2. Declaration. Declarant hereby expressly declares that the Property shall be a Horizontal Property Regime in accordance with the provisions of the Act.

3. Description of Buildings. There are three (3) Buildings containing sixteen (16) Dwelling Units in Phase I as shown on the Plans. The Buildings are identified and referred to in the Plans and in this Declaration as Buildings IV, V and VI. The Buildings in the Additional Tract, or Phases thereof, if annexed, shall be identified numerically, the exact number of Buildings and Dwelling Units to be identified

and referred to in the Supplemental Declaration and Supplemental Plans annexing such Phase or Phases to Lake Forest.

4. Identification of Dwelling Unit. Each Dwelling Unit is identified by Roman numeral and arabic number on the Plans, the roman numeral referring to the Building in which the Dwelling Unit is located, and the arabic number referring to the individual Dwelling Unit within the Building.

The legal description for each Dwelling Unit shall consist first of the identifying roman numeral of the Building in which the Dwelling Unit is located and second the arabic number designation of the particular Dwelling Unit in that Building.

5. Description of Dwelling Units.

- (a) Appurtenances. Each Dwelling Unit shall consist of all space within the boundaries thereof as hereinafter defined and all portions of the Building situated within such boundaries, including but not limited to all fixtures, facilities, utilities, equipment, appliances, and structural components designated and intended solely and exclusively for the enjoyment, use and benefit of the Dwelling Unit wherein the same are located, or to which they are attached, but excluding therefrom that designed or intended for the use, benefit, support, safety or enjoyment of any other Dwelling Unit or which may be necessary for the safety, support, maintenance, use and operation of any of the Buildings or which are normally designed for common use; provided, however, that all fixtures, equipment and appliances designed or intended for the exclusive enjoyment, use and benefit of a Dwelling Unit shall constitute a part of such Dwelling Unit, whether or not the same are located within or partly within or without the boundaries of such Dwelling Unit. The basements under certain Dwelling Units, as shown on the Plans, are considered a part of and for the exclusive use of such Dwelling Unit. The interior surface of all doors and windows in the perimeter walls of a Dwelling Unit, whether or not located within or partly within the boundaries of a Dwelling Unit, and all

6 3 8 0 8 / 3 7

- (b) Boundaries. The boundaries of each Dwelling Unit shall be as shown on the Plans without regard to the existing construction measured between the upper surface of the floor joist or slabs to which the sub-floor is attached, lower surface of the ceiling joist, and the interior surface of the wall studs in the perimeter walls to which the finished walls of each Dwelling Unit are attached. In the case of town house Dwelling Units or Dwelling Units constituted of two or more stories including basements, the vertical boundaries shall run from the upper surface of the lowest floor joist or slab to the lower surface of the highest ceiling joist and, except as otherwise provided in paragraph 5(a), shall include the ceilings and floors in between. In the event any horizontal or vertical boundary line as shown on the Plans does not coincide with the actual location of the respective wall, floor or ceiling of the Dwelling Unit because of inexactness of construction, settling after construction, or for any other reasons, the boundary lines of each Dwelling Unit shall be deemed to be and treated for purposes of occupancy, possession, maintenance, decoration, use and enjoyment, as in accordance with the actual existing construction. In such case, permanent easements for exclusive use shall exist in favor of the Owner of each Dwelling Unit in and to such space lying outside of the actual boundary line of the Dwelling Unit, but within the appropriate wall, floor or ceiling of the Dwelling Unit.

6. Common Area and Facilities. Common Areas means and includes (1) the Tract, (2) the foundations, columns, girders, beams, supports and roofs of the Buildings, (3) the yards, gardens, sidewalks and driveways except for those driveways designed to serve particular individual garage units, (4) central electricity, gas, water, and sanitary sewer mains serving the Buildings, (5) exterior lighting fixtures and electrical service lighting the exterior of the Buildings except where separately metered to a particular Dwelling Unit,

(6) pipes, ducts, electrical wiring and conduits, public utility lines and central television antenna wiring, (7) floors, ceilings and perimeter walls, except that portion within the boundaries of a Dwelling Unit and except interior walls of all Dwelling Units, (8) all facilities and appurtenances located outside of the boundary lines of the Dwelling Units, except those areas and facilities expressly defined as Limited Areas.

7. Limited Common Areas and Facilities. Limited Areas and those Dwelling Units to which use thereof is limited are as follows:

- (a) Garage and Storage Area Spaces. The Garage and Storage Areas shall be limited to the exclusive use of a particular Dwelling Unit as designated on the Plans. The exclusive use of such Garage and Storage Areas shall pass with title to the Dwelling Unit for which such Area is designated, even though not expressly mentioned in the document passing title. The Garage and Storage Areas and use thereof shall be subject to such rules and regulations as the Board of Managers may deem appropriate and adopt. An Owner may grant a license to any other Owner to use all or part of his Garage and Storage Areas, provided such license shall expire when the Owner granting the license ceases to be an Owner of the Dwelling Unit for which the Garage and Storage Areas are designated. Any such license agreement shall be in writing and an executed copy thereof shall be furnished to the Board of Managers and the licensee shall be bound by and subject to all the obligations of the Owner with respect to such Garage and Storage Areas; provided, however, that the Owner granting such license shall not be relieved thereby from any of his obligations regarding such Garage and Storage Areas.
- (b) Exterior Surfaces. The exterior surface of doors and windows and the perimeter walls in each Dwelling Unit shall be limited to the exclusive use of the Dwelling Unit to which they appertain.
- (c) Porches and Entranceways. The porches, entranceways, hallways and stairs through which access

73 80839

6 3 8 0 8 / 3 7

to a Dwelling Unit is obtained are limited to the use of the Dwelling Unit or Dwelling Units served by such entranceway, porch, hallway and stairs, as designated on the Plans.

- (d) Patios and Balconies. The patios, balconies, courtyards and decorative walls and fences are limited to the use of the Dwelling Unit or Dwelling Units to which they are appurtenant as designated on the Plans.
- (e) Driveways. The driveways, walkways and similar areas used for access to particular individual Dwelling Units or the garage serving such Dwelling Units are limited to the use of the Dwelling Unit so served.

8. Ownership of Common Area and Percentage Interest.

Each Owner shall have an undivided interest in the Common Areas and Limited Areas as tenants in common with all other Owners equal to his Dwelling Unit's Percentage Interest. Each Dwelling Unit's Percentage Interest in the Common Areas and Limited Areas shall be determined in accordance with the Formula set forth in paragraph 16 of this Declaration.

If Lake Forest consists only of Phase I, each Dwelling Unit's Percentage Interest shall be as set forth in Exhibit "A". If any Phase of the Additional Tract is annexed to Lake Forest, as permitted and contemplated by paragraph 16 of this Declaration, upon execution of the applicable Supplemental Declaration, the Percentage Interest of each Dwelling Unit in the Phase or Phases which are a part of Lake Forest prior to such annexation will automatically reduce in accordance with the Formula, and the balance of such Percentage Interest shall revert to the Declarant, his successors and assigns. The Owners of Dwelling Units in the Phase or Phases which are a

73 80839

-9-

6 3 8 0 8 / 3 7

part of Lake Forest prior to such annexation shall be granted and receive a Percentage Interest in the Common Area of such Phase of the Additional Tract being annexed to Lake Forest, the precise Percentage Interest to be determined according to the Formula and designated in the Supplemental Declaration annexing such Phase or Phases. The method of determining the Percentage Interest as set forth in this paragraph 8 and paragraph 16 shall not be altered without the unanimous consent of all the Co-owners.

The Percentage Interest appertaining to each Dwelling Unit as determined by paragraph 16 shall also be the Percentage Vote allocable to the Owner thereof in all matters with respect to Lake Forest and the Association upon which the Co-owners are entitled to vote, including but not limited to the election of the Board of Managers.

9. Encroachments and Easements for Common Areas.

If, by reason of the location, construction settling, or shifting of a Building, any Common Area or Limited Area now encroaches or shall hereafter encroach upon any Dwelling Unit, then in such event an easement shall be deemed to exist and run to the Co-owners and the Association for the maintenance, use and enjoyment of such Common Area or Limited Area.

Each Owner shall have an easement in common with each other Owner to use all pipes, wires, ducts, cables, conduits, utility lines and other common facilities located in any of the other Dwelling Units, Common Areas or Limited Common Areas and serving his Dwelling Unit.

-10-

6 3 8 0 8 / 3 7

10. Real Estate Taxes. Real estate taxes are to be separately taxed to each Dwelling Unit as provided in the Act. In the event that for any year real estate taxes are not separately assessed and taxed to each Dwelling Unit, but are assessed and taxed on the Tract and Additional Tract, or a part thereof, as a whole, then each Owner shall pay his proportionate share of the real estate taxes. Each Owner's proportionate share shall be determined as follows:

- (a) With respect to the real estate taxes assessed against the land, the amount of such taxes shall be multiplied by a fraction, the numerator of which is the total acreage constituting Lake Forest not separately assessed and the denominator of which is the total acreage which is assessed as a whole.
- (b) With respect to the real estate taxes assessed against the improvements, the amount of such taxes shall be multiplied by a fraction, the numerator of which is the total Square Footage of all Dwelling Units which are a part of Lake Forest at the time of such assessment and are not separately assessed and the denominator of which is the total Square Footage of all Dwelling Units which are assessed as a whole.
- (c) Each individual Owner's proportionate share shall then be determined by multiplying the sum of the products obtained in (a) and (b) above by a fraction, the numerator of which is the square footage of each Owner's Dwelling Unit not separately assessed and the denominator of which is the total Square Footage of all Dwelling Units not separately assessed.

11. Utilities. Each Owner shall pay for his own utilities which are separately metered. Utilities which are not separately metered shall be treated as and paid as part of the Common Expenses.

73 80839

7 3 / 8 0 8 3 9

12. Easement for Utilities and Public and Quasi Public Vehicles. All public and quasi public vehicles, including but not limited to police, fire and other emergency vehicles, trash and garbage collection, post office vehicles and privately owned delivery vehicles, shall have the right to enter upon the streets, Common Areas and Limited Areas of Lake Forest in the performance of their duties. An easement is also granted to all utilities and their agents for ingress, egress, installation, replacement, repairing and maintaining of such utilities, including but not limited to water, sewers, gas, telephones and electricity on the Property; provided, however, nothing herein shall permit the installation of sewers, electric lines, water lines, or other utilities, except as initially designed and approved by Declarant or as thereafter may be approved by the Board of Managers. By virtue of this easement the electric and telephone utilities are expressly permitted to erect and maintain the necessary equipment on the Property and to affix and maintain electric and telephone wires, circuits and conduits on, above, across and under the roofs and exterior walls of the Buildings.

13. Association of Owners. In order to provide for the maintenance, repair, replacement, administration and operation of the Property and in compliance with the provisions of the Act, there is hereby created an association of the Co-owners of the Dwelling Units in Lake Forest to be known as the Lake Forest Co-Owners Association. Each

73 80839

6 3 8 0 8 / 3 7

Owner shall be a member of the Association, but membership shall terminate when such person ceases to be an Owner, and will be transferred to the new Owner.

The Association shall elect a Board of Managers annually in accordance with and as prescribed by the By-laws. The Co-owners shall be entitled to cast their Percentage Vote for the election of the Board of Managers.

The Board of Managers shall be the governing body of the Association, representing all of the Co-owners in providing for the management, maintenance, repair, replacement and upkeep of the Property.

14. Maintenance, Repairs and Replacements. Each Owner shall, at his expense, be responsible for the maintenance, repairs, decoration and replacement within the interior of his own Dwelling Unit, Garage and Storage Areas, basement, and the heating, air conditioning and other equipment serving his Dwelling Unit unless otherwise provided in the By-laws. Each Owner shall repair any defect occurring in his Dwelling Unit which, if not repaired might adversely affect any Dwelling Unit, Common Area or Limited Area. Maintenance, repairs, replacements and upkeep of the Common Areas and, except as otherwise provided, Limited Areas, shall be furnished by the Association as part of the Common Expenses.

The Board of Managers shall adopt such rules and regulations concerning maintenance, repairs, use and enjoyment of the Common Areas and Limited Areas as it deems appropriate.

73 80839

-13-

6 3 8 0 8 / 3 7

The Board of Managers or their designated agent shall have the right at reasonable times and upon reasonable prior notice (except in cases of emergency in which case no notice shall be required), to enter into each individual Dwelling Unit for the purposes of inspection of the Common Areas and Limited Areas appurtenant thereto and replacement, repair and maintenance of the same.

15. Alterations, Additions and Improvements. No Owner shall make any alterations or additions to the Common Areas or Limited Areas without the prior written approval of the Board of Managers, nor shall any Owner make any alterations to his respective Dwelling Unit and within the boundaries thereof which would affect the safety or structural integrity of the Building in which the Dwelling Unit is located.

16. Annexation of Additional Tract. Declarant anticipates that it will construct additional Dwelling Units on the Additional Tract, all or part of which may be annexed to Lake Forest in the manner hereinafter set forth. The Additional Tract consists of approximately 22.135 acres, the legal description of which is as follows:

- (a) No Phase may be annexed until all of the Dwelling Units to be constructed in such Phase have been substantially completed and the Supplemental Plans to be filed with the Supplemental Declaration are completed, certified to by the engineer or architect as fully and accurately depicting the layout, location and dimensions of the Dwelling Units as built.
- (b) The Dwelling Units on any Phase to be annexed shall be constructed with labor and material of comparable quality to the Dwelling Units previously constructed on the Tract, although not necessarily of similar type floor plan, design, or exterior.
- (c) Declarant shall be the sole owner of the fee simple title to the Phase to be annexed.

Declarant expressly reserves the right not to annex to Lake Forest any or all of the Additional Tract. No Owner shall acquire any rights whatsoever in the Additional Tract except as to those Phases which are annexed to and made a part of Lake Forest.

The Percentage Interest appurtenant to each Dwelling Unit shall be based on the ratio that the Square Footage in each Dwelling Unit bears to the total Square Footage of all the Dwelling Units now or hereafter annexed to Lake Forest. As all of

73 80839

-17-

6 3 8 0 8 / 3 7

the Dwelling Units shall be constructed with labor and materials of comparable quality, the comparable Square Footage of each Dwelling Unit shall be conclusively deemed to be the relative value of each Dwelling Unit with relation to the Property as a whole. The Square Footage applicable to each Dwelling Unit shall be the sum of:

- (a) the first 1,000 square feet of Area applicable to a particular Dwelling Unit, plus
- (b) 75% of the second 1,000 square feet of such Area, plus
- (c) 50% of all the remaining square feet of such Area.

Area applicable to Dwelling Unit as that term is used above means the area within the perimeter walls of a Dwelling Unit, including basement area and the Garage and Storage Areas appurtenant to the Dwelling Unit, but excluding the appurtenant patio, balcony, and courtyard areas.

For example, Dwelling Unit IV-1 contains 3,731 actual square feet of living area within its perimeter walls, including basement; plus Garage and Storage Areas containing 615 square feet. The Square Footage of such Dwelling Unit would be determined as follows:

1,000 plus 750 (.75 times 1,000), plus 1173.0 (.5 times 2346) equals 2923.0. Thus, the Square Footage of such Dwelling Unit as the term is used in this Declaration and the Bylaws is 2,923.

The Percentage Interest appurtenant to each Dwelling Unit shall be computed and, upon the annexation of an additional Phase, recomputed, as set forth in the following Formula:

The Square Footage of each Dwelling Unit shall be divided by the total Square Footage of all the Dwelling

78 80839

6 3 8 0 8 / 3 7

Units in Lake Forest. The resulting quotient multiplied by 100 shall be the Percentage Interest of such Dwelling Unit. Upon annexation of an additional Phase, the same method shall be utilized to recalculate the Percentage Interest of each Dwelling Unit, using as the divisor the total of the Square Footage of all Dwelling Units including the Square Footage of the Dwelling Units being annexed. The quotient shall be rounded off to the fourth decimal place with minor adjustments thereof to be made by Declarant so that the resulting total of all Percentage Interests shall always be exactly 100%.

For example: Upon recording of this Declaration the Percentage Interest of Dwelling Unit IV-1 has been determined by dividing its Square Footage, 2,923.0 by 32,123.1, the total of the Square Footage of all the Dwelling Units in Phase I. The resulting Percentage Interest of Dwelling Unit IV-1 is 9.10% (rounded off). Assuming that Phase II is subsequently annexed and that the total Square Footage of all the Dwelling Units in Phase II is 34,485.5 square feet, the resulting new Percentage Interest of Dwelling Unit IV-1 shall be determined by dividing 2,923.0 by 66,608.6 and multiplying the quotient, .0439 (rounded off), by 100 to result in a Percentage Interest of 4.39%.

As each Phase is developed, Declarant shall record a Supplemental Declaration annexing and adding such Phase to this Declaration and making it a part of Lake Forest. Such Supplemental Declaration shall contain the following:

- (a) a description of the real estate to be annexed;
- (b) a description of the Buildings and Dwelling Units described in a manner consistent with this Declaration;
- (c) the Percentage Interest of all Dwelling Units in Lake Forest upon annexation, computed in accordance with the Formula.

A copy of the form of Supplemental Declaration as will be applicable to each Phase is attached hereto, made a part hereof, and marked Exhibit "B". The identification of

73 80839

6 3 8 0 8 / 3 7

Buildings, Dwelling Units, Square Footage and Percentage Interest contained in the attached Supplemental Declaration is assumed for illustrative purposes only.

Each Owner, by acceptance of a deed to a Dwelling Unit, acknowledges, consents and agrees that the following rights and conditions shall be applicable upon the recording of each Supplemental Declaration:

- (a) The Phase described in each Supplemental Declaration shall be governed in all applicable respects by the provisions of this Declaration.
- (b) The Percentage Interest appurtenant to each Dwelling Unit shall be automatically reallocated in accordance with the schedule set forth in such Supplemental Declaration which shall be based upon the Formula. On recording of each Supplemental Declaration, the amount by which the Percentage Interest of a Dwelling Unit is reduced shall thereby be deemed to release and divest that amount from such Dwelling Unit Owner and revert to the Declarant, its successors and assigns.
- (c) Each deed, mortgage or other instrument affecting a Dwelling Unit shall be deemed given subject to the limitation that the Percentage Interest appurtenant to each Dwelling Unit shall, upon the recording of each Supplemental Declaration, be altered in accordance with the Supplemental Declaration, based upon the Formula.
- (d) The Percentage Interest in the Common Areas and Limited Areas appurtenant to each Dwelling Unit shall be deemed to include any additional Common Areas and Limited Areas annexed hereto by a Supplemental Declaration, which Supplemental Declaration shall grant and convey to the Owners the appropriate Percentage Interest, and each deed, mortgage or other instrument affecting a Dwelling Unit shall be deemed to include such additional Common Areas and Limited Areas, and the ownership of any Dwelling Unit and lien of any mortgage shall automatically include and attach to such additional Common Area and Limited Area upon recording of such Supplemental Declaration.

73 80839

6 3 8 0 8 / 3 7

- (e) The recording of a Supplemental Declaration shall not alter the amount of the lien for Common Expenses assessed to a Dwelling Unit in a Phase already a part of Lake Forest prior to such recording. The lien for the prorata share of Common Expenses for the Phases annexed upon such recording shall be assessed and paid as provided in Section 5.04 of the By-laws.
- (f) Each Owner agrees for himself and all those claiming under him, including Mortgagees, that this Declaration and each Supplemental Declaration is and shall be deemed to be in accordance with the Act and for the purpose of this Declaration and the Act, any changes in Percentage Interest as set forth in any Supplemental Declaration which is in accordance with the Formula expressed herein shall be deemed to be made by agreement of all Owners.
- (g) Each Owner agrees to execute and deliver such documents as are necessary or desirable to accomplish the annexation of the Phases in the Additional Tract in accordance with the provisions and intent of this paragraph 16.
- (h) Each Owner, by acceptance of a deed to a Dwelling Unit, shall thereby appoint Declarant or its nominee as such Owner's attorney-in-fact for the purpose of reallocating from time to time the Percentage Interest appurtenant to such Owner's Dwelling Unit in accordance with the provisions of this paragraph 16, and, to the extent required by law to carry out the intent of this paragraph 16, on behalf of such Owner to consent to or vote in favor of the amendment of this Declaration. The appointment of Declarant or its nominee as such attorney-in-fact and the granting of such special power to Declarant or its nominee shall be deemed to be coupled with an interest, shall be irrevocable and binding upon the heirs, successors and assigns of such Owner, but shall expire when all of the Additional Tract has been annexed to Lake Forest or on December 31, 1978, whichever first occurs.

In the event Declarant does not elect to annex to Lake Forest the Additional Tract or any part thereof, as permitted by this paragraph 16, Declarant shall file a

73 80839

-21-

6 3 8 0 8 / 3 7

Supplemental Declaration which shall permanently remove that part of the Additional Tract that has not been annexed from any right to be made a part of Lake Forest; provided, however, any Phase for which a Supplemental Declaration has not been filed by December 31, 1978, shall be automatically removed from the possibility of becoming a part of Lake Forest in the manner provided in this Declaration. Upon the filing of such Supplemental Declaration removing a part of the Additional Tract from the possibility of becoming a part of Lake Forest in accordance with this Declaration, or December 31, 1978, whichever comes first, the Percentage Interest designated in the Declaration or Supplemental Declaration last filed shall not be altered without the unanimous consent of all Owners.

17. Easements to and from Additional Tract. In the event all or any part of the Additional Tract is not annexed to Lake Forest, Declarant reserves unto itself, its successors and assigns, for the use and benefit of that part of the Additional Tract not annexed, the right and easement to enter upon the streets and Common Areas of Lake Forest to provide ingress and egress to the Additional Tract. It is the purpose and intent of the easements herein granted or reserved to provide free and unrestricted use and access across the roadways and sidewalks of the Tract for the Owners and residents of the Additional Tract, their guests, invitees and all public and quasi public vehicles.

73 80839

6 3 8 0 8 / 3 7

The easements granted and reserved in this paragraph 17 shall be easements and covenants running with the land and accruing to the benefit of the Additional Tract and shall continue until the Additional Tract has all been annexed to Lake Forest.

18. Insurance. The Association, acting through its Board of Managers, shall obtain fire and extended coveragee insurance insuring the Property in an amount equal to the full replacement cost thereof as determined by a qualified appraiser, the amount determined and the insurance renewed at least every three (3) years. The cost of any appraisal shall be a Common Expense. Such insurance shall

- (1) provide that notwithstanding any provision thereof giving the insurer an election to restore damage in lieu of a cash settlement, such option shall not be exercisable in the event the Owners do not elect to restore pursuant to paragraph 19, and
- (2) contain a "Replacement Cost Endorsement".

Such insurance coverage shall be for the benefit of the Association, each Owner, and, if applicable, the Owner's Mortgagee. The proceeds shall be payable to the Association, who shall hold such proceeds as trustee for the individual Owners and Mortgagees as their interests appear. The proceeds shall be used or disbursed only in accordance with the provisions of this paragraph 18 and paragraph 19 of the Declaration, as applicable, and any surety bond or bonds obtained by the Board covering the officers of Lake Forest as provided in the Bylaws shall specifically include protection for any insurance proceeds so received.

73 80839

-23-

6 3 8 0 8 / 3 7

The Association shall also obtain comprehensive public liability insurance in such limits as the Board of Managers shall deem appropriate, together with Workmen's Compensation Insurance and other liability insurance, if deemed necessary or appropriate by the Board of Managers. Such insurance shall inure to the benefit of each individual Owner, the Association, the Board of Managers, and any Managing Agent or company acting on behalf of the Association.

The premiums for all such insurance shall be paid by the Association as part of the Common Expenses.

Each Owner shall have the right to purchase additional insurance he may deem necessary, and each Owner shall be solely responsible for loss or damage to the contents of his own Dwelling Unit, however caused, including all floor and wall coverings, and fixtures and betterments installed by the Owner, and his personal property stored elsewhere on the Property, and the Association shall have no liability to any Owner for loss or damage to the contents of any Dwelling Unit. Each Owner shall be solely responsible for obtaining his own insurance to cover any such loss and risk.

19. Casualty and Restoration. In the event of damage or destruction of the Property by fire or other casualty, the following provisions shall be applicable:

- (a) Partial Destruction. In the event that less than two thirds of the Dwelling Units are destroyed by the occurrence of fire or other casualty, then the Association shall cause the Property to be promptly repaired and restored. The proceeds of the insurance carried by the Association shall be applied to the cost of such restoration.

73 80839

6 3 8 0 8 / 3 7

If the insurance proceeds are not adequate to cover the cost of reconstruction or in the event there are no proceeds, each individual Owner shall have the responsibility for restoring his own Dwelling Unit at his own expense and the insurance proceeds, if any, shall be equitably divided among the Owners of the damaged Dwelling Units. The division of such proceeds shall be determined by the insurance company insuring the Building or Buildings, and when so determined in good faith shall be binding upon all Owners and Mortgagees.

If any Owner, or Owners, refuses or fails to restore his Dwelling Unit, the other Owners (or the Association, if such other Owners fail) shall complete the restoration and pay the cost thereof, and the costs attributable to the Owner or Owners who refuse or fail to make such payments at the time required by the Board of Managers shall become a lien on such defaulting Owners' Dwelling Units and may be foreclosed in the same manner as provided for the lien for Common Expenses.

- (b) Restoration in the Event of Two Thirds Destruction. In the event that more than two thirds of the Dwelling Units are destroyed by fire or other casualty, then restoration of the Dwelling Units must be approved within one hundred twenty (120) days from the date of damage or destruction by no less than a majority of the total Percentage Vote. If such approval is not obtained, the Property shall be deemed owned in common by all of the Owners and the provisions of Section 21 of the Act shall apply.
- (c) Restoration, for purposes of subparagraphs (a) and (b) above, shall mean construction or rebuilding of the Dwelling Units to the same condition as they existed immediately prior to the destruction and with a similar type of architecture.

20. Sale or Lease of Dwelling Unit by Owner. For the purpose of maintaining the congenial and residential character of Lake Forest, and for the protection of the Co-owners with regard to financially responsible residents, sale or lease of a Dwelling Unit by an Owner other than Declarant shall be subject to the following conditions and restrictions:

73 80839

6 3 8 0 8 / 3 7

(a) Lease. It is in the best interest of all the Owners that those persons residing in Lake Forest have similar proprietary interests in their Dwelling Units and be Owners. Accordingly, no Owner shall lease his Dwelling Unit or enter into any other rental or letting arrangement for his Dwelling Unit without the prior written consent of the Board of Managers. Such consent shall not be unreasonably withheld. No lease for a term longer than one year, however, shall be approved. Any Owner desiring to enter into a lease for his Dwelling Unit shall make written application to the Board of Managers, which application shall state the reasons why the applicant wishes to lease the Dwelling Unit, the name of the proposed tenant, and financial references of the proposed tenant. Within ten (10) days following the receipt of the application, the Board of Managers shall issue its written approval or disapproval to the Owner. In the event the Board fails to issue written approval or disapproval within such period, the application shall for all purposes be deemed approved.

(b) Sale. The Association shall have the right of first refusal to purchase any Dwelling Unit which an Owner wishes to sell. Any Owner wishing to sell who receives a bona fide offer to purchase shall promptly give written notice to the Board of Managers of his desire to sell, together with the name and address of the intended purchaser, and the terms and conditions of such offer. Within fourteen (14) days after the receipt of such notice, the Board of Managers shall determine if it should recommend exercise of the right to purchase or waive the right to purchase. In the event the Board of Managers elects to waive the right to purchase, a certificate in recordable form, executed by the President or Secretary of the Association, certifying that the Association, through its Board of Managers, has waived its right to purchase, shall be delivered to the Owner, who may then proceed to sell and convey his Dwelling Unit to that person and upon the same terms and conditions as set forth in the Owner's notice to the Board of Managers. In the event the sale is not completed within ninety (90) days following the date of such certificate, then the Dwelling Unit shall again become subject to the Association's right of first refusal as herein provided.

In the event the Board of Managers deems it advisable to exercise the Association's right to

73 80839

-26-

6 3 8 0 8 / 3 7

purchase the Dwelling Unit, then it shall give written notice thereof to the Owner and shall, within twenty-one (21) days following the receipt of such notice from the Owner wishing to sell, call a meeting of all the Co-owners for the purpose of voting upon the proposed purchase. If the recommendation of the Board of Managers to purchase such Dwelling Unit is approved by no less than seventy five per cent (75%) in the aggregate of the total Percentage Vote, then the Association shall proceed to purchase the offered Dwelling Unit from the offering Owner upon the same terms and conditions contained in the offer. The purchase price for the Dwelling Unit shall be considered to be a Common Expense and borne by the remaining Co-owners; provided, however, that the Owner who has made the offer to sell his Dwelling Unit shall not be assessed for or required to pay his pro rata share of the expense incurred in the purchase of the Dwelling Unit.

Legal title to the Dwelling Unit shall be conveyed to the Association as an entity or to those persons then serving as Board of Managers, as trustees for the benefit of the Co-owners, whichever the Board of Managers, in their sole discretion, deems appropriate.

In the event that the proposed purchase is not approved by the required percentage of the Co-owners as set out above, then the Board of Managers, through the President or Secretary of the Association, shall promptly deliver a certificate in recordable form to the offering Owner who may proceed to sell his Dwelling Unit under the same terms and conditions as if the Board of Managers had not elected to recommend the exercise of the right of the Association to purchase.

If, for any reason, either the Board of Managers or the Co-owners shall fail to act on the Association's right of first refusal within the time periods herein provided, then the Association's right of first refusal shall be deemed to have been effectively waived.

If the Association shall purchase a Dwelling Unit in accordance with this paragraph 20, the Board of Managers shall have the authority at any time thereafter to sell or lease the Dwelling Unit upon the terms and conditions as the Board of Managers shall, in their sole discretion, deem desirable,

73 80839

-27-

6 3 8 0 8 / 3 7

without application to or approval of the Co-owners. The proceeds of any such sale shall be returned to the Co-owners in the same percentage as they had contributed to the purchase. In the event the Board of Managers elect to lease such Dwelling Unit, then the lease rental payments shall be applied against the Common Expenses.

The above provisions with respect to the Association's right to approve a lease of a Dwelling Unit or the right to purchase a Dwelling Unit shall remain in full force and effect until the Property is removed from the provisions of the Act or until the expiration of twenty (20) years from the date of this Declaration, whichever first occurs.

Any sale or attempted sale, or any lease or attempted lease by an Owner of his Dwelling Unit, except in accordance with the provisions of this paragraph 20, shall be void; provided, however, that any certificate waiving the Association's right to purchase executed by the Association and delivered to an Owner as provided by this paragraph may be relied upon by any purchaser or Mortgagee and shall, with respect to such purchaser or Mortgagee, be absolutely binding upon the Association and the Co-owners unless such purchaser or Mortgagee has actual knowledge that the certificate was procured fraudulently or by reason of a misrepresentation of a material fact.

(c) Limitations to Mortgagee. With respect to a Mortgagee that is a bank, life insurance company or savings and loan association, the provisions of subparagraphs (a) and (b) of this paragraph 20 shall be limited in their application as follows:

(i) The provisions of subparagraph (b) shall not be applicable to a conveyance of a Dwelling Unit to such Mortgagee as a result of a foreclosure of its mortgage or a conveyance in lieu thereof or to the conveyance of a Dwelling Unit to any person at a public sale in the manner provided by law with respect to mortgage foreclosures. The provisions of subparagraph (b) shall be applicable to and binding upon such Mortgagee or other person so obtaining title to a Dwelling Unit with respect to any subsequent transfer or conveyance of the Dwelling Unit.

6 3 8 0 8 / 3 7

(ii) The provisions of subparagraph (a) shall not be applicable to such Mortgagee if such Mortgagee acquires possession of a Dwelling Unit during the period while a foreclosure proceeding is pending or to such Mortgagee who obtains title to a Dwelling Unit as a result of foreclosure of its mortgage or a conveyance in lieu thereof. The provisions of subparagraph (a) shall be binding upon any other person obtaining title to the Dwelling Unit from such Mortgagee or at any foreclosure or other judicial sale.

The provisions of this subparagraph (c) may not be amended without the consent of all of such Mortgagees.

21. Membership in College Park Club, Inc. The Tract is subject to certain covenants and restrictions created by a declaration of covenants and restrictions executed May 15, 1968, and recorded in the office of the Recorder of Marion County on May 15, 1968, as Instrument No. 68-22374. For the purpose of such Declaration, upon the recording of this Declaration and any subsequent supplemental Declaration, each Dwelling Unit shall be deemed to be a "lot" as that term is defined in Section 1(d) of such Declaration and all the rights and obligations accruing to a Lot as provided therein shall accrue to each Dwelling Unit including but not limited to the obligation to pay the monthly assessments as provided in such Declaration, which monthly assessments are a lien on each Dwelling Unit, and the right to become a member of College Park Club, Inc., and to have one vote for each Dwelling Unit owned.

Declarant hereby expressly provides that none of the Common Areas or Limited Common Areas of Lake Forest shall be deemed to be "Common Properties" as defined in Section 3,

73 80839

=29=

6 3 8 0 8 / 3 7

Article II, Section 3 of the Declaration of Covenants and Restrictions referred to above.

22. Covenants and Restrictions. The covenants and restrictions applicable to the use and enjoyment of the Dwelling Units are set forth in the By-laws. These covenants and restrictions are for the mutual benefit and protection of the present and future Owners and shall run with the land and inure to the benefit of and be enforceable by any Owner, the Co-owners or by the Association. Present or future Owners or the Association shall be entitled to injunctive relief against any violation or attempted violation of these provisions and shall be entitled to damages for any injuries resulting from any violations thereof, but there shall be no right of reversion or forfeiture of title resulting from such violation.

23. Amendment of Declaration. Except as otherwise provided in this Declaration, amendments to this Declaration shall be proposed and adopted in the following manner:

- (a) Notice. Notice of the subject matter of the proposed amendment shall be included in the notice of any meeting at which the proposed amendment is considered.
- (b) Resolution. A resolution to adopt a proposed amendment may be proposed by the Board of Managers or the Owners of at least a majority of the Percentage Vote.
- (c) Meeting. The resolution concerning a proposed amendment must be adopted by the designated vote at a meeting duly held in accordance with the provisions of the By-laws.
- (d) Adoption. Any proposed amendment to this Declaration must be approved by a vote of not less than seventy five per cent (75%) in the aggregate of the Percentage Vote. In the event any Dwelling

6 3 8 0 8 / 3 7

Unit is subject to a first mortgage, the Mortgagee shall be notified of the meeting and the proposed amendment in the same manner as an Owner if the Mortgagee has given prior notice of its mortgage interest to the Board of Managers in accordance with the provisions of the By-laws.

- (e) Special Amendments. No amendment to this Declaration shall be adopted which changes
- (1) the Percentage Interest with respect to any Dwelling Unit or the applicable share of an Owner's liability for the Common Expenses, without the approval of one hundred per cent (100%) of the Co-owners, except as otherwise provided in paragraphs 8 and 16 relating to annexation of the Additional Tract, or
 - (2) the provisions of paragraph 19 of this Declaration with respect to reconstruction or repair in the event of fire or casualty, without the unanimous approval of all Mortgagees whose mortgage interests have been made known to the Board of Managers in accordance with the provisions of the By-laws, or
 - (3) the provisions of paragraph 16 of this Declaration except by Declarant in the manner provided therein, or
 - (4) the provisions of paragraph 17 of this Declaration without the consent of the Declarant.
- (f) Recording. Each amendment to the Declaration shall be executed by the President and Secretary of the Association and shall be recorded in the Office of the Recorder of Marion County, Indiana, and such amendment shall not become effective until so recorded.

24. Acceptance and Ratification. All present and future Owners, Mortgagees, tenants and occupants of the Dwelling Units shall be subject to and shall comply with the provisions of this Declaration, the Act, the By-laws appended hereto, and the rules and regulations as adopted by the Board of Managers as each may be amended from time to time. The

73 80839

6 3 8 0 8 / 3 7

acceptance of a deed of conveyance or the act of occupancy of any Dwelling Unit shall constitute an agreement that the provisions of this Declaration, the Supplemental Declarations, the Act, the By-laws and any rules and regulations adopted pursuant thereto, as each may be amended from time to time, are accepted and ratified by such Owner, tenant or occupant, and all such provisions shall be covenants running with the land and shall bind any person having at any time any interest or estate in a Dwelling Unit or the Property as though such provisions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof. Each Owner agrees to execute and deliver such other documents, if any, as may be necessary or desirable to comply with the Act as it may be amended from time to time. All persons, corporations, partnerships, trusts, associations, or other legal entities who may occupy, use, enjoy or control a Dwelling Unit or Dwelling Units or any part of the Property in any manner shall be subject to the Declaration, the Act, the Bylaws, and the rules and regulations applicable thereto as each may be amended from time to time.

25. Negligence. Each Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his negligence or by that of any member of his family or his or their guests, employees, agents or lessees, to the extent that such expense is not covered by the proceeds of insurance carried by the Association. An Owner shall pay the amount of any increase in insurance premiums occasioned

73 80839

6 3 8 0 8 / 3 7

by his use, misuse, occupancy or abandonment of his Dwelling Unit or its appurtenances or of the Common Areas or Limited Areas.

26. Costs and Attorneys' Fees. In any proceeding arising because of failure of an Owner to make any payments required or to comply with any provision of the Declaration, the Act, the By-laws, or the rules and regulations adopted pursuant thereto as each may be amended from time to time, the Association shall be entitled to recover its reasonable attorneys' fees incurred in connection with such default or failure.

27. Waiver. No Owner may exempt himself from liability for his contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Areas or Limited Areas or by abandonment of his Dwelling Unit.

28. Severability Clause. The invalidity of any covenant, restriction, condition, limitation or other provision of this Declaration or the By-laws filed herewith shall not impair or affect in any manner the validity, enforceability or effect of the rest of this Declaration or the attached By-laws.

29. Floor Plans. The Plans, as described in paragraph 1(t) of this Declaration, are incorporated into this Declaration by reference, and have been filed in the office of the Recorder of Marion County, Indiana, in Horizontal Property Plan File No. _____, as of Dec 28, 1973, as Instrument Number 73-80839.
