No Unit Owner shall, by deed, plat or otherwise, subdivide or in any other manner cause a Unit owned to be separated into any tracts or parcels different from the whole Unit as shown on the Floor Plans. The boundaries of each Unit shall be shown on the Floor Plans (without regard to the existing construction) as measured between the interior unfinished surface of the perimeter walls, unfinished surface of the floors, and the unfinished surface of the ceiling at its highest point, in each Unit. In the event any horizontal or vertical boundary line as shown on the Floor Plans does not coincide with the actual location of the respective wall, floor or ceiling surface of the Unit because of inexactness of construction, settling after construction, or for any other reasons, the boundary lines of each Unit shall be deemed to be and treated for purposes of occupancy, possession, maintenance, decoration, use and enjoyment, as in accordance with the actual existing construction. When a Unit Owner owns more than one Unit, ownership in the Common Areas and Facilities shall be the aggregate of the percentage of ownership interest of all Units owned. The ownership of each Unit shall not be conveyed separate from the percentage of ownership in the Common Areas and Facilities corresponding to such Unit. The undivided percentage of ownership in the Common Areas and Facilities corresponding to any Unit shall be deemed conveyed or encumbered with that Unit, even though the legal description in the instrument conveying or encumbering said Unit may refer only to the fee title to that Unit.

**3.03. Use of Common Areas and Facilities.** Each Unit Owner shall have the right to use the Common Areas and Facilities (subject to the limitations of Section 3.05 respecting the use of Limited Common Areas) in common with all other Unit Owners as may be required for the purpose of ingress and egress to and use, occupancy and enjoyment of, the respective Unit owned by each Unit Owner. Such rights shall extend to the Unit Owner and the members of the Unit Owners immediate family and guests and other occupants and visitors. **3.06. No Partition of Common Areas and Facilities.** There shall be no partition of the Common Areas and Facilities through judicial proceedings or otherwise until this Declaration is terminated and the Property is withdrawn from its terms or from the Act.

#### ARTICLE IV

##### Provisions as to Units and Common Areas

**4.01. Submission of Property to the Act.** The Property is hereby submitted to the provisions of the Horizontal Property Law of the State of Indiana.

**4.02. No Severance of Ownership.** No Unit Owner shall execute any deed, mortgage, lease or other instrument effecting Unit Ownership without including therein both his or her interest in the Unit and his or her corresponding percentage of ownership in the Common Areas and Facilities, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

##### 4.03. Easements.

(a) Easements for Utilities and Additional Purposes. All suppliers of utilities serving the Property are hereby granted

930033593

the right to install, maintain, repair or replace conduits, cables, pipes, wires and other equipment into, on or above any portion of the Common Areas and Facilities for the purpose of providing the Property with utility services, together with the reasonable right of ingress and egress to the Property for such purposes provided, however, that the location of any such easements shall be subject to the approval of the Board, the Board may grant other or additional easements for utility purposes and for other purposes for the benefit of the Property over, under, along and through any portion of the Common Areas and Facilities, including such easements as the Declarant may from time to time request including, but not limited to, easements as may be required to construct, keep and maintain improvements upon the Common Areas and Facilities. Each Unit Owner hereby grants the Board an irrevocable power of attorney to execute, acknowledge and record such instruments as may be necessary to effectuate the foregoing.

(b) Easements To Run With The Land. All easements and rights described herein are easements appurtenant, running with the land, for so long as the Property is subject to the provisions of this Declaration and shall remain in full force and effect, and shall inure to the benefit of and be binding on the undersigned, its successors and assigns, and any Unit Owner, purchaser, mortgagee or other person having an interest in the Property, or any part or portion thereof.

#### 4.04. Use of the Common Areas and Facilities.

(a) General. Each Unit Owner shall have the rights to use of the Common Areas and Facilities as provided in Section 3.03 and 3.05 of the Declaration.

(b) Restrictions on Use of Common Areas and Facilities. The use of the Common Areas and Facilities and the rights of the Unit Owners with respect thereto shall be subject to and governed as set forth in Section 3.03.

#### 4.05. Maintenance Repairs and Replacements.

(a) By the Board. Except as otherwise provided by this Declaration, the Association through the Board shall be responsible for the maintenance, repair, replacement, improvement and management of the Common Areas and Facilities. Such responsibilities of the Board shall specifically include, but not be limited to, maintenance, repairs or replacements of: (i) those portions, if any, of each Unit which contribute to the support of a Building excluding, however, interior wall, ceiling and floor surfaces within a Unit; (ii) pipes, wires, conduits, ducts, flues, shafts and other facilities for the furnishing of utility services which may be located within or without the forming part of any system servicing more than one Unit; and (iii) roof, gutters, downspouts, flashing, chimney and other weather proofing. The

930033593

Board's responsibilities, however, respecting maintenance, repairs or replacements (other than periodic, expected or routine in nature) of those items specified in items (i), (ii) and (iii) of this Section 4.05 shall be subject to receipt of written notice by the Board, Secretary of the Association, or anyone designated to receive any such written notice by the Board from a Unit Owner with reasonable promptness of conditions existing which necessitate either an inspection to determine the need for, or the performance of, maintenance, repairs or replacements, and the elapse of a reasonable time under the circumstances involved to permit the Board to discharge its responsibilities hereunder.

(b) By the Unit Owner. Except as otherwise provided in paragraph (a) above, each Unit Owner shall furnish, be responsible and pay for:

(1) All of the maintenance, repairs and replacements within the Unit owned and of the doors, windows and frames and screens appurtenant thereto, and all internal installations of such Unit such as refrigerators, ranges, and other kitchen appliances, lighting fixtures and other electrical fixtures, plumbing fixtures or installation, and any pipes, ducts, flues, shafts, electrical wiring and conduits, and individual heating, cooling, and ventilating systems or equipment situated within or without a Unit and servicing only such Unit. Notwithstanding the above, the Board or the Association may provide, by its rules and regulations, for biannual (or more frequent) washing or cleaning of the windows and frames and screens appurtenant thereto of each of the Units, to be furnished as a Common Expense.

(3) Each Unit Owner shall be responsible for the repair, maintenance and replacement of all door and window locks and hardware with respect to which each Unit Owner is entitled to the exclusive use.

(4) Each Unit Owner entitled to exclusive use and benefit (as determined by Section 3.05) of a patio and/or balcony shall keep such patio or balcony in a neat and orderly condition at all times free of rubbish and debris. Each Unit Owner shall also paint, repair, fix, replace and maintain any fence, railing, gate or similar barrier enclosing, either wholly or partially, any such patio or balcony, in the manner and at the time or times directed in writing by the Board in order to ensure uniformity among all such patios and balconies appurtenant to buildings within the Property.

(5) The Board may perform or cause to be performed, any of the maintenance, repair or upkeep as indicated in (1), (2), (3) and (4) above and assess the cost of the

same to the Unit Owner benefiting thereby, in the event of a failure by a Unit Owner to comply with all or any of the responsibilities imposed herein within twenty (20) days after notice in writing from the Board of the Board's intention to perform or cause to be performed any such maintenance, repair or upkeep unless provided for by the Unit Owner.

(6) Any and all signage and window treatment (draperies, blinds, etc.) for the commercial facilities Units shall require the majority approval of the Owners of these commercial facilities.

(c) Nature of Obligations. Nothing herein contained shall be construed to impose a contractual liability upon the Association for maintenance, repair and replacement, but the Association's liability shall be limited to damages resulting from negligence. The respective obligations of the Association and Unit Owners set forth in this Declaration shall not be limited, discharged or postponed by reason of the fact that any such maintenance, repair or replacement is required to cure a latent or patent defect in material or workmanship in the construction of the Buildings, nor because they may become entitled to proceeds under policies of insurance. In addition, and notwithstanding anything hereinabove to the contrary, no Unit Owner shall have a claim against the Board or Association for any work, maintenance, repairs or replacements ordinarily the responsibility of the Board or Association under (a) above either: (i) where notice is given as required or the Board is found to have actual knowledge in lieu thereof; or (ii) which the Unit Owner has performed or paid for, unless the same shall have been agreed to in advance and in writing by the Board or the Declarant.

(a) The Board may authorize and charge as a Common Expense (or in the case of Limited Common Areas may charge the Owners benefited thereby) additions, alterations, improvements, maintenance, repairs and replacements to the Common Areas and Facilities. The cost of any of the foregoing as authorized by the Board may be levied against the Unit Owners by special assessment. NOTWITHSTANDING the foregoing, the maintenance, insurance, and real estate taxes for the parking garages and the parking areas, shall be treated as a common expense shared among all residential Unit Owners.

(b) No additions, alterations or improvements shall be made by a Unit Owner to any part of the Common Areas and Facilities and no additions, alterations or improvements shall be made by a Unit Owner to his or her Unit (where such work affects the safety or structural integrity of the Building, reduces the value thereof or impairs any easement granted hereunder) without the prior

written consent of the Board and all Unit Owners within the Building of which such Unit constitutes a part. In the event such consent is obtained, such consent may be conditioned upon the Unit Owner's agreement either:

(1) To be solely responsible for the maintenance of such addition, alteration or improvement. If an addition, alteration or improvement is made by a Unit Owner without the prior written consent of the Board and other Unit Owners as herein required, then the Board may, in its discretion, take any of the following actions:

(i) Require the Unit Owner to remove the addition, alteration or improvement and restore the Property to its original condition, all at the Owners's expense; or

(ii) If the Unit Owner refuses or fails to properly perform the work required under (i), the Board may cause such work to be done and may charge the owner for the cost thereof as determined by the Board; or

(iii) Ratify the action taken by the Unit Owner, provided such action has been first ratified by the Unit Owners from whom consent should have been obtained as herein provided, and the Board may (but shall not be required to) condition such ratification upon the same conditions which it may impose upon the giving of its prior consent under this section.

**4.07. Joint Facilities.** To the extent that equipment, facilities or fixtures are affecting or serving other Units or the Common Areas and Facilities, then the use thereof by any individual Unit Owner shall be subject to rules and regulations of the Board as may be imposed from time to time. The authorized representatives of the Association or the Board, or of the manager or managing agent for the Buildings, shall be entitled to reasonable access to the individual Units as may be required in connection with maintenance, repairs or replacements of or to the Common Areas and Facilities or any equipment, facilities or fixtures affecting or serving other Units or the Common Areas and Facilities.

**4.08. Separate Use Facilities.** The Board of the Association shall from time to time determine, and upon such determination shall notify each Unit Owner of same, which Common Facilities, if any, should be maintained at the sole expense of certain individual or a certain group of Unit Owners. For example, the Board may determine that all expenses in connection with an elevator which serves only certain Units should be paid only by the collective

930033593

Unit Owners of the Units served. Such determination by the Board of the Association from time to time shall be final and unappealable.

#### ARTICLE V

##### Administration

**5.01. Administration of the Property.** The direction and administration of the Property shall be vested in the Board of the Association, in accordance with the terms and provisions of this Declaration and the By-Laws. Provided however, that irrespective of anything else contained in this Declaration, for a period of time commencing on the date this Declaration is executed and ending upon the earlier of (a) April 1, 1994, or (b) the transfer of ownership of seven (7) Units to someone other than the Declarant, the Declarant shall have the right to designate and select the persons who shall serve as members of each Board or to exercise the powers of the Board as provided in the Act.

The Association may issue certificates evidencing membership therein and shall have only one class of membership.

In the event that joint Owners of a Unit are unable to agree among themselves as to how their vote or votes shall be cast, they shall lose their right to vote on the matter in question. If any person having an ownership interest in any Unit casts a vote representing a certain Unit without such an agreement, it will thereafter be disregarded as if no vote was cast. All other matters respecting voting rights and proxies shall be as specified in the By-Laws.

**5.04. Meetings.** Meetings of the Association and the Board shall be held at the times, in the manner and subject to the notice required as specified in the By-Laws.

**5.05. Powers and Duties of the Board.** The Board shall have the powers and duties specified in the Articles, By-Laws, Act and

930033593

this Declaration.

5.06. Liability for Acts or Omissions of the Board or Officers. Neither the members of the Board nor the officers of the Association shall be liable to the Unit Owners for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such Board members and officers except for willful misconduct or recklessness. The Association shall INDEMNIFY AND HOLD HARMLESS each of the members of the Board and each of the officers of the Association against any loss, cost or expense resulting from any claim, demand, action, or cause of action, formal or informal, made, filed or asserted arising out of or in connection with any acts taken or things done, contractual or otherwise, by or at the direction of the Board or officers of the Association on behalf of the Unit Owners or Association, or in which they are involved because of their status as Board members or officers, unless involving willful misconduct or recklessness. It is intended that the foregoing indemnification shall include indemnification against all costs and expenses (including, but not limited to, attorney fees and the financial costs of any settlements) reasonably incurred in connection with the defense of any claim, action, suit or proceeding, whether civil, criminal, administrative, or other, in which any member of the Board or any officer of the Association may be involved by virtue of being or having been such member or officer; provided, however, that such indemnity shall not be operative with respect to the following: (i) any matter as to which any such person shall have been finally adjudged in such action, suit or proceeding to be liable for willful misconduct or recklessness in the performance of his or her duties as a Board member or officer; or (ii) any matter compromised and settled unless, in the opinion of independent counsel selected by or in a manner determined by the Board, there is no reasonable basis for any such Board member or officer being adjudged liable for willful misconduct or recklessness in the performance of his or her duties as a Board member or officer. The liability of any Unit Owner arising out of any acts taken or things done, contractual or otherwise, by members of the Board or officers of the Association, or out of the aforesaid indemnity in favor of members of the Board and officers of the Association, shall be limited to such proportion of the total liability thereunder as his or her percentage of interest in the Common Areas bears to the total percentage interest of all Unit Owners in the Common Areas. Every agreement made by the Board, any officer of the Association, or by any managing agent on behalf of the Unit Owners or Association shall provide that members of the Board or the managing agent, as the case may, are acting only as agents for the Unit Owners or Association and shall have no personal liability thereunder (except as Unit Owners) and that each Unit Owner's liability thereunder shall be limited to such proportion of the total liability thereunder as his or her percentage of interest in the Common Areas bears to the total percentage interest of all Unit Owners in the Common Areas.

ARTICLE VI

Common Expenses - Maintenance Fund

6.01. Preparation of Estimated Budget. Each year on or before November 1, the Board shall estimate the total amount necessary to pay the cost of wages, materials, insurance, services and supplies which will be required during the ensuing calendar year for the rendering of all services, together with a reasonable amount considered by the Board to be necessary for a reserve for contingencies and replacements, and shall on or before November 15 notify each Unit Owner in writing as to the amount of such estimate, with reasonable itemization thereto and containing each Unit Owner's respective Assessment provided, however, that such annual budget shall be furnished to each Unit Owner at least thirty (30) days prior to its adoption by the Board. The annual budget shall also take into account the net available cash income for the year derived from the operation or use of the Common Areas and Facilities. Subject to the provisions of Section 4.05 (b) (5) and 4.06 (iii) hereof, and subject further to the provisions of Section 4.08 hereof, said "estimated cash requirement" shall be assessed to the Unit Owners according to each Unit Owner's percentage of ownership in the Common Areas and Facilities. Attached hereto as Exhibit "E" is a schedule (which is not all inclusive) to guide the Board in determining what expenses of the Development are to be assessed against all Unit Owners and what expenses for maintenance, repairs, etc., are to be assessed against only the Residential Unit Owners. NOTWITHSTANDING anything to the contrary in Exhibit "E", all assessments for real estate taxes and all premiums for insurance coverage shall be assessed equally against all Unit Owners.

On or before January 1 of the ensuing year and the first of each and every month of said year, each Unit Owner, jointly and severally, shall be personally liable for and obligated to pay the Association or as it may direct, one-twelfth (1/12) of the Assessment made pursuant to this paragraph. On or before April 1 each calendar year following the initial meeting, the Board shall supply to all Unit Owners an itemized accounting of the maintenance expenses for the preceding calendar year actually incurred and paid, together with a tabulation of the amounts collected pursuant to the estimates provided, and showing the net amount over or short of the actual expenditures plus reserves. Such accounting shall be prepared by a certified public accountant. Any net shortage or excess shall be applied as an adjustment to the installment due under the current year's estimate in the succeeding six (6) months after rendering of the accounting subject, however, to the provisions of Section 6.02 hereof.

6.02. Reserve for Contingencies and Replacements - Supplemental Budget. The Board shall build up and maintain a

930033593

reasonable reserve for contingencies and replacements, which reserve shall be segregated and allocated for specific purposes and maintained in a separate interest-bearing account with a bank or savings and loan association having its principal place of business in Marion County, Indiana. Extraordinary expenditures not originally included in the annual estimate which may become necessary during the year shall be charged first against such portions of the contingency and replacement reserve which remains unallocated. If the "estimated cash requirement" proves inadequate for any reason or in the event a non-recurring Common Expense is anticipated for any year, then the Board may prepare and approve a supplemental budget covering the estimated deficiency or non-recurring expense for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a separate Assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget. All Unit Owners shall be personally liable for and obligated to pay their respective adjusted monthly amount.

**6.03. Initial Budget.** The Declarant, or the initial Board appointed by the declarant as the case may be, shall determine and adopt, prior to the conveyance of the first Unit hereunder, the "estimated cash requirement" for the initial period commencing with the first day of the month in which the sale of the first Unit is closed and ending on December 31 of the calendar year in which such sale occurs, and shall continue to determine the "estimated cash requirement" for each succeeding calendar year until such time as the first Board, elected as provided by the By-Laws, takes office. Assessments shall be levied against the Unit Owners during said periods as provided in Section 6.01 of this Article.

**6.04. Failure to Prepare Annual Budget.** The failure or delay of the Board to prepare or serve the annual or adjusted estimate on the Unit Owners shall not constitute a waiver or release in any manner of a Unit Owner's obligation to pay Assessments for maintenance cost and necessary reserves as herein provided, whenever the same shall be determined, and in the absence of any annual estimate or adjusted estimate, each Unit Owner shall continue to pay a monthly Assessment at the then existing monthly rate established for the previous period until the Assessment which is first due more than ten (10) days after such new annual or adjusted estimate shall have been mailed or delivered to each Unit Owner in the same manner a notice is required to be served upon a Unit Owner under section 12.03 of the Declaration.

**6.05. Books and Records.** The Board shall keep full and correct books of account in chronological order of the receipts and expenditures affecting the Common Areas and Facilities, specifying and itemizing the maintenance and repair expenses of the Common Areas and Facilities and any other expenses incurred. Such records and the vouchers authorizing the payments shall be available for inspection at the office of the Association, if any, by any Unit

15

Owner or any holder of a first mortgage lien on a Unit Ownership, at such reasonable time or times during normal business hours as may be requested by the Unit Owner. Upon ten (10) days' notice to the Board and payment of a reasonable fee, any Unit Owner shall be furnished a statement of his account setting forth the amount of any unpaid assessments or other charges due and owing from such Unit Owner.

6.05. Status of Collected Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special Assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid Assessments or user charges shall be deemed to be held for the benefit, use and account of all the Unit Owners in the percentages set forth in Exhibit "C".

6.07. Start-Up Cost. At the time the initial sale of each Unit is closed, the purchaser of the Unit shall pay to the Association an amount equal to two (2) times the first monthly assessment for such Unit. The sum shall be used and applied for start-up costs and as a working capital fund in connection with all initial operating expenses for the Common Areas and Facilities. This payment shall not be refundable nor be applied as a credit against the Unit Owner's monthly assessment.

6.08. Non-Use and Abandonment. No Unit Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Areas and Facilities or abandonment of a Unit unless title to an abandoned Unit is accepted by the Board in writing pursuant to the By-Laws.

No Unit owner shall overload the floors of any Unit. The use of water-beds and similar furnishings and equipment which may cause floor overloads shall be subject to prior written approval by the Board.

No signs shall be erected or displayed on or within the Common Area and Facilities except signs placed by authority of the Board. Anything contained in this Declaration to the contrary notwithstanding, Declarant, its successors, assigns and agents as developer of the Property, shall have the right to install and maintain such signs as it deems appropriate in connection with Declarant's construction, sales and leasing activities on the Property. The Declarant or its agents and prospective purchasers and lessees of any Unit from the Declarant are hereby granted the right of ingress, egress and transient parking in and through the Common Areas and Facilities for such Unit sale or leasing purposes. The Declarant further reserves the right to use unsold Units and the Common Areas and Facilities for temporary storage, office, sales and related purposes. All such lease or sub-lease agreements are subject in all respects to the provisions of this Declaration and any and all rules and regulations from time to time imposed by the Board with respect to the use and enjoyment of the Common Areas and Facilities and any failure by the lessee and/or sub-lessee to comply therewith shall be a default under the lease or sub-lease. Upon written request by the Board, a Unit Owner leasing or sub-leasing a Unit shall supply to the Board a true and correct copy of the lease agreement with respect thereto for review as to compliance with this paragraph.

##### Insurance and Real Estate Taxes

8.01. Board Insurance Responsibilities. Subject to availability, the Board shall obtain and maintain insurance required by this Article VIII for the benefit and protection, as their interests may appear, of the Declarant, the Association, the Board, Unit Owners, and mortgagees. All such insurance shall be obtained from insurers of recognized responsibility authorized to so do business in the State of Indiana. Premiums and other costs (including appraisal fees) with respect to all such insurance shall (except as specified in Section 8.07) be Common Expenses and premiums shall be paid by the Board no later than thirty (30) days prior to the expiration date of the respective policies, with

notice of payment given by the Board to each mortgagee whose interest is insured thereby, within ten (10) days after the date of payment. The Board shall also provide notice to each Unit Owner and mortgagee whose interests are insured thereunder of the procurement of any insurance by the Board or of any subsequent material changes in the coverages afforded thereby, or in the event of the cancellation of any insurance of the type required under Section 8.02 or 8.03 hereof.

**8.02. Fire and Extended Coverage Insurance.** The Board shall obtain and maintain fire and extended coverage insurance insuring the Property in an amount equal to the full replacement cost thereof against loss or damage by fire and other risks or perils now or hereafter embraced by standard extended coverage and vandalism and malicious mischief endorsements. The "full insurable replacement cost" of the Property, including the Units and the Common Areas and Facilities, shall be determined from time to time by the Board, which determination may be based upon appropriate insurance appraisals, so that in the event of lesser damage, adequate insurance proceeds will be available to restore the Property to substantially the same condition in which it existed prior to damage or destruction. The fire and extended coverage insurance obtained by the Board shall be in the nature of a master policy of insurance which:

(a) Shall name as insureds, the Declarant, so long as it has an insurable interest, the Association, Board, Unit Owners and mortgagees of the type described in Section 8.01, as the respective interests of all such insureds may appear;

(b) Shall be without contribution as respects other such policies of insurance carried individually by the Unit Owners, whether such other insurance covers the Unit owned and/or addition or improvements made thereto;

(c) Shall provide that notwithstanding any provision thereof which gives the insurer an election to restore damage in lieu of making cash settlement therefor, such action shall not be exercisable in the event the Board or Unit Owners elect under Article IX hereof not to repair, restore and reconstruct or elect to sell the Property or remove the Property from the provisions of the Act, or where such action is in conflict with the terms of this Declaration;

(d) Shall provide that such policy shall not be terminated for nonpayment of premium without at least ten (10) days prior written notice to all insureds, including any Mortgagees protected thereunder;

(e) May contain an endorsement extending coverage

so as to include the payment of common expenses with respect to damaged Units during the period of reconstruction thereof and until substantial completion and reoccupancy;

(f) Shall contain a provision whereby the insurer waives its rights of subrogation as to any claim against the Declarant, Association, Board, its agents and employes, Unit Owners, their respective employees, agents and guests;

(g) Shall waive any defense under the policy based upon invalidity thereof resulting from any acts or omission of one or more, but not all, of the named insureds;

(h) Shall waive any defense under the policy based upon a failure on the part of one or more, but not all, of the named insureds to comply with the conditions of the policy applicable in the event of a loss; and

(i) Shall provide, notwithstanding the issuance of standard mortgage clause endorsements, that any loss payable thereunder shall be paid to the Board as insurance trustees under this Declaration for application and disbursement in accordance with the provisions of this Declaration.

Such master policy of insurance shall be deposited with the Board as insurance trustee, and a memorandum thereof shall be deposited with any mortgagee whose interest is required to be protected thereunder and who may require same. Certificates shall be issued by the Insurer under such master policy of insurance to each Unit Owner and each mortgagee whose interest is required to be protected thereunder, each such certificate to indicate on its face that it is a part of such master policy of insurance covering the Property and to outline the insurance coverage afforded to each Unit Owner with respect to the Unit or Units owned, including the ownership interest in the Common Areas and Facilities.

**8.03. Comprehensive Public Liability and Property Damage Insurance.** The Board shall obtain comprehensive public liability and property damage insurance, on a broad form basis, insuring against injury to, including death, persons or damage to or the destruction of property occurring in, upon or about the Property or the streets, passageways and other areas adjoining the Property, or arising out of or in connection with the operation, maintenance, use or control of the Common Areas and Facilities, and insuring against any legal liability for any such injuries or damage resulting from any act or omission on the part of any person for which the Board or Association is or may be liable. Such insurance shall have limits of liability from time to time determined by the

930033593

Board, but in no event shall the limits be less than \$1,000,000.00 per occurrence on a combined single-limit basis. Such insurance shall provide coverage of the type herein stated to each Unit Owner, their spouses, the Association, the Board, any managing agent selected or contracted by the Association, other agents and employees of the Association, Board and managing agent, if any, and the Declarant in its capacity as a Unit Owner and Board member, and shall provide coverage with respect to claims of one or more insured parties against other insured parties.

8.04. Workmen's Compensation Insurance. The Board shall obtain such workmen's compensation insurance as may be necessary to comply with applicable law.

8.05. Fidelity Bonds. The Board shall obtain a fidelity bond indemnifying the Association, the Board and the Unit Owners from and against loss of funds resulting from fraudulent or dishonest acts of any employee of the Association or of any person regularly handling the funds of the Association, in amounts as determined from time to time by the Board.

8.06. Right of Board to Obtain Other Insurance. In addition to the types of coverage herein specified and required to be obtained by the Board, the Board shall have the right to obtain such other insurance coverages as it may from time to time deem appropriate within its sole discretion for the benefit and protection of the Board, the Association and/or the Unit Owners.

8.07. Unit Owner Insurance Responsibilities. Each Unit Owner shall be responsible for obtaining insurance on the contents of the Unit owned and any furnishings and personal property located therein, and on any personal property stored or located elsewhere on the Property. Each Unit Owner shall also be responsible for obtaining insurance against personal liability to the extent not covered by the insurance obtained by the Board under Section 8.03 hereof. Each such policy of insurance shall be without contribution as respects other such policies of insurance carried by the Association or other Unit Owners; and, shall contain a provision whereby the insurer waives its rights to subrogation as to any claim against the Declarant, Association, the Board, its agents and employees, Unit Owners, their respective employees, agents and guests. If for any reason, a casualty loss is sustained and there is a reduction in the amount of insurance proceeds which would otherwise be payable with respect to such loss under and pursuant to any fire and extended coverage obtained by the Board as required by Section 8.02 hereof, or under any other casualty insurance obtained by the Board in lieu thereof, due to principles of insurance proration based upon insurance purchased by a Unit Owner as described in this section, the Unit Owner shall, and hereby does, transfer and assign to the Board any such insurance proceeds available under individual policies held by such Unit Owner to the extent of the amount of any such reduction. Neither

the Association nor any Unit Owner is responsible for any loss of business with respect to the commercial Units. Neither the Association nor the Board will provide any business interruption insurance coverage. This coverage, if desired, is to be purchased solely by any commercial Unit Owner desiring it.

Each Unit Owner shall report all additions or alterations to his or her Unit promptly in writing to the Board, without prior request from the Board, and shall reimburse the Board for any additional insurance premiums attributable thereto, and shall be responsible for any deficiency in any insurance loss recovery based upon a failure to so notify the Board. The Board shall not be responsible for obtaining insurance on any such additions, alterations or improvements unless and until such Unit Owner shall make such report and request the Board in writing to obtain such insurance, and shall make arrangements satisfactory to the Board for such additional premiums; and upon the failure of such Unit Owner so to do, the Board shall not be obligated to apply any insurance proceeds to restore the effected Unit to a condition better than the condition existing prior to the making of such addition, alterations or improvements. "Additions" or "alterations" shall mean property attached to the Unit and not readily removable without damage to the Unit, including but not limited to, carpeting, special floor or wall coverings and paneling.

8.08. Delegation to Board of Right to Adjust Losses. Each Unit Owner hereby delegates to the Board sole and exclusive authority to negotiate with insurance companies as required with respect to the adjustment, handling and payment of any and all losses for which coverage is afforded under policies of insurance obtained by the Board under this Article.

8.09. Unit Owner's Waiver and Release of Claims. Each Unit Owner hereby waives and releases any and all claims which he or she may have against any other Unit Owner, the Association, its officers, members of the Board, Declarant, the manager and managing agent of the Property, if any, and their respective employees and agents, for any damage to the Common Areas and Facilities, the Units, or to any personal property located in the Unit or Common Areas and Facilities caused by fire or other casualty to the extent that such damage is covered by fire or other form of casualty insurance.

8.10. Real Estate Taxes. Real estate taxes are to be separately assessed and taxed to each Unit as provided in the Act. In the event that for any year real estate taxes are not separately assessed and taxed to each Unit, but are assessed and taxed on the Property as a whole, then each Unit Owner shall pay his or her proportionate share of such taxes to the extent attributable to the Property in accordance with his or her respective Percentage Interest.

**ARTICLE IX**

**Damage, Destruction, Restoration  
of Property and Condemnation**

**9.01. Partial Damage or Destruction of Buildings Containing Units.** In the event of any casualty or occurrence resulting in damage to, or the destruction of, less than two-thirds (2/3) of the Buildings containing Units, and unless another course of action is unanimously agreed upon by the Unit Owners at a special meeting called in accordance with the By-Laws for the express purpose of considering other available options, the Board shall cause the damage or destruction to be promptly repaired and the Buildings to be restored and reconstructed. The proceeds from any insurance carried by the Association shall be applied to the cost of such repair, restoration and reconstruction. If insurance proceeds are unavailable or otherwise inadequate to cover the entire cost of such repair, restoration and reconstruction, then the cost, less insurance proceeds, if any, of such repair, restoration and reconstruction shall be borne by each Unit Owner in an amount equal to that Unit Owner's percentage of ownership interest in the Common Areas and Facilities, and such amount shall be assessed as a Common Expense.

**9.02. Complete Damage or Destruction of Buildings Containing Units.** In the event of any casualty or occurrence resulting in substantial damage to, or the complete destruction of, more than two-thirds (2/3) of the Buildings containing Units, the Board shall call a special meeting of the Unit Owners in accordance with the By-Laws as soon as practicable, and in no event more than sixty (60) days from the date of such damage or destruction, to determine by a vote of no less than two-thirds (2/3) of the vote of the Unit Owners whether a complete destruction has occurred pursuant to the terms of Section 19(b) of the Act. In the event the Unit Owners determine that a complete destruction has occurred, then, by a vote of no less than two-thirds (2/3) of the vote of the Unit Owners, such Unit Owners shall determine whether to repair, restore and rebuild the destroyed Buildings. In the event the Unit Owners elect to repair, restore and rebuild, then the provision of Section 9.01 hereof shall apply to the work to be performed in connection therewith and the payment of the costs resulting therefrom. In the event the Unit Owners elect not to repair, restore or rebuild, then the provisions of Section 21 of the Act shall apply.

**9.03. Damage or Destruction to Property Other Than Buildings Containing Units.** In the event of damage to, or the destruction of, portions of the Property, other than Buildings containing Units, from any casualty or occurrence against which complete indemnity is afforded by applicable insurance carried by the Association, thereby providing insurance proceeds adequate to defray all costs and expenses incurred for the repair, restoration or reconstruction thereof, the Board shall proceed to provide for

25  
930033593

the repair, restoration or reconstruction thereof as soon as reasonably practicable, unless another course of action is decided upon no less than two-thirds (2/3) of the vote of the Unit Owners taken at a special meeting of the Unit Owners called for the express purpose of considering the question of whether to repair, restore or reconstruct. In the event of any such damage or destruction to portions of the Property other than Buildings containing Units which cannot be repaired, restored or reconstructed through the use of available insurance proceeds, or where such proceeds are inadequate in amount to defray all the costs connected therewith, necessitating an expenditure on the part of the Association in excess of \$5,000.00, the Board shall call a special meeting of the Unit Owners in accordance with applicable By-Laws provisions for the purpose of determining, by no less than two-thirds (2/3) of the vote of all of the Unit Owners, whether to repair, restore or rebuild. In the event the Unit Owners vote not to repair, restore or rebuild any such portions of the Property, insurance proceeds, if any, otherwise available for such purpose shall be first applied to tear down, remove or clear away any damage or debris, grade the area, etc., with the remaining proceeds, if any, deposited in the reserve account established in accordance with Section 6.02 of this Declaration to be held by the Board for contingencies and replacements. In the event the Unit Owners vote, to repair, rebuild or restore such portions of the Property, the cost thereof, less applicable insurance proceeds, shall be borne by each Unit Owner in an amount equal to that Unit Owner's percentage of ownership in the Common Areas and Facilities, and such amount shall be assessed as a Common Expense.

9.04. Repair, Restoration or Reconstruction to Original Specifications or As-Built. Any repair, restoration or reconstruction of a Building containing Units following a casualty or occurrence shall be undertaken and conducted so as to restore such Building to a condition either in substantial conformity with the Plans or so as to return the Building involved to its originally as-built condition. Any repair, restoration or reconstruction of portions of the Property other than Buildings containing Units shall be performed and conducted so as to restore such portions of the Property to a condition in substantial conformity with: (i) the Plans; (ii) as originally built; or (iii) plans otherwise approved by two-thirds (2/3) of the vote of all of the Unit Owners taken at a special meeting called by the Board in accordance with the By-Laws for the propose of considering modifications or changes upon effecting any such repairs, restoration or reconstruction.

9.05. Estimates. As soon as practicable following a casualty or occurrence causing substantial damage [in excess of Five Thousand and no/100 Dollars (\$5,000.00) per casualty or occurrence, or such lesser amount as the Board may determine] to the Property or any portion thereof for which the Board has the responsibility of maintenance and repair, the Board shall obtain reliable and

030003583

detailed estimates of the cost of repairs, restoration or reconstruction necessary to return the damaged property to the condition existing prior to such casualty or occurrence. Such cost may include professional fees and premiums for such bonds as the Board determines to be necessary or desirable.

**9.06. Construction Fund.** The proceeds of insurance collected on account of any casualty or occurrence, and any sums received by the Board from collection of Assessments against Unit Owners on account of such casualty or occurrence, shall constitute a construction fund which shall be disbursed in payment of the costs of repair, restoration or reconstruction in the following manner:

(a) **Disbursement of Funds.** If the amount of the estimated cost of repair, restoration or reconstruction is less than \$50,000, then the construction fund shall be disbursed in payment of such costs upon order of the Board.

(b) **Architect's Certificate.** If the estimated cost of repair, restoration or reconstruction is more than \$50,000, then the construction fund shall be disbursed in payment of such costs upon approval of an architect or engineer qualified to practice in Indiana and employed by the Board to supervise such work, with payment to be made from time to time as the work progresses. Such architect or engineer employed shall be required to furnish a written certificate for payment to the Board giving a brief description of the services and materials furnished by various contractors, subcontractors, materialmen, the architect or engineer, and any other persons who have rendered services or furnished materials in connection with the work stating:

(1) That the sums requested by any of the foregoing are justly due and owing and that said sums do not exceed the value of the services and materials furnished to the date thereof, including materials suitably stored at the site of the work, less the amount of payments previously made;

(2) That there is no other outstanding indebtedness known for the service and materials for which payment is sought which could result in liens being filed against the Property; and

(3) That the costs as estimated by said architect or engineer for the work remaining to be done subsequent to the date of such certificate does not exceed the amount of the construction fund remaining after payment of the sum requested

thereby.

(c) **Encroachments.** Encroachments upon or in favor of Units which may be created as a result of any such repair, restoration or reconstruction shall not constitute a claim or basis of a proceeding or action by the Unit Owner upon whose property such encroachment exists, provided that such repairs, restoration or reconstruction was either substantially in accordance with the Plans utilized at the time of original construction or to return the Building involved to its originally as-built condition. Such encroachments shall be allowed to continue in existence for so long as the building stands.

**9.07. Condemnation.** In the event any portion of the Property is taken by condemnation or eminent domain proceedings, provision for withdrawal from the Act of such portion so taken may be made by the Board. Upon the withdrawal of any Unit or portion thereof due to condemnation or eminent domain, the percentage of interest in the Common Areas appurtenant to such Unit or portion thereof shall be reallocated among the remaining Units on the basis of the percentage of interest of each remaining Unit. If only a portion of a Unit is withdrawn, the percentage of interest appurtenant to a Unit shall be reduced accordingly, upon the basis of diminution in market value of the Unit, as determined by the Board. The allocation of any condemnation award or other proceeds to any withdrawing or remaining Unit Owner shall be on an equitable basis. Any condemnation award or other proceeds available in connection with the withdrawal of any Limited Common Areas will be distributed in accordance with the interests of those entitled to the use thereof. Upon the withdrawal of any Unit or portion thereof, the responsibility for the payment of assessments on such Unit or portion thereof by the Unit Owner shall cease. Any condemnation award or other proceeds available in connection with the withdrawal of any other part of the Property (other than a Building or portion thereof containing Units or Limited Common Areas) shall be deposited in the reserve account established in accordance with Section 6.02 of this Declaration to be held by the Board for contingencies and replacements, unless by not less than two-thirds (2/3) of the vote of all of the Unit Owners taken at a special meeting called in accordance with the By-Laws to consider the distribution of such award or proceeds, the Unit Owners elect to distribute such award or proceeds to the Unit Owners, in which event such award or proceeds shall be distributed to the Unit Owners by the Board as soon as practicable in accordance with the ownership interest of each Unit Owner in the Common Areas and Facilities.

ARTICLE X

Remedies

10.01. Abatement and Enjoinment. The violation of any restriction, condition or regulation adopted by the Board, or the breach of any covenant or provision of the Declaration, shall give the Board the right, upon not less than ten (10) days' notice (or such longer period as may otherwise be specifically provided herein) and in addition to the rights set forth in the next succeeding section:

(a) To enter upon that part of the Property where such violation or breach exists and summarily abate and remove, at the expense of the defaulting Unit Owner, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Declarant, or their successors or assigns or the Board, or its agents, shall not thereby be deemed guilty in any manner of trespass; or

(b) To enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach.

10.02. Involuntary Sale. If any Unit Owner (either by personal conduct or the conduct of any other occupant of the Unit owned) violates any restriction, condition or regulation adopted by the Board, or any covenant or provision of this Declaration, and such violation continues for thirty (30) days after notice in writing from the Board is given to the Unit Owner, then the Board shall have the power to issue the defaulting Unit Owner a ten (10) day notice in writing to terminate the right of said defaulting Unit Owner to continue as a Unit Owner and to continue to occupy, use or control the Unit owned on account of the breach of covenant and ordering that the right, title and interest of the Unit Owner in the Property shall be sold (subject to the lien of any existing mortgage) at a judicial sale upon such notice and terms as the court shall establish, except that the court shall enjoin and restrain the defaulting Unit Owner from reacquiring the interest held in the Property at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge the lien of any then existing mortgage, court costs, reasonable attorneys' fees and all other expenses of the proceeding and sale, and all such items shall be taxed against the defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder or any other liens, shall be paid to the Unit Owner. Upon the confirmation of such sale, the purchaser thereof shall thereupon be entitled to a deed to the Unit Ownership and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the

decrees shall so provide, that the purchaser shall take the interest in the Property sold subject to this Declaration and the purchaser shall have all rights and be subject to all duties and liabilities in the place and stead of the defaulting Owner.

**10.03. Remedies for Failure to Pay Common Expenses.** Each Unit Owner shall pay the proportionate share of the Common Expenses that it is assessed by the Association through its Board. In the event of the failure of a Unit Owner to pay such Common Expenses when due, the amount thereof shall constitute a lien on the interest of such Unit Owner, as provided by the Act; provided, however, that such lien shall be subordinate to the lien of a prior recorded first mortgage on the interest of such Unit Owner. Except as hereinafter provided, the lien provided for in this Section 10.03 shall not be affected by any transfer of title to the Unit Ownership. Where title to the Unit Ownership is transferred pursuant to a decree of foreclosure or by deed or assignment in lieu of foreclosure, such transfer of title shall, to the extent permitted by law, extinguish the lien for any Assessments or other charges or payments under Section 6.01 which became due prior to:

- (i) The date of the transfer of title; or
- (ii) The date on which transferee comes into possession of the Unit, whichever occurs first.

However, the transferee of a Unit Ownership shall be liable for the share of any Assessments or other charges or payments with respect to which a lien against Unit Ownership has been extinguished pursuant to the preceding sentence which are reallocated among the Unit Owners pursuant to a subsequently adopted annual, revised or special Assessment, and nonpayment thereof shall result in a lien against the transferee's Unit Ownership as provided in this Section 10.03. If any Owner fails to pay any installment of such Assessment within thirty (30) days after notice of default, the Board may accelerate the maturity of the remainder of installments of such Assessment due from such Unit Owner for the balance of the assessment year, and may enforce collection thereof and of all user charges then or thereafter falling due. A "late charge" in an amount fixed by the Board at each annual meeting shall be charged to and assessed against such defaulting Unit Owner until paid. In addition to the foregoing, the Board (or the Declarant in the exercise of the powers, rights, duties and functions of the Board as provided in Section 11.01 hereof) or its agents shall have such other rights and remedies to enforce such collection as shall otherwise be provided or permitted from time to time by the Act or other applicable law.

**10.04. Attorney and Legal Fees.** All expenses of the board in connection with such actions or proceedings described in Sections 10.01 and 10.03 above, including court costs and attorneys' fees and other fees and expenses, and all damages, liquidated or

other fees, together with interest thereon at the rate of either twelve percent (12%) per annum or the maximum rate permitted by law, whichever is less, until paid, shall be charged to and assessed against such defaulting Unit Owner, and shall be added to and deemed part of his respective share of the Common Expenses, and the Board shall have a lien for all of the same upon the Unit Ownership of such defaulting Unit Owner and upon all of his or her additions and improvements thereto and upon all of his or her personal property in the Unit owned or located elsewhere on the Property. Any and all such rights and remedies may be exercised at any time and from time to time cumulatively, or otherwise, by the Board. In addition, any aggrieved Unit Owner shall have the same rights and remedies as Board hereunder in connection with any such violation.

##### Miscellaneous Provisions Re: Mortgages

The following provisions are intended for the benefit of each holder of a first mortgage upon a Unit, and to the extent, if at all, that any other provisions of this Declaration conflict with the following provisions, the following provisions shall control:

(a) Any first mortgagee of a Unit who comes into possession of the mortgaged Unit pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, shall take such property free of any claims for unpaid assessments or charges in favor of the Association against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata reallocation of such assessments or charges to all Units, including the mortgaged Unit).

(b) Upon request in writing, each first mortgagee of a Unit shall have the right:

(i) To examine the books and records of the Association during normal business hours;

(ii) To receive an annual financial statement from the Association within ninety (90) days following the end of each of its respective fiscal years;

(iii) To receive notice of any decision by the Unit Owners to make a material amendment to this Declaration or the By-Laws or Articles of the Association.

(c) There shall be included in each annual assessment levied by the Association (but not as a special assessment) an amount sufficient to establish an adequate reserve fund for the replacement of the Common Areas and Facilities.

(d) Unless the first mortgagees of all of the individual Units which have become a part of the Property have given their prior written approval, neither the Association nor the Unit Owners shall be entitled to:

(i) by act or omission seek to abandon or terminate the condominium regime, except for abandonment provided by the Act in the case of the complete destruction of a Building or Buildings;

(ii) Change the pro rata interest or obligations of any Unit Owner for (1) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or (2) determining the pro rata share of ownership of each Unit Owner in the Common Areas, except as otherwise specifically provided by this Declaration;

(iii) Partition or subdivide any residential dwelling Unit;

(iv) By act or omission seek to abandon partition, subdivide, sell or transfer the Common Areas and Facilities. The granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas by the condominium project shall not be deemed a transfer within the meaning of this clause; and

(v) Use hazard insurance proceeds from insurance required to be maintained by the Association for losses to any Property (whether to Units or to Common Areas) for other than the repair, replacement or construction of such improvements, except as provided by statute in the case of substantial loss to the Units and/or the Common Areas and Facilities; and

(e) Upon specific written request to the Association, each first mortgage of a Unit shall be furnished notice in writing by the Association of any damage to or destruction or taking of the Common Areas and Facilities, if such damages or destruction or taking exceeds Twenty-Five Thousand Dollars (\$25,000.00).

In exercising such rights, and the other rights reserved by the Declarant pursuant to this Declaration, the Declarant (or its designees on the Board) shall not be under any disability which would otherwise be imposed by law because of the Declarant's interest in the subject matter of any transaction; provided, however, that any such transaction shall have been entered into in good faith.

**12.02. Any Unit Owner may designate a different address or addresses for notices by giving notice of a change of address to the Secretary of the Association. Notices addressed as above shall be deemed delivered three (3) business days after being mailed by United States first class mail, postage prepaid, or when delivered in person with written acknowledgement of the receipt thereof, or if addressed to a Unit Owner, when deposited in the Unit Owner's mailbox at the Unit owned.

**12.04. to all restrictions, conditions, covenants, reservation, liens and charges, and the jurisdiction, rights and powers created or reserved by this Declaration, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared, and all impositions and obligations hereby imposed shall be deemed and taken to be covenants running with the land and shall bind any person, firm, corporation or other legal entity having at any time any interest or estate in the Property, and shall inure to the benefit of each Unit Owner in like manner as though the provisions of the Declarant were recited and stipulated at length in each and every deed of conveyance.

**12.06. No Waivers.** No covenants, restrictions, conditions, obligations, or provisions contained in the Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

**12.07. Change, Modification, or Rescission.** No provision of this Declaration affecting the rights, privileges and duties of the Declarant may be modified without Declarant's written consent. The provisions of Section 9.03, Article XI and the following provision of Section 12.07 of the Declaration may be changed, modified, or rescinded by an Instrument in writing setting forth such change, modification or rescission, signed and acknowledged by the Board, and by all of the Unit Owners and all mortgagees having bona fide liens of record against any of the Unit Ownerships. Other provisions of this Declaration (except the By-Laws) may be changed, modified or rescinded by an Instrument in writing setting forth such change, modification or rescission, signed and acknowledged by the Board, and approved by seventy-five percent (75%) [sixty-six and two-thirds percent (66 2/3%) in the case of a rescission, change or modification of the By-Laws] of the vote of the Unit Owners at a meeting called for that purpose. Any change, modification or rescission approved by the Unit Owners as herein provided shall be effective upon recordation in the Office of the Recorder of Marion County, Indiana, of an instrument of Amendment having specific reference to this Declaration which sets forth such change, modification or rescission.

**12.08. Severability.** Should any provision in this Declaration be void or become invalid or unenforceable in law or equity by judgment or court order, the remaining provisions hereof shall be and remain in full force and effect.

**12.10. Special Amendment.** Declarant reserves the right and power to record a special amendment ("Special Amendment") to this

(i) To comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Association, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities;

(ii) To induce any of such agencies or entities to make, purchase, sell, insure, or guarantee first mortgages covering Unit Ownerships;

(iii) To bring this Declaration into compliance with the Act; or

(iv) To correct clerical or typographical errors in this Declaration or any Exhibit hereto or any supplement or amendment thereto.

In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to vote in favor of, make, or consent to a Special Amendment on behalf of each Unit Owner as proxy or attorney-in-fact, as the case may be. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument effecting a Unit and the acceptance thereof shall be deemed to be a grant and acknowledgement of, and a consent to the reservation and grant to Declarant of the power to vote in favor of, make, execute and record Special Amendments. The right of the Declarant to act pursuant to rights reserved or granted under this Section shall terminate at such time as the Declarant no longer holds or controls title to a Unit.

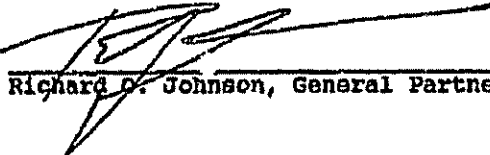

12.11. Interpretation. All questions of interpretation or construction of any of the provisions contained in this Declaration shall be resolved by the Board, and its decision shall be final, binding and conclusive on all parties affected.

12.12. Gender. Singular. Plural. Whenever the context so permits, the use of the plural shall include the singular, the plural and any gender shall be deemed to include all genders.

Any special meeting shall be called by written notice. A special meeting can be called by: 1) the Board of Directors; 2) the President; or 3) by members holding at least ten percent (10%) of all the votes entitled to be voted at any meeting. The ownership of one Unit entitles a member to one vote. Any or all of the members may be present at any meeting of the Voting Members, as defined herein, and may vote or take any action as a member, either in person or by proxy.

(b) Proxies. A Voting Member is entitled to vote either in person or by proxy, executed in writing by such Voting Member or by his or her duly authorized attorney-in-fact and delivered to the Secretary of the meeting. Proxies shall be valid only for the particular meeting designated thereon and must be filed with the Secretary before the scheduled time of the meeting. (c) Quorum and Adjournments. The presence in person or by proxy of the Voting Members constituting the representation of a majority of the total votes shall constitute a quorum. Unless

930033595

otherwise expressly provided herein, any action may be taken at any meeting of the Voting Members at which a quorum is present upon the affirmative vote of the Voting Members having a majority of the total votes present at such meeting. Any meeting of the Voting Members, including both annual and special meetings and any adjournments thereof, may be adjourned to a later date without notice other than announcement at the meeting even though less than a quorum is present.

Section 7. List of Members. At least five (5) business days before each meeting of Voting Members, the Secretary of the Corporation shall prepare or cause to be prepared a complete list of the members of the Corporation entitled to vote at such meeting (the "Voting Members") arranged in alphabetical order with the address of such members, and the number of votes each member is entitled to vote at the meeting. This list shall be available for inspection and photocopying by any member, for the purpose of allowing any member to communicate with other members concerning any issues or matters to be discussed and/or voted upon at the meeting. The original or duplicate membership list shall be the only evidence as to the persons who are entitled as members to vote at such meeting. Any member or a member's agent, or an attorney authorized in writing by a member, may inspect and photocopy this membership list, during regular business hours and at the member's expense.

Section 8. Action by Written Consent. Such consent shall have the same effect as a unanimous vote of the members.

### ARTICLE III

#### Directors

Section 1. Number and Term of Office. The Board of Directors shall consist of three (3) members, each of whom must be Unit Owner of the Development, as provided in the Declaration. The Directors shall serve without compensation unless such compensation is approved by the members holding a majority of the total votes. The Board shall be elected by the members at their annual meeting and shall hold office until the next ensuing annual meeting of the members or until their successors have been duly elected and qualified. If a member of the Board of Directors shall cease to meet any qualification herein required for a member of the Board then his or her place on the Board shall be deemed vacant. The members may remove any member of the Board with or without cause, and elect a successor at a meeting of the members called expressly

930033597

for such purpose.

**Section 2. Vacancies.** Vacancies occurring in the membership of the Board of Directors caused by resignation, death or other incapacity, shall be filled by a majority vote of the remaining members of the Board, and each Director so elected shall serve until the next meeting of the members, or until his or her successor shall have been duly elected and qualified. A notice specifying the name, address and principal occupation of, and other pertinent information about any Director elected to fill any vacancy, shall be given in the next mailing sent to the members after such election.

**Section 3. Annual Meetings.** The Board of Directors shall meet annually, without notice, immediately following, and at the same place as, the annual meeting of the members.

**Section 4. Regular Meetings.** Regular meetings shall be held at such times and places, within the State of Indiana, as may be determined by the President or Board of Directors.

**Section 5. Special Meetings.** Special meetings of the Board of Directors may be called by the President or by any member of the Board of Directors, at any place within the State of Indiana, upon ten business days prior notice, specifying the time, place and the specific purposes of the meeting, given to each Director personally, by telephone or telegraph; or notice may be given by mail if mailed at least twelve (12) days before such meeting.

**Section 6. Waiver of Notice.** Any Director may waive notice of any meeting in writing. Attendance by a Director at a meeting shall constitute a waiver of notice of such meeting.

**Section 7. Quorum.** A majority of the entire Board of Directors then qualified and acting shall constitute a quorum and be sufficient for transaction of any business, except for filling vacancies in the Board of Directors which shall require action by a majority of the remaining Directors. Any act of the majority of the Directors present at a meeting at which a quorum shall be present shall be the act of the Board unless otherwise provided for by law or by these By-Laws. A majority of the Directors present may adjourn any meeting from time to time. Notice of an adjourned meeting need not be given other than by announcement at the time of adjournment.

**Section 8. Action by Written Consent.** Action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting, if prior to such action, a written consent thereto is signed by all the members of the Board, and such written consent is filed with the minutes of the proceedings of the Board.

930033593

**Section 9. Powers and Duties.** The Board of Directors shall have all of the powers and duties necessary for the administration of the affairs of the Association, and shall do all such acts and things as required to be exercised and done by the Association. The Board of Directors shall have the power from time to time to adopt any rules and regulations deemed necessary for the benefit and enjoyment of the Development; provided, however, that these rules and regulations shall not be in conflict with the Declaration. The Board of Directors shall delegate to one of its members or to a person employed for such purpose the authority to act on behalf of the Board on any matters relating to the duties of a managing agent, as defined below, if any, that may arise between meetings of the Board as the Board deems appropriate. In addition to the duties imposed by these By-Laws, the Declaration, or by any resolution of the Association that may hereafter be adopted, the Board shall on behalf of the Association:

a. Determine the assessments of each Unit Owner for the common expenses and other costs of the Development. In making this determination, the Board will take into account that certain expenses attributed only to the residential Units, such as the elevator and hallways, shall not be assessed against the commercial Units;

b. Establish the means and methods of collecting these assessments from the various Unit Owners and establish the period of the installment payment of the annual assessment for common expenses;

c. Collect the assessments against the Unit Owners, deposit the proceeds thereof in bank depositories designated by the Board of Directors and use the proceeds to carry out the administration of the Development;

d. Provide for the operation, care, upkeep and maintenance of all aspects of the Development;

e. Designate, hire and dismiss the personnel necessary for the maintenance, operation, repair and replacement of the common areas and provide services for the Development, and, when appropriate, provide for the compensation of these personnel and for the purchase of equipment, supplies and material that these personnel shall use in the performance of their duties, which supplies and equipment shall be deemed part of the Development;

f. Make and amend administrative rules and regulations;

g. Open bank accounts on behalf of the Association and designate the signatories thereon;

10.03. Remedies for Failure to Pay Common Expenses. Each Unit Owner shall pay the proportionate share of the Common Expenses that it is assessed by the Association through its Board. In the event of a failure of a Unit Owner to pay such Common Expenses when due, the amount thereof shall constitute a lien on the interest of such Unit Owner, as provided by the Act; provided, however, that such lien shall be subordinate to the lien of a prior recorded first mortgage on the interest of such Unit Owner. Except as hereinafter provided, the lien provided for in this Section 10.03 shall not be affected by any transfer of title to the Unit Ownership. Where title to the Unit Ownership is transferred pursuant to a decree of foreclosure or by deed or assignment in lieu of foreclosure, such transfer of title shall, to the extent permitted by law, extinguish the lien for any Assessments or other charges or payments under Section 6.01, which became due prior to:

(i) The date of the transfer of title; or

(ii) The date on which transferee comes into possession of the Unit,

whichever occurs first. However, the transferee of a Unit Ownership shall be liable for the share of any Assessments or other charges or payments with respect to which a lien against Unit Ownership has been extinguished pursuant to the preceding sentence which are reallocated among the Unit Owners pursuant to a subsequently adopted annual, revised or special Assessment, and nonpayment thereof shall result in a lien against the transferee's Unit Ownership as provided in this Section 10.03. If any Owner fails to pay any installment of such Assessment within thirty (30) days after notice of default, the Board may accelerate the maturity of the remainder of installments of such Assessment due from such Unit Owner for the balance of the assessment year, and may enforce collection thereof and of all user charges then or thereafter falling due. A "late charge" in an amount fixed by the Board at each annual meeting shall be charged to and assessed against such defaulting Unit Owner until paid. In addition to the foregoing, the Board (or Declarant in the exercise of the powers, rights, duties and functions of the Board as provided in Section 11.01 hereof) or its agents shall have such other rights and remedies to enforce such collection as shall otherwise be provided or permitted from time to time by the Act or other applicable law. In addition, the Board is hereby authorized, during any period in which an Owner is more than one hundred twenty (120) days delinquent in the payment of his respective share of the Common Expenses, to suspend the defaulting Owner's voting privileges.

Article II, Section 3 of the By-Laws, is amended to read as follows:

Section 3 Annual Meetings. The annual meeting of the members shall be held each year on a date determined by the Board.

11/09/01

commercial user. For purposes of this Section, an Owner is not considered an occupant of a Unit, if the Owner rents or leases the Unit for exclusive possession by one or more non-Owner Occupants. The Directors shall serve without compensation unless such compensation is approved by the members holding a majority of the total votes. The Board shall be elected by the members holding a majority of the total votes. The Board shall hold office until the next ensuing annual meeting or until their successors have been duly elected and qualified. If a member of the Board of Directors shall cease to meet any qualification herein required for a member of the Board, then his or her place on the Board shall be deemed vacant. The members may remove any member of the Board with or without cause, and elect a successor at a meeting of the members called expressly for such purpose.
