The same sight line limitations shall apply on any lot within ten (10) feet from the intersection of a street property line, with the edge of a driveway or alley pavement. A four (4) foot concrete public sidewalk parallel to the streets shall be installed by buyer concurrent with the installation of driveway(s). Provided, however, in any event, buyer shall install said sidewalk(s) no later than one year from date that premises are deeded to him.

I. Said committee may be abolished at any time at the owner's discretion, provided a written document is recorded accordingly.

The foregoing covenants, restrictions, and conditions shall run with the land and shall be binding upon all parties owning, or claiming any interest in any lot, or part thereof, in said addition, and all persons claiming under them until January 1, 1991, at which time they shall be automatically extended for successive periods of ten years unless by vote of the majority of the then owners of the lots of the addition, it is agreed to change or abolish said covenants, restrictions, and conditions.
