F. Owning all Common Areas when deeded to and paying taxes and assessments levied and assessed against, and payable with respect to, the Common Areas and paying any other necessary expenses and costs in connection with the Common Areas

Section 204. Assessments

A. Creation of the Lien and Personal Obligation of Assessments. Each owner of any lot in the subdivision, except the Developer, by acceptance of a deed therefor, whether or not it shall be expressed in such a deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges; and (2) special assessments for capital improvements and operating deficits; such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, shall be a charge on the land until paid in full and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment was due. The personal obligation for delinquent assessment shall not pass to his successors in title unless expressly assumed by them. No charge or assessment shall ever be levied by the Association against the Developer.

B. Date of Commencement of Annual Assessment. The annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed. The Board of Directors shall fix any increase in the amount of the yearly assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of annual assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject hereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, at any time, furnish a certificate in writing signed by an officer of the Association that the assessments on a specific lot have been paid or that certain assessments against said lot have not been paid, as the case may be.

C. Special Assessments: In addition to the annual operating assessment, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose. Written notices for such meetings shall be sent 30-60 days in advance of the meeting and at least 60% of all possible votes must be cast to constitute a quorum.

D. Remedies for Non-Payment: Any charge assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of 12% per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the owing in any court of competent jurisdiction. The owner of the lot or lots shall, in addition to charges owed, be obligated to pay all costs incurred by the Association, including attorney's fees, in collecting the charges due. Every owner of a lot in the Development and any person who may acquire any interest in any lot in the Development, whether as owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

E. Subordination of the Lien to Mortgage. The lien of the assessments provided herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien.

Section 205. Management of Board of Directors

The business and affairs of the Association shall be governed and managed by the Board of Directors. No person shall be eligible to serve as a member of the Board of Directors unless he is, or is deemed in accordance with this Declaration to be, an owner, including a person appointed by Declarant as provided in Section 202 of this Article II.

Section 206. Initial Board of Directors

The initial Board of Directors shall be composed of the persons designated or to be designated by the Developer. Notwithstanding anything to the contrary contained in, or any other provisions of, this Declaration or these Articles, (a) the Initial Board shall hold office until the first meeting of the members of the Association occurring on or after the Applicable Date, and (b) in the event of any vacancy or vacancies occurring in the Initial Board for any reason or cause whatsoever prior to such first meeting occurring on or after the Applicable Date determined as provided above, every such vacancy shall be filled by a person appointed by Developer, who shall thereafter be deemed a member of the Initial Board. Each owner, by acceptance of a deed to a lot with, or by acquisition of any interest in a dwelling house by any type of juridic acts inter vivos or causa mortis, or otherwise, shall be deemed to have appointed Developer as such owner's agent, attorney-in-fact and proxy, which shall be deemed coupled with an interest and irrevocable until the Applicable Date

INSTR. # 9500687

determined as provided above, to exercise all of said owner's right to vote, and to vote as Developer determines, on all matters as to which members of the Association are entitled to vote under the Declaration, these Articles or otherwise. This appointment of Developer as such owner's agent, attorney-in-fact and proxy shall not be affected by incompetence of the owner granting the same. Each person serving on the Initial Board, whether as an original member thereof or as a member thereof appointed by Developer to fill a vacancy, shall be deemed a Special member of the Corporation and an owner solely for the purpose of qualifying to act as a member of the Board of Directors and for no other purpose. No such person serving on the Initial Board shall be deemed or considered a member of the Association nor an owner of a lot for any other purpose (unless he is actually the owner of a lot and thereby a member of the Association).

Section 207. Additional Qualifications of Board of Directors

Where an owner consists of more than one person or is a partnership, corporation, trust or other legal entity, then one of the persons constituting the multiple owner, or a partner or an officer or trustee, shall be eligible to serve on the Board of Directors, except that no single lot or dwelling house may be represented on the Board of Directors by more than one person at a time.

Section 208. Term of Office and Vacancy of Board of Directors

Subject to the provisions of Section 205 of this Article II, the entire membership of the Board of Directors shall be elected at each annual meeting of the Association. The Initial Board shall be deemed to be elected and re-elected as the Board of Directors at each annual meeting until the first meeting of the members occurring on or after the Applicable Date provided herein. After the Applicable Date, each member of the Board of Directors shall be elected for a term of one (1) year. Each Director shall hold office throughout the term of his election and until his successor is elected and qualified. Subject to the provisions of Section 206 of this Article II as to the Initial Board, any vacancy or vacancies occurring in the Board shall be filled by a vote of a majority of the remaining members of the Board or by vote of the owners if a Director is removed in accordance with Section 209 of this Article II. The Director so filling a vacancy shall serve until the next annual meeting of the members and until his successor is elected and qualified.

Section 209. Removal of Directors

A Director or Directors, except the members of the Initial Board, may be removed with or without cause by vote of a majority of the votes entitled to be cast at a special meeting of the owners duly called and constituted for such purpose. In such case, his successor shall be elected at the same meeting from eligible owners nominated at the meeting. A Director so elected shall serve until the next annual meeting of the owners and until his successor is duly elected and qualified.

Section 210. Duties and Powers of the Board of Directors

The Board of Directors shall be the governing body of the Association representing all of the owners and being responsible for the functions and duties of the Association. The Board of Directors shall have such powers as are reasonable and necessary to accomplish the performance of these duties. After the Applicable Date, the Board may, on behalf of the Association, employ a reputable and recognized professional property management agent (herein called the "Managing Agent") upon such terms as the Board shall find, in its discretion, reasonable and customary. The Board of Directors are also responsible for the assessment and collection from the owners of the owners' respective shares of the expenses necessary to carry out all the functions of the Association. Board of Directors shall notify all lot owners of any increase in the amount of the yearly assessment a minimum of thirty (30) days before the increase is in effect; to include the cost of performing all of its functions, duties and obligations as Common Expense and to pay all of such costs therefrom.

Section 212. Limitation of Board Action

After the Applicable Date, the authority of the Board of Directors to enter into contracts shall be limited to contracts involving a total expenditure of less than \$2,500.00 without obtaining the prior approval of a majority of the cumulative vote of the owners, except that in the following cases such approval shall not be necessary:

- a. contracts for replacing or restoring portions of the Common Areas damaged or destroyed by fire or other casualty where the cost thereof is payable out of insurance proceeds actually received or for which the insurance carrier has acknowledged coverage;
- b. proposed contracts and proposed expenditures expressly set forth in the proposed annual budget as approved by the owners at the annual meeting; and
- c. expenditures necessary to deal with emergency conditions in which the Board of Directors reasonably believes there is insufficient time to call a meeting of the owners.

Section 213. Compensation of Board of Directors

No Director shall receive any compensation for his services as such, except to such extent as may be expressly authorized by a majority vote of the owners. The Managing Agent, if any is employed, shall be entitled to reasonable compensation for its services, the cost of which shall be a Common Expense.

Section 214. Non-Liability of Directors and Officers

The Directors and officers of the Association shall not be liable to the owners or any other persons for any error or mistake of judgement exercised in carrying out their duties and responsibilities as Directors and officers, except for their own individual willful misconduct, bad faith or gross negligence. The Association shall indemnify and hold harmless and defend each of the Directors and officers against any and all liability to any person, firm or corporation arising out of contracts made by the Board on behalf of the Association, unless any such contract shall have been made in bad faith. It is intended that the Directors and officers shall have no personal liability with respect to any contract made by them on behalf of the Association.

Section 215. Additional Indemnity of Directors and Officers

The Association shall indemnify, hold harmless and defend any person, his heirs, assigns and legal representatives, made a party to any action, suit or proceeding by reason of the fact that he is or was a Director or officer of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense of such action, suit or proceeding, or in connection with any appeal therein, except as otherwise specifically provided herein in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Director or officer is liable for gross negligence or misconduct in the performance of his duties. The Association shall also reimburse to any such Director or officer the reasonable costs of settlement of or judgement rendered in any action, suite or proceeding, if it shall be found by a majority vote of the owners that such Director or officer was not guilty of gross negligence or misconduct. In making such findings and notwithstanding the adjudication in any action, suit or proceeding against a Director or officer, no Director or Officer shall be considered or deemed to be guilty of or liable for negligence or misconduct in the performance of his duties where, acting in good faith, such Director or officer relied on the books and records of the Association or statements or advice made by or prepared by the Managing Agent (if any) or any other officer or employee thereof, or any accountant, attorney or other person, firm or corporation employed by the Corporation to render advise or service unless such director or officer had actual knowledge of the falsity or incorrectness thereof, nor shall a Director or officer be deemed guilty of or liable for negligence or misconduct by virtue of the fact that he failed or neglected to attend a meeting or meetings of the Board of Directors.

Section 216. Bond of Board of Directors

The Board of Directors may provide surety bonds and may require the Managing Agent (if any), the treasurer of the Association, and any other officers as the Board deems necessary, to provide surety bonds, indemnifying the Association against larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, willful misapplication, and other acts of fraud or dishonesty, in such sums and with such sureties as may be approved by the Board of Directors; and any such bond shall specifically include protection for any insurance proceeds received for any reason by the Board. The expense of any such bonds shall be a Common Expense.
