STATE OF INDIANA
 COUNTY OF MORROE

Before me, a Notary Public in and for the State of Indiana and Morroe County, personally appeared Troy Edward Jarvis personally known to me to be owner of the described real estate, and who acknowledged the execution of the foregoing plat for the Shawnee Bluffs Subdivision, as his voluntary act and deed for the use and purposes therein expressed.

WITNESS my hand and Notarial Seal this 18th day of January, 2008.
 My Commission Expires: 07/11/08

Ronda R. Brown
 Ronda R. Brown, Notary Public
 a Resident of Morroe County

Boundary Survey for this property was completed by Douglas R. Curry, Indiana L# 890006 on the 14th day of August, 2003.

Building Sites. Given the environmentally sensitive location of Shawnee Bluffs Estates, all construction sites must be carefully determined.

(1) Lot Clearing Restrictions. No clearing or cutting of trees shall be permitted on individual lots beyond tree cutting and clearing required in order to reasonably facilitate construction of the residential structure, any authorized accessory structures and creation of a yard, drives and related improvements. Clearing and cutting of trees greater than 11" in diameter shall be limited to no more than 2/4 acre on any lot. A plot plan shall be submitted to the ABB and to the County at the time of building permit application in clear showing the area, if any that is to be cleared that has trees greater than 11" diameter. The area of clearing shown on the plot plan shall be staked on the lot for inspection by the County prior to issuance of the building permit. The tree diameter shall be measured 36" above the ground. The plot plan and staking shall be certified by a surveyor licensed in the State of Indiana.

(2) Principal Residence. Each lot shall be allowed one single-family residence but will not be allowed to also have a guesthouse as normally allowed by Morroe County Code. Lot 5 is an exception. The cabin on Lot #5 will be allowed to be utilized as a principal residence or guesthouse and other residential structure added to the lot.

(3) Building Area Restrictions. The allowable building area on each lot is significantly limited by the Morroe County Environment Constraints Overlay regulations (ECO). Chapter 825 of the Morroe County Code. The approximate limit of the controlled area is illustrated on the plot as slope restricted areas in ECO zone 1 and ECO zone 2. The following additional restrictions apply:

(a) The home site and related construction on lots 6, 7, 8, 9, and 10 shall be done only on the west side of the 50' Access and Utility Easement "D" as shown on the recorded plat.

(b) The home site and related improvements on lot #15 shall be done only on the north side of the 20' Access and Utility Easement "C" as shown on the recorded plat.

(c) No development can occur on the eastern side of Rush Ridge Road except on lots 11 - 16 where there is at least 1 acre of contiguous land equal to or less than 12% slope.
