(a) Declarant hereby reserves unto itself during the Development Period, and thereafter unto any public or private utility, an undefined easement ("*Drainage, Utility and Sewer Easement*") for drainage, utility and sewer purposes in, on and over all of the Common Area owned by the Association and Lots, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services (including all necessary lines, pipes, wires, cables, ducts, antennae and other equipment and facilities) to serve any Dwelling Unit constructed on the Property. Provided, however, that the rights reserved in this Section 3.4 shall not be exercised after the conveyance of any Lot in a manner that unreasonably and adversely affects any Dwelling Unit or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or which unreasonably restricts the rights of ingress and egress to such Lot. The rights and easements reserved by Declarant in this Section 3.4 shall run with the land, and Declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property.

Section 3.5. Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area owned by the Association.

Section 3.6. Fee Title to Lot. The fee title to any Lot described as bounded by any street, lane, walkway, park, pond, lake, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on any recorded plat of FEATHER TRACE as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the grantor to be conveyed to the FEATHER TRACE HOMEOWNERS ASSOCIATION, INC. for the common enjoyment of all residents in FEATHER TRACE HOMEOWNERS ASSOCIATION, INC.

Section 3.7. Easements. There are strips of ground reserved for drainage and utility easements ("D.&U.E."); drainage, utility & sewer easements (D.U.&S.E.); drainage, utility & sanitary sewer easements (D.U.&S.S.E.) shown on this plat which are hereby reserved to the appropriate governmental entities for the installation and maintenance of sewers, sanitary sewers, utilities, swales, ditches, pipes, drains, manholes, detention and retention areas or other drainage facilities. Purchasers of lots in this subdivision shall take title subject to the easements hereby created and subject at all times to the rights of proper authorities to service and maintain the drainage facilities and easements hereby created and no permanent structure of any kind and no part thereof except fences which do not retard or impede the flow of drainage water, shall be built, erected or

maintained on said drainage easements. It shall be the responsibility of the Association and the owners of the areas enclosed within the drainage easements to maintain such areas in such conditions that the flow of storm drainage waters on, across and from said areas shall not be impeded, diverted or accelerated. Such use for storm water movement or retention or detention is hereby declared to be an easement and servitude upon said land for the benefit of the owners of other land included within the plat, upstream or downstream, affected by such use and for any proper governmental agency or department. All proper governmental agencies or departments are hereby given the right to obtain access to such areas to perform maintenance and to perform such maintenance as may be necessary to protect that easement and servitude rights. It shall be the responsibility of the Association and the owner of any lot or parcel of land within the plat to comply at all times with the provisions of the drainage plan as approved for this plat by the appropriate governmental agency or department and the requirements of all drainage permits for the plat issued by those agencies. Failure to so comply shall operate as a waiver and release of the developer, his engineer and agents from all liability as to damage caused by storm waters or storm drainage.

Further, there are easements and servitudes upon the land within the plat in favor of surface water runoff along natural valleys and drainage channels running to owners of other land contained within the Plat, upstream and downstream. It shall be the responsibility of the Association and the owners of these natural valleys and channels to use their land and maintain said natural valleys and channels in such manner and condition that the flow of storm drainage waters on, across, from and to such areas shall not be impeded, diverted or accelerated.

It shall also be the responsibility of the Association to maintain all facilities, fencing, signs and landscaping installed by the Declarant within any landscape maintenance access easement (L.M.A.E.), any sign landscape easement (S.L.E.) or other easement.

Section 3.8. Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

#### *ARTICLE IV*

#### *ASSOCIATION MEMBERSHIP, VOTING RIGHTS, BOARD OF DIRECTORS AND*

#### *PROFESSIONAL MANAGEMENT*

Section 4.1. Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be

the member(s) (the "Initial Member(s)"). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2. Classes of Membership and Voting Rights. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to three (3) votes for each Lot owned. For purposes of this calculation, it shall be assumed that Declarant owns FIFTY TWO (52) Lots, which number shall be reduced as Lots are conveyed by the Declarant to an Owner. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier: (a) when the total number of votes outstanding in the Class A membership is equal to the total number of votes outstanding in the Class B membership; or, (b) June 1, 2020.

Section 4.3. Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 4.4. Professional Management. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less.

## ***ARTICLE V***

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 5.1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot now or hereafter owned by it within the Property, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) Regular Assessments (for maintenance, repairs and ordinary operating expenses);
- (b) Special Assessments for capital improvements and operating deficits, as provided in Section 5.5, and for special maintenance or repairs as provided in Sections 6.20 and 7.2.

Such assessments shall be established, shall commence upon such dates and shall be collected hereinafter provided. Unless otherwise determined by the Board of Directors, Regular Assessments, whether annual or otherwise, shall be payable on a quarterly basis, subject to the Board of Director's right to accelerate the total amount owing upon delinquency in payment of any installment. All such assessments, together with prejudgment interest at eight percent (8%) per annum, late fees, collection costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 5.2. Roadway Maintenance. The Association shall be responsible for the maintenance of the roadways in the Property, until and unless they are accepted for public dedication. Neither this Section 5.2. nor any other portion of this Declaration shall be construed to relieve any developer and/or contractor who has posted performance/maintenance surety with any governmental entity of liability thereunder.

Section 5.3. Purpose of Regular Assessments. The Regular Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. As and if necessary, a portion of the Regular Assessments shall be set

aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.4. Maximum Regular Assessments.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Assessment on any Lot shall be \$ 200<sup>06</sup> per Lot per year, payable on an annual basis not later than January 15<sup>th</sup> of the current calendar year.

(b) From and after January 1 of such year, the maximum Regular Assessment may be increased each calendar year not more than 10% above the maximum Regular Assessment for the previous year, without a vote of the membership.

(c) From and after January 1 of such year, the maximum Regular Assessment may be increased each calendar year by more than 10% above the maximum Regular Assessment for the previous year, with the approval of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

(d) The Board of Directors from time to time may fix the Regular Assessment, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of two-thirds (2/3) of those members of each class of members who cast votes in person or by proxy at a meeting duly called for this purpose.

Section 5.6. Notice and Quorum for Any Action Authorized Under Section 5.4 and 5.5. Written notice of any meeting called for the purpose of taking any action authorized under Section 5.4 and 5.5 shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each

class of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

**Section 5.7. Uniform Rate of Assessment.** Regular Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed at a uniform rate for all Lots, **except that Declarant and any individual or entity purchasing a Lot or Lots solely for the purpose of construction of a for-sale Dwelling Unit thereon (a "Builder") shall pay only twenty-five percent (25%) of the Regular Assessments and Special Assessments so long as any Dwelling Unit constructed upon a Lot by Declarant or Builder has not been conveyed to an Owner intending to occupy or rent said Dwelling Unit as a residence or leased to an individual or entity for use as a residence.**

**Section 5.8. Date of Commencement of Assessments; Due Dates.** The Regular Assessment provided for herein shall commence as to each lot within a recorded plat the first day of the first month of the next quarter following conveyance of the Common Area within such plat to the Association, or if there is no Common Area, the first day of the first month of the next quarter following the recording of such plat. The Board of Directors shall fix any increase in the amount of the assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection period (i.e., annual, quarterly, monthly, lump-sum or otherwise) shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

**Section 5.9. Effect of Nonpayment of Assessments; Remedies of the Association.** If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefor pursuant to

Section 5.8 hereof, then the entire unpaid assessment (together with interest thereon, late fees, collection costs and attorneys' fees as hereinafter provided and as provided in Section 5.1) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the then Owner, his heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, late fees, collection costs of the action and reasonable attorneys' fees to be fixed by the Court. Upon the failure of an Owner to make timely payments of any Regular Assessments or Special Assessments, when due, the Board may in its discretion accelerate the entire balance of the unpaid Assessments (if paid in installments) and declare the same immediately due and payable, notwithstanding any other provisions hereof to the contrary. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuser of the Common Area owned by the Association or abandonment of his Lot.

Section 5.10. Subordination of the Lien to Mortgages; Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as herein above provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to Section 5.8, as to whether or not such assessments have been paid.

Section 5.11. Declarant's Responsibility to Cover Deficits. The Declarant shall cover any deficit or shortage in the funds necessary to operate the Association that may arise in the development until such time as control of the Association is transferred to the Class A members.

#### *ARTICLE VI*

##### USE RESTRICTIONS AND ARCHITECTURAL CONTROL

Section 6.1. Lot Use and Conveyance. All Lots shall be used exclusively for single family detached residential purposes, except that Declarant, during the Development Period, reserves (a) the rights provided in Sections 6.10 and 6.25 respecting the Property generally, and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of any one or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area owned by the Association, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Except as provided in the Declaration, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein.

Section 6.2. Architectural Control. No building, fence, wall, hot tub, in-ground pool, satellite dish, antennae or other structure, except original construction of Dwelling Units by or on behalf of the Declarant shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein, other than by the Declarant, a Builder or Board of Directors, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. Any change in the appearance or of any part of the exterior of a residence (except for color) shall be deemed a change thereto and shall require the approval therefor as above provided. In the event that written approval is not received as required hereunder within thirty (30) days after complete plans and specifications have been submitted, approval will not be required and this Section will be

deemed to have been fully complied with.

Section 6.3. Leasing of Lots.

(a) Any Lot may be leased by the Owner, subject to compliance with the following requirements:

(i) All leases shall be in writing, and no lease shall be entered into for a term of less than one (1) year without the prior approval of the Board of Directors, which approval shall not be unreasonably withheld.

(ii) All leases shall contain provisions adequate to require the lessee to comply with the provisions of this Declaration and the By-Laws of the Association, and with all rules and regulations promulgated by the Association from time to time, to the same extent as if the lessee were an Owner and a member of the Association; and shall provide for direct action by the Association against the lessee with or without joinder of the Owner, at the Association's option.

(iii) All leases shall make the lessee personally liable (jointly and severally with the Owner) for assessments levied by the Association during the term of the lease pursuant to the terms of this Declaration and the By-Laws, to the same extent as if the lessee were the Owner and a member of the Association, and shall expressly subordinate the lessee's interest to the lien of the assessments provided for in this Declaration. Provided, however, that a lessee may be protected against the lien for assessments due prior to the date of the lease by procuring a binding certificate from the Association, as provided in the Declaration, as to whether or not such assessments have been paid.

(iv) No lease shall provide, or be interpreted or construed to provide, for a release of the Owner from his responsibility to the Association for compliance with the provisions of this Declaration, the By-Laws and any rules and regulations of the Association, or from the Owner's personal liability to the Association for assessments. This requirement shall not be construed to prohibit indemnity provisions as between the Owner and lessee.

(b) Any Owner desiring to enter into a lease for his Lot shall submit the form of the

proposed lease to the Board of Directors (which form need not include the identity of the lessee or the rental amount) for review for compliance with the requirements of this Section 6.3. The Board of Directors may employ an attorney in connection with any such review, and a reasonable fee may be charged to the applicant to offset the expense so incurred. In the event the Board fails to approve or disapprove the lease within fifteen (15) days after submission by the applicant, the lease shall be deemed approved. A copy of each lease by an Owner shall be provided to the Board of Directors by the Owner within thirty (30) days after execution.

(c) Subject to any contrary provisions set forth in any lease of a Lot, each lease shall be deemed to transfer to the lessee during the term of such lease all rights, privileges obligations and limitations attendant to membership in the Association, including (except in the case of lease by Declarant) an irrevocable proxy to exercise the Owner's voting rights appurtenant to the leased Lot in all elections and on all issues presented for a vote of members, except any vote upon:

- (i) An amendment to the Declaration, the Articles or By-Laws;
- (ii) Annexation of additional property;
- (iii) A Special Assessment for a capital improvement pursuant to Section 5.5; or,
- (iv) Mortgage or dedication of all or any portion of the Common Area owned by the Association pursuant to the provisions of this Declaration.

(d) The provisions of paragraphs (a) and (c) of this Section 6.3 shall apply to a lease by Declarant or a Builder, after a Lot is owned by it for more than one (1) year, and Declarant or a Builder shall be deemed for all purposes to retain all voting rights in the Association appurtenant to all Lots owned by it, notwithstanding any lease or any inconsistent provisions contained in any lease. Neither Declarant or a Builder shall be required to submit any lease or leases to the Board of Directors for review as to form. However, within thirty (30) days after entering into any lease of a Lot, Declarant or a Builder shall provide to the Board of Directors a written notice setting forth the location of the Lot, the term of the lease and the identity of the lessee.

(e) Any lease or attempted lease of a Lot in violation of the provisions of this Section 6.3

Such comprehensive general liability insurance policy shall cover the Association, its Board of Directors, any committee or organ of the Association or Board of Directors, all persons acting or who may come to act as agents or employees of any of the foregoing with respect to the Association. It shall also cover all Common Area owned by the Associations, public ways and any other areas under the Association's control or supervision.

Section 8.4. Fidelity Bonds. The Association shall have blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The Association bonds shall name the Association as the obligee and the premium shall be paid as a common expense by the Association. Any management agent that handles funds for the Association shall be covered by its own fidelity bond, which must provide the same coverage required of the Association. The Association shall be named as an additional obligee in the management agent's bond. The fidelity bond shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the bond is in force. Section 11.1. Right of Enforcement. In the event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the Association, the City of Indianapolis and Marion County (as well as any governmental sub-entity), or any Owner and all parties claiming under them shall have the right to enforce the covenants, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages, including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 11.2. Severability and Waiver. Invalidation of any one of the covenants, restrictions or provisions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect. No delay or failure by any person to enforce any of the restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

Section 11.3. Amendment. During the first twenty (20) years following its recording, this Declaration may be amended or modified at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, approved and signed by at least ninety percent (90%) of the then Owners, and thereafter by an instrument signed by at least seventy-five percent (75%) of the then Owners. (n) Any imposition of any restriction on a Dwelling Unit Owner's right to sell or transfer his or her Dwelling Unit;

(o) Restoration and repair of the Common Area (after a hazard damage or partial condemnation) in a manner other than specified in the Declaration;

(p) Any action to terminate the legal status of the development after substantial destruction or condemnation occurs;

(q) Any provision that expressly benefits mortgage holders, insurers or guarantors; or

(r) Any termination of legal status of the development for reasons other than substantial destruction or condemnation of the Property.

If an addition or amendment is not considered as a material change, such as the correction of a technical error or the clarification of a statement within the Declaration, Association Articles, Association By-Laws or other constituent documents, there shall be an implied approval to be assumed when an eligible mortgage holder fails to submit a response to any written proposal for an amendment within thirty (30) days after proposal is made. The covenants, restrictions and all other provisions of this Declaration shall run with the land and shall be binding upon the persons owning any portion of the Property and all parties claiming under them for a period of twenty (20) years from the date of recording, and thereafter shall automatically extend for successive periods of ten (10)

years each unless prior to the expiration of such periods this Declaration is amended or changed in whole or in part as herein above provided.

- (c) Amendment of the Declaration of Covenants, Conditions and Restrictions.

Section 11.5. Assignment. Declarant may assign or otherwise transfer any and all of its rights as Declarant in whole or in part.

The Association shall be designated to represent the Dwelling Unit Owners in any proceedings, negotiations, settlements or agreements for the handling of any losses or proceeds from condemnation, destruction or liquidation of all or a part of the Common Area owned by the Association, or from the termination of the development. Each Dwelling Unit Owner, by his acceptance of a deed, appoints the Association as his attorney-in-fact for this purpose. Proceeds from the settlement will be payable to the Association for the benefit of the Dwelling Unit Owners and their mortgage holders.
