance and recording of this conveyance, the Grantee herein covenants and agrees to be bound by the Declaration of Covenants and Restrictions For **ADAMS RANCH** pertaining to the Real Estate hereby granted, which is recorded in the Office of the Recorder of Morgan County, Indiana",

and properly identifying the instrument number therein. However, the failure to include such clause shall not have any effect on this Declaration or the enforceability thereof against any Owner of any interest in any portion of the Real Estate.

Section 11. Provision Against Merger. Declarant hereby intends that the Real Estate shall be subject to this Declaration, that the Covenants contained herein shall not be merged into the title of the Declarant regardless of whether Declarant is the fee title owner of all or any part of the Real Estate at the time this Declaration is executed or recorded.

Section 12. Reservations of Declarant. The provisions of Article IX hereof notwithstanding, Declarant hereby reserves the right to make such amendments to this Declaration as may be deemed necessary or appropriate by Declarant, at any time prior to the Class B membership being converted to Class A membership, pursuant to Article IX, Section 2 without the approval or consent of the Owners of the Lots.

In Witness Whereof, the Declarant has caused this Declaration to be executed on the date first above written.
