Second Amendment to the Declaration of Covenants and Restrictions of The Bentley Farms Ownership

<u>AMENDMENT</u> "YES" means you think the Amendment <i>should</i> be approved. "NO" means you think the Amendment <i>should NOT</i> be approved.	<u>YES</u>	<u>NO</u>
Should the amendment to Paragraph 19(n) of the Declaration of Covenants and Restrictions of The Bentley Farms Ownership be approved?	X	

While the quorum for a duly called meeting is twenty percent (20%), I understand that Paragraph 20 of the Declaration of Covenants and Restrictions of The Bentley Farms Ownership actually requires that this amendment be approved by at least a majority vote of all owners in the Bentley Farms subdivision, which is well more than the twenty percent (20%) quorum requirement.

I certify that I am an Owner of a Lot within the Bentley Farms subdivision and that I have been given an opportunity to read the proposed amendment. I understand that this ballot needs to be cast on or before April 12, 2012, to be counted. However, by casting this ballot, I waive any requirement that this vote be cast at a formal meeting of the members of the Association, and if an insufficient number of ballots are cast by April 12, 2012, to produce a "yes" or "no" vote, I authorize that this ballot may be counted for amendment purposes for a period of eighteen (18) months from the date this ballot is signed or until enough votes are gathered to produce a "yes" or "no" vote, whichever occurs first.

Should the amendment to Paragraph 19(n) of the Declaration of Covenants and Restrictions of The Bentley Farms Ownership be approved?		

While the quorum for a duly called meeting is twenty percent (20%), I understand that Paragraph 20 of the Declaration of Covenants and Restrictions of The Bentley Farms Ownership actually requires that this amendment be approved by at least a majority vote of all owners in the Bentley Farms subdivision, which is well more than the twenty percent (20%) quorum requirement.

I certify that I am an Owner of a Lot within the Bentley Farms subdivision and that I have been given an opportunity to read the proposed amendment. I understand that this ballot needs to be cast on or before April 12, 2012, to be counted. However, by casting this ballot, I waive any requirement that this vote be cast at a formal meeting of the members of the Association, and if an insufficient number of ballots are cast by April 12, 2012, to produce a "yes" or "no" vote, I authorize that this ballot may be counted for amendment purposes for a period of eighteen (18) months from the date this ballot is signed or until enough votes are gathered to produce a "yes" or "no" vote, whichever occurs first.

Should the amendment to Paragraph 19(n) of the Declaration of Covenants and Restrictions of The Bentley Farms Ownership be approved?	✓	

While the quorum for a duly called meeting is twenty percent (20%), I understand that Paragraph 20 of the Declaration of Covenants and Restrictions of The Bentley Farms Ownership actually requires that this amendment be approved by at least a majority vote of all owners in the Bentley Farms subdivision, which is well more than the twenty percent (20%) quorum requirement.

I certify that I am an Owner of a Lot within the Bentley Farms subdivision and that I have been given an opportunity to read the proposed amendment. I understand that this ballot needs to be cast on or before April 12, 2012, to be counted. However, by casting this ballot, I waive any requirement that this vote be cast at a formal meeting of the members of the Association, and if an insufficient number of ballots are cast by April 12, 2012, to produce a "yes" or "no" vote, I authorize that this ballot may be counted for amendment purposes for a period of eighteen (18) months from the date this ballot is signed or until enough votes are gathered to produce a "yes" or "no" vote, whichever occurs first.

47 **WHEREAS**, the Association was incorporated pursuant to the above listed Declaration as a
48 non-profit corporation pursuant to Articles of Incorporation (“Articles”) filed with, and approved by,
49 the Indiana Secretary of State on October 8, 1999; and
50
51 **WHEREAS**, the Declaration, Article 20(a)(iv), states that any proposed amendment of the
52 Declaration must be approved by a vote of not less of a majority in the aggregate of the votes of all
53 Owners and recorded with the Marion County Recorder before going into effect; and
54
55 **WHEREAS** a vote of the Owners was taken at the Association’s Annual Meeting held on
56 November 9, 2015, at which time more than a majority in the aggregate of the votes of all Owners
57 approved the following amendment to the Declaration. The vote ballots are attached to this
58 amendment as “Exhibit A” and
59
60 **WHEREFORE**, pursuant to the authority granted to the Owners in Bentley Estates by the
61 Declaration, the Owners have approved to amend the language in the Declaration in **Article 1(e)**,
62 under the heading “**MAINTENANCE RE: LOTS AND/OR DWELLING**”, and **Article 13(b)**,
63 titled “**Maintenance of Individual Lots and Dwellings**”, to read as follows:
64
65 Except as provided herein, the Association shall be responsible to mow the grass on
66 each Lot when and as often as the Association, in its sole discretion, deems it
67 necessary.
68
69 The Association shall be responsible to fertilize the grass on each Lot to the extent
70 of two fertilizations per year with the timing thereof and type of fertilizer to be in
71 the sole discretion of the Association.
72
73 If an owner erects, or has erected, a perimeter yard fence, the Association shall not
74 be responsible for mowing within the fenced yard, trimming around the fence, or
75 fertilizing within the fenced yard area. The Lot Owner shall be responsible for
76 mowing and fertilizing inside a fenced yard and trimming around the fence. An
77 Owner’s decision to erect or maintain a perimeter yard fence does not waive or
78 decrease that Owner’s pro-rata share of any regular or special assessments owed to
79 the Association.
80
81 The Association may be responsible to remove leaves and debris within gutters on
82 Dwellings subject to the sole determination of the Association of applicability and
83 necessity.
84
85 The Association, in addition to addressing snow removal on the private street in
86 Bentley Estates I, will include snow removal from the private drives and front
87 sidewalks within the Lots at times deemed appropriate by the Board in its sole
88 discretion and subject to the availability of services to perform such functions.
89
90 The Owners shall remain responsible to maintain their individual Lot landscaping
91 (trees, shrubs, flowers, etc.) in all respects including fertilizing and trimming and
92 replacing and including watering of such landscaping, the grass as the Association
93 assumes no responsibility to water the grass at any time.
