(g) The right of the Association to dedicate or transfer all or any part of the Common Area owned by the Association to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the members

(h) If ingress or egress to any Lot is through the Common Area, any conveyance or encumbrance of such Common Area is subject to such Lot Owner's easement for ingress and egress;

Section 3.2 Delegation of Use. In accordance with the By-Laws and any reasonable and nondiscriminatory rules and regulations promulgated from time to time by the Association, and subject to the rights of others as set forth in this Declaration, any owner may assign his or her right of enjoyment of the Common Area owned by the Association, to family members, guests, tenants or contract purchasers who reside on the Lot.

Section 3.3 Certain Obligation and Access Rights to the Common Area.

(a) The Association, subject to the rights of the Owners as set forth in this Declaration, shall be responsible for the management and control, for the exclusive benefit of the Owners as provided herein, of the Common Area owned by the Association and for the maintenance of the same in good, clean, attractive, safe and sanitary condition, order and repair.

(b) The Association shall have and is hereby granted a general right of access and easement to all of the Common Area owned by the Association and across the Lots, at reasonable times and at any time in case of emergency as reasonably required by its officers, directors, employees and their agents and independent contractors, to the full extent necessary or appropriate to perform its obligations and duties as set forth in this Declaration. The easements and rights specified herein also are reserved for the benefit of Declarant and Builder, so long as Declarant, Builder, or their affiliates own any portion of the Property and for so long as those entities may be liable under any builder's warranty.

Section 3.4 General Drainage, Utility, Sewer and Other Development Easements. The following rights reserved in this Section shall not be exercised, after the conveyance of any Lot, in a manner that (i) unreasonably and adversely affects any Dwelling Unit or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or (ii) unreasonably restricts the rights of ingress and egress to such Lot. The following rights and easements reserved by Declarant in this Section shall run with the land, and Declarant's right to further alter or grant easements shall automatically

terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property unless otherwise set forth herein.

(a) Declarant hereby reserves unto itself and unto any public or private utility, a general easement (“General Drainage, Utility, and Sewer Easement”) for drainage, utility and sewer purposes in, on and over all of the Common Area and any Lot, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas and sanitary and storm sewer, to serve any Dwelling Unit constructed on the Property; provided, however, that only those Providers which receive the Declarant’s explicit written permission shall be permitted within the General Drainage, Utility, and Sewer Easement. This General Drainage, Utility, and Sewer Easement shall include all areas of the Property outside any Dwelling Units, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. By virtue hereof, Declarant reserves the right to install a lake(s) or pond(s) on any Common Area. The rights hereunder and easements hereby reserved survive the conveyance, by the Declarant to the Association, of any Common Area. This easement shall be in addition to any easement defined upon a Plat as a drainage, sewer, utility, cable, landscape, sign, transmission, flowage or similar type easement.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement (“Lake Easement”) and right-of-way in and to any Lake Area(s) or areas now or hereafter shown on the Plat as a “Block”, “Common Area”, or “Lake” or any other Common Area within the Property used as a water retention or detention area, or on which a Lake now exists or is later constructed, for the purpose of fulfilling any maintenance obligations set forth in this Declaration and/or establishing and maintaining proper surface water drainage throughout the Property, and an easement of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deem necessary or appropriate, for the purpose of establishing and maintaining proper surface water drainage throughout the Property, which such actions shall include the construction, repair and maintenance of retention and detention ponds or lakes in accordance with the requirements of applicable law and of all governmental agencies having jurisdiction (without undertaking any obligation or duty to exceed such requirements).

(c) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an undefined sign and facilities easement (“Sign and Facilities Easement”) to install, erect, construct and maintain an entryway sign or signs, directional signs, advertising signs advertising the Property or the Lots therein, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Property (except upon any Lot after the first

conveyance thereof). Any such signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association as a part of its Common Area maintenance obligations.

(d) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:

(i) Relocate, alter or otherwise change the location of any Drainage, Flowage, Utility, Sewer and Lake, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) Grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of the Property or any portion thereof; and,

(iii) Describe more specifically or to change the description of any drainage, Flowage, Utility, Sewer, Lake, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended plat or amendment to the Plat recorded in the Office of the Recorder of the County in which the Property is located.

(e) During the period that Declarant owns any Lot, Declarant and its agents shall have an easement for access to Common Areas for the purpose of constructing structures and other improvements in and to the Lots and for installing, maintaining, repairing, and replacing such other improvements to the Property (including any portions of the Common Areas) as are contemplated by this Declaration or as Declarant desires, in its sole discretion, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Declarant have the obligation to do any of the foregoing. In addition to the other rights and easements set forth herein and regardless of whether Declarant at that time retains ownership of a Lot, Declarant and its agents shall have an alienable, transferable, and perpetual right and easement to have access, ingress and egress to the Common Areas and improvements thereon for such purposes as Declarant deems appropriate, provided that Declarant shall not exercise such right so as to unreasonably interfere with the rights of owners in the Subdivision.

(f) The title of the Association (as to the Common Area owned by the Association during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein.

Section 3.5 Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area.

Section 3.6 Fee Title to Lot. The fee title to any Lot described as bounded by any street, lane, walkway, park, pond, lake, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on any Plat as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the Declarant to be conveyed to the Association for the common enjoyment of all residents in the Subdivision.

Section 3.7 Designated Drainage, Utility, and Sewer Easements. There are strips of ground designated on the Plat as drainage easements, utility easements, and/or sanitary or storm sewer easements, or any combination thereof (hereafter collectively "D&UE Easements"), which are hereby reserved for the non-exclusive use for such purposes by the appropriate governmental entities, public utilities, private utilities and Provider(s) for the installation and maintenance of swales, ditches, mains, ducts, poles, lines, wires, pipes, drains, sanitary sewers, manholes, detention and retention areas or other drainage facilities, and for ingress and egress to accomplish such maintenance and installation; provided, however, that the only Providers which receive the Declarant's explicit written permission shall be permitted to be within the D&UE Easement. No permanent structure of any kind, including fences, patios, decks, driveways, walkways, landscaping, and trees, shall be built, erected or maintained on or within any such drainage easements, utility easements, and/or sanitary or storm sewer easements, except by the Declarant or its assigns. Purchasers of Lots in this Subdivision shall take title subject to all such easements hereby created and subject at all times to (i) the rights of proper authorities to service and maintain all such drainage, utility and sanitary or storm sewer facilities and easements and (ii) the rights of such governmental entities, public utilities, and private utilities of ingress and egress to access all said easements. All proper governmental agencies or departments and public and private utilities are hereby given the right to obtain access to all such easement areas to perform maintenance and to perform such maintenance as may be necessary to protect that easement and servitude rights. The drainage easements hereby created are reserved (i) for the use of Declarant during the Development Period, for access to and installation, repair or removal of a drainage system, either by surface drainage or appropriate underground installations for the Property and adjoining properties and (ii) for the non-exclusive use of the Association, or any applicable governmental authority for access to and maintenance, repair and replacement of such drainage system. It shall be the responsibility of the Association and the Owners of the areas enclosed within drainage easements to maintain any drainage areas in such condition that the flow of storm drainage waters on, across and from said areas shall not be impeded, diverted or accelerated. Such use for storm water movement or retention or detention is hereby declared to be an easement and servitude upon said land for the benefit of the Owners of other land included within the Plat, upstream or downstream, affected by such use and for any proper governmental agency or department of any private or public utility. It shall be the responsibility of the Association and the Owner of any Lot or parcel of land within the Plat to comply at all times with the provisions of the drainage plan as approved for the applicable Plat by the appropriate governmental agency or department and the requirements of all drainage permits for such Plat issued by those agencies. Failure to so comply shall operate as a waiver and release of the Declarant, the developer, or their engineers and agents from all liability as to damage caused by storm waters or storm drainage.

Further, there are easements and servitudes upon the land within the Plat in favor of surface water runoff along natural valleys and drainage channels running to Owners or other land contained

IMAGE/COPY PROPERTY OF JOHNSON COUNTY, IN FOR LICENSE ONLY, NOT FOR REUSE PURSUANT TO I.C. 36-2-7-10
within the Plat upstream and downstream. It shall be the responsibility of the Association and the Owners of these natural valleys and channels to use their land and maintain said natural valleys and channels in such manner and condition that the flow of storm drainage waters on, across, from and to such areas shall not be impeded, diverted or accelerated.

Section 3.8 Designated Easements for Landscaping, Mounding, Screening and Signage. Within any strips of ground shown or designated on a Plat as a landscape easement, landscape maintenance easement, landscape maintenance access easement, or by any similar language indicating a landscaping purpose, Declarant hereby reserves unto itself and its affiliates during the Development Period and thereafter unto the Association, the exclusive and sole right to (i) erect signs which advertise the Property or availability of Lots, and/or identify the Subdivision and (ii) install landscaping, mounding, walls, and screening. Notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, signs, fences or other improvements shall be erected or maintained in the area of such easements, except by the Declarant during the Development Period and thereafter by the Association. Furthermore, notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, fences, structures, signs, or other improvements shall be erected between (i) the area of any such easements and (ii) any perimeter roadway, public highway or right-of-way along the perimeter or boundary of the Property, except by the Declarant.

Section 3.9 Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

Section 3.10 Easement Work. Notwithstanding any architectural approval under Section 6.2 below, during the course of any maintenance, service, repair or work upon any easement, the Declarant, the Association, any private utility, any public utility, and/or any governmental entity shall have the right and the authority, without any obligation or liability whatsoever to any owner, to remove, damage, or destroy any fence or other structure or landscaping built, erected, maintained or planted in any easement described in Section 3.8 and Section 3.9 above.

Section 3.11 No Access. There may be strips of ground designated on the Plat as “no access strips”, “no access”, “no access easement”, “no access esmt”, or by other similar language. Vehicular ingress, egress, and traveling and/or the construction of improvements for such ingress and egress and/or traveling, is prohibited on, over, or across any such strips or areas.

Section 3.12 Reservation of Right to Grant Easement. The Declarant hereby reserves the right, in its discretion, to (i) grant easements upon, under, over and across the Property for the benefit of land which is adjacent to the Property and/or (ii) to obtain, for the benefit of the Property, easements, upon, under, over and across the real estate which is adjacent to the Property.

Section 4.1 Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s)"). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 4.2 Classes of Membership and Voting Rights. The Association shall have the following two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to three (3) votes for each Lot on the Property until such time as Declarant owns no Lots or decides to surrender its Membership and turn over complete control of the Association to the Class A members, whichever date is earlier.

Section 4.3 Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and By-Laws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 4.4 Professional Management. Declarant may, at its option, engage the services of a Managing Agent, including a Managing Agent affiliated with Declarant, to perform such functions, and, in either case, Declarant or such Managing Agent shall be entitled to reasonable compensation for its services. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less.

Section 4.5 Suspension of Voting Rights. In the event any Owner shall be in arrears in the payment of assessments for a period of six (6) months, such Owner's right to vote as a member of the Association shall be suspended and shall remain suspended until all payments are brought current. In the event any Owner shall be in default of the performance of any of the terms of this Declaration for a period of thirty (30) days, such Owners right to vote as a member of the Association shall be suspended and shall remain suspended until all all defaults are remedied.

Section 4.6 Budget: The Association shall prepare an annual budget in accordance with Indiana law, as of the date of this Declaration, I.C. 32-25.5-3-3.

Section 4.7 Proxy Votes. Any proxy given by a Member shall comply with the requirements of Indiana law, as of the Date of this Declaration, I.C. 32-25.5-3-10.

ARTICLE V

Covenant for Maintenance Assessments

Section 5.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed therefore (except Declarant, as more specifically provided in Section 5.6 below), whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) Regular Yearly Assessments (for maintenance, repairs and ordinary operating expenses, including Common Expenses); and
- (b) Special Assessments for capital improvements and operating deficits and for special maintenance or repairs as provided in this Declaration.
- (c) A working capital contribution upon the sale or transfer of any Lot in the amount of Two Hundred and no/100 Dollars (\$200.00), which shall be due at the time of such sale or transfer.

Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with prejudgment interest at eight percent (8%) per annum, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in the title unless expressly assumed by them. In addition to the terms of this Article, Owners of Paired Patio Homes shall also be subject to additional assessments as will be more specifically defined in Article VI.

Section 5.2 Purposes or Regular Yearly Assessments. The Regular Yearly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. As and if necessary, a portion of the Regular Yearly Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.3 Maximum Regular Yearly Assessments.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Yearly Assessment on any Lot shall be Four Hundred Dollars (\$400.00) per Lot per year.

(b) In addition to the Regular Yearly Assessment, Owners of Paired Patio Lots shall pay an additional One Thousand Two Hundred and no/100 Dollars (\$1,200.00) per year for Low Maintenance Services as identified in Section 6.2.

(c) From and after January 1 of such year, the maximum Regular Yearly Assessment may be increased each calendar year not more than twenty percent (20%) above the maximum Regular Yearly Assessment for the previous year, without a vote of the membership.

(d) From and after January 1 of such year, the maximum Regular Yearly Assessment may be increased each calendar year by more than twenty percent (20%) above the maximum Regularly Yearly Assessment for the previous year, by a vote of two-thirds (2/3) of the votes entitled to be cast by members who cast votes in person or by proxy at a meeting duly called for this purpose.

(e) So long as such action complies with Indiana law, the Board of Directors from time to time may fix the Regular Yearly Assessment or the assessment for Low Maintenance Services, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.4 Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Yearly Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the approval of two-thirds (2/3) of the votes entitled to be cast by those Members who cast votes in person or by proxy at a meeting duly called for this purpose.

Section 5.5 Quorum. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the total number of votes entitled to be cast (Class A and Class B votes combined) shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.6 Uniform Rate of Assessment. Regular Yearly Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed as a uniform rate for all Lots. Declarant and any individual or entity purchasing a Lot or Lots solely for the

IMAGE/COPY PROPERTY OF JOHNSON COUNTY, IN FOR LICENSE ONLY, NOT FOR RE-SALE, SUBJECT TO I.C. 36-7-10
purposes of construction of a for-sale Dwelling Unit thereon (a "Builder") shall not be obligated to pay any Regular Yearly Assessments and Special Assessments.

Section 5.7 Date of Commencement of Yearly Assessments: Due Dates. The assessments provided for herein shall commence as to each Lot within a recorded Plat on the first day of the first month following the conveyance of such Lot by the Declarant to an Owner (other than Builder), or by Builder to an Owner who is an end-user. The Board of Directors shall fix any increase in the amount of the yearly assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Yearly Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection periods (i.e., annual, monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.8 Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefore pursuant to this Declaration, then the entire unpaid assessment (together with interest thereon, costs and reasonable attorneys' fees as provided in this Declaration) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the then Owner, his/her heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs and attorney's fees of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the court. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area owned by the Association or abandonment of his Lot.

Section 5.9 Subordination of the Lien to Mortgages: Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to this Declaration, as to whether or not such assessments have been paid.

Section 5.10 Declarant/Builder Loan. In the event the Association is operating at a deficit, the Declarant and/or Builder may, at Declarant and/or Builder's option, make a contribution toward the Association budget in order to assist with the operating costs. Any such advances made by Declarant and/or Builder shall be treated as a loan, payable on demand by Declarant and/or Builder. This Section shall be subject to the limitations established by Indiana law.

ARTICLE VI

Paired Patio Homes

Section 6.1 "Paired Patio Lots" in The Reserve at Rocklane Ridge shall be designated for Paired Patio Homes and shall be "low maintenance" homes, which will be provided certain additional services as defined herein. The requirements in this Article VI shall apply **only** to the Paired Patio Homes in the Reserve at Rocklane Ridge. Such Lots shall be identified with an A or B on the plat, and shall be subject to all of the terms included in the Declaration, in addition to the following additional services.

Section 6.2 Low Maintenance Services. Owners of Lots in The Reserve at Rocklane Ridge shall pay an additional maintenance assessment as identified in Section 5.3(b), as determined by the Association, which shall allow for those homes to be provided with certain additional services. Those services shall include:

- a. Lawn Care. For those portions of Lots that are not enclosed by a fence (the "Unfenced Areas"), the Association shall be responsible for mowing on an approximately weekly basis. Owners shall be responsible for mowing, cleaning and maintaining those portions of Lots that are enclosed by a fence (the "Fenced Areas"). The mowing season shall commence no earlier than May 1 and shall end no later than October 20 of each year; provided, however, that these dates, as well as the frequency of times the yards are mowed, are subject to such change as the Association shall reasonably deem necessary, in light of the weather conditions and seasonal changes for a particular mowing season. Unfenced Areas shall be mowed to a height of 3". Lawn Care shall also include lawn fertilization, mulch in mulch beds once per year, and edging along driveway, sidewalk and curbs twice per year.
- b. Snow Removal. For snowfalls 2" or greater, the Association will remove snow from roads, driveways, and sidewalks leading from the driveway on a Paired Patio Lot to the front door of the residence on such Paired Patio Home.

Owners of the Paired Patio Lots shall still be responsible for edging around fences, shrubs, and bushes. Maintenance shall mean solely those items expressly mentioned herein. Maintenance shall also not include:

- a. Removal, replacement, or trimming of shrubs, bushes or trees; or
- b. Watering of lawns, plants, flowers, shrubs, trees, etc.

Section 6.3 Party Walls. Each Party Wall was built as part of the original construction of a Residence and situated upon the dividing line between two Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability of Owners for property damage due to negligence or willful acts or omissions in connection with party walls shall apply thereto.

Section 6.4 Maintenance and Destruction of Party Walls. If any party wall is damaged or destroyed by (i) fire or other casualty, or (ii) ordinary wear and tear and deterioration from lapse of time, or (iii) or by some cause other than the act of one of the adjoining Owners, its agents, family, household or guests, then both adjoining Owners shall proceed forthwith to rebuild or repair the structural components of such party wall, sharing equally the cost thereof, and each individual Owner shall proceed forthwith to rebuild or repair the non-structural components of such wall in proportion to their respective uses of the party wall. Any and all such reconstruction and/or repairs shall be completed immediately to the extent that the failure to commence and/or complete such reconstruction and/or repairs would result in an immediate risk to human health and/or safety. All other reconstruction and/or repairs shall be completed within three (3) months following the casualty or other event that damaged or destroyed such party wall, unless a longer period of time is approved in writing by the Association. If a party wall is in a condition that is of such a nature that it has or will (if left uncorrected) result in further damage or destruction of such party wall, the reconstruction and/or repairs shall be completed within a reasonable time, not exceeding six (6) months following the initial discovery of the condition. Any and all such reconstruction and/or repair shall be made in a good and workmanlike manner, in compliance with all requirements of applicable state and local governing authorities and otherwise in compliance with all applicable laws, ordinances, rules and regulations, to the same or better condition as existed prior to such condition, damage or destruction. Each Owner shall have an easement over that part of the other Owner's Lot that is necessary or desirable in order to repair, restore or replace the party wall.

Section 6.5 Repairs for Damage Caused by One Owner. If any such party wall is damaged or destroyed through the act of one or more adjoining Owners, or their respective agents, families, households or guests (collectively the "Offending Parties"), whether or not such act is negligent or otherwise culpable, so as to deprive another adjoining Owner of the use and enjoyment of the party wall, then the Owner(s) of the Residences(s) from whence the Offending Parties committed the act that caused the damage or destruction, shall forthwith proceed to rebuild and repair the same, in the manner required under Section 32.2 above, without cost to the adjoining Owner.

Section 6.6 Use; Other Changes. Either Owner shall have the right to use the side of the party wall facing the Owner's Residence in any lawful manner, including attaching structural or finishing materials to it; however, in addition to meeting the other requirements of this Declaration and of any building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild its Residence in any manner which involves the alteration of any party wall shall first obtain the written consent of the adjoining Owner, whose consent shall not be unreasonably withheld, conditioned or delayed. If the adjoining Owner has not responded in writing to the requesting Owner within twenty-one (21) days of its receipt of any such written request, given by registered or certified mail, return receipt requested, such consent of the adjoining Owner shall be deemed to have been given.

Section 6.7 Right to Contribution Runs with the Land; Failure to Contribute. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title. If either Owner shall neglect or refuse to pay the Owner's share under this Section, or all of the cost in case of the negligence or willful misconduct of such Owner, the other Owner may have the party wall repaired or restored and shall be entitled to have a mechanic's lien on the property of the Owner failing to pay for the amount of its share of the repair or replacement cost.

Section 6.8 Dispute. In the event of a dispute between or among Owners with respect to the repair or rebuilding of a party wall or with respect to the sharing of the cost thereof, then upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board, who shall decide the dispute and whose decision shall be final.

ARTICLE VII

Use Restrictions, and Architectural Control

Section 7.1 Lot Use and Conveyance. All Lots shall be used exclusively for single family detached residential purposes, except that Declarant, during the Development Period, reserves (a) the rights provided in this Declaration respecting the Property generally, and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of any one or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area owned by the Association, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Except as provided in the Declaration, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein.

Section 7.2 Architectural Control. No building, mailbox, fence, satellite dish, wall or other structure, except original construction of Dwelling Units by or on behalf of the Declarant, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein, other than by the Declarant, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, until the end of the Development Period, and thereafter by the Board of Directors of the Association. After the Development Period, the Board of Directors may appoint three (3) or more representatives to an Architectural Committee. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefore as above provided. However, there shall be no such approval of the planting of hedges, the installation of walls, fences, structures and/or other improvements prohibited in this Declaration, and any such approval shall be null and void. In the event that written approval is not received as required hereunder within thirty (30) days after complete plans and specifications have been submitted, then the request for approval shall be deemed denied.

Declarant intends that the members of the Architectural Committee exercise discretion in the performance of their duties consistent with the provisions hereof, and every Owner by the purchase of a Lot shall be conclusively presumed to have consented to the exercise of discretion by such members. In any judicial proceeding challenging a determination by the Architectural Committee and in any action initiated to enforce this Declaration in which an abuse of discretion by the Architectural Committee is raised as defense, abuse of discretion may be established only if a reasonable person, weighing the evidence and drawing all inferences in favor of the Architectural Committee, could only conclude that such determination constituted an abuse of discretion.

The Architectural Committee may inspect work being performed without the Owner's permission to assure compliance with these restrictions and applicable regulations.

Neither the Architectural Committee nor any agent thereof, nor the Declarant, or Association shall be liable in any way for costs, fees, damages, delays or any charges or liability whatsoever relating to the approval or disapproval of any plans submitted to it, nor shall the Architectural Committee, Association or Declarant be responsible in any way for any defects in any plans, specifications or other materials submitted to it, or for any defects in any work done according thereto. Further the Architectural Committee, Association and/or Declarant make no representation or warranty as to the suitability or advisability of the design, the engineering, the method of construction involved, or the materials to be used. All parties should seek professional construction advice, engineering, and inspections on each Lot prior to proposing construction.

Section 7.3 Leasing. Any Lot may be leased by its Owner.

Section 7.4 Animals. No animals shall be kept or maintained on any Lot except domestic, household pets traditionally kept in individual residences throughout the State of Indiana. All such pets shall be kept reasonably confined so as not to become a nuisance. Excessive barking of dogs or vicious animals shall constitute a nuisance and may be ordered by the Association to be removed from the Property.

Section 7.5 Outside Storage. All clotheslines, equipment, garbage cans, service yards, woodpiles or storage piles shall be kept from view of neighboring homes and streets. All rubbish, trash or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. Trash must be stored in enclosed containers.

Section 7.6 Front Setback Lines. Front Building lines are hereby established as shown on the Plat. Between such Front Building lines and the right-of-ways lines there shall be erected, placed or altered no structure or part thereof. The building lines which are from public right-of-way lines are parallel to and measured perpendicularly from these public right-of-way lines.

Section 7.7 Side and Rear Setbacks. The minimum side yard and minimum rear yard requirements shall be those established by the applicable zoning and subdivision control ordinances, subject to variances granted to Declarant by applicable zoning authorities.

Section 7.8 Temporary Structures and Outbuildings. No tent, shack, basement (other than as part of a Dwelling Unit constructed on a Lot), detached garage, barn, storage shed, mini-storage barn or other out-building shall be erected, placed, or constructed upon any Lot.

Section 7.9 Motor Vehicle Repairs. The repair of inoperative motor vehicles or material alteration of motor vehicles shall not be permitted on any Lot unless entirely within a garage permitted to be constructed per the terms of the Declaration.

Section 7.10 Nuisances. No noxious or offensive activities shall be carried on or be permitted to exist on any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance. Any structure or building permitted to be constructed on a Lot by this Declaration, which may be all or in part destroyed by fire, wind, storm or any other reason, shall be rebuilt and restored to its previous condition within a reasonable length of time, and all debris accumulated in connection therewith shall be removed within a reasonable time after any such occurrence. It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on his or her Lot. The pursuit of hobbies or other activities, specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any Lot. Nothing which could cause embarrassment, discomfort, annoyance or nuisance to the occupants of other portions of the Subdivision or which result in a cancellation of any insurance for any portion of the Subdivision, or which would be in violation of any law or governmental code or regulation shall be permitted in the Subdivision. Without limiting the generality of the foregoing provisions, no horns, whistles, bells or other sound devices, except security and fire alarm devices used exclusively for such purposes, shall be located, used, or placed within the Subdivision. Any Owner, or his family, tenants, guests, invitees, servants, or agents, who dumps or places any trash or debris upon any portion of the Subdivision shall be liable to the Association for the actual costs of removal thereof or the sum of \$150.00, whichever is greater, and such sum shall be added to and become a part of that portion of any assessment next becoming due to which such Owner and his Lot are subject.

Section 7.11 Permitted Uses. No use shall be made of any Lot except as permitted by this Declaration and the applicable zoning and subdivision control ordinances under which this Property is developed.

Section 7.12 Drains and Vents. No house footing drain or roof water drain shall be discharged into the sanitary sewers.

Section 7.13 Residential Use. Lots may be used only for residential purposes and only for one single-family dwelling with an attached garage as is usual and incidental to the use of residential lots and not otherwise prohibited hereunder. All Lots in this Subdivision shall be designated as residential Lots, and no home shall exceed two and one half (2-1/2) stories or thirty-five (35) feet in height. All homes must have a minimum of a two (2) car garage.

Section 7.14 Size. Subject to any further restrictions imposed by any recorded commitment, every single-family dwelling erected, placed, altered or maintained on any Lot shall have a minimum

living area, exclusive of open porches, unfinished basements and attached garages, of not less than what is required by the applicable zoning and subdivision control ordinances.

Section 7.15 Unsightly Growth. In order to maintain the standards of the Property, no weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon any Property, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. Failure to comply shall warrant the Declarant or the Association to cut weeds or clear the refuse from the Property at the expense of the Owner, and there shall be a lien against said Property for the expense thereof, which lien shall be due and payable immediately. If such lien is not promptly paid, the Association or the Declarant may file suit and recover such amount together with reasonable attorneys' fees and costs of collection.

Section 7.16 Site Visibility. No fence, wall, hedge or shrub planting which obstructs sight lines at elevations between three (3) feet and twelve (12) feet above the street shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street right-of-way lines and a line connecting points forty (40) feet from the intersection of said street lines, or in the case of a rounded property corner from the intersection of the street right-of-way lines extended. The same sightline limitations shall apply to any Lot within ten (10) feet from the intersection of a street right-of-way line with the edge of a driveway pavement or alley line.. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight lines. No fences shall be permitted to be constructed between the front setback line and the street curb.

Section 7.17 Semi-Tractor Trucks, Trailers, Etc. No semi-tractor trucks, semi-trucks, semi-tractors, trailers boats, campers, mobile homes, disabled vehicles, and/or trailers shall be permitted to park on the Property or a Lot unless fully enclosed in a garage, or unless the same is necessary and incident to the Declarant's, Builders' or Association's business on the Property.

Section 7.18 Sign Limitations. Except as provided for in I.C. § 32-21-13, no sign of any kind, other than those installed by Declarant, the Association, or a Builder, may be displayed to public view on any Lot, except that one sign with an area of not more than six (6) feet may be displayed with the purpose of advertising the Lot for sale. The Association reserves the right to adopt sign restrictions pursuant to Indiana law.

Section 7.19 Lakes, Lake Area(s). Except as otherwise provided, no individual using a Lake, if any, has the right to cross another Lot or trespass upon shoreline not within a Common Area owned by the Association, subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in this Declaration. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water, elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. A Lake may not be used for swimming, ice skating, boating, or for any other purpose, except for drainage of the Property, unless expressly and specifically approved by the Board of Directors in writing and allowed by law. Lakes and Lake Area may or may not exist on the Property, and the reference throughout this Declaration to Lakes and Lake Areas is made in order to address Lakes and Lake Areas, if any, which now exist or are later constructed upon the Property. The installation on the Property of any Lake or

Lake Area shall be within the sole discretion of the Declarant, and under no circumstances shall the Declarant be required or obligated to install any Lake or Lake Area. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

Section 7.20 Rules and Regulations. The Board of Directors from time to time may promulgate further rules and regulations concerning the use of Lots and the Common Area owned by the Association. A majority of those Owners voting at a meeting called for the purpose may rescind or modify any rule or regulation adopted by the Board of Directors. Copies of all rules and regulations shall be furnished by the Board to all Owners at the Owner's last known address, prior to the time when the same shall become effective. The Association shall have current copies of the Declaration, Articles and By-Laws, and other rules concerning the Property as well as its own books, records and financial statements available for inspection by Dwelling Unit Owners or by holders, insurers and guarantors of first mortgages, that are secured by Dwelling Units in the Property. These documents shall be available during normal business hours or under other reasonable circumstances.

Section 7.21 Development and Sale Period. Nothing contained in this Article 6 shall be construed or interpreted to restrict the activities of Declarant or a Builder in connection with the development of the Property and sale of Lots. During the Development Period, Declarant or a Builder shall be entitled to engage in such activities and to construct, install, erect and maintain such facilities, upon any portion of the Property at any time owned or leased by Declarant or a Builder, as in the sole opinion of Declarant or a Builder may be reasonably required, or convenient or incidental to, the development of the Property and sale of the lots; such facilities may include, without limitation, storage areas, signs, parking areas, model residence, construction offices, sales offices and business offices.

Section 7.22 Outside Use of Lots. No swimming pools, basketball goals, trampolines, or playground equipment shall be permitted on the Paired Patio Lots. No fences, hedges, walls or other improvements shall be erected or maintained upon the Property without approval of the Architectural Committee, except those installed in accordance with the initial construction of the buildings located thereon. Above ground swimming pools are prohibited on the Property. In ground swimming pools must have a five foot (5') fence that encloses the backyard, or an automatic pool cover. All playground equipment must be approved by the Architectural Committee and shall be constructed of wood. Trampolines will not be approved, unless enclosed by a privacy fence. Portable basketball goals shall not be permitted. Any basketball goals shall not obstruct the right-of-way or sidewalks.

Section 7.23 Mailboxes. All mailboxes and posts shall be uniform and of a type, color and manufacture approved by the Declarant during the Development Period and, thereafter, by the Board of Directors of the Association.

Section 7.24 Yard Lights. Declarant shall during the Development Period and, thereafter, the Board of Directors of the Association shall, determine the uniform location of yard lights or coach lights. The yard light or coach light thereafter shall be maintained in proper working order by the Owner of each Lot.

commitments were made in connection with the zoning of all or part of the Property (hereafter "Commitments"). The Commitments pertain, without limitation, to Common Areas, tree preservation areas, mounding, buffers, architectural commitments, and landscape buffers. Unless and until such Commitments are vacated or released per their terms, the Association shall comply with the terms and conditions thereof. The Property shall be subject to the Commitments and all covenants, conditions, easements, restrictions and limitations of record, and to all governmental zoning authority and regulations affecting the Property, all of which are incorporated herein by reference.

Section 7.26 Occupations. No Lot or Dwelling Unit located thereon shall be used for any purpose other than as a single family residence, except a home occupation which is both permitted under local ordinance and the guidelines below:

- (a) Any home occupation must be conducted entirely within the residence and conducted solely by a member of the immediate family residing in said Dwelling Unit;
- (b) Any home occupation must be clearly incidental and secondary to the use of the Dwelling Unit for residential purposes;
- (c) There can be no sign or display that will indicate from the exterior of the Dwelling Unit that the Dwelling Unit is being used, in whole or in part, for any purpose other than that of a residential dwelling;
- (d) No commodity can be sold from the Lot or Dwelling Unit located thereon;
- (e) No person can be employed on the Lot or Dwelling Unit other than a member of the immediate family residing in the Dwelling Unit;
- (f) No manufacturer or assembly operations can be conducted; and
- (g) Customers cannot enter upon the Lot or Dwelling Unit for the purpose of conducting business.

In no event shall the following similar activities be conducted for business purposes: child care, barber shop, styling salon, animal hospital, kennel, any form of animal care or treatment such as dog training, or any similar activities.

Section 7.27 Fences. The Architectural Committee, prior to any installation, must approve any fencing and landscaping screening. It is the goal to keep all fencing or screening harmonious with the architectural character of the Subdivision. No fence or screen will be approved which obstructs necessary sight lines for vehicular traffic. Undue obstruction of views from adjoining properties and amenity areas will be taken into consideration by the Architectural Committee when reviewing fences for approval. No front yard fencing is permitted, except on a Lot on which there is

~~IMAGE/COPY PROPERTY OF JOHNSON COUNTY, IN FOR LICENSE ONLY, NOT FOR RESALE PURSUANT TO I.C. 36-2-7-10.~~
maintained a sales office or model home by Declarant or Builder. If approved by the Architectural Committee, fences may be privately installed but must be constructed to professional levels of quality, design, material, composition, and color as determined by the Architectural Committee. Non-professionally installed fences may be inspected by the Architectural Committee after completion in order to ensure that the fence is of a professional quality, and final approval of such fences shall be deemed withheld until completion of this final review. All fences shall be kept in good repair by the Owner. No fence shall be located any closer to the front line than the rear foundation line of the residence.

Fences are to be white PVC, wrought iron, cedar or treated pine. Galvanized fencing, chain link fencing, and stockade fencing will not be permitted. Further, cedar or treated pine fences are to be dog-eared (flattop fences are not allowed) shadow box style with 1" x 6" vertical boards, and are to remain unpainted. Section 8.2 Common Properties and Lawns by the Association.

(a) The Association, as part of its duties, and as part of the Common Expenses, shall provide for:

(i) Maintenance of the Common Area. Maintenance of the Common Area shall include, but shall not be limited to, fertilizing, treating any Lakes, mowing and replanting when necessary of the grass and trees and maintenance of any other improvement within the Common Area;

The Board of Directors may adopt such other rules and regulations concerning maintenance, repair, use and enjoyment of the Common Area owned by the Association (or any items deemed Common Area for purposes of maintenance only) as it deems necessary.

(b) Notwithstanding any obligation or duty of the Association to repair or maintain any of the Common Area owned by the Association (or any items deemed Common Area for purposes of maintenance only), if, due to the willful, intentional or negligent acts or omissions of an Owner or a member of his family or of a guest, tenant, invitee or other occupant or visitor of such Owner, damage shall be caused to the Common Area owned by the Association (or any items deemed as such for purposes of maintenance only), or if maintenance, repairs or replacements shall be required thereby which would otherwise be at the Common Expense, then such Owner shall pay for such damage and such maintenance, repairs and replacements, as may be determined by the Association, unless such loss is covered by the Association's insurance with such policy having a waiver of subrogation clause. If not paid by such Owner upon demand by the Association, the cost of repairing such damage shall be added to and become a part of the assessment to which the Owner's Lot is subject.

(c) The authorized representatives of the Association, the Board of Directors and the Managing Agent for the Association (if any) are hereby granted an easement for access upon and to any Lot as may be required in connection with maintenance only, repairs or replacements of or to the Common Area owned by the Association or any items deemed as Common Area for purposes of maintenance only, including, but not limited to, access to any easements reserved by any Plat of any portion of the Property for such purposes.

ARTICLE IX

Insurance

Section 9.1 Liability Insurance. The Association shall purchase a master comprehensive general liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive general liability insurance policy shall cover the Association, its Board of Directors, any committee or organization of the Association or Board of Directors, all persons acting or who may come to act as agents, or employees of any of the foregoing with respect to the Association. It shall also cover all Common Area owned by the Association, public ways and any other areas under the Association's control or supervision. The premiums for all such liability policies shall be a Common Expense.

Section 9.2 Fidelity Bonds. The Association shall have blanket fidelity bonds for anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The Association bonds shall name the Association as the obligee and the premium shall be paid as a Common Expense by the Association. Any Management Agent that handles funds for the Association shall be covered by its own fidelity bond, which must provide the same coverage required of the Association. The Association shall be named as an additional obligee in the Management Agent's bond. The fidelity bond shall cover the maximum funds that will be in the custody of the Association or its Management Agent at any time while the bond is in force. In addition, the fidelity bond coverage must at least equal one (1) years' assessments on all Dwelling Units in the Property, plus the Association's reserve funds. If available, the fidelity bonds must include a provision that calls for ten (10) days' written notice to the Association or insurance trustee before the bond can be cancelled or substantially modified for any reason.

Section 9.3 Miscellaneous Insurance Provisions. The Association shall obtain any other insurance required by law to be maintained, including but not limited to worker's compensation insurance, and such other insurance as the Board of Directors shall from time to time deem necessary, advisable or appropriate. Such insurance coverage shall also provide for and over cross liability claims of one insured party against another insured party. Such insurance shall inure to the benefit of the Association, its Board of Directors and any Management Agent acting on behalf of the Association. repaired and reconstructed by the Association and the proceeds of insurance, if any, shall be applied for that purpose. The same obligation shall apply to an Owner, and not the Association, for damage or destruction to the Owner's Dwelling Unit. For purposes of this Section, repair, reconstruction and restoration shall mean construction or rebuilding of the damaged property to as near as possible the same condition as it existed immediately prior to the damage or destruction, with the same or a similar type of architecture.

Section 9.5 Insufficiency of Insurance Proceeds. If the insurance proceeds received by the Association as a result of any such fire or any other casualty or disaster are not adequate to cover the cost of repair and reconstruction, or in the event there are no insurance proceeds, the cost for restoring the damage and repairing and reconstructing the Common Area actually owned by the Association or any improvements damaged or destroyed (or the costs thereof in excess of insurance proceeds received, if any) shall be paid by the Association which shall then have the right to levy a Special Assessment against all Lots for such deficiency.

Section 9.6 Surplus of Insurance Proceeds. In the event that there is any surplus of insurance proceeds after the reconstruction or repair of the damage has been fully completed and all costs paid, such sums may be retained by the Association as a reserve or may be used in the maintenance and operation of the Property. The action of the Board of Directors in proceeding to repair or reconstruct damage shall not constitute a waiver of any right against any Owner for committing willful or malicious damage.

ARTICLE X

Mortgages

Section 10.1 Mortgagee Rights. In addition to any other rights provided elsewhere in this Declaration to mortgagees, any lender or lenders holding a first mortgage or first mortgages upon any Lot or Lots, jointly or singly, may pay any real estate taxes or other taxes or charges which are in default and which may or have become a charge or lien against any Common Area owned by the Association or any other property owned by the Association; and may pay any overdue premiums on any hazard, casualty, liability or other insurance policies or secure new insurance coverage on the lapse of any policies for any such property owned by the Association or covering any property for which the Association has an obligation to maintain insurance coverage. Any such lender or lenders making payments in accordance with this Section shall be entitled to immediate reimbursement therefor from the Association along with any costs incurred, including reasonable attorneys' fees.

IMAGE/COPY PROPERTY OF JOHNSON COUNTY IN FOR LICENSE ONLY, NOT FOR RESALE PURSUANT TO I.C. 36-2-7-10.
Section 10.3 Condemnation and Insurance Awards. No provisions of this Declaration or any amendment thereto, shall give any Owner, or any other party, priority over any rights of the first mortgagee of a Lot pursuant to its mortgage in the same, of a distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of Common Area property.

Section 10.4 Right of First Refusal. The Association DOES NOT have the “right of first refusal” to purchase any Dwelling Unit. Any “right of first refusal” subsequently granted to the Association through amendment of the Declaration, Association Articles, Association By-Laws or any other document governing the development and administration of the Lots must receive the prior written approval of the Federal Housing Administration or Secretary of the Department of Housing and Urban Development. Any “right of first refusal” subsequently added in the Declaration, Association Articles, Association By-Laws or any other document governing the development and administration of the Lots must not impair the rights of a first mortgagee to:

- (a) Foreclose or take title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage;
- (b) Accept a deed or assignment in lieu of foreclosure in the event of default by a mortgagor; or
- (c) Sell or lease a unit acquired by the mortgagee.

Section 10.5 Unpaid Dues or Charges. Any first mortgagee who obtains title to a Dwelling Unit, and the Lot upon which the Dwelling Unit is situated, pursuant to the remedies in the mortgage or through foreclosure, will not be liable for the Dwelling Unit’s unpaid dues or charges accrued before the acquisition of the title to the Dwelling Unit by the mortgagee.

ARTICLE XI

Section 11.1 Claims. Grievances shall be addressed pursuant to Indiana law, currently The Grievance Resolution Procedure under I.C. § 32-25.5-5, which shall apply to all non-exempt claims arising under the statute, subject to the definitions and exemptions provided for in the statute, unless the parties agree that the statute is applicable to the exempt claim.

In event of a violation, or threatened violation, of any of the covenants, conditions and restrictions herein enumerated, Declarant, the Association or any Owner and all parties claiming under them shall have the right to enforce the covenants, conditions and restrictions contained herein, and pursue any and all remedies, at law or in equity, available under applicable Indiana law, with or without proving any actual damages,

including the right to secure injunctive relief or secure removal by due process of any structure not in compliance with the covenants, conditions and restrictions contained herein, and shall be entitled to recover reasonable attorneys' fees and the costs and expenses incurred as a result thereof.

Section 12.2 Severability and Waiver. The Declaration shall operate in congruence with Indiana law and be enforceable to the fullest extent permitted at law or in equity. Invalidation of any one of the covenants, restrictions or provisions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect. No delay or failure by any person to enforce any of the restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

Section 12.3 Assignment. Declarant may at any time assign some or all of its rights and obligations under this Declaration. Such assignment shall be effective after it is executed and recorded by Declarant with the Recorder of the County in which the Property is located. After such assignment is recorded with the Recorder of the County in which the Property is located, Declarant shall have no further obligations or liabilities under the Declaration with respect to the rights or obligations assigned.

Section 12.4 Amendment. This Declaration and the covenants, conditions and restrictions set forth in this Declaration, as from time to time amended in the manner hereafter set forth, shall run with the land and shall be binding upon the persons owning any portion of the Property and all parties closing under them.

- (a) This Declaration may be amended or modified at any time, from time to time by the Owners, subject to the following, by an instrument recorded in the Office of the Recorder of the County in which the Property is located, approved and signed by the then Owners, subject to the following:
 - a. The Declarant's consent to an amendment shall be required if Declarant either:
 - (a) owns one (1) or more Lots; or
 - (b) not more than seven (7) years have passed since the original governing documents were first recorded.
 - b. The consent of the Owners to the amendment has been obtained as evidenced by either of the following:
 - i. The vote of the Owners to a meeting duly called for the purpose of considering the amendment; and
 - ii. A written instrument signed by the Owners.

Any amendment shall require at least a seventy five percent (75%) vote of the Owners.

- c. The consent of the eligible Mortgagee. The consent of an eligible Mortgagee must be indicated in a written instrument signed by the Mortgagee. However, a Mortgagee is considered to have consented to a proposed amendment if the Mortgagee does not respond to a written request for consent within thirty (30) days after the Mortgagee receives the request.
- (b) Except as prohibited above, this Declaration may also be amended unilaterally by Declarant for so long as it is a Class B Member. Any amendment must be recorded with the County Recorder. Neither the Association, the Owners, nor Declarant shall effect any of the following changes without the prior written approval:
- i. By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Area owned directly or indirectly by the Association for the benefit of the Owners of the Dwelling Units. The granting of easements for public utilities or other public purposes consistent with the intended use of the Common Area owned by the Association by the Dwelling Unit Owners is not a transfer in the meaning of this clause;
 - ii. Fail to maintain fire and extended coverage on insurable Common Area owned by the Association on a current replacement cost basis in an amount at least one hundred percent (100%) of the insurable value (based on current replacement costs);
 - iii. Use hazard insurance proceeds for losses to any Common Area owned by the Association for other than the repair, replacement, or reconstruction of the Common Area owned by the Association.
- (c) The consent of the Owners to an amendment shall be evidenced by either of the following:
- i. The vote of the Owners at a meeting duly called for the purpose of considering the amendment; or
 - ii. A written instrument signed by the Owners.

Section 12.5 HUD Amendment Approval. All other provisions of the Declaration, Association Articles, Association By-Laws or any other document governing the development and administration of the Property notwithstanding, so long as there is a Class B membership, if required by applicable law, the Federal Housing Administration or Secretary of the Department of Housing and Urban Development shall have the right to review and approve amendments or changes to the Declaration and related documents relating to the following:

- (a) Annexation of real estate;

(b) Dedication or mortgaging of Common Area,

(c) Mergers and consolidation of any Property, Common Area or the Association; and

(d) Amendment of the Declaration of Covenants, Conditions and Restrictions.

Section 12.6 Assignment. Declarant may assign or otherwise transfer any and all of its rights as Declarant in whole or in part.

Section 12.7 Condemnation, Destruction or Liquidation. The Association shall be designated to represent the Owners in any proceedings, negotiations, settlements or agreements for the handling of any losses or proceeds from condemnation, destruction or liquidation of all or a part of the Common Area owned by the Association, or from the termination of the development. Each Dwelling Unit Owner, by his acceptance of a deed, appoints the Association as his attorney-in-fact for this purpose. Proceeds from the settlement will be payable to the Association for the benefit of the Dwelling Unit Owners and their mortgage holders. Any distribution of funds in connection with the termination of this development shall be made on a reasonable and an equitable basis.

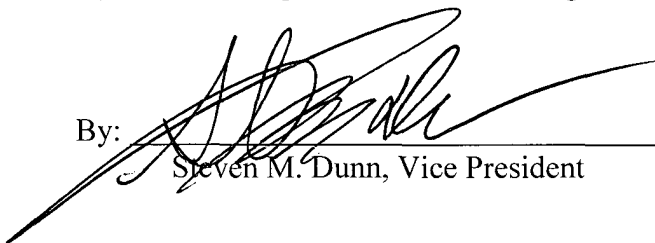

Section 12.8 Borrowing Money Except as otherwise prohibited by Indiana law, the Association may not borrow money during any calendar year on behalf of the Association in an amount that exceeds the greater of:

(1) five thousand dollars (\$5,000) during any calendar year; or

(2) if the Association operated under an annual budget in the previous calendar year, an amount equal to at least ten percent (10%) of the previous annual budget of the Association; unless borrowing the money is approved by the affirmative vote of a majority of the members of the Association voting under this section.

terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property unless otherwise set forth herein.

(a) Declarant hereby reserves unto itself and unto any public or private utility, a general easement (“General Drainage, Utility, and Sewer Easement”) for drainage, utility and sewer purposes in, on and over all of the Common Area and any Lot, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas and sanitary and storm sewer, to serve any Dwelling Unit constructed on the Property; provided, however, that only those Providers which receive the Declarant’s explicit written permission shall be permitted within the General Drainage, Utility, and Sewer Easement. This General Drainage, Utility, and Sewer Easement shall include all areas of the Property outside any Dwelling Units, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. By virtue hereof, Declarant reserves the right to install a lake(s) or pond(s) on any Common Area. The rights hereunder and easements hereby reserved survive the conveyance, by the Declarant to the Association, of any Common Area. This easement shall be in addition to any easement defined upon a Plat as a drainage, sewer, utility, cable, landscape, sign, transmission, flowage or similar type easement.

(b) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement (“Lake Easement”) and right-of-way in and to any Lake Area(s) or areas now or hereafter shown on the Plat as a “Block”, “Common Area”, or “Lake” or any other Common Area within the Property used as a water retention or detention area, or on which a Lake now exists or is later constructed, for the purpose of fulfilling any maintenance obligations set forth in this Declaration and/or establishing and maintaining proper surface water drainage throughout the Property, and an easement of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deem necessary or appropriate, for the purpose of establishing and maintaining proper surface water drainage throughout the Property, which such actions shall include the construction, repair and maintenance of retention and detention ponds or lakes in accordance with the requirements of applicable law and of all governmental agencies having jurisdiction (without undertaking any obligation or duty to exceed such requirements).

conveyance thereof). Any such signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association as a part of its Common Area maintenance obligations.

(d) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:

(i) Relocate, alter or otherwise change the location of any Drainage, Flowage, Utility, Sewer and Lake, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) Grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of the Property or any portion thereof; and,

(iii) Describe more specifically or to change the description of any drainage, Flowage, Utility, Sewer, Lake, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended plat or amendment to the Plat recorded in the Office of the Recorder of the County in which the Property is located.

(e) During the period that Declarant owns any Lot, Declarant and its agents shall have an easement for access to Common Areas for the purpose of constructing structures and other improvements in and to the Lots and for installing, maintaining, repairing, and replacing such other improvements to the Property (including any portions of the Common Areas) as are contemplated by this Declaration or as Declarant desires, in its sole discretion, and for the purpose of doing all things reasonably necessary and proper in connection therewith, provided in no event shall Declarant have the obligation to do any of the foregoing. In addition to the other rights and easements set forth herein and regardless of whether Declarant at that time retains ownership of a Lot, Declarant and its agents shall have an alienable, transferable, and perpetual right and easement to have access, ingress and egress to the Common Areas and improvements thereon for such purposes as Declarant deems appropriate, provided that Declarant shall not exercise such right so as to unreasonably interfere with the rights of owners in the Subdivision.

(f) The title of the Association (as to the Common Area owned by the Association during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein.

Section 3.5 Easement for Emergency Purposes. An easement is hereby dedicated and granted for use in the case of an emergency by emergency vehicles such as fire trucks, police cars and ambulances and emergency personnel, public and private, over and upon the Common Area.

Section 3.6 Fee Title to Lot. The fee title to any Lot described as bounded by any street, lane, walkway, park, pond, lake, or any other common property which has not been dedicated or accepted by the public and the fee title to any Lot shown on any Plat as abutting upon any such common property shall not extend upon such common property and the fee title to such common property is reserved to the Declarant to be conveyed to the Association for the common enjoyment of all residents in the Subdivision.

Section 3.7 Designated Drainage, Utility, and Sewer Easements. There are strips of ground designated on the Plat as drainage easements, utility easements, and/or sanitary or storm sewer easements, or any combination thereof (hereafter collectively "D&UE Easements"), which are hereby reserved for the non-exclusive use for such purposes by the appropriate governmental entities, public utilities, private utilities and Provider(s) for the installation and maintenance of swales, ditches, mains, ducts, poles, lines, wires, pipes, drains, sanitary sewers, manholes, detention and retention areas or other drainage facilities, and for ingress and egress to accomplish such maintenance and installation; provided, however, that the only Providers which receive the Declarant's explicit written permission shall be permitted to be within the D&UE Easement. No permanent structure of any kind, including fences, patios, decks, driveways, walkways, landscaping, and trees, shall be built, erected or maintained on or within any such drainage easements, utility easements, and/or sanitary or storm sewer easements, except by the Declarant or its assigns. Purchasers of Lots in this Subdivision shall take title subject to all such easements hereby created and subject at all times to (i) the rights of proper authorities to service and maintain all such drainage, utility and sanitary or storm sewer facilities and easements and (ii) the rights of such governmental entities, public utilities, and private utilities of ingress and egress to access all said easements. All proper governmental agencies or departments and public and private utilities are hereby given the right to obtain access to all such easement areas to perform maintenance and to perform such maintenance as may be necessary to protect that easement and servitude rights. The drainage easements hereby created are reserved (i) for the use of Declarant during the Development Period, for access to and installation, repair or removal of a drainage system, either by surface drainage or appropriate underground installations for the Property and adjoining properties and (ii) for the non-exclusive use of the Association, or any applicable governmental authority for access to and maintenance, repair and replacement of such drainage system. It shall be the responsibility of the Association and the Owners of the areas enclosed within drainage easements to maintain any drainage areas in such condition that the flow of storm drainage waters on, across and from said areas shall not be impeded, diverted or accelerated. Such use for storm water movement or retention or detention is hereby declared to be an easement and servitude upon said land for the benefit of the Owners of other land included within the Plat, upstream or downstream, affected by such use and for any proper governmental agency or department of any private or public utility. It shall be the responsibility of the Association and the Owner of any Lot or parcel of land within the Plat to comply at all times with the provisions of the drainage plan as approved for the applicable Plat by the appropriate governmental agency or department and the requirements of all drainage permits for such Plat issued by those agencies. Failure to so comply shall operate as a waiver and release of the Declarant, the developer, or their engineers and agents from all liability as to damage caused by storm waters or storm drainage.

Further, there are easements and servitudes upon the land within the Plat in favor of surface water runoff along natural valleys and drainage channels running to Owners or other land contained

within the Plat upstream and downstream. It shall be the responsibility of the Association and the Owners of these natural valleys and channels to use their land and maintain said natural valleys and channels in such manner and condition that the flow of storm drainage waters on, across, from and to such areas shall not be impeded, diverted or accelerated.

Section 3.8 Designated Easements for Landscaping, Mounding, Screening and Signage. Within any strips of ground shown or designated on a Plat as a landscape easement, landscape maintenance easement, landscape maintenance access easement, or by any similar language indicating a landscaping purpose, Declarant hereby reserves unto itself and its affiliates during the Development Period and thereafter unto the Association, the exclusive and sole right to (i) erect signs which advertise the Property or availability of Lots, and/or identify the Subdivision and (ii) install landscaping, mounding, walls, and screening. Notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, signs, fences or other improvements shall be erected or maintained in the area of such easements, except by the Declarant during the Development Period and thereafter by the Association. Furthermore, notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, fences, structures, signs, or other improvements shall be erected between (i) the area of any such easements and (ii) any perimeter roadway, public highway or right-of-way along the perimeter or boundary of the Property, except by the Declarant.

Section 3.9 Street Dedication. All streets now or hereafter located upon the Property are hereby dedicated to the public.

Section 3.10 Easement Work. Notwithstanding any architectural approval under Section 6.2 below, during the course of any maintenance, service, repair or work upon any easement, the Declarant, the Association, any private utility, any public utility, and/or any governmental entity shall have the right and the authority, without any obligation or liability whatsoever to any owner, to remove, damage, or destroy any fence or other structure or landscaping built, erected, maintained or planted in any easement described in Section 3.8 and Section 3.9 above.

Section 3.11 No Access. There may be strips of ground designated on the Plat as “no access strips”, “no access”, “no access easement”, “no access esmt”, or by other similar language. Vehicular ingress, egress, and traveling and/or the construction of improvements for such ingress and egress and/or traveling, is prohibited on, over, or across any such strips or areas.

Section 3.12 Reservation of Right to Grant Easement. The Declarant hereby reserves the right, in its discretion, to (i) grant easements upon, under, over and across the Property for the benefit of land which is adjacent to the Property and/or (ii) to obtain, for the benefit of the Property, easements, upon, under, over and across the real estate which is adjacent to the Property.

Section 4.1 Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s)"). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Declarant may, at its option, engage the services of a Managing Agent, including a Managing Agent affiliated with Declarant, to perform such functions, and, in either case, Declarant or such Managing Agent shall be entitled to reasonable compensation for its services. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less.

Section 5.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed therefore (except Declarant, as more specifically provided in Section 5.6 below), whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association:

- (a) Regular Yearly Assessments (for maintenance, repairs and ordinary operating expenses, including Common Expenses); and
- (b) Special Assessments for capital improvements and operating deficits and for special maintenance or repairs as provided in this Declaration.
- (c) A working capital contribution upon the sale or transfer of any Lot in the amount of Two Hundred and no/100 Dollars (\$200.00), which shall be due at the time of such sale or transfer.

Such assessments shall be established, shall commence upon such dates and shall be collected as hereinafter provided. All such assessments, together with prejudgment interest at eight percent (8%) per annum, costs and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owner's successors in the title unless expressly assumed by them. In addition to the terms of this Article, Owners of Paired Patio Homes shall also be subject to additional assessments as will be more specifically defined in Article VI.

Section 5.2 Purposes or Regular Yearly Assessments. The Regular Yearly Assessments levied by the Association shall be used exclusively, in the reasonable discretion of the Board of Directors of the Association, for the promotion of the recreation, health, safety and welfare of the residents in the Property, for the improvement, maintenance and repair of the Common Area, for the performance of the obligations and duties of the Association and for other purposes only as specifically provided herein. As and if necessary, a portion of the Regular Yearly Assessments shall be set aside or otherwise allocated in a reserve fund for the purpose of providing repair and replacement of the Common Area, and other capital improvements which the Association is required to maintain.

Section 5.3 Maximum Regular Yearly Assessments.

(a) Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Regular Yearly Assessment on any Lot shall be Four Hundred Dollars (\$400.00) per Lot per year.

(b) In addition to the Regular Yearly Assessment, Owners of Paired Patio Lots shall pay an additional One Thousand Two Hundred and no/100 Dollars (\$1,200.00) per year for Low Maintenance Services as identified in Section 6.2.

(c) From and after January 1 of such year, the maximum Regular Yearly Assessment may be increased each calendar year not more than twenty percent (20%) above the maximum Regular Yearly Assessment for the previous year, without a vote of the membership.

(d) From and after January 1 of such year, the maximum Regular Yearly Assessment may be increased each calendar year by more than twenty percent (20%) above the maximum Regularly Yearly Assessment for the previous year, by a vote of two-thirds (2/3) of the votes entitled to be cast by members who cast votes in person or by proxy at a meeting duly called for this purpose.

(e) So long as such action complies with Indiana law, the Board of Directors from time to time may fix the Regular Yearly Assessment or the assessment for Low Maintenance Services, without any vote of the membership, at any amount not in excess of the maximum.

Section 5.4 Special Assessments for Capital Improvements and Operating Deficits. In addition to the Regular Yearly Assessments authorized above, the Association may levy a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain, or to recover any operating deficits which the Association may from time to time incur, provided that any such assessment shall have the approval of two-thirds (2/3) of the votes entitled to be cast by those Members who cast votes in person or by proxy at a meeting duly called for this purpose.

Section 5.5 Quorum. Written notice of any meeting called for the purpose of taking any action authorized under this Article shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of the total number of votes entitled to be cast (Class A and Class B votes combined) shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5.6 Uniform Rate of Assessment. Regular Yearly Assessments and Special Assessments for capital improvements and to recover operating deficits must be fixed as a uniform rate for all Lots. Declarant and any individual or entity purchasing a Lot or Lots solely for the

IMAGE/COPY PROPERTY OF JOHNSON COUNTY IN FOR LICENSE ONLY NOT FOR RESALE SUBJECT TO IC 36-17-10
purposes of construction of a for-sale Dwelling Unit thereon (a "Builder") shall not be obligated to pay any Regular Yearly Assessments and Special Assessments.

Section 5.7 Date of Commencement of Yearly Assessments: Due Dates. The assessments provided for herein shall commence as to each Lot within a recorded Plat on the first day of the first month following the conveyance of such Lot by the Declarant to an Owner (other than Builder), or by Builder to an Owner who is an end-user. The Board of Directors shall fix any increase in the amount of the yearly assessments at least thirty (30) days in advance of the effective date of such increase. Written notice of any increase in the Regular Yearly Assessment, and written notice of any Special Assessment and such other assessment notices as the Board of Directors shall deem appropriate, shall be sent to every Owner subject thereto. The due dates for all assessments, and the assessment and collection periods (i.e., annual, monthly, lump-sum or otherwise) for any Special Assessments, shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an Officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any Lot shall be binding upon the Association as of the date of its issuance.

Section 5.8 Effect of Nonpayment of Assessments: Remedies of the Association. If any assessment (or periodic installment of such assessment, if applicable) is not paid on the due date established therefore pursuant to this Declaration, then the entire unpaid assessment (together with interest thereon, costs and reasonable attorneys' fees as provided in this Declaration) shall become delinquent and shall constitute a continuing lien on the Lot to which such assessment relates, binding upon the then Owner, his/her heirs, devisees, successors and assigns. The personal obligation of the then Owner to pay such assessments, however, shall not pass to such Owner's successors in title unless expressly assumed by them. If any assessment is not paid within thirty (30) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property, or both. In such event, there shall be added to the amount of such assessment the costs and attorney's fees of preparing and filing the complaint in such action; and in the event a judgment is obtained such judgment shall include interest on the assessment as above provided, costs of the action and reasonable attorneys' fees to be fixed by the court. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area owned by the Association or abandonment of his Lot.

Section 5.9 Subordination of the Lien to Mortgages: Sale or Transfer. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The sale or transfer of any Lot pursuant to the foreclosure of any first mortgage on such Lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. No sale or transfer of any Lot (whether voluntary or pursuant to foreclosure or otherwise) shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof; and, except as hereinabove provided, the sale or transfer of any Lot shall not affect the lien of assessments becoming due prior to the date of such sale or transfer except to the extent that a purchaser may be protected against the lien for prior assessments by a binding certificate from the Association, issued pursuant to this Declaration, as to whether or not such assessments have been paid.

Section 5.10 Declarant/Builder Loan. In the event the Association is operating at a deficit, the Declarant and/or Builder may, at Declarant and/or Builder's option, make a contribution toward the Association budget in order to assist with the operating costs. Any such advances made by Declarant and/or Builder shall be treated as a loan, payable on demand by Declarant and/or Builder. This Section shall be subject to the limitations established by Indiana law.

ARTICLE VI

Paired Patio Homes

Section 6.1 "Paired Patio Lots" in The Reserve at Rocklane Ridge shall be designated for Paired Patio Homes and shall be "low maintenance" homes, which will be provided certain additional services as defined herein. The requirements in this Article VI shall apply **only** to the Paired Patio Homes in the Reserve at Rocklane Ridge. Such Lots shall be identified with an A or B on the plat, and shall be subject to all of the terms included in the Declaration, in addition to the following additional services.

Section 6.2 Low Maintenance Services. Owners of Lots in The Reserve at Rocklane Ridge shall pay an additional maintenance assessment as identified in Section 5.3(b), as determined by the Association, which shall allow for those homes to be provided with certain additional services. Those services shall include:

- a. Lawn Care. For those portions of Lots that are not enclosed by a fence (the "Unfenced Areas"), the Association shall be responsible for mowing on an approximately weekly basis. Owners shall be responsible for mowing, cleaning and maintaining those portions of Lots that are enclosed by a fence (the "Fenced Areas"). The mowing season shall commence no earlier than May 1 and shall end no later than October 20 of each year; provided, however, that these dates, as well as the frequency of times the yards are mowed, are subject to such change as the Association shall reasonably deem necessary, in light of the weather conditions and seasonal changes for a particular mowing season. Unfenced Areas shall be mowed to a height of 3". Lawn Care shall also include lawn fertilization, mulch in mulch beds once per year, and edging along driveway, sidewalk and curbs twice per year.
- b. Snow Removal. For snowfalls 2" or greater, the Association will remove snow from roads, driveways, and sidewalks leading from the driveway on a Paired Patio Lot to the front door of the residence on such Paired Patio Home.

Owners of the Paired Patio Lots shall still be responsible for edging around fences, shrubs, and bushes. Maintenance shall mean solely those items expressly mentioned herein. Maintenance shall also not include:

- a. Removal, replacement, or trimming of shrubs, bushes or trees; or
- b. Watering of lawns, plants, flowers, shrubs, trees, etc.

Section 6.3 Party Walls. Each Party Wall was built as part of the original construction of a Residence and situated upon the dividing line between two Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability of Owners for property damage due to negligence or willful acts or omissions in connection with party walls shall apply thereto.

Section 6.4 Maintenance and Destruction of Party Walls. If any party wall is damaged or destroyed by (i) fire or other casualty, or (ii) ordinary wear and tear and deterioration from lapse of time, or (iii) or by some cause other than the act of one of the adjoining Owners, its agents, family, household or guests, then both adjoining Owners shall proceed forthwith to rebuild or repair the structural components of such party wall, sharing equally the cost thereof, and each individual Owner shall proceed forthwith to rebuild or repair the non-structural components of such wall in proportion to their respective uses of the party wall. Any and all such reconstruction and/or repairs shall be completed immediately to the extent that the failure to commence and/or complete such reconstruction and/or repairs would result in an immediate risk to human health and/or safety. All other reconstruction and/or repairs shall be completed within three (3) months following the casualty or other event that damaged or destroyed such party wall, unless a longer period of time is approved in writing by the Association. If a party wall is in a condition that is of such a nature that it has or will (if left uncorrected) result in further damage or destruction of such party wall, the reconstruction and/or repairs shall be completed within a reasonable time, not exceeding six (6) months following the initial discovery of the condition. Any and all such reconstruction and/or repair shall be made in a good and workmanlike manner, in compliance with all requirements of applicable state and local governing authorities and otherwise in compliance with all applicable laws, ordinances, rules and regulations, to the same or better condition as existed prior to such condition, damage or destruction. Each Owner shall have an easement over that part of the other Owner's Lot that is necessary or desirable in order to repair, restore or replace the party wall.

Section 6.5 Repairs for Damage Caused by One Owner. If any such party wall is damaged or destroyed through the act of one or more adjoining Owners, or their respective agents, families, households or guests (collectively the "Offending Parties"), whether or not such act is negligent or otherwise culpable, so as to deprive another adjoining Owner of the use and enjoyment of the party wall, then the Owner(s) of the Residence(s) from whence the Offending Parties committed the act that caused the damage or destruction, shall forthwith proceed to rebuild and repair the same, in the manner required under Section 32.2 above, without cost to the adjoining Owner.

Section 6.6 Use; Other Changes. Either Owner shall have the right to use the side of the party wall facing the Owner's Residence in any lawful manner, including attaching structural or finishing materials to it; however, in addition to meeting the other requirements of this Declaration and of any building code or similar regulations or ordinances, any Owner proposing to modify, make additions to or rebuild its Residence in any manner which involves the alteration of any party wall shall first obtain the written consent of the adjoining Owner, whose consent shall not be unreasonably withheld, conditioned or delayed. If the adjoining Owner has not responded in writing to the requesting Owner within twenty-one (21) days of its receipt of any such written request, given by registered or certified mail, return receipt requested, such consent of the adjoining Owner shall be deemed to have been given.

Section 6.7 Right to Contribution Runs with the Land; Failure to Contribute. The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the land and shall pass to such Owner's successors in title. If either Owner shall neglect or refuse to pay the Owner's share under this Section, or all of the cost in case of the negligence or willful misconduct of such Owner, the other Owner may have the party wall repaired or restored and shall be entitled to have a mechanic's lien on the property of the Owner failing to pay for the amount of its share of the repair or replacement cost.

Section 6.8 Dispute. In the event of a dispute between or among Owners with respect to the repair or rebuilding of a party wall or with respect to the sharing of the cost thereof, then upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board, who shall decide the dispute and whose decision shall be final.

ARTICLE VII

Use Restrictions, and Architectural Control

Section 7.1 Lot Use and Conveyance. All Lots shall be used exclusively for single family detached residential purposes, except that Declarant, during the Development Period, reserves (a) the rights provided in this Declaration respecting the Property generally, and (b) the right to subdivide, dedicate or otherwise convey or designate all or any portion of any one or more Lots which it may own from time to time for recreational or other common uses and benefit of all Owners and other members of the Association. Any Lot or portion thereof so designated for common use shall become part of the Common Area owned by the Association, and reasonable rules and regulations shall be promulgated and enforced with respect thereto so that the use and enjoyment of adjacent Lots by the Owners thereof shall not be unreasonably disturbed. Except as provided in the Declaration, no Lot shall be subdivided to form units of less area. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the covenants, conditions and restrictions contained herein.

Section 7.2 Architectural Control. No building, mailbox, fence, satellite dish, wall or other structure, except original construction of Dwelling Units by or on behalf of the Declarant, shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein, other than by the Declarant, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Declarant, until the end of the Development Period, and thereafter by the Board of Directors of the Association. After the Development Period, the Board of Directors may appoint three (3) or more representatives to an Architectural Committee. Any change in the appearance or the color of any part of the exterior of a residence shall be deemed a change thereto and shall require the approval therefore as above provided. However, there shall be no such approval of the planting of hedges, the installation of walls, fences, structures and/or other improvements prohibited in this Declaration, and any such approval shall be null and void. In the event that written approval is not received as required hereunder within thirty (30) days after complete plans and specifications have been submitted, then the request for approval shall be deemed denied.

Declarant intends that the members of the Architectural Committee exercise discretion in the performance of their duties consistent with the provisions hereof, and every Owner by the purchase of a Lot shall be conclusively presumed to have consented to the exercise of discretion by such members. In any judicial proceeding challenging a determination by the Architectural Committee and in any action initiated to enforce this Declaration in which an abuse of discretion by the Architectural Committee is raised as defense, abuse of discretion may be established only if a reasonable person, weighing the evidence and drawing all inferences in favor of the Architectural Committee, could only conclude that such determination constituted an abuse of discretion.

The Architectural Committee may inspect work being performed without the Owner's permission to assure compliance with these restrictions and applicable regulations.

Neither the Architectural Committee nor any agent thereof, nor the Declarant, or Association shall be liable in any way for costs, fees, damages, delays or any charges or liability whatsoever relating to the approval or disapproval of any plans submitted to it, nor shall the Architectural Committee, Association or Declarant be responsible in any way for any defects in any plans, specifications or other materials submitted to it, or for any defects in any work done according thereto. Further the Architectural Committee, Association and/or Declarant make no representation or warranty as to the suitability or advisability of the design, the engineering, the method of construction involved, or the materials to be used. All parties should seek professional construction advice, engineering, and inspections on each Lot prior to proposing construction.

Section 7.3 Leasing. Any Lot may be leased by its Owner.

Section 7.4 Animals. No animals shall be kept or maintained on any Lot except domestic, household pets traditionally kept in individual residences throughout the State of Indiana. All such pets shall be kept reasonably confined so as not to become a nuisance. Section 7.5 Outside Storage. All clotheslines, equipment, garbage cans, service yards, woodpiles or storage piles shall be kept from view of neighboring homes and streets. All rubbish, trash or garbage shall be regularly removed from the premises, and shall not be allowed to accumulate thereon. Trash must be stored in enclosed containers.

Section 7.6 Front Setback Lines. Front Building lines are hereby established as shown on the Plat. Between such Front Building lines and the right-of-ways lines there shall be erected, placed or altered no structure or part thereof. The building lines which are from public right-of-way lines are parallel to and measured perpendicularly from these public right-of-way lines.

Section 7.7 Side and Rear Setbacks. The minimum side yard and minimum rear yard requirements shall be those established by the applicable zoning and subdivision control ordinances, subject to variances granted to Declarant by applicable zoning authorities.

Section 7.8 Temporary Structures and Outbuildings. No tent, shack, basement (other than as part of a Dwelling Unit constructed on a Lot), detached garage, barn, storage shed, mini-storage barn or other out-building shall be erected, placed, or constructed upon any Lot.

Section 7.9 Motor Vehicle Repairs. The repair of inoperative motor vehicles or material alteration of motor vehicles shall not be permitted on any Lot unless entirely within a garage permitted to be constructed per the terms of the Declaration.

Section 7.10 Nuisances. No noxious or offensive activities shall be carried on or be permitted to exist on any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance. Any structure or building permitted to be constructed on a Lot by this Declaration, which may be all or in part destroyed by fire, wind, storm or any other reason, shall be rebuilt and restored to its previous condition within a reasonable length of time, and all debris accumulated in connection therewith shall be removed within a reasonable time after any such occurrence. It shall be the responsibility of each Owner to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on his or her Lot. The pursuit of hobbies or other activities, specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly, or unkempt conditions, shall not be pursued or undertaken on any Lot. Nothing which could cause embarrassment, discomfort, annoyance or nuisance to the occupants of other portions of the Subdivision or which result in a cancellation of any insurance for any portion of the Subdivision, or which would be in violation of any law or governmental code or regulation shall be permitted in the Subdivision. Without limiting the generality of the foregoing provisions, no horns, whistles, bells or other sound devices, except security and fire alarm devices used exclusively for such purposes, shall be located, used, or placed within the Subdivision. Any Owner, or his family, tenants, guests, invitees, servants, or agents, who dumps or places any trash or debris upon any portion of the Subdivision shall be liable to the Association for the actual costs of removal thereof or the sum of \$150.00, whichever is greater, and such sum shall be added to and become a part of that portion of any assessment next becoming due to which such Owner and his Lot are subject.

Section 7.11 Permitted Uses. No use shall be made of any Lot except as permitted by this Declaration and the applicable zoning and subdivision control ordinances under which this Property is developed.

Section 7.12 Drains and Vents. No house footing drain or roof water drain shall be discharged into the sanitary sewers.

Section 7.15 Unsightly Growth. In order to maintain the standards of the Property, no weeds, underbrush or other unsightly growths shall be permitted to grow or remain upon any Property, and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain anywhere thereon. Failure to comply shall warrant the Declarant or the Association to cut weeds or clear the refuse from the Property at the expense of the Owner, and there shall be a lien against said Property for the expense thereof, which lien shall be due and payable immediately. If such lien is not promptly paid, the Association or the Declarant may file suit and recover such amount together with reasonable attorneys' fees and costs of collection.

No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water, elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. A Lake may not be used for swimming, ice skating, boating, or for any other purpose, except for drainage of the Property, unless expressly and specifically approved by the Board of Directors in writing and allowed by law. The same obligation shall apply to an Owner, and not the Association, for damage or destruction to the Owner's Dwelling Unit. For purposes of this Section, repair, reconstruction and restoration shall mean construction or rebuilding of the damaged property to as near as possible the same condition as it existed immediately prior to the damage or destruction, with the same or a similar type of architecture.

No delay or failure by any person to enforce any of the restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

Section 12.3 Assignment. Declarant may at any time assign some or all of its rights and obligations under this Declaration. Such assignment shall be effective after it is executed and recorded by Declarant with the Recorder of the County in which the Property is located.
