PROPERTY SUBJECT TO THIS DECLARATION

Declaration, the Common Services Easements and Restrictions and the Non-Exclusive License Agreement. As of the date of execution of this Declaration, the Real Estate consists solely of the Real Estate. The Owner of any Lot at any time subject to this Declaration, by (i) acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent Owner of such Lot, or (ii) by the act of occupancy of any Lot, shall accept such deed, execute such contract and undertake such occupancy subject to all of the terms, covenants, conditions, restrictions and provisions of this Declaration, the Common Services Easements and Restrictions and the Non-Exclusive License Agreement. By acceptance of such deed, execution of such contract or undertaking such occupancy, each Owner acknowledges the rights and powers of Declarant, the Access Entity and of the Association with respect to or under this Declaration, the Common Services Easements and Restrictions and the Non-Exclusive License Agreement and, for himself, his heirs, personal representatives, successors and assigns, covenants, agrees and consents to and with Declarant, the Access Entity, the Association, and the Owners and subsequent Owners of each of the Lots affected by this Declaration, to keep, observe, perform and comply with the terms and provisions of this Declaration.

ARTICLE III
MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

Section 1. Membership. Every Owner of a Lot, except as herein provided to the contrary, shall be entitled and required to be a member of the Association. If title to a Lot is held by more than one person, each of such persons shall be a member. An Owner of more than one Lot shall be entitled to, and there shall be required, one membership for each such lot. Each such membership shall be appurtenant to the Lot upon which it is based and shall transfer automatically by voluntary or involuntary conveyance of the title of that Lot. Except as herein otherwise expressly provided, no person or entity other than an Owner or Declarant may be a member of the Association, and a membership in the Association may not be transferred except in connection with the transfer of title to a Lot.

Section 2. Transfer. A membership in the Association shall not be transferred, pledged or alienated in any way, except upon the transfer of the record title of a Lot and then only to such transferee, by assignment, intestate succession, testamentary disposition, foreclosure of mortgage of record or other legal process. It shall be the responsibility of each Owner, upon becoming entitled to membership, to so notify the Association in writing, and until so notified, the Association may continue to carry the name of the former Owner as a member, in its sole discretion. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association. In the event the Owner of any Lot should fall or refuse to transfer the membership registered in his name to the transferee of title of such Lot, the Association may issue a new membership to the transferee, and thereupon the old membership outstanding in the name of the transferor shall be null and void as though the same had been surrendered.

Section 3. Voting. The Association shall have two (2) classes of voting membership, as follows:

- A. Class A.** Class A members shall be all Owners of Lots, with the exception of the Declarant prior to termination of Class B membership, and shall be entitled to one (1) vote for each lot owned with respect to each matter submitted to a vote of members upon which the Class A members are entitled to vote. When more than one person holds title to any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one Vote be cast with respect to any one Lot. There can be no split vote. Prior to or at the time of any meeting at which a vote is to be taken, each co-owner or other person entitled to a vote at such meeting shall file with the Secretary of the Association the name of the voting co-Owner or other person entitled

to a vote at such meeting, unless such co-Owner or other person has filed a general voting authority with the Secretary applicable to all votes until rescinded.

- B. Class B.** Class B members shall be the Declarant and all successors and assigns of the Declarant designated by the Declarant as Class B members in a written notice mailed or delivered to the resident agent of the Association. Each Class B member shall be entitled, on all matters requiring a vote of the membership of the Association, to five (5) votes for each Lot owned by them or it and five (5) votes for each single numbered parcel of land shown upon and identified as a Lot on any recorded plat of the Real Estate. The Class B membership shall cease and terminate upon the first to occur of (a) the date upon which the written resignation of the Class B members as such is delivered to the resident agent of the Association; (b) one hundred twenty (120) days after ninety five percent (95%) of the Lots in the Real Estate have been conveyed to Owners other than Declarant; (c) six (6) years after the date of recording of the first conveyance of a Lot to an Owner other than Declarant; (the applicable date being herein referred to as the "Applicable Date"). Declarant shall each be entitled to one (1) Class A membership for each Lot of which it is the Owner on or after the termination of the Class B membership.

Section 4. Suspension of Voting Rights. In the event any Owner shall be in arrears in the payment of any amount due under any of the provisions of this Declaration for a period of thirty (30) days, or shall be in default in the performance of any of the terms of this Declaration for a period of thirty (30) days, such Owner's right to vote as a member of the Association shall be suspended and shall remain suspended until all payments are brought current and all defaults remedied.

Section 5. Board of Directors. Following the Applicable Date, the Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Until the Applicable Date, the Board shall consist of three (3) persons designated by Declarant pursuant to the Articles of Incorporation, as long as it shall own one or more lots.

B. The covenants and restrictions contained in this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Declarant, the Association or the Owner of any Lot subject to this Declaration, their respective personal representatives, heirs, successors and assigns, for an initial term commencing on the date this Declaration is recorded and ending January 1, 2018, after which time the covenants and restrictions shall be automatically renewed for successive periods of ten (10) years each, as the same may be amended or modified as herein permitted and provided.

Section 2. Right of Enjoyment. Every Owner shall have a non-exclusive right and easement of enjoyment in and to the Common Area limited, however, to and for the Common Area Uses. Such right and

easement shall be appurtenant to and shall pass with the title to every Lot, subject to the following provisions:

C. The right of the Association to levy assessments as provided in this Declaration,

D. The Declarant's General Easement set forth in Article XVI;

E. The rights of the Association and Declarant reserved under this Article IV or elsewhere in this Declaration; and

F. Any of the other rights of the Declarant and any and all of its designees, successors or assigns under the Declarant's Reserved Easements (as described in Article IV, Section 3 hereof) or this Declaration.

This Section 2 may not be amended without the written consent of Declarant during the time that Declarant owns any property subject to this Declaration.

Notwithstanding any provisions contained in the Declaration to the contrary, Declarant hereby expressly reserves unto itself and its successors and assigns a nonexclusive, perpetual right, privilege, and easement with respect to any property in the Development, including, without limitation, utilities and technology infrastructure and Facilities, for the benefit of Declarant and its designees, successors and assigns over, under, in, and on the Development, without obligation and without charge to Declarant, for the purposes of construction, installation, relocation, development, sale, maintenance, repair, replacement, use and enjoyment and otherwise dealing with the Development and any other property now owned or which may in the future be owned by Declarant (collectively, "Declarant's Reserved Easements"). The Declarant's Reserved Easements shall constitute a burden on the title to all or any portion of the Development and specifically includes, without limitation:

(vii) the right of access, ingress, and egress for vehicular and pedestrian traffic over, under, on, and in all or any portion of the Development; and, the right to tie into any portion of the Development with driveways, parking areas, Streets, the Drainage System and walkways; and, the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain, and repair any device which provides utility or similar services, including, without limitation, electrical, telephone, natural gas, water, sewer, and drainage lines and facilities constructed or installed in, on, under, and/or over all or any portion of the Development;

(viii) the right to construct, install, replace, relocate, maintain, repair, use and enjoy signs, model residences, sales offices, construction offices and business offices as, in the sole opinion of Declarant, may be required, convenient or incidental to the construction and sale by Declarant of residences in all or any portion of the Development or in any portion of the Additional Land;

(ix) the right to maintain a sales and marketing office for the Development within the Common Area without cost to Declarant until Declarant no longer owns any Lots in the Development; and,

(x) the Declarant's General Easement as described in Article XVI, Section 2 A hereof.

No rights, privileges, and easements granted or reserved herein shall be merged into the title of any property within the Development, but shall be held independent of such title, and no such right, privilege, or easement shall be surrendered, conveyed, or released unless and until and except by delivery of a quitclaim deed or other assignment of rights from or by Declarant releasing such right, privilege, or easement by express reference thereto with respect to all or any portion of the Development. Declarant may grant to a builder of Lots within the Development similar rights as granted to Declarant under (ii) and (iii) above.

This Section 3 may not be amended without the advance written consent of Declarant as long as Declarant owns one or more Lots.

Section 4. Association's Rights and Obligations

A. The Association shall have the obligation to manage, repair, maintain, improve and operate the Common Area and to perform all additional obligations described in this Declaration; provided, however, the Association shall be under no obligation and shall not manage, repair, maintain, improve and operate any Facilities situated in the Common Area.

B. The Association shall have the right to mortgage all or any portion of the Common Area, excluding any Facilities on, over or under the Common Area, for the purpose of securing a loan of money to be used for any of the purposes specified in subsection 3 A. herein above, provided that the rights of such mortgagee in the Common Area shall be subordinate to the rights of the Owners under this Declaration, and provided, further, that the mortgagee shall have received the prior written approval specified herein below.

C. The Association shall not have the right to dedicate or transfer all or any part of the Common Area to any governmental subdivision or public agency or utility, or to grant permits, licenses, or easements over the Common Area except for granting the Town or municipality the Street right-of-way (RAW) shown on the plats and plans and demarcated as being 50' across; provided, however, that any such dedication be fully consistent with Article XVI, Section 2.B(iii). The Access Entity may enter into agreements on behalf of the Members for the providing of services and utilities to the property and/or the members including without limitation security monitoring services, Intranet services, Internet services, phone (local and long distance), cable television and other services as may be available within Rock Bridge of Zionsville from time to time; provided, however, if the Access Entity fails to provide any of the services provided in this Section 4.C, the Association may enter into agreements on behalf of the Members for the provision of said services and utilities.

D. The Real Estate shall be subject to easements of record on the date the various portions thereof become subject to this Declaration, and to any easements in the Common Area which may be granted by Declarant prior to the Applicable Date.

E. Anything herein apparently to the contrary notwithstanding, except as otherwise expressly herein provided, no abandonment, partition, subdivision, encumbrance, sale or transfer of the Common Area or other common property or any part thereof shall be effective unless it shall have received the prior written

approval specified herein below. However, the Common Area may not be developed in any manner with housing or otherwise. The only improvements which may be erected on any Common Area may only be those facilities which benefit the use of the Common Area by the Owners or which are necessary for the operation of the utilities and technological infrastructure and devices installed by Declarant or directed to be installed by Declarant.

Section 5. Declarant's Rights. Declarant shall have the same rights as any other Owner as to Lots owned by it from time to time, except as otherwise specified herein. In addition, until the last single numbered parcel of land shown upon, and identified as a Lot on any recorded plat(s) of the Real Estate (whether heretofore or hereafter recorded), including, without limitation, the Initial Plat is conveyed to an Owner other than Declarant, or until the Applicable Date (whichever event shall first occur), Declarant shall have the right and easement over the Common Area for the completion of improvements and making repairs to improvements (whether on the Common Area, or upon unsold Lots, or upon other portions of the Real Estate, and the right to maintain signs upon the Common Area and any other portions of the Real Estate other than Lots owned by an Owner other than Declarant) for the purpose of marketing homes, and to invite and escort the public thereon for such purpose.

Section 6. Non-Dedication to Public Uses. Nothing contained in this Declaration or in any subdivision plat of any part of the Real Estate shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Common Area to the public or to or for any public use or purpose whatsoever, all of such Common Area being reserved to the Owners and the Association as provided in this Declaration, but subject, however, to the rights of the Association and the Declarant to thereafter dedicate portions of such Common Area to the public or to or for public uses or purposes but only to the extent, and upon all of the conditions, set forth in this Declaration.

Section 7. Easement for Unintentional Encroachment. Notwithstanding any other provisions contained herein, in the event that any Home or any improvement to any Home encroaches upon any part of the Common Area, as a result of construction, reconstruction, repair, shifting, settlement or movement of any part of the Real Estate, then a perpetual easement appurtenant to such encroaching Home shall exist for the continuance of any such encroachment on the Common Area.

Section 8. Title to Common Area. Declarant hereby covenants that it shall convey and transfer the Common Area included in and constituting a part of the Real Estate to the Association prior to Declarant's resignation as a Class B member. The Common Area so conveyed by Declarant to the Association shall, at the time of such conveyance, be subject to all easements, covenants, conditions, limitations and restrictions then of record, including, without limitation, the Common Services Easements and Restrictions and the Non-Exclusive License Agreement, but shall be free and clear of all liens and financial encumbrances other than the lien of the then current non-delinquent installment of real estate taxes and assessments and subsequent installments thereof which shall thereafter be paid when due by the Association.

obligations and responsibilities under this Declaration, which expenses may include, but shall not be limited to, the expenses and costs of liability insurance for the Common Area and any other common property; snow removal, and trash removal (if provided by the Association); street lighting (if provided by the Association); and an adequate reserve fund for the periodic maintenance, repair and replacement of those improvements and elements of the Common Area and any other property that must be maintained, repaired or replaced on a periodic basis and which the Association may be obligated to maintain, and (b) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Any assessments authorized herein, together with interest, costs and reasonable attorneys' fees, shall be a continuing lien from the first day of January (for annual assessments) and from the date the first installment is payable (for special assessments) against the Lot assessed. Such annual assessments shall be due and payable in a lump sum in advance of such twelve month periods or if the Association so allows, in twelve (12) equal monthly installments on the first day of each and every month or, if so determined by the Association, in such other periodic installments as may be specified by the Association. Each assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot on the date said assessment became due and payable. Said personal obligation of an Owner shall not pass to his successors in title or interest unless expressly assumed by them or unless, prior to such transfer, a written notice of the lien for such assessments shall have been recorded in the office of the Recorder of Boone County, Indiana. No Owner shall escape liability for the assessments which fell due while he was the Owner by reason of non-use of the Common Area or non-use, transfer or abandonment of his Lot or Home.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and residents of the Real Estate, to construct, manage, improve, maintain, repair and administer the Common Area and Amenities contracting for services for the benefit of the Owners, and for payment of any other costs and expenses incurred by the Association in connection with the performance of its duties, obligations and responsibilities hereunder. An adequate reserve fund shall be maintained for working capital and for the periodic maintenance, repair and replacement of those improvements and elements of the Common Area, Amenities and any other property that must be replaced on a periodic basis. Such reserve fund shall be maintained out of the regular annual assessments.

Section 3. Intranet and Security Monitoring Assessments. In order to promote the communication welfare and safety within the community, Declarant is installing or causing to be installed an Intranet Network and a security system within the community. The Association shall contract for these services and shall collect from each member and or Owner at the same time regular assessments are collected an amount which is attributable to the operation of the community intranet and security monitoring for the members.

Section 4. Annual Assessments. From and after December 31, 2004, the maximum annual assessments may be increased each year not more than ten percent (10%) above the maximum assessments permitted for the previous year, on a cumulative basis, without a vote of membership. From and after December 31, 2004, the maximum annual assessments may be increased by more than ten percent (10%) above the maximum assessments permitted for the previous year by a vote of two thirds (2/3) of the total votes of the Members who are voting in person or by proxy, at a meeting called for this purpose.

C. The Board of Directors may fix the annual assessments at any amount not in excess of the maximum permitted hereby.

Section 5. Special Assessments In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, replacement,

or maintenance of the Common Area, Amenities or other such property/improvements for which the Association is responsible, provided that any such assessment shall have the assent of not less than two thirds (2/3) of the total votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Notice and Quorum. Written notice of any meeting of Members called for the purpose of taking any action authorized under Article V, Sections 3 or 4, shall be sent to all Members not less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the opening of such meeting, the presence in person or by proxy of Members entitled to cast sixty percent (60%) of the total votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at any subsequent meeting shall be one half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots. Annual assessments shall be collected in a lump sum or, if the Association so chooses, on a monthly basis (or other periodic basis, if and as determined by the Board) and special assessments shall be collected as the Board determines.

Section 8. Commencement of Initial Annual Assessments. The annual assessments provided for herein shall commence as to each Lot subjected to this Declaration on the first day of the month following the month of recording of the instrument by which such Lot is conveyed to an Owner who will occupy the single family home constructed upon such lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year for which such assessment is imposed.

Section 9. Commencement of Annual Assessments. By November 1st of each year the Board shall fix the amount of annual assessments against each Lot for the following calendar year and shall send written notice thereof to each Owner. The due date for payment of annual assessments shall be as set by the Board. At the time the Board fixes the amount of annual assessments it shall adopt a budget for the following calendar year and cause a copy of such budget in reasonable detail to be furnished to each Owner.

Section 10. Proof of Payment. Upon written demand of an Owner or Mortgagee, at any time and for a reasonable charge, the Association shall furnish a written certificate signed by an officer of the Association setting forth whether there are any then unpaid annual or special assessments levied against such Owner's or Mortgagee's Lot. Such certificate shall be conclusive evidence of payment of any annual or special assessments not stated therein as unpaid.

Section 11. Non-Payment of Assessments. Any assessments which are not paid when due shall be deemed delinquent. If an assessment is not paid within thirty (30) days after the delinquency date, it shall bear interest from the delinquency date at the rate of eighteen percent (18%) per annum and shall become a continuing lien in favor of the Association on the Lot against which assessed and the improvements thereon, and the Association may bring an action at law or in equity against the person personally obligated to pay the same, including interest, costs and reasonable attorneys' fees for any such action, which shall be added to the amount of such assessment and included in any judgment rendered in such action, and the Association may also enforce and foreclose any lien it has or which may exist for its benefit.

Section 12. Recording and Enforcement of Liens. To evidence a lien for sums assessed pursuant to this Article, the Association may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Lot, the name of the person personally obligated to pay the same and a description of the Lot. Such a notice shall be signed by an officer

of the Association and it or a notice of lien or adverse claim thereof may be recorded in the office of the Recorder of Boone County, Indiana. No notice of lien shall be recorded until there is a delinquency in payment of the assessment for thirty (30) days. Upon such a delinquency for thirty (30) days, the Association shall proceed promptly to enforce the lien or, in its discretion, to sue the person personally liable to pay the lien for the delinquency. Such lien shall be enforced by action in the same manner in which mortgages on real property may be foreclosed in Indiana. In any such foreclosure, the person personally obligated to pay the lien shall be required to pay all costs of foreclosure including reasonable attorneys' fees. All such costs and expenses shall be secured by the lien being foreclosed. The person personally obligated to pay the lien shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the foreclosed interest in the Lot as the Owner thereof. The Association shall, upon written request, report to any Mortgagee of a Lot any assessments remaining unpaid for longer than thirty (30) days after the same shall have become due; provided, however, that such Mortgagee first shall have furnished to the Association written notice of the Mortgage under which it claims and its notice address.

Section 13. Assignment. The Association may assign the lien rights provided herein to any provider of Intranet or Security Monitoring Services, so long as the services are provided for the benefit of the Owners.

Section 14. Subordination of Lien. The lien of the assessments provided for herein shall be subordinate to the lien of any first Mortgage ("First Mortgage") and to tax liens and liens for special assessments in favor of any taxing and assessing unit of government. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or remedies provided in a First Mortgage, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to charges which were payable prior to such sale or transfer. No such sale or transfer shall relieve a Lot from liability for any assessments thereafter becoming payable or from the lien thereof or shall relieve the person personally obligated to pay the same or from personal liability for assessments payable prior to such sale or transfer or acquisition. Any delinquent assessments, the lien for which is extinguished by reason of this provision, may be reallocated and assessed to all Lots as a common expense.

Section 15. Limitations on Assessments Owed by Declarant. Notwithstanding anything to the contrary contained herein, neither Declarant nor Estridge Custom Homes shall be obligated to pay, as to any and all Lots owned by them from time to time, any assessments (whether regular annual assessments or special assessments) payable hereunder by Owners.

ARTICLE VI ARCHITECTURAL CONTROLS

Section 1. The Architectural Review Board. An Architectural Review Board ("Architectural Review Board") consisting of two (2) or more persons shall be appointed by the Declarant. Following the end of the Development Period, the Architectural Review Board shall be appointed by the Board of Directors.

Section 2 Purpose. The Architectural Review Board shall regulate the external design, appearance, use, location, and maintenance of the Real Estate and of improvements thereon in such manner as to preserve and enhance values and to maintain a harmonious relationship among structures, improvements, and the natural vegetation and topography.

Section 3. Conditions. Except as otherwise expressly provided in this Declaration, no improvements, alterations, repairs, change of colors, excavations, changes in grade, planting, or other work that in any way alters any Lot or the exterior of the improvements located thereon from its natural or improved state existing on the date such Lot was first conveyed in fee by Declarant to an Owner shall be made or done without the prior approval of the Architectural Review Board of a Lot Development Plan therefor. Prior to the commencement by any Owner other than Declarant of (i) construction, erection or alteration of any Home, building, fence, wall, swimming pool, tennis court, patio or other structure on a Lot, or (ii) any plantings on a Lot, a Lot Development Plan with respect thereto shall be submitted to the Architectural Review Board, and no building, fence, wall, Home or other structure shall be commenced, erected, maintained, improved, altered, made or done, or any plantings made, by any person other than Declarant without the prior written approval of the Architectural Review Board of a Lot Development Plan relating to such construction, erection, alteration or plantings. Such approval shall be in addition to, and not in lieu of, all approvals, consents, permits and/or variances required by law from governmental authorities having jurisdiction over Rock Bridge of Zionsville, and no Owner shall undertake any construction activity within Rock Bridge of Zionsville unless all legal requirements have been satisfied. Each Owner shall complete all improvements to a Lot strictly in accordance with the Lot Development Plan approved by the Architectural Review Board. As used in this Section (3), "plantings" does not include flowers, bushes, shrubs or other plants having a height of less than eighteen (18) inches.

Section 4. Procedure. In the event the Architectural Review Board fails to approve, modify or disapprove in writing a Lot Development Plan within sixty (60) days after notice of such Plan has been duly filed with the Architectural Review Board in accordance with procedures established by Declarant, or if Declarant is no longer a Class B member, the Board of Directors, approval will be deemed denied. A decision of the Architectural Review Board (including a denial resulting from the failure of the Architectural Review Board to act on the Plan within the specified period) may be appealed to the Board of Directors, which may reverse or modify such decision (including approval of a Lot Development Plan deemed denied by the failure of the Architectural Review Board to act on such Plan within the specified period) by a two thirds vote of the Directors then serving.

Section 5. Guidelines and Standards. The Architectural Review Board shall have the power to establish and modify from time to time such written architectural and landscaping design guidelines and standards as it may deem appropriate to achieve the purpose set forth in Section 2 to the extent that such design guidelines and standards are not in conflict with the specific provisions of the Declaration. Any such guidelines or standards may be appealed to the Board of Directors which may terminate or modify such guideline or standard by a two-thirds (2/3) vote of the Directors then serving.

Section 6. Application of Guidelines and Standards. The Architectural Review Board shall apply the guidelines and standards established pursuant to Section 5 in a fair, uniform and reasonable manner consistent with the discretion inherent in the design review process. In disapproving any Lot Development Plan, the Architectural Review Board shall furnish the applicant with specific reasons for such disapproval and may suggest modifications in such plan which would render the plan acceptable to the Architectural Review Board if resubmitted.

Section 7. Exercise of Discretion. Declarant intends that the members of the Architectural Review Board exercise discretion in the performance of their duties consistent with the provisions of Section 6, and every Owner by the purchase of a Lot shall be conclusively presumed to have consented to the exercise of discretion by such members. In any judicial proceedings challenging a determination by the Architectural Review Board and in any action initiated to enforce this Declaration in which an abuse of discretion by the Architectural Review Board is raised as defense, abuse of discretion may be established only if a reasonable

person, weighing the evidence and drawing all inferences in favor of the Architectural Review Board, could only conclude that such determination constituted an abuse of discretion.

**ARTICLE VII

The Association, subject to the rights and obligations of the Owners as set forth in this Declaration, shall be responsible for, and be vested with, the exclusive management and control of the Common Area, Streets (except as otherwise provided for by virtue of the dedication of the Streets in accordance with Article XVI, Section 2.B(iii)), Amenities and all improvements (if any) thereon (including equipment related thereto), and shall keep the same in good order and repair. A transfer of title to a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of other Owners. The transfer of title to a Lot under foreclosure shall entitle the purchaser to the beneficial interest in such personal property associated with the foreclosed Lot.

Section 4. Hazard and Liability Insurance for Common Property. The cost of such insurance shall be assessed as provided in Article V above. the lapse of a policy, for the Common Area and other common property, and First Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association. The Association is authorized to enter into an agreement in favor of all First Mortgagees of Homes establishing entitlement to such reimbursement.

Section 9. Distribution of Insurance Proceeds and Condemnation Awards. No provision of this Declaration or the By-Laws shall be construed as giving to the Owner or to any other party priority over any rights of First Mortgagees of Lots pursuant to their First Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of Common Area or other common property.

ARTICLE XII INSURANCE

Section 1. Maintenance of Insurance. Commencing not later than the time of the first conveyance of a Lot to an Owner other than Declarant, the Association shall maintain, to the extent reasonably available, the following insurance, all of which shall be issued by insurance carriers meeting at least the minimum

requirements of, and shall otherwise comply with the requirements of the agencies and entities mentioned or referred to herein, to-wit:

(A) Master or blanket type of policy of fire insurance with extended coverage endorsement (including vandalism, sprinkler leakage (if appropriate), debris removal, cost of demolition, malicious mischief, windstorm and water damage) insuring the Common Area (including all of the fixtures installed therein). Said policy shall afford, as a minimum, protection against the following:

- (1) loss or damage by fire and other perils normally covered by the standard extended coverage endorsement;
- (2) all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "all risk" endorsement, where such is available.

The name of the insured under such policies must be set forth therein substantially as follows:

*"Rock Bridge of Zionville Homeowners Association, Inc. for
the use and benefit of the individual Owners".*

The policies may also be issued in the name of an authorized representative of the Association, including any insurance trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners. Loss payable shall be in favor of the Association (or insurance Trustee), as a trustee for each Owner and each such Owner's First Mortgagee. Each Owner and each such Owner's First Mortgagee, if any, shall be beneficiaries of the policy with respect to the Common Area equally with each other lot. Policies must provide for the recognition of any insurance Trust Agreement.

If reasonably available, such policies shall include:

- (1) Agreed Amount Endorsement (or like endorsement);
- (2) Inflation Guard Endorsement;
- (3) Construction Code Endorsements (such as a Demolition Cost Endorsement, a Contingent Liability from Operation of Building Laws Endorsement and an Increased Cost of Construction Endorsement) if the project is subject to a construction code provision which would become operative and require changes to undamaged portions of the improvements, thereby imposing significant costs in the event of partial destruction of the project by an insured peril;
- (4) Steam Boiler Coverage (if applicable) for loss or damage resulting from steam boiler equipment accidents in an amount not less than \$50,000 per accident per location; and
- (5) All such policies must provide for the following: recognition of any Insurance Trust Agreement; a waiver of the right of subrogation against Owners individually; that the insurance is not prejudiced by any act or neglect of Individual Owners which is not in the control of such Owners collectively; and that the policy is primary in the event the Owner has other insurance covering the same loss.

(B) Worker's Compensation, occupational disease and like insurance (if the Association has eligible employees);

(C) Comprehensive public liability insurance in such amounts and with such coverage as the Board of Directors shall from time to time determine, but at least:

(1) covering events occurring anywhere on the Common Area (and public and private ways) or arising out of or in connection with the use, ownership or maintenance of the Common Area;

(2) covering, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Area, and legal liability arising out of lawsuits related to employment contracts of the Association, and such other coverages as are customarily covered with respect to projects similar in construction, location, and use;

(3) insuring each officer and member of the Board of Directors, the managing agent and each Owner and with cross liability endorsement to cover liabilities of the Owners as a group to an Owner and with a "Severability of Interest Endorsement" which would preclude the insurer from denying the claim of an Owner for the negligent act of another Owner, occupant or the Association; and

(4) in amounts generally required by private institutional investors for projects similar in construction, location and use. (However, such coverage shall be for at least \$1,000,000 for bodily injury, including deaths of persons and property damage arising out of a single occurrence).

(D) Such other insurance as the Board of Directors may determine.

(E) All such policies must provide that they may not be changed or substantially modified by any party without at least 10 days' prior written notice to the Association and to each holder of a First Mortgage which is listed as a scheduled holder of a First Mortgage in the insurance policy.

Section 2. Owners' Individual Policies. Each Owner should carry, and shall be responsible for carrying, insurance for his own benefit insuring his personal liability, his Lot, his Home, and other personal property, and fixtures, furniture, furnishings, and other personal property, and fixtures and other property supplied or installed by him or a previous Owner or tenant.

Section 3. Insurance Trustee. Notwithstanding any of the foregoing provisions and requirements relating to property or liability insurance, there may be named as an insured, on behalf of the Association, the Association's authorized representative, including any Trustee with whom the Association may enter into any insurance Trust Agreement or any successor to such Trustee (each of whom shall be referred to herein as the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance. Any Insurance Trustee must be a corporation or association organized or authorized to do business under the laws of the State of Indiana, and authorized and permitted by its charter documents and by state law to conduct a trust business.

Section 4. Insurance Premiums. Insurance premiums for any blanket property insurance coverage, and the other insurance coverages purchased by the Association, shall be common expenses to be paid by

assessments levied by the Association, and such assessments shall be held in a separate escrow account of the Association and used solely for the payment of the blanket property insurance premiums and other insurance premiums as such premiums become due.

**ARTICLE XIII
EMINENT DOMAIN**

Section 1. Representation. The Association shall represent the Owners in any condemnation proceedings and in any negotiations, settlements and agreements with the condemning authority for acquisition of the Common Area, or part thereof, and by acceptance of a deed for his, her or its Lot, each Owner appoints the Association as such Owner's agent and attorney-in-fact for such purposes. In the event of a taking or acquisition of part or all of the Common Area by a condemning authority, the award or proceeds of settlement shall be payable to the Association, or other trustee (such as a bank or title insurance company appointed as such by the Association), for the use and benefit of the Owners and their Mortgagees as their interests may appear.

Section 2. Reconstitutions. In the event of a partial taking of the Common Area (or conveyance in lieu thereof) the Association shall promptly cause the remaining portions of the Common Area to be restored functionally and aesthetically to reasonably the same condition as before the taking, using so much of the proceeds of such taking for such purpose as shall be reasonably necessary. In the event of a total taking of the Common Area (or conveyance in lieu thereof), and the project is terminated by the election herein above required, the proceeds shall be allocated equally among each Lot, payable jointly to the Owners and mortgage holders thereof.

**ARTICLE XIV
GENERAL PROVISIONS**

Section 1. Enforcement. Enforcement of these covenants and restrictions and of the provisions contained in the Articles of Incorporation and By-Laws of the Association may be by any proceeding at law or in equity instituted by the Association or by any Owner against any person (including the Association) violating or attempting to violate any covenant or restriction, either to restrain violation, to compel compliance, or to recover damages, and against the land, to enforce any lien created by these covenants; and, failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. Attorneys' fees and costs of any such actions to restrain violation or to recover damages as determined by the court shall be assessable against and payable by any persons violating the terms contained herein. No action taken under this Section shall interfere with the rights of the Declarant, the Access Entity, its successors, assigns and devisees to enforce a violation of these Declarations under Article XVII.

Section 2. Mergers. Upon a merger or consolidation of the Association with another corporation as provided in its Articles and By-Laws, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or corporation, or, alternatively, the properties, rights and obligations of another corporation may, by operation of law, be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated corporation may administer the covenants and restrictions established upon any other properties in one scheme. No such merger or consolidation, however, shall effect any revocation, change or additions to the covenants established by this Declaration within the Real Estate, except as herein above provided.

Section 3. Severability. Invalidation of any one or more of these covenants or restrictions by legislation, judgment or court order shall in no way affect any other provisions, which shall remain in full force and effect.

Section 4. Notices. Any notice required to be sent to any Member of the Association under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postage prepaid, to the last known address of such Member appearing on the records of the Association at the time of such mailing.

The term "or" is not exclusive. Terms such as "hereunder", "hereof", "hereto" and words of similar import shall be deemed references to this Declaration as a whole, and not to any particular article, section, paragraph or provision.

Section 7. Complete Agreement. This Declaration, the schedules and exhibits hereto, together with all other agreements, documents, releases, schedules, exhibits and other writings incorporated into this Declaration shall constitute the complete and exclusive statement of agreement among the parties with respect to their subject matter.

Section 8. Obligation of Good Faith. The parties shall, in the performance of all obligations under this Declaration be obligated to act in good faith with one another in the performance of their duties hereunder; provided, however, that this provision shall not be construed to limit or lessen any higher duties which may exist between the parties by contract, operation of law or otherwise, to the extent any such higher duties may exist.

ARTICLE XVI

PARTS OF THE PROPERTY

Section 1. Granting of Permits, Licenses and Easements. The Association is granted the authority to grant permits, licenses and easements over the Common Areas for roads, access and other purposes necessary for the proper operation of the Development as provided herein; provided, however, that the Association and each Owner shall be prohibited from granting permits, licenses and easements over any Lot, Common Area, or any other portion of the Development for any Community Intranet Services, Security Monitoring Services, Communication Services or Utility Services without the prior written consent of the Access Entity, Declarant, or the designees, successors or assigns thereof, which may be granted or withheld in their sole discretion. In no event shall the Association or an Owner impair or limit the Development's Common Services Easements and Restrictions (as defined in Article XVI, Section 2.A hereof) or the operations of the Community Intranet Services, Security Monitoring Services, any other Communication Services or Utility Services derived thereof.

The Declarant shall retain and reserve and is hereby granted the authority to grant permanent easements for the use and enjoyment of the Common Area or portions thereof to any Owners, their families, tenants, guests, and homeowner associations and members of such homeowner associations of real estate adjacent or contiguous to the Real Estate (collectively the "Adjacent Owners") and to provide for the cost of maintenance and operation thereof including payments of joint assessments by such Adjacent Owners upon terms and conditions the Declarant deems appropriate ("Adjacent Owners Easement and Maintenance Agreement").

Section 2. Reservation of Rights to the Use of the Real Estate.

A. Access Entity, Communication Services and Utility Easements. The Declarant has granted to the Access Entity the Common Services Easements and Restrictions attached hereto as Exhibit B and incorporated herein by this reference ("Common Services Easements and Restrictions"). The Access Entity has an exclusive perpetual easement over, above, across, upon, along, in, through, and under the Development (i) for the purposes of owning, installing, maintaining, repairing, replacing, relocating, improving, expanding and otherwise servicing the Facilities of any type bringing the Community Intranet Services, Security Monitoring Services, any other Communication Services and any Utility Services to each Lot and any improvements on the Common Area, (ii) to provide access, ingress and egress to, from, over, above, upon, along, in, through and under the Development, and (iii) to make improvements to and within the Development to provide for the rendering of public and quasi-public services to the Development (collectively referred to as the "Declarant's General Easement"). The easements, rights and privileges conveyed to the Access Entity under the Common Services Easements and Restrictions is transferable by the Access Entity to any Person solely at the option and benefit of the Access Entity, its designees, successors or assigns without notice to or consent of the Association, the Owners or any other Person. The Access Entity may at any time and from time to time grant similar or lesser easements, rights, or privileges to other Persons. By way of example, but not in limitation of the generality of the foregoing, the Access Entity, and others to whom Access Entity may grant such similar or lesser easements, rights, or privileges, may so use any portion of the Development to supply telecommunication services to each Home and to permit public and quasi-public vehicles, including, without limitation, police, fire, and other emergency vehicles, trash and garbage collections, post office vehicles, and privately-owned delivery vehicles, and their personnel to enter upon and use the drives and streets, and the Common Area, of the Development in the performance of their duties. The Declarant's General Easement shall be for exclusive benefit the Access Entity, its designees, successor or assigns and may not be impaired, limited or transferred, sold or granted to any Person by the Association or the Owners.

Said areas are subject to construction or reconstruction solely to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage on the Real Estate, by Declarant and by the Association; provided, however, such easement shall not confer in any way any obligation to perform such construction or reconstruction upon the Declarant or the Association. Under no circumstances shall said easement be blocked in any manner by the construction or reconstruction of any improvement. The Owner of any Lot subject to a Drainage Easement shall be required to keep the portion of said Drainage Easement on the Lot free from obstructions so that the surface water drainage will be unimpeded. The Drainage Easement is created and reserved (i) for the use of Declarant during the Development Period for access to and installation, repair or removal of a drainage system, either by surface drainage or appropriate underground installations, for the Real Estate and adjoining property, and (ii) for the use of the Association and for access to and maintenance, repair, and replacement of such drainage system. Drainage swales, (ditches) located within Drainage Easements shall not be altered, dug out, filled in, tiled in or otherwise changed without the written consent of the Boone County Drainage Board and/or any other governmental authority having jurisdiction over drainage on the Real Estate (the "Drainage Board"). Owners must maintain these swales as sodded grass ways or other non-eroding surfaces. Owners violating the Drainage Easement will be subject to action by the Drainage Board which may include the Drainage Board restoring such swale to the proper state which cost shall be the responsibility of the Owner. There is a part of the Real Estate on the Plat marked "Common Area." Each Owner of a Lot must connect with any public sanitary sewer available. No permanent structures shall be constructed within any such easement areas except as may be approved by Declarant, its designees, successors or assigns; provided, however, such easements shall be subject to, without limitation, the Common Services Easements and Restrictions (as described in Article XVI, Section 2 A hereof).

(iii) **Streets** The rights-of-way "RW" (denoted on the plats and plans as drives, streets and courts and with the streets being demarcated as being 50' across) (hereinafter referred to as the "Streets") as shown on the Plats and Plans shall be subject to a limited dedication to the public for only roadway purposes by specific notation on the plat or by separate instrument. Any dedicated Streets shall be subject to, without limitation, the following: (i) The Declarant's Reserved Easements (as described in

Such amendment to this Declaration shall not require the vote or approval of any Owners. Any such annexation shall be effective upon the filing for record of such amendment unless provided herein.
- (b) Declarant shall have the unilateral right to transfer to any other person the said right, privilege and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least a portion of said real property to be so annexed and that such transfer is memorialized in a written, recorded instrument.

(c) The rights reserved unto this Declarant to subject Additional Land to the Declaration shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such Additional Land to this Declaration or to the jurisdiction of the Association nor any obligation, if subjected, to build housing of the same type, design, or materials. If such Additional Land is not subject to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose covenants and restrictions similar to those contained herein upon such Additional Land, nor shall such rights in any manner limit or restrict the use to which such Additional Land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

Section 2. Acquisition of Additional Common Area. Declarant may convey to the Association additional real estate, improved or unimproved, which upon conveyance or dedication shall be accepted by the Association and thereafter shall be maintained by the Association as a Common Expense for the benefit of all Owners.

PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Declaration. Declarant hereby expressly declares that the Real Estate shall be held, transferred, sold, conveyed and occupied subject to, any other liens and encumbrances which may exist, all the terms, covenants, conditions, restrictions and provisions of, by way of example and not limitation, this Declaration, the Common Services Easements and Restrictions and the Non-Exclusive License Agreement. As of the date of execution of this Declaration, the Real Estate consists solely of the Real Estate. The Owner of any Lot at any time subject to this Declaration, by (i) acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent Owner of such Lot, or (ii) by the act of occupancy of any Lot, shall accept such deed, execute such contract and undertake such occupancy subject to all of the terms, covenants, conditions, restrictions and provisions of this Declaration, the Common Services Easements and Restrictions and the Non-Exclusive License Agreement. By acceptance of such deed, execution of such contract or undertaking such occupancy, each Owner acknowledges the rights and powers of Declarant, the Access Entity and of the Association with respect to or under this Declaration, the Common Services Easements and Restrictions and the Non-Exclusive License Agreement and, for himself, his heirs, personal representatives, successors and assigns, covenants, agrees and consents to and with Declarant, the Access Entity, the Association, and the Owners and subsequent Owners of each of the Lots affected by this Declaration, to keep, observe, perform and comply with the terms and provisions of this Declaration.

If title to a Lot is held by more than one person, each of such persons shall be a member. An Owner of more than one Lot shall be entitled to, and there shall be required, one membership for each such lot. Each such membership shall be appurtenant to the Lot upon which it is based and shall transfer automatically by voluntary or involuntary conveyance of the title of that Lot. Except as herein otherwise expressly provided, no person or entity other than an Owner or Declarant may be a member of the Association, and a membership in the Association may not be transferred except in connection with the transfer of title to a Lot.

Section 2. Transfer. A membership in the Association shall not be transferred, pledged or alienated in any way, except upon the transfer of the record title of a Lot and then only to such transferee, by assignment, intestate succession, testamentary disposition, foreclosure of mortgage of record or other legal process. It shall be the responsibility of each Owner, upon becoming entitled to membership, to so notify the Association in writing, and until so notified, the Association may continue to carry the name of the former Owner as a member, in its sole discretion. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association. In the event the Owner of any Lot should fail or refuse to transfer the membership registered in his name to the transferee of title of such Lot, the

Association may issue a new membership to the transferee, and thereupon the old membership outstanding in the name of the transferor shall be null and void as though the same had been surrendered.

- A. Class A.** Class A members shall be all Owners of Lots, with the exception of the Declarant prior to termination of Class B membership, and shall be entitled to one (1) vote for each lot owned with respect to each matter submitted to a vote of members upon which the Class A members are entitled to vote. When more than one person holds title to any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one Vote be cast with respect to any one Lot. There can be no split vote. Prior to or at the time of any meeting at which a vote is to be taken, each co-owner or other person entitled to a vote at such meeting shall file with the Secretary of the Association the name of the voting co-Owner or other person entitled to a vote at such meeting, unless such co-Owner or other person has filed a general voting authority with the Secretary applicable to all votes until rescinded.
- B. Class B.** Class B members shall be the Declarant and all successors and assigns of the Declarant designated by the Declarant as Class B members in a written notice mailed or delivered to the resident agent of the Association. Each Class B member shall be entitled, on all matters requiring a vote of the membership of the Association, to five (5) votes for each Lot owned by them or it and five (5) votes for each single numbered parcel of land shown upon and identified as a Lot on any recorded plat of the Real Estate. The Class B membership shall cease and terminate upon the first to occur of (a) the date upon which the written resignation of the Class B members as such is delivered to the resident agent of the Association; (b) one hundred twenty (120) days after ninety five percent (95%) of the Lots in the Real Estate have been conveyed to Owners other than Declarant; (c) six (6) years after the date of recording of the first conveyance of a Lot to an Owner other than Declarant; (the applicable date being herein referred to as the "Applicable Date"). Declarant shall each be entitled to one (1) Class A membership for each Lot of which it is the Owner on or after the termination of the Class B membership.

Section 4. Suspension of Voting Rights. In the event any Owner shall be in arrears in the payment of any amount due under any of the provisions of this Declaration for a period of thirty (30) days, or shall be in default in the performance of any of the terms of this Declaration for a period of thirty (30) days, such Owner's right to vote as a member of the Association shall be suspended and shall remain suspended until all payments are brought current and all defaults remedied.

Section 5. Board of Directors. Following the Applicable Date, the Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Until the Applicable Date, the Board shall consist of three (3) persons designated by Declarant pursuant to the Articles of Incorporation, as long as it shall own one or more lots.

No rights, privileges, and easements granted or reserved herein shall be merged into the title of any property within the Development, but shall be held independent of such title, and no such right, privilege, or easement shall be surrendered, conveyed, or released unless and until and except by delivery of a quitclaim deed or other assignment of rights from or by Declarant releasing such right, privilege, or easement by express reference thereto with respect to all or any portion of the Development. Declarant may grant to a builder of Lots within the Development similar rights as granted to Declarant under (ii) and (iii) above.

This Section 3 may not be amended without the advance written consent of Declarant as long as Declarant owns one or more Lots.

Section 4. Association's Rights and Obligations

A. The Association shall have the obligation to manage, repair, maintain, improve and operate the Common Area and to perform all additional obligations described in this Declaration; provided, however, the Association shall be under no obligation and shall not manage, repair, maintain, improve and operate any Facilities situated in the Common Area..

B. The Association shall have the right to mortgage all or any portion of the Common Area, excluding any Facilities on, over or under the Common Area, for the purpose of securing a loan of money to be used for any of the purposes specified in subsection 3 A. herein above, provided that the rights of such mortgagee in the Common Area shall be subordinate to the rights of the Owners under this Declaration, and provided, further, that the mortgagee shall have received the prior written approval specified herein below.

C. The Association shall not have the right to dedicate or transfer all or any part of the Common Area to any governmental subdivision or public agency or utility, or to grant permits, licenses, or easements over the Common Area except for granting the Town or municipality the Street right-of-way (R/W) shown on the plats and plans and demarcated as being 50' across; provided, however, that any such dedication be fully consistent with Article XVI, Section 2.B(iii). Anything herein apparently to the contrary notwithstanding, except as otherwise expressly herein provided, no abandonment, partition, subdivision, encumbrance, sale or transfer of the Common Area or other common property or any part thereof shall be effective unless it shall have received the prior written approval specified herein below. However, the Common Area may not be developed in any manner with housing or otherwise. Section 6. Non-Dedication to Public Uses. Nothing contained in this Declaration or in any subdivision plat of any part of the Real Estate shall be construed or be deemed to constitute a dedication, express or implied, of any part of the Common Area to the public or to or for any public use or purpose whatsoever, all of such Common Area being reserved to the Owners and the Association as provided in this Declaration, but subject, however, to the rights of the Association and the Declarant to thereafter dedicate portions of such Common Area to the public or to or for public uses or purposes but only to the extent, and upon all of the conditions, set forth in this Declaration.

Section 7. Easement for Unintentional Encroachment. Notwithstanding any other provisions contained herein, in the event that any Home or any improvement to any Home encroaches upon any part of the Common Area, as a result of construction, reconstruction, repair, shifting, settlement or movement of any part of the Real Estate, then a perpetual easement appurtenant to such encroaching Home shall exist for the continuance of any such encroachment on the Common Area.

Section 8. Title to Common Area. Declarant hereby covenants that it shall convey and transfer the Common Area included in and constituting a part of the Real Estate to the Association prior to Declarant's resignation as a Class B member. The Common Area so conveyed by Declarant to the Association shall, at the time of such conveyance, be subject to all easements, covenants, conditions, limitations and restrictions then of record, including, without limitation, the Common Services Easements and Restrictions and the

Non-Exclusive License Agreement, but shall be free and clear of all liens and financial encumbrances other than the lien of the then current non-delinquent installment of real estate taxes and assessments and subsequent installments thereof which shall thereafter be paid when due by the Association.

ARTICLE V
ASSESSMENTS

Section 1. Personal Obligations. Each Owner of a Lot, by acceptance of a deed or other conveyance therefor, whether or not it shall be so expressed therein, shall be and is deemed to covenant and agree to pay to the Association: (a) annual assessments or charges, which shall be payable in regular installments, for the payment or provision of all expenses of administration of the Association, expenses for the upkeep, maintenance, repair and replacement of the Common Area and all other expenses incurred or to be incurred by the Association for or in connection with the performance by the Association of its duties, obligations and responsibilities under this Declaration, which expenses may include, but shall not be limited to, the expenses and costs of liability insurance for the Common Area and any other common property; snow removal, and trash removal (if provided by the Association); street lighting (if provided by the Association); and an adequate reserve fund for the periodic maintenance, repair and replacement of those improvements and elements of the Common Area and any other property that must be maintained, repaired or replaced on a periodic basis and which the Association may be obligated to maintain, and (b) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. Any assessments authorized herein, together with interest, costs and reasonable attorneys' fees, shall be a continuing lien from the first day of January (for annual assessments) and from the date the first installment is payable (for special assessments) against the Lot assessed. Such annual assessments shall be due and payable in a lump sum in advance of such twelve month periods or if the Association so allows, in twelve (12) equal monthly installments on the first day of each and every month or, if so determined by the Association, in such other periodic installments as may be specified by the Association. Each assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot on the date said assessment became due and payable. Said personal obligation of an Owner shall not pass to his successors in title or interest unless expressly assumed by them or unless, prior to such transfer, a written notice of the lien for such assessments shall have been recorded in the office of the Recorder of Boone County, Indiana. No Owner shall escape liability for the assessments which fell due while he was the Owner by reason of non-use of the Common Area or non-use, transfer or abandonment of his Lot or Home.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the Owners and residents of the Real Estate, to construct, manage, improve, maintain, repair and administer the Common Area and Amenities contracting for services for the benefit of the Owners, and for payment of any other costs and expenses incurred by the Association in connection with the performance of its duties, obligations and responsibilities hereunder. An adequate reserve fund shall be maintained for working capital and for the periodic maintenance, repair and replacement of those improvements and elements of the Common Area, Amenities and any other property that must be replaced on a periodic basis. Such reserve fund shall be maintained out of the regular annual assessments.

Section 3. Intranet and Security Monitoring Assessments. In order to promote the communication welfare and safety within the community, Declarant is installing or causing to be installed an Intranet Network and a security system within the community. The Association shall contract for these services and shall collect from each member and or Owner at the same time regular assessments are collected an amount which is attributable to the operation of the community intranet and security monitoring for the members.

Section 4. Annual Assessments. From and after December 31, 2004, the maximum annual assessments may be increased each year not more than ten percent (10%) above the maximum assessments permitted for the previous year, on a cumulative basis, without a vote of membership. From and after December 31, 2004, the maximum annual assessments may be increased by more than ten percent (10%) above the maximum assessments permitted for the previous year by a vote of two thirds (2/3) of the total votes of the Members who are voting in person or by proxy, at a meeting called for this purpose.

C. The Board of Directors may fix the annual assessments at any amount not in excess of the maximum permitted hereby.

Section 5. Special Assessments In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, replacement, or maintenance of the Common Area, Amenities or other such property/improvements for which the Association is responsible, provided that any such assessment shall have the assent of not less than two thirds (2/3) of the total votes of the Members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Notice and Quorum. Written notice of any meeting of Members called for the purpose of taking any action authorized under Article V, Sections 3 or 4, shall be sent to all Members not less than ten (10) days nor more than sixty (60) days in advance of the meeting. At the opening of such meeting, the presence in person or by proxy of Members entitled to cast sixty percent (60%) of the total votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at any subsequent meeting shall be one half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 7. Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots. Annual assessments shall be collected in a lump sum or, if the Association so chooses, on a monthly basis (or other periodic basis, if and as determined by the Board) and special assessments shall be collected as the Board determines.

Section 8. Commencement of Initial Annual Assessments. The annual assessments provided for herein shall commence as to each Lot subjected to this Declaration on the first day of the month following the month of recording of the instrument by which such Lot is conveyed to an Owner who will occupy the single family home constructed upon such lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year for which such assessment is imposed.

Section 9. Commencement of Annual Assessments By November 1st of each year the Board shall fix the amount of annual assessments against each Lot for the following calendar year and shall send written notice thereof to each Owner. The due date for payment of annual assessments shall be as set by the Board. At the time the Board fixes the amount of annual assessments it shall adopt a budget for the following calendar year and cause a copy of such budget in reasonable detail to be furnished to each Owner.

Section 10. Proof of Payment Upon written demand of an Owner or Mortgagee, at any time and for a reasonable charge, the Association shall furnish a written certificate signed by an officer of the Association setting forth whether there are any then unpaid annual or special assessments levied against such Owner's or Mortgagee's Lot. Such certificate shall be conclusive evidence of payment of any annual or special assessments not stated therein as unpaid.

Section 11. Non-Payment of Assessments. Any assessments which are not paid when due shall be deemed delinquent. If an assessment is not paid within thirty (30) days after the delinquency date, it shall bear interest from the delinquency date at the rate of eighteen percent (18%) per annum and shall become a continuing lien in favor of the Association on the Lot against which assessed and the improvements thereon, and the Association may bring an action at law or in equity against the person personally obligated to pay the same, including interest, costs and reasonable attorneys' fees for any such action, which shall be added to the amount of such assessment and included in any judgment rendered in such action, and the Association may also enforce and foreclose any lien it has or which may exist for its benefit.

Section 12. Recording and Enforcement of Liens. To evidence a lien for sums assessed pursuant to this Article, the Association may prepare a written notice of lien setting forth the amount of the assessment, the date due, the amount remaining unpaid, the name of the Owner of the Lot, the name of the person personally obligated to pay the same and a description of the Lot. Such a notice shall be signed by an officer of the Association and it or a notice of lien or adverse claim thereof may be recorded in the office of the Recorder of Boone County, Indiana. No notice of lien shall be recorded until there is a delinquency in payment of the assessment for thirty (30) days. Upon such a delinquency for thirty (30) days, the Association shall proceed promptly to enforce the lien or, in its discretion, to sue the person personally liable to pay the lien for the delinquency. Such lien shall be enforced by action in the same manner in which mortgages on real property may be foreclosed in Indiana. In any such foreclosure, the person personally obligated to pay the lien shall be required to pay all costs of foreclosure including reasonable attorneys' fees. All such costs and expenses shall be secured by the lien being foreclosed. The person personally obligated to pay the lien shall also be required to pay to the Association any assessments against the Lot which shall become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale or other legal sale and to acquire, hold, convey, lease, rent, encumber, use and otherwise deal with the foreclosed interest in the Lot as the Owner thereof. The Association shall, upon written request, report to any Mortgagee of a Lot any assessments remaining unpaid for longer than thirty (30) days after the same shall have become due; provided, however, that such Mortgagee first shall have furnished to the Association written notice of the Mortgage under which it claims and its notice address.

Section 13. Assignment. The Association may assign the lien rights provided herein to any provider of Intranet or Security Monitoring Services, so long as the services are provided for the benefit of the Owners.

Section 14. Subordination of Lien. The lien of the assessments provided for herein shall be subordinate to the lien of any first Mortgage ("First Mortgage") and to tax liens and liens for special assessments in favor of any taxing and assessing unit of government. The sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or remedies provided in a First Mortgage, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to charges which were payable prior to such sale or transfer. No such sale or transfer shall relieve a Lot from liability for any assessments thereafter becoming payable or from the lien thereof or shall relieve the person personally obligated to pay the same or from personal liability for assessments payable prior to such sale or transfer or acquisition. Any delinquent assessments, the lien for which is extinguished by reason of this provision, may be reallocated and assessed to all Lots as a common expense.

Section 15. Limitations on Assessments Owed by Declarant. Notwithstanding anything to the contrary contained herein, neither Declarant nor Estridge Custom Homes shall be obligated to pay, as to any and all Lots owned by them from time to time, any assessments (whether regular annual assessments or special assessments) payable hereunder by Owners.

ARTICLE VI
ARCHITECTURAL CONTROLS

Section 1. The Architectural Review Board. An Architectural Review Board ("Architectural Review Board") consisting of two (2) or more persons shall be appointed by the Declarant. Following the end of the Development Period, the Architectural Review Board shall be appointed by the Board of Directors.

Section 2 Purpose. The Architectural Review Board shall regulate the external design, appearance, use, location, and maintenance of the Real Estate and of improvements thereon in such manner as to preserve and enhance values and to maintain a harmonious relationship among structures, improvements, and the natural vegetation and topography.

Section 3. Conditions. Except as otherwise expressly provided in this Declaration, no improvements, alterations, repairs, change of colors, excavations, changes in grade, planting, or other work that in any way alters any Lot or the exterior of the improvements located thereon from its natural or improved state existing on the date such Lot was first conveyed in fee by Declarant to an Owner shall be made or done without the prior approval of the Architectural Review Board of a Lot Development Plan therefor. Prior to the commencement by any Owner other than Declarant of (i) construction, erection or alteration of any Home, building, fence, wall, swimming pool, tennis court, patio or other structure on a Lot, or (ii) any plantings on a Lot, a Lot Development Plan with respect thereto shall be submitted to the Architectural Review Board, and no building, fence, wall, Home or other structure shall be commenced, erected, maintained, improved, altered, made or done, or any plantings made, by any person other than Declarant without the prior written approval of the Architectural Review Board of a Lot Development Plan relating to such construction, erection, alteration or plantings. Such approval shall be in addition to, and not in lieu of, all approvals, consents, permits and/or variances required by law from governmental authorities having jurisdiction over Rock Bridge of Zionsville, and no Owner shall undertake any construction activity within Rock Bridge of Zionsville unless all legal requirements have been satisfied. Each Owner shall complete all improvements to a Lot strictly in accordance with the Lot Development Plan approved by the Architectural Review Board. As used in this Section (3), "plantings" does not include flowers, bushes, shrubs or other plants having a height of less than eighteen (18) inches.

Section 4. Procedures. In the event the Architectural Review Board fails to approve, modify or disapprove in writing a Lot Development Plan within sixty (60) days after notice of such Plan has been duly filed with the Architectural Review Board in accordance with procedures established by Declarant, or, if Declarant is no longer a Class B member, the Board of Directors, approval will be deemed denied. A decision of the Architectural Review Board (including a denial resulting from the failure of the Architectural Review Board to act on the Plan within the specified period) may be appealed to the Board of Directors, which may reverse or modify such decision (including approval of a Lot Development Plan deemed denied by the failure of the Architectural Review Board to act on such Plan within the specified period) by a two thirds vote of the Directors then serving.

Section 5. Guidelines and Standards. The Architectural Review Board shall have the power to establish and modify from time to time such written architectural and landscaping design guidelines and standards as it may deem appropriate to achieve the purpose set forth in Section 2 to the extent that such design guidelines and standards are not in conflict with the specific provisions of the Declaration. Any such guidelines or standards may be appealed to the Board of Directors which may terminate or modify such guideline or standard by a two-thirds (2/3) vote of the Directors then serving.

Section 6. Application of Guidelines and Standards. The Architectural Review Board shall apply the guidelines and standards established pursuant to Section 5 in a fair, uniform and reasonable manner consistent with the discretion inherent in the design review process. In disapproving any Lot Development Plan, the Architectural Review Board shall furnish the applicant with specific reasons for such disapproval and may suggest modifications in such plan which would render the plan acceptable to the Architectural Review Board if resubmitted.

Section 7. Exercise of Discretion. Declarant intends that the members of the Architectural Review Board exercise discretion in the performance of their duties consistent with the provisions of Section 6, and every Owner by the purchase of a Lot shall be conclusively presumed to have consented to the exercise of discretion by such members. In any judicial proceedings challenging a determination by the Architectural Review Board and in any action initiated to enforce this Declaration in which an abuse of discretion by the Architectural Review Board is raised as defense, abuse of discretion may be established only if a reasonable person, weighing the evidence and drawing all inferences in favor of the Architectural Review Board, could only conclude that such determination constituted an abuse of discretion.

ARTICLE VII

Section 1. The Common Area. The Association, subject to the rights and obligations of the Owners as set forth in this Declaration, shall be responsible for, and be vested with, the exclusive management and control of the Common Area, Streets (except as otherwise provided for by virtue of the dedication of the Streets in accordance with Article XVI, Section 2.B(iii)), Amenities and all improvements (if any) thereon (including equipment related thereto), and shall keep the same in good order and repair. sale or otherwise. Such beneficial interest shall not be transferable except with the transfer of title to a Lot, provided that an Owner may delegate his right of enjoyment of such personal property (if any) to any resident of his Lot. A transfer of title to a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such property in accordance with the purpose for which it is intended, without hindering or encroaching upon the lawful rights of other Owners. The transfer of title to a Lot under foreclosure shall entitle the purchaser to the beneficial interest in such personal property associated with the foreclosed Lot.

Section 4. Hazard and Liability Insurance for Common Property. The Association shall procure extended coverage insurance on the Common Area, reconstruction of such insurable Common Areas and other common property, including insured improvements. The cost of such insurance shall be assessed as provided in Article V above. The Association is authorized to enter into an agreement in favor of all First Mortgagees of Homes establishing entitlement to such reimbursement.

ARTICLE XII INSURANCE

Section 1. Maintenance of Insurance. Commencing not later than the time of the first conveyance of a Lot to an Owner other than Declarant, the Association shall maintain, to the extent reasonably available, the following insurance, all of which shall be issued by insurance carriers meeting at least the minimum requirements of, and shall otherwise comply with the requirements of the agencies and entities mentioned or referred to herein, to-wit

(A) Master or blanket type of policy of fire insurance with extended coverage endorsement (including vandalism, sprinkler leakage (if appropriate), debris removal, cost of demolition, malicious mischief, windstorm and water damage) insuring the Common Area (including all of the fixtures installed therein). Said policy shall afford, as a minimum, protection against the following:

- (1) loss or damage by fire and other perils normally covered by the standard extended coverage endorsement,
- (2) all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "all risk" endorsement, where such is available.

The name of the insured under such policies must be set forth therein substantially as follows:

*"Rock Bridge of Zionsville Homeowners Association, Inc. for
the use and benefit of the individual Owners".*

The policies may also be issued in the name of an authorized representative of the Association, including any insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners. Loss payable shall be in favor of the Association (or insurance Trustee), as a trustee for each Owner and each such Owner's First Mortgagee. Each Owner and each such Owner's First Mortgagee, if any, shall be beneficiaries of the policy with respect to the Common Area equally with each other Lot. Policies must provide for the recognition of any insurance Trust Agreement.

If reasonably available, such policies shall include:

- (1) Agreed Amount Endorsement (or like endorsement);
- (2) Inflation Guard Endorsement;

(3) Construction Code Endorsements (such as a Demolition Cost Endorsement, a Contingent Liability from Operation of Building Laws Endorsement and an Increased Cost of Construction Endorsement) if the project is subject to a construction code provision which would become operative and require changes to undamaged portions of the improvements, thereby imposing significant costs in the event of partial destruction of the project by an insured peril;

(4) Steam Boiler Coverage (if applicable) for loss or damage resulting from steam boiler equipment accidents in an amount not less than \$50,000 per accident per location; and

(5) All such policies must provide for the following: recognition of any Insurance Trust Agreement; a waiver of the right of subrogation against Owners individually; that the insurance is not prejudiced by any act or neglect of individual Owners which is not in the control of such Owners collectively; and that the policy is primary in the event the Owner has other insurance covering the same loss.

(B) Worker's Compensation, occupational disease and like insurance (if the Association has eligible employees);

(C) Comprehensive public liability insurance in such amounts and with such coverage as the Board of Directors shall from time to time determine, but at least:

(1) covering events occurring anywhere on the Common Area (and public and private ways) or arising out of or in connection with the use, ownership or maintenance of the Common Area;

(2) covering, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Area, and legal liability arising out of lawsuits related to employment contracts of the Association, and such other coverages as are customarily covered with respect to projects similar in construction, location, and use;

(3) insuring each officer and member of the Board of Directors, the managing agent and each Owner and with cross liability endorsement to cover liabilities of the Owners as a group to an Owner and with a "Severability of Interest Endorsement" which would preclude the insurer from denying the claim of an Owner for the negligent act of another Owner, occupant or the Association; and

(4) in amounts generally required by private institutional investors for projects similar in construction, location and use. (However, such coverage shall be for at least \$1,000,000 for bodily injury, including deaths of persons and property damage arising out of a single occurrence).

(D) Such other insurance as the Board of Directors may determine.

Attorneys' fees and costs of any such

actions to restrain violation or to recover damages as determined by the court shall be assessable against and payable by any persons violating the terms contained herein. Not action taken under this Section shall interfere with the rights of the Declarant, the Access Entity, its successors, assigns and devisees to enforce a violation of these Declarations under Article XVII.

Section 2. Mergers. Upon a merger or consolidation of the Association with another corporation as provided in its Articles and By-Laws, its properties, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association or corporation, or, alternatively, the properties, rights and obligations of another corporation may, by operation of law, be added to the properties, rights, and obligations of the Association as a surviving corporation pursuant to a merger. The term "or" is not exclusive. Terms such as "hereunder", "hereof", "hereto" and words of similar import shall be deemed references to this Declaration as a whole, and not to any particular article, section, paragraph or provision.

ARTICLE XVI
PARTS OF THE PROPERTY

Section 1. Granting of Permits, Licenses and Easements. The Association is granted the authority to grant permits, licenses and easements over the Common Areas for roads, access and other purposes necessary for the proper operation of the Development as provided herein; provided, however, that the Association and each Owner shall be prohibited from granting permits, licenses and easements over any Lot, Common Area, or any other portion of the Development for any Community Intranet Services, Security Monitoring Services, Communication Services or Utility Services without the prior written consent of the Access Entity, Declarant, or the designees, successors or assigns thereof, which may be granted or withheld in their sole discretion. In no event shall the Association or an Owner impair or limit the Development's Common Services Easements and Restrictions (as defined in Article XVI, Section 2.A hereof) or the operations of the Community Intranet Services, Security Monitoring Services, any other Communication Services or Utility Services derived thereof.

The Declarant shall retain and reserve and is hereby granted the authority to grant permanent easements for the use and enjoyment of the Common Area or portions thereof to any Owners, their families, tenants, guests, and homeowner associations and members of such homeowner associations of real estate adjacent or contiguous to the Real Estate (collectively the "Adjacent Owners") and to provide for the cost of maintenance and operation thereof including payments of joint assessments by such Adjacent Owners upon terms and conditions the Declarant deems appropriate ("Adjacent Owners Easement and Maintenance Agreement").

Section 2. Reservation of Rights to the Use of the Real Estate.

A. Access Entity Communication Services and Utility Easements. The Declarant has granted to the Access Entity the Common Services Easements and Restrictions incorporated herein by this reference ("Common Services Easements and Restrictions"). The Access Entity has an exclusive perpetual easement over, above, across, upon, along, in, through, and under the Development (i) for the purposes of owning, installing, maintaining, repairing, replacing, relocating, improving, expanding and otherwise servicing the Facilities of any type bringing the Community Intranet Services, Security Monitoring Services, any other Communication Services and any Utility Services to each Lot and any improvements on the Common Area, (ii) to provide access, ingress and egress to, from, over, above, upon, along, in, through and under the Development, and (iii) to make improvements to and within the Development to provide for the rendering of public and quasi-public services to the Development (collectively referred to as the "Declarant's General Easement"). The easements, rights and privileges conveyed to the Access Entity

under the Common Services Easements and Restrictions is transferable by the Access Entity to any Person solely at the option and benefit of the Access Entity, its designees, successors or assigns without notice to or consent of the Association, the Owners or any other Person. The Access Entity may at any time and from time to time grant similar or lesser easements, rights, or privileges to other Persons. By way of example, but not in limitation of the generality of the foregoing, the Access Entity, and others to whom Access Entity may grant such similar or lesser easements, rights, or privileges, may so use any portion of the Development to supply telecommunication services to each Home and to permit public and quasi-public vehicles, including, without limitation, police, fire, and other emergency vehicles, trash and garbage collections, post office vehicles, and privately-owner delivery vehicles, and their personnel to enter upon and use the drives and streets, and the Common Area, of the Development in the performance of their duties. The Declarant's General Easement shall be for exclusive benefit the Access Entity, its designees, successor or assigns and may not be impaired, limited or transferred, sold or granted to any Person by the Association or the Owners.

B. Plat Easement Areas. In addition to such other easements created in this Declaration or in a supplemental declaration, and as may be created by the Declarant pursuant to other written instruments recorded in the Office of the Recorder of Boone County, Indiana, the Property shall be subject to drainage easements, sanitary sewer easements, utility easements, and dedicated streets, either separately or in any combination thereof, granted by the Declarant in this Declaration or by private easements. The plat legends for the location of private easements and dedicated streets merely show the location of the areas for such private easements and dedicated streets on the plats for the Development. Such areas are reserved for the use of Declarant, the Association, the Owners, private utilities, and public, quasi-public and governmental agencies, respectively, as follows:

(i) **Drainage Easements.** The Drainage Easements are hereby granted and created for the limited purposes of providing paths and courses for area and local storm drainage, either over land or in an adequate underground conduit, to serve the needs of the Development and adjoining ground and/or public drainage systems, and it shall be the Association's responsibility to maintain the drainage across the Common Area in the Development. The areas of the Drainage Easements are marked, either separately or in combination, on the Plat. Said areas are subject to construction or reconstruction solely to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage on the Property, by Declarant and by the Association; provided, however, such private easement shall not confer in any way any obligation to perform such construction or reconstruction upon the Declarant or the Association. Under no circumstances shall said private easement be blocked in any manner by the construction or reconstruction of any improvement. The Owner of any Lot subject to a Drainage Easement shall be required to keep the portion of said Drainage Easement on the Lot free from obstructions so that the surface water drainage will be unimpeded. The Drainage Easement is created and reserved (i) for the use of Declarant during the Development Period (as such term is defined in this Declaration) for access to and installation, repair or removal of a drainage system, either by surface drainage or appropriate underground installations, for the Property and adjoining property and (ii) for the use of the Association and for access to and maintenance, repair, and replacement of such drainage system. Drainage swales, (ditches) located within Drainage Easements shall not be altered, dug out, filled in, tiled in or otherwise changed without the written consent of the Boone County Drainage Board or any other governmental authority having jurisdiction over drainage on the Property ("Drainage Board"). Owners must maintain these swales as sodded grass ways or other non-eroding surfaces. Owners violating the Drainage Easement will be subject to action by the Drainage Board which may include the Drainage Board restoring such swale to the proper state which cost shall be the responsibility of the Owner. There is a part of the Property on the Plat marked "Common Area." The Common Area shall be used (i) for storm water retention drainage purpose; (ii) for the aesthetic and visual enjoyment of the Owners of Lots and (iii) following the end of the Development Period, for such purposes allowed herein.

(ii) Sewer Easement. The Sewer Easements are granted and created for the exclusive use of the sewer utility having jurisdiction over the sanitary waste disposal system of said town, city and/or county designated to serve the Development for the sole purpose of installation and maintenance of sewers that are part of said system. The areas of the Sewer Easements are marked, either separately or in combination, on the Plat. Each Owner of a Lot must connect with any public sanitary sewer available. No permanent structures shall be constructed within any such easement areas except as may be approved by Declarant, its designees, successors or assigns; provided, however, such easements shall be subject to and include, without limitation, Common Services Easements and Restrictions (as described in Article XVI, Section 2.A hereof).

(iii) Dedicated Streets. The dedicated rights-of-way (denoted "R/W" on the plats and plans as a "Drive", "Place", "Court" or "Street" with a "R/W", being demarcated as being 50' across (hereinafter referred to as the "Dedicated Streets") as shown on the Plats and Plans shall be subject to a limited dedication to the public for only roadway purposes by specific notation on the Plat or by separate instrument. Any Dedicated Streets shall be subject to, without limitation, the following: (i) The Declarant's Reserved Easements (as described in Article IV, Section 3 hereof), (ii) The Common Services Easements and Restrictions as described in Article XVI, Section 2.A, and (iii) Any Non-Exclusive License Agreements recorded in the Office of the Recorder of Boone County, Indiana. Without limiting the foregoing, no Communication Services or Utility Services shall be allowed to be installed in, over or under the Dedicated Streets without the prior written consent of the Access Entity, the Declarant, or its/their designees, successors or assigns which may be granted in their sole and complete discretion.

(iv) Utility Easements. Utility Easements shall be granted and created by separate private utility easements granted and conveyed to each private or public utility selected by the Declarant in its sole and complete discretion. The areas of Utility Easements are marked, either separately or in combination, on the Plat. The Utility Easement areas are created for the exclusive use of the Declarant, its designees, successors or assigns, for the installation and maintenance of Communication Services and Utility Services as the Declarant may deem necessary for the development of its sole and complete discretion.

(v) Subordination and Limitation. The easements referenced in this Article XVI, Section 2.B shall be subordinate and subject to, without limitation, the Common Services Easement and Restrictions (as described in Article XVI, Section 2.A hereof).

ARTICLE XVII **ENFORCEMENT**

Section 1. Remedies. Violation or threatened violation of these covenants and restrictions shall be grounds for an action by the Declarant and Association, any person or entity having any right title or interest in the Real Estate (or any part thereof), or any Person having any right, title or interest in a Lot which is now or hereafter made subject to the Declaration, and all persons or entities claiming under them, against the Person violating or threatening to violate any such covenants or restrictions. Available relief in any such action shall include recovery of damages or other sums due for such violation, injunctive relief against any such violation or threatened violation, declaratory relief and the recovery of costs and reasonable attorneys' fees incurred by any party successfully enforcing these covenants and restrictions; provided, however, that neither the Declarant nor the Association shall be liable for damages of any kind to any Person for failing to enforce the provisions of this Declaration.

ARTICLE XVIII

Section 1. Annexation without Approval of Owners

- (a) As the owner thereof, or if not the owner, with the consent of the owner thereof, Declarant shall have the unilateral right, privilege, and option, from time to time at any time, to subject to the provisions of this Declaration and the jurisdiction of the Association all or any portion of the real property adjacent to the Development as the same exists from time to time whether in fee simple or leasehold, by filing in the Recorder's Office of Boone County, Indiana, an amendment annexing such property. Such amendment to this Declaration shall not require the vote or approval of any Owners. Any such annexation shall be effective upon the filing for record of such amendment unless provided herein.
- (b) Declarant shall have the unilateral right to transfer to any other person the said right, privilege and option to annex additional property which is herein reserved to Declarant, provided that such transferee or assignee shall be the developer of at least a portion of said real property to be so annexed and that such transfer is memorialized in a written, recorded instrument.
- (c) The rights reserved unto this Declarant to subject Additional Land to the Declaration shall not be implied or construed so as to impose any obligation upon Declarant to subject any of such Additional Land to this Declaration or to the jurisdiction of the Association nor any obligation, if subjected, to build housing of the same type, design, or materials. If such Additional Land is not subject to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose covenants and restrictions similar to those contained herein upon such Additional Land, nor shall such rights in any manner limit or restrict the use to which such Additional Land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

Section 2. Acquisition of Additional Common Area. Declarant may convey to the Association additional real estate, improved or unimproved, which upon conveyance or dedication shall be accepted by the Association and thereafter shall be maintained by the Association as a Common Expense for the benefit of all Owners.

Section 3. Amendment. This Article shall not be amended without the written consent of Declarant, so long as the Declarant owns any property described in Exhibit "A" attached hereto.

Section 4. No Remonstrations. Owners are prohibited from remonstrating against efforts by the Declarant or successors to annex, rezone or plat Additional Land.
