Ownership of the common facilities shall be conveyed in fee simple title, free of financial encumbrances to the Association upon their completion. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such common facilities to the Association.

7. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but, except for negligence or unworkman like product or services, neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions. In the event of any legal action being taken under the terms of this paragraph, the prevailing party shall be entitled to recover reasonable attorneys fees.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

C. Enforcement by Metropolitan Development Commission. These Restrictions may be enforced by the Metropolitan Development Commission of Marion County, Indiana, or its successors or assigns, pursuant to whatever powers or procedures are statutorily available to it for such purpose.

D. Association's Right to Perform Certain Maintenance. In the event that the Owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these Restrictions, the Association shall have the right, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of the Restrictions. The cost, including reasonable attorney's fees, to the Association shall be added to and become a part of the annual charge to which said lot is subject, and may be collected in any manner in which such annual charge may be collected. Except for negligence or unworkmanlike products or services, neither the Association nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

8. EFFECT OF BECOMING AN OWNER.

The Owners of any lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent Owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the Owner acknowledges the rights and powers of the Developer and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owners covenant and agree and consent to and with the Developer, the Association and to and with the Owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

9. TITLES.

The underlined titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

10. DURATION.

The foregoing covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

11. AMENDMENT.

This Declaration may be amended at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, executed by the Association and at least 75% of the lot owners, which shall include both existing and proposed sections in the Entire Development. Modification or waiver of any provisions of this Declaration shall be done one at a time and not as a whole.

12. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

13. LIEN OF ASSESSMENT.

All sums assessed by the Association, but unpaid, including installments of the Annual Assessment and Special Assessments, and any fines duly imposed by the Association, together with late

charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owners lot prior to all other liens, except only:

- (a) Tax liens on the lot in favor of any assessing unit or special district; and
- (b) All sums unpaid on a first mortgage of record.

The sale or transfer of any lot by foreclosure or by deed in lieu of foreclosure (but not any other transfer), shall extinguish the Assessment lien for payments which became due prior to the date of such sale or transfer, but shall not extinguish the personal liability of the lot Owner for such assessments. No such sale or transfer shall relieve the lot Owner from liability for any assessments thereafter becoming due or from the lien thereof. The lien for sums assessed may be foreclosed by a suit by the Association or the Managing Agent on its behalf in like manner as a mortgage of such property. In any such foreclosure the Owner shall be required to pay a reasonable rental for the use and occupancy of the lot. The Association, upon the affirmative vote of 90% of all the Owners (so authorizing and setting up a special assessment to pay for the same), shall have the power to bid on the lot at any foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

The initial assessment for Owners in the Development shall be \$125.00 per year, subject to changes as provided for in the By-Laws of the Association.

Ownership of the common facilities shall be conveyed in fee simple title, free of financial encumbrances to the Association upon their completion. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such common facilities to the Association.

7. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but, except for negligence or unworkman like product or services, neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions. In the event of any legal action being taken under the terms of this paragraph, the prevailing party shall be entitled to recover reasonable attorneys fees.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

C. Enforcement by Metropolitan Development Commission. These Restrictions may be enforced by the Metropolitan Development Commission of Marion County, Indiana, or its successors or assigns, pursuant to whatever powers or procedures are statutorily available to it for such purpose.

D. Association's Right to Perform Certain Maintenance. In the event that the Owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in

accordance with the provisions of these Restrictions, the Association shall have the right, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of the Restrictions. The cost, including reasonable attorney's fees, to the Association shall be added to and become a part of the annual charge to which said lot is subject, and may be collected in any manner in which such annual charge may be collected. Except for negligence or unworkmanlike products or services, neither the Association nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

8. EFFECT OF BECOMING AN OWNER.

The Owners of any lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent Owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the Owner acknowledges the rights and powers of the Developer and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owners covenant and agree and consent to and with the Developer, the Association and to and with the Owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

9. TITLES.

The underlined titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

10. DURATION.

The foregoing covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

11. AMENDMENT.

This Declaration may be amended at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, executed by the Association and at least 75% of the lot owners, which shall include both existing and proposed sections in the Entire Development. Modification or waiver of any provisions of this Declaration shall be done one at a time and not as a whole.

12. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

13. LIEN OF ASSESSMENT.

All sums assessed by the Association, but unpaid, including installments of the Annual Assessment and Special Assessments, and any fines duly imposed by the Association, together with late charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owners lot prior to all other liens, except only:

- (a) Tax liens on the lot in favor of any assessing unit or special district; and
- (b) All sums unpaid on a first mortgage of record.

The sale or transfer of any lot by foreclosure or by deed in lieu of foreclosure (but not any other transfer), shall extinguish the Assessment lien for payments which became due prior to the date of such sale or transfer, but shall not extinguish the personal liability of the lot Owner for such assessments. No such sale or transfer shall relieve the lot Owner from liability for any assessments thereafter becoming due or from the lien thereof. The lien for sums assessed may be foreclosed by a suit by the Association or the Managing Agent on its behalf in like manner as a mortgage of such property. In any such foreclosure the Owner shall be required to pay a reasonable rental for the use and occupancy of the lot. The Association, upon the affirmative vote of 90% of all the Owners (so authorizing and setting up a special assessment to pay for the same), shall have the power to bid on the lot at any foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

The initial assessment for Owners in the Development shall be \$150.00 per year, subject to changes as provided for in the By-Laws of the Association.

G. Model Homes. No owner of any lot in the Development shall build or permit the building upon said lot of any dwelling house that is to be used as a model home or exhibit house without permission to do so from the Developer.

H. Temporary Structures. No temporary house, trailer, tent, garage or other outbuilding shall be placed or erected on any lot.

I. Ditches and Swales. It shall be the duty of every Owner of every lot in the Development on which any part of an open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon his lot continuously unobstructed and in good repair, and to provide for the installation of such culverts upon said lot as may be reasonably necessary to accomplish the purposes of this subsection. Further, drainage easements shall not be altered in any fashion.

J. Utility Services. No utility services shall be installed under finished streets except by jacking, drilling or boring.

K. Wells and Septic Tanks. No water wells shall be drilled on any of the lots nor shall any septic tanks be installed on any of the lots in the Development, unless public sewer tap-in is unavailable.

6. OWNERSHIP, USE AND ENJOYMENT OF COMMON FACILITIES.

Each common facility depicted on the recorded plat of the Development shall remain private, and neither the Developer's execution or recording of the plat nor the doing of any other act by the Developer is, or is intended to be, or shall be construed as, a dedication to the public of the common facilities. Ownership of the common facilities shall be conveyed in fee simple title, free of financial encumbrances to

the Association upon their completion. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such common facilities to the Association.

7. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but, except for negligence or unworkman like product or services, neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions. In the event of any legal action being taken under the terms of this paragraph, the prevailing party shall be entitled to recover reasonable attorneys fees.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

C. Enforcement by Metropolitan Development Commission. These Restrictions may be enforced by the Metropolitan Development Commission of Marion County, Indiana, or its successors or assigns, pursuant to whatever powers or procedures are statutorily available to it for such purpose.

D. Association's Right to Perform Certain Maintenance. In the event that the Owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these Restrictions, the Association shall have the right, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of the Restrictions. The cost, including reasonable attorney's fees, to the Association shall be added to and become a part of the annual charge to which said lot is subject, and may be collected in any manner in which such annual charge may be collected. Except for negligence or unworkmanlike products or services, neither the Association nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

8. EFFECT OF BECOMING AN OWNER.

The Owners of any lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent Owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the Owner acknowledges the rights and powers of the Developer and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owners covenant and agree and consent to and with the Developer, the Association and to and with the

Owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

9. TITLES.

The underlined titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

10. DURATION.

The foregoing covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

11. AMENDMENT.

This Declaration may be amended at any time by an instrument recorded in the Office of the Recorder of Marion County, Indiana, executed by the Association and at least 75% of the lot owners, which shall include both existing and proposed sections in the Entire Development. Modification or waiver of any provisions of this Declaration shall be done one at a time and not as a whole.

12. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

13. LIEN OF ASSESSMENT.

All sums assessed by the Association, but unpaid, including installments of the Annual Assessment and Special Assessments, and any fines duly imposed by the Association, together with late charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owners lot prior to all other liens, except only:

- (a) Tax liens on the lot in favor of any assessing unit or special district; and
- (b) All sums unpaid on a first mortgage of record.

The sale or transfer of any lot by foreclosure or by deed in lieu of foreclosure (but not any other transfer), shall extinguish the Assessment lien for payments which became due prior to the date of such sale or transfer, but shall not extinguish the personal liability of the lot Owner for such assessments. No such sale or transfer shall relieve the lot Owner from liability for any assessments thereafter becoming due or from the

lien thereof. The lien for sums assessed may be foreclosed by a suit by the Association or the Managing Agent on its behalf in like manner as a mortgage of such property. In any such foreclosure the Owner shall be required to pay a reasonable rental for the use and occupancy of the lot. The Association, upon the affirmative vote of 90% of all the Owners (so authorizing and setting up a special assessment to pay for the same), shall have the power to bid on the lot at any foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

The initial assessment for Owners in the Development shall be \$150.00 per year, subject to changes as provided for in the By-Laws of the Association.

IN TESTIMONY WHEREOF, witness the signature of the Declarant this 23 day of March, 2000.

12/07/05 04:15PM MARINA MARTIN MARION CTY RECORDER SAM 22.00 PAGES: 5

Inst # 2005-0201662

WHEREAS, the original developer of GlennWoods caused to be incorporated under the laws of the State of Indiana a nonprofit corporation under the name "GlennWoods Homeowners Association, Inc. ("Association"); and

WHEREAS, Section 11 of each of the Declarations as amended provides that they may be amended at any time by approval by a majority of the lot owners comprising all Sections of GlennWoods who are in good standing; and

WHEREAS, the Association and a majority of the lot owners comprising all Sections of GlennWoods who are in good standing are desirous of amending the Declarations.

NOW, THEREFORE, the undersigned Association, with the approval of a majority of of the Owners of Lots in GlennWoods Sections One, Two, Three and Four who are in good standing, at a meeting called for such purpose and at which a quorum was present, collectively hereby amend the Declarations pursuant to the amendments described below:

1. A new Paragraph 14 shall be added to each of the Declarations as follows:

14. Prohibition on Leasing of Home

Section 14.1. Prohibition of Leased Homes ("Rental Ban"). In order to insure that the residents within Glennwoods share the same proprietary interest in and respect of the homes and the Common Areas, there shall be no leasing or rental of any of the homes. Residents of a home can only consist of the Owner(s) thereof or members of their household.

Notwithstanding the foregoing, the "rental ban" described above shall not apply to any home of an Owner in Glennwoods who, as of March 15, 2005, is renting or leasing said home and provides written proof thereof to the Association's Board of Directors by that date. Such proof shall include a copy of each executed lease by such Owner which identifies the tenant (but which may have the rental amount deleted). The Owners of record of such currently-rented homes shall not be subject to the provisions of this Section 14.1, but shall be subject to the remaining provisions of this Paragraph 14. However, when the legal owners of record of any of the above-described homes sell, transfer or convey such home(s) to another Owner after March 15, 2005, such home(s) shall immediately become subject to this Section 14.1.

Section 14.2. Hardship Exceptions and Waiver. Notwithstanding Section 14.1 above, if an Owner wishes to rent or lease his or her home, the Owner may request the Board of Directors to waive the "rental ban" and approve a proposed lease if the Owner establishes to the Board's satisfaction that the "rental ban" will cause undue hardship. If a majority of the entire Board of Directors approves in writing of the Owner's request, the Board of Directors shall permit the Owner to rent or lease said home, subject to any further

conditions or limitations imposed by the Board in the Board's discretion, but only if the Owner satisfies all other requirements of this Paragraph 14. Such decision shall be at the sole discretion of the Board. Examples of an undue hardship include:

- (1) death, dissolution or liquidation of an Owner;
- (2) divorce or marriage of an Owner;
- (3) necessary relocation of the residence of an Owner to a point outside of a fifty (50) mile radius of the perimeter of Glennwoods due to a change of employment or retirement of at least one (1) of such Owners;
- (4) necessary relocation of the residence of an Owner due to mental or physical infirmity or disability of at least one (1) of such Owners;
- (5) other similar circumstances.

Section 14.3. General Lease Conditions. All permitted leases, including renewals, shall be in writing, and no lease shall be entered into for a term of less than one (1) year without the prior written approval of the Board of Directors. No portion of any home other than the entire home shall be leased for any period. No subleasing shall be permitted. All leases shall be made expressly subject and subordinate in all respects to the terms of this Declaration, the By-Laws, Articles of Incorporation, and any rules and regulations promulgated by the Board of Directors, as amended, to the same extent as if the tenant were an Owner and a member of the Association; and shall provide for direct action by the Association and/or any Owner against the tenant with or without joinder of the Owner of such home. If such provision is not in the lease, it will be deemed to be in such lease. The Owner shall supply copies of such legal documents to the tenants prior to the effective date of the lease. In addition, the Board of Directors shall have the power to promulgate such additional rules and regulations as, in its discretion, may be necessary or appropriate concerning leasing. All Owners who do not reside in the home shall provide the Board of Directors with the name of the tenant(s) and any other residents living in the home.

Section 14.4. Owner is Still Liable. No lease shall provide, or be interpreted or construed to provide, for a release of the Owner from his or her responsibility to the Association and the other Owners for compliance with the provisions of this Declaration, the Articles of Incorporation, the By-Laws, and any rules and regulations promulgated by the Board of Directors, or from the Owner's liability to the Association for payments of assessments or any other charges.

Section 14.5. Association's Copy of Lease. A copy of each executed, permitted lease by an Owner which identifies the tenant (but which may have the rental amount deleted)

shall be provided to the Board of Directors by the Owner within thirty (30) days after execution.

Section 14.6. Violations. Any lease or attempted lease of a home in violation of the provisions of this Paragraph 14 shall be voidable at the election of the Association's Board of Directors or any other Glennwoods Owner, except that neither party to such lease may assert this provision of this Paragraph 14 to avoid its obligations thereunder. In the event of a violation, the Board of Directors, on behalf of the Association, or any Glennwoods Owner, shall have the right to exercise any and all available remedies at law or equity.

Section 14.7. Institutional Mortgagees. The provisions set forth in this Paragraph 14 shall not apply to any institutional mortgagee of any home which comes into possession of the home by reason of any remedies provided by law or in equity or in such mortgage or as a result of a foreclosure sale or other judicial sale or as a result of any proceeding, arrangement, or deed in lieu of foreclosure. However, when a home is sold or conveyed by such an institutional mortgagee to a subsequent purchaser, that subsequent purchaser shall be bound by the provisions of this Paragraph 14.

Section 14.8. Severability Clause. The invalidity of any covenant, restriction, condition, limitation or other provision of this Paragraph 14 shall not impair or affect in any manner the validity, enforceability or effect of the rest of this Paragraph 14, and each shall be enforced to the greatest extent permitted by law.

2. All other provisions of the Declarations shall remain unchanged.

3. The foregoing amendments shall run with the land and shall be binding upon all Owners and upon the parties having or acquiring any right, title or interest, legal or equitable, in and to the real property or any part or parts thereof subject to such restrictions, and shall inure to the benefit of all successors in title to any real estate in the GlennWoods, Sections One, Two, Three and Four.

4. The undersigned officers of the Association hereby represent and certify that all requirements for and conditions precedent to the Amendment to the Declarations have been fulfilled and satisfied.
