DEDICATION CERTIFICATE

The undersigned, Gilbert Allen Smith and M. Martha Smith, husband and wife, and J. Greg Allen Builder, Inc., owners of the attached described real estate, hereby lay off, plat and subdivide said real estate described on the preceding page, in accordance with the plat and certificate.

This subdivision shall be known and designated as Golden Grove Estates Minor subdivision, White River Township, Johnson County, Indiana.

The lots contained in this plat or any portion thereof shall be subject to the following restrictions which restrictions shall be considered and hereby are declared to be covenants running with the land, which said restrictive covenants are as follows, to-wit:

1. No lot shall be used except for residential purposes, no building shall be erected, altered or placed or permitted on any lot other than the single-family dwelling, not to exceed two (2) stories in height and an attached garage for not more than three (3) cars. Detached buildings or detached accessory buildings shall require the approval of the Architectural Control Committee.
2. No building shall be erected, placed or altered on any lot until the construction plan and specifications and a plan showing the location of the structure have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finished grade elevation.
3. No fence or wall shall be erected, placed or altered until the construction plans and specifications and plans showing the location of the structure have been approved by the Architectural Control Committee. The Architectural Control Committee approval or disapproval as required in these covenants shall be in writing. In the event the Committee or its designated representatives fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, approval will not be required and the related covenants shall be deemed to have been fully complied with.
4. No dwelling shall be permitted on any lot unless the finished living floor area of the main structure exclusive of one-story open porches and garages, shall be not less than 2,500 square feet.
5. No dwelling shall be permitted on any lot unless it has at least 50 percent coverage of brick or stone veneer construction and masonry chimney.
6. No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building setback lines shown on the recorded plat. Further, no building shall be located on any lot nearer to the side lot line than 15 feet without the written consent of the Architectural Control Committee.
7. Not more than one (1) residential structure shall be erected or placed on any lot shown on this plat.
8. At no time shall any unlicensed, inoperative automobile or truck be permitted on any lot.
9. No boat, trailer, or mobile living facility shall be parked or stored on any lot except inside the attached garage.
10. No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. Trailers, boats, campers and similar equipment shall not be kept or stored in the front, side or rear yard.
11. No structure of a temporary character, trailer, boat, basement, tent, shack, garage barn or other outbuilding shall be used on any lot at anytime as a residence either temporarily or permanently. Nor shall a partially completed dwelling be permitted.
12. The Architectural Control Committee is composed of three (3) members, Donald R. Willsey, Filmore W. Willsey and a third person to be approved by Filmore W. Willsey. Neither the members of the Committee, nor their designated representative shall be entitled to any compensation for services performed pursuant to this covenant.
13. The Architectural Control Committee approval or disapproval as required in these covenants shall be in writing. In the event the Committee, or its designated representative, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in any event, if no suit to enjoin the residential building construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.
14. With written approval of the Architectural Control Committee and the Johnson County Plan Commission, and where, in the opinion of said Committee, the location will not detract materially from the appearance and value of other properties, a dwelling may be located nearer to a street than above provided, but not nearer than 20 feet to any street line.
15. Obstructions shall not be placed in, nor be permitted to remain in areas designated as drainage easements without the permission of the Johnson County Plan Commission and the Architectural Control Committee. These areas shall be preserved and maintained as permanent drainage easements.
16. No individual water supply system or sewage disposal system shall be permitted on any lot unless such system is approved by Johnson County and is located, designed, and constructed in accordance with requirements, standards and recommendations of the Indiana State Board of Health.
