CONDITIONS, AND RESTRICTIONS

WHEREAS, the real estate described in what is attached hereto and incorporated herein by reference as Exhibit "B" shall hereafter be referred to as the "Additional Real Estate".

WHEREAS, Declarant desires to subdivide and develop the Real Estate and Declarant may, in the future, desire to subdivide and develop such portions (or all) of the Additional Real Estate as may be made subject to the terms of this Declaration, as hereinafter provided;

WHEREAS, the term "Property" shall hereafter mean and refer to the Real Estate together with such portions of the Additional Real Estate as have from time to time been subjected to this Declaration.

NOW, THEREFORE, the Declarant hereby declares that all of the Lots (hereafter defined) in the Property, as they are held and shall be held, conveyed, hypothecated, or encumbered, leased, rented, used, occupied, and improved, are subject to the following restrictions, all of which are declared to be in furtherance of a plan of the improvement and sale of the Property and each Lot situated therein, and are established and agreed upon for the purpose of enhancing and protecting the value, desirability and attractiveness of the Property as a whole and each of the Lots situated therein. This Declaration shall run with the Property and shall be binding upon the Declarant, its successors and assigns, and upon the parties having or acquiring any interest in the Property or any part or parts thereof subject to these restrictions. The restrictions shall inure to the benefit of the Declarant and its successors in title to the Property or any part or parts thereof.

As of the date of execution hereof, the Property consists solely of the Real Estate. The Owner of any Lots subject to these restrictions, by (i) acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant, a Builder, or a subsequent Owner of such Lot or (ii) the active occupancy of any Lot, shall accept such deed, execute such contract and/or actively occupy such Lot subject to each restriction and agreement herein contained.

Declarant shall have the right, and hereby reserves on to itself the right, at any time, and from time to time, at any time prior to the expiration of the Development Period, to add to the Property and subject to this Declaration all or any part of the Additional Real Estate. Any portion of the Additional Real Estate shall be added to the Property, and therefore and thereby becomes a part of the Property and subject in all respects to this declaration and all rights, obligations, and privileges herein, when Declarant places of record in Hendricks County, Indiana an instrument so declaring the same to be part of the Property, which supplementary declaration (hereafter "Supplementary Declaration") may be as part of a subdivision plat for any portion of the Additional Real Estate, or by an amendment or supplement to this Declaration. Such Supplementary Declaration may contain modifications hereto and additional terms,

conditions, restrictions, maintenance obligations, and assessments as may be necessary to reflect the different character, if any, of the Additional Real Estate.

Upon recording of any such instrument on or before the expiration of the Development Period, the real estate described therein shall, for all purposes, thereafter be deemed a part of the Property and the Owners of any Lots within such real estate shall be deemed for all purposes, to have and be subject to all of the rights, duties, privileges, and obligations of Owners of Lots within the Property. No single exercise of Declarant's right and option to add and expand the Property as to any part or parts of the Additional Real Estate, shall preclude Declarant from thereafter from time to time further expanding and adding to the Property to include other portions of the Additional Real Estate, and such right and option of expansion may be exercised by Declarant from time to time as to all or any portions of the Additional Real Estate so long as such expansion is accomplished on or before the expiration of the Development Period. Such expansion of the Property is entirely at the sole discretion of the Declarant and nothing contained in this Declaration or otherwise shall require Declarant to expand the Property beyond the Real Estate, or to any portions of the Additional Real Estate which Declarant may voluntarily and in its sole discretion from time to time subject to this Declaration.

Lots may be used only for single-family residential purposes and only one Residence not to exceed the maximum height permitted by and measured pursuant to the Zoning Ordinance of the Town of Brownsburg, Indiana, may be constructed thereon. No portion of any Lot may be sold or subdivided such that there will be thereby a greater number of Residences in Summer Ridge than the number of Lots depicted on the Plat. ARTICLE III

EASEMENTS

Section 3.1 Designated Easements. The following are easements designated or to be designated, in the Declarant's sole discretion, upon a plat:

(A) Designated Drainage, Utility, and Sewer Easements. There are strips of ground designated on the Plat as drainage easements, utility easements, sewer easements, sanitary sewer easements and storm sewer easements, or any combination thereof, which are hereby reserved to the appropriate governmental entities, public utilities, and private utilities for the installation and maintenance of swales, ditches, pipes, drains, sanitary sewers, manholes, detention and retention areas or other drainage facilities. Purchasers of Lots in this subdivision shall take title subject to such easements hereby created and subject at all times to the rights of proper authorities to service and maintain such drainage facilities and easements, and no permanent structure of any kind and no part thereof, except fences which do not retard or impede the flow of drainage water and which are approved by any entity to which the easement is dedicated and pursuant to Section 5.6 below, shall be built, erected or maintained on said drainage easements, except by the Declarant or its assigns. It shall be the responsibility of the Association and the Owners of the areas enclosed within such easements to maintain such areas in such conditions that the flow of storm drainage waters on, across and from said areas shall not be impeded, diverted or accelerated. Such use for storm water movement or retention or detention is hereby declared to be an easement and servitude upon said land for the benefit of the Owners of other land included within the Plat, upstream or downstream, affected by such use and for any proper governmental agency or department or any private or public utility. All proper governmental agencies or departments and public and private utilities are hereby given the right to obtain access to such areas to perform maintenance and to perform such maintenance as may be necessary to protect that easement and servitude rights. It shall be the responsibility of the Association and the Owner of any Lot or parcel of land within the Plat to comply at all times with the provisions of the drainage plan as approved for the applicable Plat by the appropriate governmental agency or department and the requirements of all drainage permits for such Plat issued by those agencies. Failure to so comply shall operate as a waiver and release of the Declarant, the developer, or their engineers and agents from all liability as to damage caused by storm waters or storm drainage.

Further, there are easements and servitudes upon the land within the Plat in favor of surface water runoff along natural valleys and drainage channels running to Owners of other land contained within the Plat, upstream and downstream. It shall be the responsibility of the Association and the Owners of these natural valleys and channels to use their land and maintain said natural valleys and channels in such manner and condition that the flow of storm drainage waters on, across, from and to such areas shall not be impeded, diverted or accelerated.

(B) Designated Mounding, Landscaping, and Screening and Sign Easements. Any strips of grounds shown or designated on the Plat for landscaping including, but not limited to, landscape easements, landscape maintenance easements, and/or landscape maintenance access easements are hereby reserved unto Declarant, during the Development Period, and, thereafter, unto the Association, for the purposes of (i) providing signs which either advertise the Property

and the availability of Lots or identify the Property or, (ii) installing landscaping, mounding, and screening. Declarant reserves unto itself during the Development Period and thereafter unto the Association, the exclusive and sole right to erect signs and install landscaping, mounding, and screening within these strips of ground. Notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, fences or other improvements shall be erected or maintained in the area of such easements, except by the Declarant during the Development Period, and thereafter by the Association. Furthermore, notwithstanding anything in this Declaration to the contrary, no planting shall be done, and no hedges, walls, fences, structures, or other improvements shall be erected between (i) any landscape easement or landscape maintenance easement, and (ii) any perimeter roadway, public highway or right-of-way along the perimeter or boundary of the Property, except by the Declarant during the Development Period and thereafter by the Association.

(C) Easement Work. Notwithstanding any architectural approval under Article VII below, during the course of any maintenance, service, repair or work upon any easement, the Declarant, the Association, any private utility, any public utility, and/or any governmental entity shall have the right and the authority, without any obligation or liability whatsoever to any owner, to remove, damage, or destroy any fence or other structure or landscaping built, erected, maintained or planted in any easement described in Section 3.1 (A) above and without any obligation of replacement.

Section 3.2 General Drainage Utility Sewer and other Development Easements. The following rights reserved in this Section shall not be exercised, after the conveyance of any Lot, in a manner that (i) unreasonably and adversely affects any Residence or portion thereof located upon such Lot or the Owner's use or enjoyment thereof, or (ii) unreasonably restricts the rights of ingress and egress to such Lot. The following rights and easements reserved by Declarant in this Section shall run with the land, and Declarant's right to further alter or grant easements shall automatically terminate and pass to the Association one (1) year after Declarant shall have conveyed the last Lot within the Property.

(A) Declarant hereby reserves unto itself during the Development Period, and thereafter unto any public or private utility, a general easement ("Drainage, Utility and Sewer Easement") for drainage, utility and sewer purposes in, on and over all of the Common Area and any Lot, so as to permit Declarant to properly install and allow to be maintained all electrical, telephone, water, gas, sanitary and storm sewer, television (including but not limited to cable and/or satellite) transmission facilities, security systems and other utility services (including all necessary lines, pipes, wires, cables, ducts, antennae and other equipment and facilities) to serve any Residence. Any Drainage, Utility, Sewer and other Development Easement shall include all areas of the Property outside any Residence, with the exception of any areas covered by chimneys, or patios. Improvements or permanent structures installed within the Common Area are subject to the rights (including the right to remove where reasonably necessary without duty of replacement or reimbursement) of the Declarant and any public or private utility to construct, maintain, repair or remove any necessary facilities. By virtue hereof, Declarant reserves the right to install a lake(s) or pond(s) on any Common Area. The rights hereunder and easements hereby reserved survive the conveyance, by the Declarant to the Association, of any Common Area. This easement shall be in addition to any easement defined upon a Plat as a drainage, sewer, utility, cable, landscape, sign, transmission, flowage or similar type easement.

(B) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, an easement ("Lake Easement") and right-of-way in and to any Lake Area (s) or

6

areas now or hereafter shown on the Plat as a "Block", "Common Area", or "Lake" or any other Common Area within the Property used as a water retention or detention area, or on which a Lake now exists or is later constructed, for the purpose of fulfilling any maintenance obligations set forth in this Declaration and/or establishing and maintaining proper surface water drainage throughout the Property, including dewatering maintenance, and an easement of ingress and egress through so much of the remainder of the Property as is reasonably necessary or appropriate, to perform such actions as Declarant or the Association deem necessary or appropriate, for the purpose of establishing and maintaining proper surface water drainage throughout the Property, which such actions shall include the construction, repair and maintenance of retention and detention ponds or lakes in accordance with the requirements of applicable law and of all governmental agencies having jurisdiction (without undertaking any obligation or duty to exceed such requirements).

(C) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the right and an undefined sign and facilities easement ("Sign and Facilities Easement") to install, erect, construct and maintain an entryway sign or signs, directional signs, advertising signs advertising the Property or the Lots therein, lighting, walkways, pathways, fences, walls and any other landscaping, architectural and recreational features or facilities considered necessary, appropriate, useful or convenient, anywhere upon the Property (except upon any Lot after the first conveyance thereof). Any such signs shall comply with any applicable zoning requirements and all such facilities shall be maintained by the Association as a part of its Common Area maintenance obligations.

(D) Declarant reserves unto itself during the Development Period, and thereafter unto the Association, the full right, title and authority to:

(i) Relocate, alter or otherwise change the location of any Drainage, Flowage, Utility, Sewer and Lake, Sign and Facilities Easement, or any facility at any time located therein or thereon;

(ii) Grant such further easements, licenses and rights-of-way, temporary or permanent, exclusive or non-exclusive, surface or otherwise, as Declarant may deem necessary or appropriate, for ingress and egress, utility and similar purposes on or within any portion of the Property, for the benefit of the Property or any portion thereof; and,

(iii) Describe more specifically or to change the description of any Drainage, Flowage, Utility, Sewer, Lake, Sign and Facilities Easement or any other easement, license or right-of-way now or hereafter existing on the Property, by written instrument, amended Plat or amendment to the Plat recorded in the Office of the Recorder of Hendricks County, Indiana.

(E) The title of the Association (as to the Common Area owned by the Association during the Development Period) and of any Owner of any Lot shall be subject to the rights and easements reserved herein.

ARTICLE IV

ADDITIONAL PROVISIONS RESPECTING OF SANITARY SEWER UTILITY

7

Section 4.1 Sanitary sewer utility easements allow for the construction, extension, operation, inspection, maintenance, reconstruction, and removal of sanitary sewer facilities and give utility companies the right of ingress/egress.

Section 4.2 No trees shall be planted directly over building sewers (laterals). Any landscaping placed within easements or right-of-ways is at risk of being removed, damaged, or destroyed by the applicable utilities without the obligation of replacement.

Section 4.3 No mounding, lighting, fencing, signs, retaining walls, landscaping walls, entrance walls, irrigation lines, or other improvements shall be placed within ten (10) feet of the center of the sanitary sewer infrastructure. Any of these which are placed within easements or right-of-ways is at risk of being removed by the applicable utilities without the obligation of replacement.

Section 4.4 All Owners not serviced by gravity sanitary sewer service are responsible for all maintenance, repair and replacement of all grinder/ejector pumps, force mains and gravity laterals from the residence to its connection to the sanitary sewer main.

Section 4.5 The discharge of clear water sources, including, but not limited to, foundation drains, sump pumps, and roof drains to the sanitary sewers is prohibited.

Section 4.6 Grade changes across sanitary sewer facilities must be approved in writing by the applicable utilities.

ARTICLE V

COVENANTS AND RESTRICTIONS

Section 5.1 Land Use. Lots may be used only for single-family residential purposes and only one Residence not to exceed the maximum height permitted by and measured pursuant to the Zoning Ordinance of the Town of Brownsburg, Indiana, may be constructed thereon. No portion of any Lot may be sold or subdivided such that there will be thereby a greater number of Residences in Summer Ridge than the number of Lots depicted on the Plat. Notwithstanding any provision in the applicable zoning ordinance to the contrary, no Lot may be used for any "Special Use" that is not clearly incidental and necessary to single family dwellings.

Section 5.2 Address Identification. The numbers representing the address of each Residence will be of a uniform appearance and will be displayed in a uniform location and manner, as determined by the Committee.

Section 5.3 Lighting. All homes will have two dusk to dawn lights located on the sides of the garage doors. Street lights may be installed by Declarant in the utility easements on Lots and in the Common Areas. Street lights shall be operated and maintained by the Association. The Association reserves the right to remove street lights deemed no longer necessary by the Board of Directors.

Section 5.4 Temporary Structures. No trailer, shack, tent, boat, basement, garage or other outbuilding may be used at any time as a dwelling, temporary or permanent, nor may any structure of a temporary character be used as a dwelling.

Section 5.5 Driveways. All driveways in Summer Ridge shall be concrete in material.

Section 5.6 Water Systems. Each Owner shall connect to the water main maintained by a private or public water utility to provide water for domestic use on the Lot and shall pay all connection, availability, or other charges lawfully established with respect to connections thereto.

Section 5.7 Drainage. In the event storm water drainage from any Lot or Lots flows across another Lot, provision shall be made by the Owner of such downstream Lot to permit such drainage to continue, without restriction or reduction, across the downstream Lot and into the natural drainage channel or course, although no specific drainage easement for such flow of water is provided on the Plat. To the extent not maintained by the Drainage Board, "Drainage Easements" reserved as drainage swales shall be maintained by the Owner of the Lot upon which such easements are located such that water from any adjacent Lot shall have adequate drainage along such swale. Lots within Summer Ridge may be included in a legal drain established by the Drainage Board. In such event, each lot in Summer Ridge will be subject to assessment by the Drainage Board for the costs of maintenance of the portion of the drainage system and the lake control structures included in such legal drain, which assessment will be a lien against the Lot. The elevation of a Lot shall not be changed so as to materially affect the surface elevation or grade of surrounding Lots. Perimeter foundation drains and sump pump drains shall be connected whenever feasible into a subsurface drainage tile. Down spouts and drains shall be designed to disperse runoff for overland flow to street or swale collection systems. Each Owner shall maintain the subsurface drains and tiles located on his Lot and shall be liable for the cost of all repairs thereto or replacements thereof.

Section 5.8 Signs. Except for such signs as Declarant may in its absolute discretion display in connection with the identification of development of Summer Ridge and the sale of Lots therein, no sign of any kind shall be displayed to the public view of any Lot except that one (1) sign of not more than four (4) square feet may be displayed at any time for the purpose of advertising the property for sale, or may be displayed by a builder to advertise the property during construction and sale.

Section 5.9 Fencing. This subsection is applicable to all Lots except those Lots which are used for a sales office or model home by the Declarant or a Builder. No fence, wall, hedge, or shrub planting higher than eighteen (18) inches shall be permitted between the front property line and the front building set back line except where such planting is part of Residence landscaping approved by the Architectural Review Committee and the prime root thereof is within six (6) feet of the Residence. Corner Lots shall be deemed to have two (2) front property lines. Trees shall not be deemed "shrubs" unless planted in such a manner as to constitute a "hedge". All fencing shall be cedar, dog-eared shadow box on both sides of the fence, unless approved by the Committee. All fencing on a Lot shall be uniform in height, style, and color and substantially similar in material. No fence shall be erected or maintained on or within any Landscaping Easement except such as may be installed by Declarant and subsequently replaced by the Association in such manner as to preserve the uniformity of such fence. No fence may be erected on a Lot without prior approval of the Committee, which shall approve or disapprove the location of all fences; provided, however, that all fencing erected on a Lot must be erected either (i) within six (6) inches of the property line of such Lot, or (ii) more than ten (10) feet from the property line of such Lot. Owners of Lots adjoining Lots on which a fence is erected within six (6) inches of the property line shall have the right to connect a fence to the fence on the adjoining Lot if the new fence satisfies all of the criteria expressed herein and is approved by the Committee. The Committee may establish further restrictions

with respect to fences, including limitations on (or prohibition of) the installation of fences in the rear yard of a Lot abutting a Lake and design standards for fences. All fences shall be kept in good repair. No fence, wall, hedge, or shrub planting, or tree foliage which obstructs sight lines at elevations between two (2) and six (6) feet above the street shall be placed or permitted to remain on any corner Lot within the triangular area formed by the Lot lines at the streets and a line connecting points 25 feet from the intersection of said street Lot lines; and, the same rule shall apply to the intersection of a driveway with a street, in which case the edge of the driveway pavement shall be substituted for one of the street Lot lines.

Section 5.10 Nuisances. No noxious or offensive activity shall be carried on upon any Lot nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to the neighborhood. Violation of any ordinance governing noise, building or lot maintenance, or any other public nuisance shall be deemed to be a nuisance creating rights in every affected Owner, the Declarant, and/or the Association, as the case may be, to enforce the provisions hereof against the offending Owner. Barking dogs shall constitute a nuisance. In the event of successful enforcement by an Owner, the Declarant, or an Owner of the provisions thereof, the offending Owner shall be liable to the prevailing party for attorneys' fees, court costs, and all other costs and expenses of litigation and collection in connection therewith.

Section 5.11 Garbage and Refuse Disposal. No Lot shall be used or maintained as a dumping ground for trash. Rubbish, garbage or other waste shall be kept in sanitary containers out of public view except not more than 24 hours prior to its removal thereof, when it may be placed at the curb of the Lot. All equipment for storage or disposal of such materials shall be kept clean and sanitary.

Section 5.12 Livestock and Poultry. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats or other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purpose. The owners of such permitted pets shall confine them to their respective Lots such that they will not be a nuisance. Owners of dogs shall so control or confine them so as to avoid barking which will annoy or disturb adjoining Owners. Unless permitted by the Board of Directors of the Association, no Owner shall maintain more than two (2) of the same type (dog, cat, bird) of pet nor more than four (4) total pets; provided, however, that fish which are located in indoor aquariums and which pose no risk to the public health shall not be considered pets for the purpose of this restriction. No dangerous or potentially dangerous pets, such as exotic animals (large wild cats, wolves, alligators, snakes which are poisonous or longer than two feet, poisonous spiders, etc.) shall be permitted to exist in a Residence or on a Lot without the unanimous consent of the Architectural Review Committee and the Board of Directors; provided, however, that the decision of the Board of Directors to permit such animal or animals may be overturned by a majority vote of the Members at any meeting.

Section 5.13 Outside Burning. No trash, leaves, or other materials shall be burned upon a Lot unless the smoke therefrom would not blow upon any other Lot. Owners shall use appropriate incinerators and shall at all times be in compliance with all applicable legal requirements for outside burning.

Section 5.14 Antennas and Receivers. No antenna, satellite dish, or other device for the transmission or reception of radio, television, or satellite signals or any other form of electromagnetic radiation shall be erected, used or maintained outdoors and above ground, whether attached to a building or otherwise, on any part of the Property, including Lots, without the written approval of the Architectural Review Committee, which approval shall not be unreasonably withheld; provided, however, that any such device may be installed and maintained on any Lot without the necessity of such written approval if: (a) it

10

is not visible from the neighboring Lots, streets or Common Area; or (b) the Owner, prior to installation, has received the written consent of the Owners of all Lots who would have views of the device from their Lots; or (c) the device is virtually indistinguishable from structures, devices, or improvements, such as heat pumps, air-conditioning units, barbecue grills, patio furniture, and garden equipment, which are not prohibited by these covenants or Bylaws, or (d) it is a satellite dish 1 meter or less in diameter and not affixed to the roof of a residence; or (e) if prohibition of the installation, use, and maintenance of such device is specifically preempted and superseded by applicable governmental authority.

Section 5.15 Exterior Lights. Except on Lots on which there is maintained a sales office or model home by the Declarant or a Builder, no exterior lights shall be erected or maintained between the building line and rear lot line so as to shine or reflect directly upon another Lot.

Section 5.16 Electric Bug Killers. Electric Bug Killers, "zappers", and other similar devices shall not be installed at a location or locations which result in the operation thereof becoming a nuisance or annoyance to other Owners, and shall be operated only when outside activities require the use thereof and not continuously.

Section 5.17 Vacant Lots. It shall be the duty and obligation of the Owner of a vacant Lot to maintain such Lot and mow the lawn thereof. Declarant and the Association shall have the right, but not the duty, to enter upon each vacant Lot and to maintain the appearance thereof by cutting weeds, mowing grass, trimming trees, removing debris, installing erosion control devices, and performing any other act reasonable under the circumstances. The Owner shall be responsible for payment of all such expenses upon demand and the Declarant or the Association, as the case may be, shall have a lien on such Lot for the payment of such expenses, together with attorneys' fees and all other costs and expenses of litigation and collection which may be incurred in connection therewith.

Section 5.18 Association's Right to Perform Certain Maintenance. In the event that the Owner of any Lot shall fail to maintain his or her Lot and any improvements situated thereon in accordance with the provisions of this Declaration, the Association shall have the right, but not the obligation, by and through its agents or employees or contractors, to enter upon said Lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such Lot and improvements situated thereon, if any, conform to the requirements of these restrictions. The cost incurred by the Association shall be assessed to the Owner. The Owner shall reimburse the Association within thirty (30) days of the date on which the Owner is invoiced by the Association. The Association shall have the right to collect any outstanding maintenance assessments in the manner described in Article XI. Neither the Association nor any of its agents, employees, or contractors shall be liable for any damage that may result from any maintenance work performed hereunder.

Section 5.19 Awnings. Except on Lots on which there is maintained a sales office or model home by the Declarant or a Builder, or as approved by the Committee, no metal, wood, fabric, fiberglass or similar type material awnings or patio covers will be permitted anywhere on the Property.

Section 5.20 Diligence in Construction. Subject to inclement weather, every Residence shall be completed within twelve (12) months after the beginning of such construction or placement. No improvement which has partially or totally been destroyed by fire or otherwise shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage or, if approval of the applicable casualty insurance is pending, then within three (3) months after such approval is forthcoming.

11

Section 5.21 HVAC Units. No heat pumps, air conditioning units or gas meters will be installed in the front of the Residence.

Section 5.22 Lake and Lake Area(s). Except as otherwise provided, no individual using a Lake, if any, has the right to cross another Lot or trespass upon shoreline not within a Common Area owned by the Association, subject to the rights of the Declarant, the Association, their employees, heirs, successors and assigns as set forth in the Declaration. No one shall do or permit any action or activity which could result in pollution of any Lake, diversion of water, elevation of any Lake level, earth disturbance resulting in silting or any other conduct which could result in an adverse effect upon water quality, drainage or proper Lake management except as provided in the Declaration. A Lake may not be used for swimming, ice skating, boating, or for any other purpose, except for drainage of the Property, unless expressly and specifically approved by the Board of Directors in writing and allowed by law. Lakes and Lake Areas may or may not exist on the Property, and the reference throughout this Declaration to Lakes and Lake Areas is made in order to address Lakes and Lake Areas, if any, which now exist or are later constructed upon the Property. The installation on the Property of any Lake or Lake Area shall be within the sole discretion of the Declarant, and under no circumstances shall the Declarant be required or obligated to install any Lake or Lake Area. Only the Declarant and the Association shall have the right to store items or develop recreational facilities upon any Common Area owned by the Association adjacent to a Lake.

Section 5.23 Mailboxes. All mailboxes and posts must be approved by the Committee and, within each Section of the Development, shall be standard as to size, location, post, design, height, material, composition and colors. The builder upon the initial Lot closing to the homeowner shall install the initial mailbox for each Lot, which meets the above criteria. The Owner agrees to maintain and paint said mailbox and post in conformance with all other mailboxes.

Section 5.24 Maintenance of Lots and Improvements. Each Owner shall at all times maintain the Lot and any improvements situated thereon in such a manner as to prevent the lot or improvements from becoming unsightly and, specifically, such Owner shall:

- (A) Mow the Lot at such times as may be reasonably required in order to prevent the unsightly growth of vegetation and noxious weeds;
- (B) Remove all debris or rubbish from the Lot;
- (C) Prevent the existence of any other condition that tends to detract from or diminish the aesthetic appearance of the Property;
- (D) Cut down and remove dead trees from the Lot; and,
- (E) Within sixty (60) days following completion of a Residence, the Owner shall landscape the lot in accordance with the provisions set forth in this Declaration, weather permitting.

Section 5.25 Miscellaneous. No clotheslines may be erected on any Lot.

Section 5.26 Outbuildings and Animal Quarters. Any and all forms of outbuildings, including but not limited to, sheds, storage sheds, animal quarters, and play houses, which are not directly

12

connected to the main house on any Lot are prohibited, unless the same are necessary or incident to the Declarant's, Builder's or Association's business or activities upon the Property. Animal quarters or kennels which are connected to the Residence must be approved by the Committee.

Section 5.27 Play Equipment. ARTICLE VI

ARCHITECTURAL CONTROLS

Section 6.1 Approvals. Approvals, determination, permissions, or consents required herein shall be deemed given only if they are given in writing and signed, with respect to the Declarant or the Association, by an officer thereof, and with respect to the Committee, by one (1) member thereof.

Section 6.2 Committee: Development Standards and Committee. A Development Standards Committee, composed of at least three (3) members, shall exist and shall be appointed by the Declarant. Such members shall be subject to removal by the Declarant at any time, with or without cause. Any vacancies from time to time shall be filled by appointment of the Declarant. The Declarant may, at its sole option, at any time hereafter, relinquish for a period of time to the Association the power to appoint and remove one or more members of the Committee.

Section 6.3 Continuation of Committee. When the Declarant provides written notification to the Association of discontinuance of this Committee, then the Directors of the Association, or their designees, shall continue the actions of the Committee with like powers and duties.

Section 6.4 Duties of Committee. The Committee shall approve or disapprove proposed improvements within thirty (30) days after all required information shall have been submitted to it. The Committee for its permanent files shall retain one copy of submitted material. All notifications to applicants shall be in writing, and, in the event that such notification is one of disapproval, the requesting applicant may re-apply with changes. If however, approval has not been received by applicant in writing within thirty (30) days, then said request shall be considered DENIED.

Section 6.5 Exercise of Discretion. Declarant intends that the members of the Committee exercise discretion in the performance of their duties consistent with the provisions hereof, and every Owner by the purchase of a Lot shall be conclusively presumed to have consented to the exercise of discretion by such members. In any judicial proceeding challenging a determination by the Committee and in any action initiated to enforce this Declaration in which an abuse of discretion by the Committee is raised as defense, abuse of discretion may be established only if a reasonable person, weighing the evidence and drawing all inferences in favor of the Committee, could only conclude that such determination constituted an abuse of discretion.

Section 6.6 Inspection. The Committee may inspect work being performed without the Owner's permission to assure compliance with these restrictions and applicable regulations.

Section 6.7 Liability of Committee, Declarant, Developer. Neither the Committee nor any agent thereof, nor the Declarant, or Association shall be liable in any way for any costs, fees, damages, delays, or any charges or liability whatsoever relating to the approval or disapproval of any plans submitted to it, nor shall the Committee, Association or Declarant be responsible in any way for any defects in any plans, specifications or other materials submitted to it, or for any defects in any work done according thereto. Further, the Committee, Association and/or Declarant make no representation or warranty as to the suitability or advisability of the design, the engineering, the method of construction involved, the compliance of proposed plans with laws and zoning ordinances, or the materials to be used. All parties should seek professional construction advice, engineering, and inspections on each Lot prior to proposing construction.

17

Section 6.8 Common Areas, Entrances, Street Signs, and Landscape Easements. None of the following shall be installed or constructed without prior written approval thereof by the Committee: (i) any and all landscaping, fences, structures, lighting, walking trails, sidewalks, or other improvements located in any Common Area, landscape maintenance access easement, and/or sign landscape easement, (ii) any entrance monument or signage identifying the Development or any section thereof and/or (iii) street signage.

Section 6.9 Lot Improvements. No dwelling, building structure, fence, deck, driveway, swimming pool, rear yard tennis or basketball courts, or improvement of any type or kind (including significant landscaping or stacking of wood) shall be constructed or placed on any Lot without the prior approval of the Committee. Such approval shall be obtained only after the Owner of the Lot requesting authorization from the Committee has made written application to the Committee at least thirty (30) days prior to the proposed construction. Such written application shall be in the manner and form prescribed from time to time by the Committee, and shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plans showing (i) the location of the improvements existing upon the Lot and the location of the improvement proposed to be constructed or placed upon the Lot, each properly and clearly designated and (ii) all easements, set backs, and rights-of-way and (iii) any landscape plans required by the Committee. Such plans and specifications shall further set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other materials, photographs, or information, which the Committee may require. All building plans and drawings required to be submitted to the Committee shall be drawn to a scale of $\frac{1}{4}'' = 1'$ and all plot plans shall be drawn by a professional to a scale of $1'' = 30'$, or to such other scale as the Committee shall deem appropriate. It is also recommended that a certified survey be prepared to insure that a resident is not encroaching on an adjacent homeowner or in a Common Area. If Owner has encroached on an adjacent Owner's property or in a common area, the encroaching Owner will, at his or her own expense, move any fence or other improvement(s) so as to eliminate the encroachment. Notwithstanding anything to the contrary in the foregoing, upon receipt of any written application which is in form and content acceptable to the Committee in the Committee's sole and absolute discretion, the Committee may pre-approve a Builder's plans and specifications for the original construction of a Residence and, in the event of such pre-approval, the Builder shall then be authorized to construct the pre-approved Residence on different Lots without further approvals from the Committee.

No fence or screen of any kind will be permitted if its installation will obstruct necessary site lines for vehicular traffic. Undue obstruction of view of other amenities from adjoining properties shall be considered by the Committee when reviewing applications for approval.

Section 6.10 Power of Disapproval. The Committee may refuse to grant permission to construct, place or make the requested improvement with or without cause. Common grounds for denial include, but are not limited to, a lack or absence of the following:

(A) The plans, specifications, drawings or other material submitted must themselves be adequate and complete, show the proposed improvement, and not be in violation of this Declaration; and

(B) The design or color scheme of a proposed improvement must be in harmony with the general surroundings of the Lot or with adjacent buildings or structures.

Section 6.11 Power to Grant Variances. The Committee may allow reasonable variances or adjustments of this Declaration where literal application would result in unnecessary hardship, but any such variance or adjustment shall be granted in conformity with the general intent and purposes of this Declaration, no variance or adjustment shall be granted which is materially detrimental or injurious to other Lots in the Development, and any such variance granted shall not be considered as precedent setting.

Section 6.12 Statement of Purposes and Powers. Subject to this Declaration and the restrictions contained herein, the Committee shall regulate the external design, appearance, use, location and maintenance of lands and improvements thereon in such a manner as to preserve and enhance values and maintain a harmonious relationship among structures and the natural vegetation and topography, and in keeping with the intent of the Declarant.

ARTICLE VII

CONTIGUOUS LOTS

Section 7.1 Rules Governing Building on Several Contiguous Lots Having One Owner. Whenever two or more contiguous Lots shall be owned by the same person, and such Owner shall desire to use two or more of said Lots as a site for a single-dwelling house, such Owner must apply in writing to the Committee for permission to so use said Lots. If permission for such a use shall be granted, the Lots constituting the site for such single-dwelling house shall be treated as a single Lot for the purpose of applying this Declaration to said Lots, so long as the Lots remain improved with one single-dwelling house. In addition, the Owner must obtain from the Town of Brownsburg all requisite and necessary permits and approvals.

ARTICLE VIII

USE AND OWNERSHIP OF COMMON AREA

Section 8.1 Ownership. A license upon such terms, conditions, rules and regulations as the Declarant, and successor, assigns or licensees of the Declarant, shall from time to time grant, for the use and enjoyment of the Common Area, is granted to the persons who are from time to time members of the Association; provided, however, that no residential development shall occur in the Common Area. Every Owner shall have a nonexclusive right and easement of enjoyment in common with all other Owners, in and to the Common Areas which nonexclusive right and easement of enjoyment shall be appurtenant to and pass with the title to every Lot; provided, however, that any area identified on a Plat as a Limited Common Area shall be for the exclusive use and benefit of Owners whose Lots abut the Limited Common Area, subject to (i) the right of the Association to perform and undertake maintenance of the Limited Common Area and (ii) all easements granted in this Declaration. The Common Areas shall be conveyed by quitclaim deed to the Association. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such Common Area to the Association.

Section 8.2 Use. Common Area shall be used for such purposes as deemed appropriate by the Declarant until the end of the Development Period. Following the end the Development Period, the Common Area shall be used for such purposes as deemed appropriate by the Association. Any Common Area depicted on the recorded plats of the Development or designated by the Declarant as a Common Area shall remain for the exclusive use of the Owner(s), and their family members, guests, tenants, or

19

contract purchaser who reside on the Lot(s). Neither the Declarant's execution or recording of the plats nor the doing of any other act by the Declarant is, or is intended to be, or shall be construed as, a dedication to the public of the Common Area.

ARTICLE IX

SUMMER RIDGE HOMEOWNERS ASSOCIATION, INC.

Section 9.1 Association Duties. The duties of the Association shall include the following: (i) the promotion of the recreation, health, safety, and welfare of the residents in the property, (ii) the maintenance and repair of the Common Area including, but not limited to, any and all lighting, landscaping, pools, amenity areas, the Trail System, and sidewalks located thereon, (iii) the maintenance and repair of any and all entrance monuments and signage, and the landscaping surrounding such entrances monuments and signage, (iv) maintenance and repair of all street signage, street lighting, and all improvements and landscaping existing in any landscape maintenance access easement and/or any sign landscape easement, (v) the performance of any other obligations and duties of the Association specified herein.

Section 9.2 Board of Directors. The Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and Bylaws. The Board of Directors shall manage the affairs of the Association. Directors need not be members of the Association.

Section 9.3 Classes of Membership and Voting Rights. The Association shall have the following two classes of voting membership:

(A) Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

(B) Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to five (5) votes for each Lot owned. For purposes of this calculation, it shall be assumed that Declarant owns all Lots, which number shall be reduced as Lots are conveyed by the Declarant to an Owner. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier (hereafter "Effective Date"):

(i) December 31, 2020; or

(ii) When the total number of votes outstanding in the Class A Membership is equal to the total number of votes outstanding in the Class B Membership; provided, however, that the Class B Membership shall recommence in the event that the Declarant records a plat of part of or all of the Additional Real Estate and, by virtue thereof, total number of votes outstanding in the Class A Membership is no longer equal to the total number of votes outstanding in the Class B Membership.

20

Section 9.4 Membership. Initially, the person(s) who serve as incorporator(s) of the Association shall be the member(s) (the "Initial Member(s)"). The Initial Member(s) shall remain member(s) of the Association until the Association Articles of Incorporation are accepted by the Indiana Secretary of State, at which time the Initial Member(s) shall cease to be member(s) unless they also qualify as Class A or Class B members. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Apart from the Initial Member(s), a membership in the Association shall be appurtenant to and may not be separated from ownership of any Lot.

Section 9.5 Professional Management. No contract or agreement for professional management of the Association, nor any other contract between Declarant and the Association, shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause and without payment of any termination fee upon written notice of ninety (90) days or less. The Association shall at all times be managed by a professional management company.

Section 9.6 Limitations on Rights of the Association. As long as there is a Class B Member, the Association may not use its resources, nor take a public position in opposition to future phases of *Summer Ridge* proposed by the Declarant or changes to current phases of *Summer Ridge* proposed by the Declarant. Nothing in this paragraph shall be construed to limit the rights of the members acting as individuals or in affiliation with other members or groups as long as they do not employ the resources of the Association or identify themselves as acting in the name, or on the behalf of the Association.

ARTICLE X

ASSESSMENTS

Section 10.1 Creation of Lien and Personal Obligation of Assessments. Each Owner of any Lot, except the Declarant and any Builder, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association the following:

- (A) Annual Assessments (hereafter defined);
- (B) One-Time Assessment (hereafter defined);
- (C) Special Assessments (hereafter defined) for costs of enforcement of the Declaration, capital improvements and operating deficits, copies of Association documents if requested by a member, and such assessments to be established and collected as hereinafter provided or established by the Board; and
- (D) Violation Assessments (hereafter defined) levied for a violation of this Declaration.

Section 10.2 Annual Budget. By majority vote of the Board of Directors, the Board of Directors shall adopt an annual budget for the subsequent fiscal year, which shall provide for the allocation of expenses in such a manner that the obligations imposed by the Declaration and all Supplemental Declarations can effectively be met.

Section 10.3 Annual Assessment.

(A) Amount. The Annual Assessment provided for herein shall be per calendar year and shall commence for each Lot on the date of closing of the sale of a Lot to an Owner other than Declarant or a Builder. The Annual Assessment, commencing during the calendar year in which the first Lot is conveyed to an Owner other than the Declarant or a builder, shall be

21

\$480.00. The Annual Assessment for the calendar year shall be pro-rated to year-end. The Board of Directors shall fix any increase in the amount of the Annual Assessment at least thirty (30) days in advance of the effective date of such increase. The initial due date for annual assessments shall be January 1st, and such assessment shall be subject to collection and late charges beginning on January 31st.

(B) Purpose of Assessments. The annual assessment levied by the Association shall be used in the reasonable discretion of the Board of Directors to fulfill the duties and obligations of the Association specified in this Declaration.

(C) Method of Assessment. By a vote of a majority of the Board of Directors, the Board of Directors shall, on the basis specified in Section 11.7 below, fix the Annual Assessment for each assessment year at an amount sufficient to meet the obligations imposed by this Declaration upon the Association. The Board during any calendar year shall be entitled to increase the Annual Assessment for that year if it should determine that the estimate or current assessment is insufficient for that year, provided that the Board shall give at least thirty (30) days advance notice thereof to the Owners. The Board of Directors shall establish the date(s) the Annual Assessment shall become due, and the manner in which it shall be paid.

Section 10.4 One-time Assessment. Upon (i) the closing of the initial conveyance of each Lot by Declarant to an Owner other than a Builder, or (ii) the sale of each Lot by a Builder (either by deed or by installment sale, conditional sale or land-contract sale), the purchaser of such Lots shall pay to the Association, in addition to any other amounts then owed or due to the Association, as a contribution to its working capital and start-up fund, an amount of Two Hundred Dollars (\$200.00) against such Lot, which payment shall be non-refundable and shall not be considered as an advance payment of any assessment or other charge owed the Association with respect to such Lot. Such working capital and start-up fund shall be held and used by the Association for payment of, or reimbursement to Declarant for advances made to pay, expenses of the Association for its early period of operation of the Development, to enable the Association to have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary by the Board.

Section 10.5 Special Assessment. In addition to such other Special Assessments as may be authorized herein, the Board of Directors may levy in any year a Special Assessment(s) for the purpose of enforcing these covenants and restrictions, for legal expenses, for collection expenses, other activity that is the responsibility of an Owner hereunder but which such Owner has not undertaken as required hereunder, for defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain and/or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority or the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 10.6 Violation Assessment. In addition to all other assessments as be authorized herein, the Board of Directors may levy a Violation Assessment to an Owner, (i) for a violation against this Declaration or (ii) for damages if any portion of the Common Area that the Association is obligated to maintain, repair and/or replace is damaged due to the willful or negligent act or omission of such Owner or Owner's guest or invitee. In the event of such damage, the Board shall have the right to undertake the necessary maintenance, repair or replacement. The choice between repair or replacement is in the sole discretion of the Board.

22

Section 10.7 Basis for Assessment.

(A) Lots Generally. Each Lot owned by a person other than Declarant or a Builder shall be assessed at a uniform rate without regard to whether a Residence has been constructed upon the Lot.

(B) Lots Owned by Declarant or Builder. Declarant and any Builder shall not pay the Annual Assessment and Special Assessment so long as any Residence constructed upon a Lot by Declarant or a Builder has not been either conveyed to an Owner intending to occupy or rent said Residence as a residence or leased to an individual or an entity for use as a Residence.

Section 10.8 Notice and Due Date. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be delivered to every Owner subject thereto. The due dates for all assessments shall be established by the Board of Directors.

Section 10.9 Collection. All Assessments, together with interest thereon, attorneys fees, and other costs of collection thereof, shall be a charge on the land and shall be a continuing lien upon the Lot against which each Assessment is made until paid in full. Each Assessment, together with interest thereon and costs of collection thereof, including reasonable attorney fees, shall also be the personal obligation of the Person who was the Owner of the Lot at the time when the Assessment became due.

Section 10.10 Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at twelve percent (12%) per annum plus a late charge not exceeding Fifty Dollars (\$50.00). The Association shall be entitled to initiate any lawful action to collect delinquent assessments plus any expenses or costs, including attorneys' fees, incurred by the Association in collecting such assessment(s). If the Association has provided for collection of any assessment in installments, upon default in the payment of any one or more installments, the Association may accelerate payment and declare the entire balance of said assessment due and payable in full. No Owner may waive or otherwise avoid liability for the assessment provided for herein by non-use of the Common Area or abandonment of his Lot.

Section 10.11 Suspension of Privileges of Membership. Notwithstanding any other provision contained herein, the Board of Directors shall have the right to suspend the voting rights, if any, and the services to be provided by the Association, together with the right to use the Common Areas of any member:

(A) for any period during which any of the assessments or any fines/fees assessed under this Declaration owed by such member remains unpaid;

(B) during the period of any continuing violation of this Declaration; and

(C) during the period of any violation of the Articles of Incorporation, By-Laws, or regulations of the Association.

Section 10.12 Certificates. The Association shall, upon reasonable request by an Owner, at any time, furnish a letter in writing signed by an officer of the Association, indicating the accounting status of assessments on a Lot showing the balance due the Association, if any.

23

Section 10.13 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein against a Lot shall be subordinate to the lien or any recorded first mortgage covering such Lot and to any valid tax or special assessment lien on such Lot in favor of any governmental taxing or assessing authority. Sale or transfer of any Lot shall not affect the lien of assessments levied under this Article XI. The sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall, however, extinguish the lien of such assessments which became due or are attributable to the period of time prior to such sale or transfer. No sale transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE XI

REMEDIES

Section 11.1 Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of covenants, conditions, and restrictions in this Declaration shall be held to be a waiver by that party or an estoppel of that party of any right available to such party upon the occurrence, reoccurrence or continuation of such violation or violations of this Declaration.

Section 11.2 Enforcement by the Town or the Town's Plan Commission. These Restrictions may be enforced by the Town, the Town's Plan Commission, or its successors or assigns, pursuant to whatever powers or procedures are statutorily available to it for such purposes.

Section 11.3 In General. The Association or any party to whose benefit this Declaration inures, including the Declarant and/or any Owner, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, or to compel compliance with these Restrictions and Covenants, and shall be entitled to recover costs of collection and reasonable attorney's fees; however, neither the Declarant, nor the Association, shall be liable for damages of any kind to any person for failing either to abide by, enforce, or carry out any terms, conditions, or restrictions contained in this Declaration.

ARTICLE XII

Section 12.1 The Owner(s) of any Lot subject to this Declaration, by acceptance of a deed conveying title thereto, or by virtue of the execution of a contract for the purchase thereof, whether from Declarant, a Builder, or a subsequent Owner of such Lot, shall accept such deed and execute such contract subject to each and every covenant, condition, and restrictions contained in this Declaration. By acceptance of such deed or execution of such contract each Owner acknowledges the rights and powers of the Declarant, Committee, and Association contained in this Declaration, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owner(s) covenant and agree and consent to and with the Declarant, Committee and the Association and to and with the other Owners and subsequent Owners of each of the Lots affected by this Declaration to keep, observe, comply with and perform such covenants, conditions, and restrictions contained in this Declaration.

ARTICLE XIV

SEVERABILITY

Section 14.1 Invalidity of any one of the covenants, restrictions or provisions contained in this Declaration by judgment or court order shall not in any way affect any of the other provisions hereof, which shall remain in full force and effect. No delay or failure by any person to enforce any of the restrictions or to invoke any available remedy with respect to a violation or violations thereof shall under any circumstances be deemed or held to be a waiver by that person of the right to do so thereafter, or as estoppel of that person to assert any right available to him upon the occurrence, recurrence or continuation of any violation or violations of the restrictions.

ARTICLE XV

DECLARANT'S RIGHTS

Section 15.1 Any and all of the rights and obligations of the Declarant set forth in this Declaration may be transferred, in whole or in part, to other persons or entities, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained in this Declaration. No such transfer shall be effective unless it is in a written instrument signed by the Declarant and duly recorded with the Recorder of Hendricks County, Indiana.

Section 15.2 Nothing in this Declaration shall be construed in a manner that limits or restricts the Declarant and/or any Builders in their development of the Property and construction of residences thereon. Therefore, notwithstanding anything herein to the contrary, the Declarant and/or any Builders authorized by Declarant may maintain and carry upon portion of the Common Area, and other portions of the Property owned by the Declarant, such facilities and activities as, in the sole opinion of the Declarant, may be reasonably required, convenient, or incidental to the construction or sale of Residences including, but not limited to, business offices, signs, model units, sales offices, and sales trailers.

This Declaration may be amended or modified at any time by an instrument recorded in the Office of the Recorder of Hendricks County, Indiana, approved and signed by at least seventy-five percent (75%) of

25

the then Owners. Provided, however, that none of the rights or duties of Declarant reserved or set out hereunder may be amended or changed without Declarant's prior written approval. Except as prohibited below, this Declaration may also be amended by Declarant, if it then has any ownership interest in the Property, at any time within five (5) years after the recordation hereof. Any amendment must be recorded. Neither the Association, the Owners or Declarant shall effect any of the following changes without the prior written approval of two-thirds (b) of the Owners of Lots (excluding Declarant or Builder):

**BYLAWS
OF
SUMMER RIDGE HOMEOWNERS ASSOCIATION, INC.**

ARTICLE I.

IDENTIFICATION AND APPLICABILITY

Section 1.01. Identification and Adoption. These Bylaws are adopted to govern Summer Ridge Homeowners Association, Inc. ("Corporation") in the conduct of its activities and duties pursuant to the Articles of Incorporation of the Corporation, filed with the Indiana Secretary of State on _____, 2004 (together with any subsequent amendments, the "Articles") and the Declaration of Covenants, Conditions and Restrictions of Summer Ridge, dated December 29, 2003, and recorded on January 8, 2004 as Instrument No. 2004-0000553, in the office of the Recorder of Hendricks County, Indiana (together with any subsequent amendments, the "Declaration"). The Declaration is incorporated herein by reference and all of the covenants, conditions, rights, restrictions, and liabilities therein contained shall apply to and govern the interpretation of these Bylaws. The definitions and terms as defined and used in the Declaration shall have the same meanings in these Bylaws unless otherwise specifically defined herein, and reference is hereby made to the definitions in the Declaration. The provisions of these Bylaws shall apply to the administration and conduct of the affairs of the Corporation.

Section 1.02. Individual Application. All of the Owners, tenants, their guests and invitees, or any other person who might now or hereafter use or occupy any portion of the property that is subject to the Declaration shall be subject to the rules, restrictions, terms and conditions set forth in the Declaration, the Articles, these Bylaws, and the Indiana Nonprofit Corporation Act of 1991, as the same may be amended from time to time (the "Act").

Section 1.03. Membership. The Members of the Corporation shall be the Owners. A Member shall be deemed to be in good standing so long as he, she or it remains in compliance with the covenants and obligations of an Owner under the Declaration, or as otherwise determined by the Board of Directors (herein collectively called the "Board of Directors" and individually called "Directors").

ARTICLE II.

MEETINGS OF THE MEMBERS

Section 2.01. Annual Meeting. The annual meeting shall be held on the first Tuesday of November, or at such other time as may be determined by the Board of Directors. At each annual Meeting, the Members shall elect the Board of Directors in accordance with the provisions of these Bylaws, approve the annual budget, provide for the collection of Assessments (as hereinafter defined) and transact such other business as may be required by the Declaration, these Bylaws, the Act or as may properly come before the Members at such meeting.

Section 2.02. Special Meetings. A special meeting of the Members of the Corporation may be called by a majority of the Board of Directors, the President, or upon a written petition of the Owners of not less than twenty-five percent (25%) of the Votes (as hereinafter defined). The resolution or petition shall be presented to the President or Secretary of the Corporation and shall state the purpose for which the meeting is to be called. No business shall be transacted at a special meeting except as stated in the resolution or petition.

Section 2.03. Notice and Place of Meetings. Written notice stating the date, time, and place of any meeting of the Members, and, in the case of special meetings or when otherwise required by law, the purpose or purposes for which the meeting is called, shall be delivered or mailed by the Secretary of the Corporation to each Member and, if applicable, to any Mortgagee (as hereinafter defined) not less than ten (10) days prior to the date of such meeting. If at any meeting an amendment to the Declaration or these Bylaws is to be considered, the notice of such meeting shall describe the nature of such proposed amendment. The notice shall be mailed by first class U.S. Mail, postage prepaid, or delivered to the Members at their respective addresses as the same shall appear upon the records of the Corporation, and by first class U.S. Mail to the Mortgagees at their respective addresses as they shall appear on the records of the Corporation. Attendance at any meeting in person or by proxy shall constitute a waiver of notice of such meeting. Furthermore, notice of any meeting may be waived by any Member in writing filed with the Secretary of the Corporation.

Section 2.04. Voting.

(a) Two Classes of Ownership. The Corporation shall have two (2) classes of Members, as set forth in the Declaration and the Articles.

(b) Number of Votes. Each Member shall be entitled to cast votes (each, a "Vote" and collectively, the "Votes") as follows:

(i) Class A. Class A members shall be all Owners with the exception of the Declarant. Class A members shall be entitled to one (1) vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the members holding an interest in such Lot determine among themselves, but in no event shall more than one vote be cast with respect to any Lot.

(ii) Class B. The Class B member shall be the Declarant. The Declarant shall be entitled to five (5) votes for each Lot owned. For purposes of this calculation, it shall be assumed that the Declarant owns all Lots, which number shall be reduced as Lots are conveyed by the Declarant to an Owner. The Class B membership shall cease and be converted to Class A membership as more particularly provided in the Declaration (such conversion date, the "Control Transfer Date").

(c) Multiple Ownership. When the owner of a portion of Real Estate is comprised of more than one person or entity (each, a "Co-Owner"), there shall be only

one voting representative entitled to cast the Votes allocable to that Real Estate. The Votes for such Real Estate shall be exercised by the person whom the Co-Owners with respect to such Real Estate may designate. If one of the Co-Owners casts the Votes allocable to its Real Estate, the Votes bind all Co-Owners of such Real Estate. In no event shall Co-Owners split their voting interest into fractional Votes; in other words, Co-Owners of Real Estate must cast all Votes allocable to such Real Estate in the aggregate only. The aggregate Votes of Co-Owners of Real Estate may be cast by any one of them unless an objection or protest is made by one of the Co-Owners, in which case the aggregate Votes of all Co-Owners of the Real Estate in question shall not be counted. In addition, the Corporation may reject a vote, consent, waiver or proxy appointment if there is a reasonable basis to doubt the validity of a signature or the signatory's authority.

(d) Voting by Corporation or Trust. When a corporation or trust is an Owner or is otherwise entitled to one or more Votes, the trustees may cast the Votes on behalf of the trust and the agent or other representative of the corporation duly empowered by the board of directors of such corporation shall cast the Votes to which the corporation is entitled.

(e) Proxy. A Member may vote either in person or by his, her or its duly authorized and designated attorney-in-fact. When voting is by proxy, the Member shall duly designate his, her or its attorney-in-fact in writing, and deliver the proxy designation and proxy to an officer of the Corporation prior to the commencement of the meeting.

(f) Quorum. Except where otherwise expressly provided in the Declaration, these Bylaws, the Articles or the Act, the presence of Members or their duly authorized representatives holding in excess of fifty percent (50%) of the total Votes entitled to be cast shall constitute a quorum at all meetings. The term "majority of Members," as used in these Bylaws, shall mean unless otherwise expressly indicated, more than fifty percent (50%) of the total Votes as determined by the applicable provisions set forth in the Declaration, and the term "majority of the vote" shall mean more than fifty percent (50%) of the total Votes present or represented at such meeting.

(g) Conduct of Meeting. Meetings of Members, including the order of business, shall be conducted in accordance with Roberts Rules of Order, Revised, except insofar as the Articles, these Bylaws, or any rule adopted by the Board of Directors or Members may otherwise provide. The Members present at such meeting may, by unanimous consent, waive the requirements of this Section 2.04(g), but such waiver shall not preclude any Member from invoking the requirements of this Section 2.04(g) at any subsequent meeting.

ARTICLE III.

BOARD OF DIRECTORS

Section 3.01. Board of Directors. The affairs of the Corporation shall be governed and managed by the Board of Directors. The initial Board of Directors shall be as set forth in the

Articles and shall serve until the Control Transfer Date, and thereafter the Directors shall be elected at an annual meeting of the Members. The constituency of the Board of Directors may be increased to, but shall not exceed, nine (9) and may be decreased to, but shall not be below, three (3). The number of Directors shall be increased or decreased in accordance with this Section 3.01 only if the increase or decrease is properly brought before the Corporation at an annual meeting or special meeting called for such purpose and approved by a majority of the vote. No person shall be eligible to serve as a Director unless he or she is an Owner or the agent of an Owner who is not an individual or is an attorney, agent, or employee of the Declarant. Except temporarily due to the resignation, removal, death, or incapacity of a Director, there shall be an odd number of Directors elected to serve on the Board of Directors at all times.

Section 3.02. Term of Office and Vacancy. The Board of Directors shall be elected at each annual meeting of the Members of the Corporation; provided that the Board of Directors may be divided into classes whose terms of office expire at different times. Any vacancy or vacancies occurring in the Board of Directors due to an increase in the number of Directors shall be filled by a vote of a majority of the remaining Directors. A Director selected shall serve until the next annual meeting of the Members or until a successor is duly elected and qualified.

Section 3.03. Resignation and Removal of Directors. A Director may resign from the Board of Directors at any time by providing written notice to the Board of Directors of such Director's intent to resign. In such case, a successor shall be elected by vote of a majority of the remaining Directors. A Director or Directors may be removed with or without cause by a majority of the vote of each class of Members at the same special meeting of the Members duly called and constituted. In such case, a successor shall be elected at the same meeting from eligible Members nominated at the meeting. In either case, a Director selected shall serve until the next annual meeting of the Members or until a successor is duly elected and qualified.

Section 3.04. Duties of the Board of Directors. The Board of Directors shall perform or cause to be performed, when and to the extent deemed necessary or appropriate in the Board of Directors' business judgment, the following:

- (a) Performance of the duties and responsibilities of the Association under the Declaration;
- (b) Assessment and collection from the Owners of each Owner's share of any Assessments provided for under the Declaration (collectively, the "Assessments");
- (c) Preparation of the proposed annual budget, a copy of which will be mailed or delivered to each Owner at the same time as the notice of annual meeting is mailed or delivered;
- (d) Preparing a full accounting of all receipts and expenses incurred during each year, which accounting shall be made available to Owners within forty-eight (48) hours after receipt of their written request;

(e) Keeping a current, accurate, and detailed record of receipts and expenditures of the Association specifying and itemizing the assessments and expenditures (all records and vouchers shall be available for examination by an Owner at any time during normal business hours with forty-eight (48) hours' notice); and

(f) Procuring and maintaining in force all insurance coverage required by the Declaration.

Section 3.05. Powers of the Board of Directors. The Board of Directors shall have such powers as are reasonably necessary or appropriate to accomplish their duties. These powers include, but are not limited to, the power:

(a) To employ a professional managing agent or real estate management company (either being hereinafter referred to as "Managing Agent") to assist the Board of Directors in performing its duties;

(b) To purchase for the benefit of the Owners such equipment, materials, labor, and services as may be necessary in the judgment of the Board of Directors;

(c) To procure all such insurance as is required or permitted under the Declaration, for the benefit of the Owners and the Corporation;

(d) To employ legal counsel, architects, contractors, accountants, and others as in the judgment of the Board of Directors may be necessary or desirable in connection with the business and affairs of the Corporation;

(e) To include the costs of all of the above and foregoing as Assessments and to pay all of such costs therefrom;

(f) To open and maintain a bank account or accounts in the name of the Corporation; and

(g) Subject to the provisions of the Declaration, to adopt, revise, amend, and alter from time to time reasonable rules and regulations with respect to use of the Common Area; provided that the Board of Directors shall give written notice to the Owners of such rules and any revision, amendment, or alteration thereof.

Section 3.06. Right of Board of Directors to Adopt Rules and Regulations. Subject to the provisions of the Declaration, the Board of Directors may promulgate such reasonable rules and regulations regarding the use of the Common Area as the Board of Directors may deem desirable. Such rules as are adopted may be repealed or amended by a vote of a majority of the Board of Directors. The Board of Directors shall cause copies of all such rules and regulations, including any amendments or repeals thereof to be delivered or mailed promptly to all Owners at least fifteen (15) days prior to the effective date thereof. Any rule or regulation promulgated by the Board of Directors shall be consistently and duly enforced by the Board of Directors.

Section 3.07. Limitations on Board of Directors Action. The authority of the Board of Directors to enter into contracts shall be limited to contracts involving a total expenditure of less than Five Thousand and 00/100 Dollars (\$5,000.00), unless the prior approval of a majority of Members present or represented at any meeting is obtained, except in the following cases:

(a) Supervision and management of the replacement or restoration of any property owned by the Association that is damaged or destroyed by fire or other casualty, where the cost thereof is payable out of insurance proceeds actually received;

(b) Proposed contracts and proposed expenditures expressly set forth in the proposed annual budget as approved by the Members at the annual meeting of the Association; and

(c) An emergency, as reasonably determined by the Board of Directors.

Section 3.08. Compensation. No Director shall receive any compensation for his or her services as such except to such extent as may be expressly authorized by a majority of the vote of the Members.

Section 3.09. Meetings. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of Directors. The Secretary shall give notice of regular meetings of the Board of Directors to each Director personally or by United States mail at least ten (10) days prior to the date of such meetings. A special meeting of the Board of Directors may be called by the President or any two (2) Members of the Board of Directors. The person or persons calling such special meeting shall give written notice thereof to the Secretary who shall personally, by mail, by telegram or by telephone and at least five (5) days prior to the date of such special meeting, but immediately upon receipt of notice from person(s) calling the meeting, give notice to the Directors. The notice of the meeting shall contain a statement of the purpose for which the meeting is called. Such meeting shall be held at such place as shall be designated in the notice.

Section 3.10. Waiver of Notice. Before any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. The presence of any Director at a meeting shall, as to such Director constitute a waiver of notice of the time, place, and purpose thereof. If a majority of Directors is present at any meeting of the Board of Directors, no notice shall be required and any business may be transacted at such meeting.

Section 3.11. Action by Consent. Any action required or permitted to be taken at any meeting of the Board of Directors may be taken without a meeting, if prior to such action a written consent to such action is signed by all Members of the Board of Directors and such consent is filed with the minutes of proceedings of the Board of Directors.

Section 3.12. Committees. The President or the Board of Directors may from time to time create and appoint standing and special committees from among the Owners to undertake studies, make recommendations, carry on functions for the purpose of efficiently accomplishing

Summer Ridge, Declaration of Covenants, Instrument #200400000553

**FIRST AMENDMENT TO THE DECLARATION OF
COVENANTS, CONDITIONS, AND RESTRICTIONS OF SUMMER
RIDGE**

The undersigned, Summer Ridge Homeowners Association, Inc., an Indiana non-profit corporation (the "Association"), makes this First Amendment to the Declaration of Covenants, Conditions, and Restrictions of Summer Ridge ("First Amendment") effective as of the date set forth below.

W I T N E S S E T H:

WHEREAS, the Declaration of Covenants, Conditions, and Restrictions of Summer Ridge was recorded on January 8, 2004, as Instrument Number 200400000553 in the Office of the Recorder of Hendricks County (the "Declaration"); and

WHEREAS, Section 16.1 of Article XVI of the Declaration states the Declaration may be amended by a vote of the Owners of at least seventy-five percent (75%) of Lots; and

WHEREAS, the Board of Directors of the Association has reviewed and affirmed that the addition of Section 5.51 to Article V of the Declaration for the leasing of homes has been approved by the affirmative written vote of at least seventy-five percent (75%) of the Lot Owners.

NOW THEREFORE, pursuant to the foregoing, the Declaration is hereby amended as follows:

1. The recitals set forth above are hereby incorporated as a substantive part of this Amendment.
2. A new Section 5.51 to Article V of the Declaration is added as follows:

"Section 5.51 Restrictions on Leasing of Homes. The members of Summer Ridge Homeowners Association, Inc. ("Association") recognize that an owner-occupant is both psychologically and financially invested in a home to a greater extent than a renter, and thus owner-occupants generally maintain their property better than renters. The members of the Association want to encourage Owners to not only maintain property values, but also to improve them and recognize that owner-occupants have more incentive to do so compared to non-owner occupants. They recognize that the Owners of homes in Summer Ridge subdivision share the same proprietary interest in respect of the homes and the Common Areas and want to maintain the residential character of the subdivision by limiting investment purchasers, institutional buyers, and others from buying properties within the Summer Ridge subdivision solely for the purpose of leasing or renting the properties in the subdivision. For these reasons the restrictions contained in this Amendment shall apply to the leasing or renting of Dwelling Units in Summer Ridge subdivision.

Provided however, so long as the Owner resides in and occupies the home as his/her principal residence, the Owner shall not be subject to the restrictions in this Section 5.51. For purposes of this section, if a Lot is legally titled in a trust, the grantor or settlor of the trust shall be considered the Owner.

(A) Leasing Prohibition. No lot or home, or any portion thereof, may be rented or leased, irrespective of the length of the lease, except as provided herein. Leasing or renting, for the purposes of the Declaration, is defined as regular, exclusive occupancy of a Residence by any person or persons, other than the Owner, whether for consideration under a lease, as compensation for employment or as a gift. For purposes of this Section 5.51 a Dwelling is exclusively occupied by one or more non-owner tenants, if the Lot Owner does not also correspondingly occupy the Dwelling as his/her principal place of residence.

(B) Limit on Number of Leased Homes. No more than thirty-six (36) homes in Summer Ridge may be leased or rented at any given time, except as may be otherwise provided in this Section 5.51(B) ("Rental Cap Amount"). The homes falling under the exception in Section 5.51(C) below shall count towards the Rental Cap Amount. If at any time the total number of homes leased or rented equal (or exceed) the Rental Cap Amount, an Owner who wants to rent or lease his home, which is not rented, shall be placed upon a waiting list by the Board of Directors. When an existing tenant moves out of a rented home, the Owner of that home shall immediately notify the Board of Directors or Managing Agent of such fact and that home cannot be re-rented until all prior Owners on the waiting list, if any, have had a chance to rent their home. Prior to the execution of any lease, and in addition to the requirements set forth in Section 5.51, the Owner must notify the Board of Directors or Managing Agent as to that Owner's intent to lease his home. After receiving such notice, the

Board of Directors or Managing Agent shall advise the Owner if his home may be leased or whether the Rental Cap Amount of homes is currently exceeded. If the Rental Cap Amount of homes is exceeded, the Board of Directors or the Managing Agent shall notify the Owner of that Owner's position on the waiting list. The Association may charge Owners a fee to review leases and maintain a rental cap waiting list.

(C) Existing Rentals. Within thirty (30) days after the date on which this Amendment is recorded in the Office of the Recorder of Hendricks County (the "Recording Date"), the Board of Directors or Managing Agent shall provide written notice to all Owners setting forth the Recording Date and the address of the Managing Agent.

(i) The provisions of Section 5.51(B) shall not apply to any lease executed prior to the Recording Date or to any renewals thereof provided for in any such leases, so long as the home continues to be occupied by one or more of the non-owner occupants in possession of the home as of the Recording Date. The Owner of the home must provide a copy of the existing executed lease to the Board of Directors or Managing Agent of the Association within sixty (60) days after the Recording Date. Copies of leases and lease renewals may have the rent or compensation exchanged and personal information, such as social security numbers and birthdates, redacted. Notwithstanding the aforementioned, all other provisions of this Section 5.51 shall apply to the existing rented homes.

(ii) All other provisions of Section 5.51 shall apply to the Owner of a home in Summer Ridge which, as of the Recording Date, is rented or leased to a non-owner occupant, if the Owner fails to provide a copy of his existing executed lease to the Board of Directors or Managing Agent of the Association within sixty (60) days after the Recording Date.

(iii) Notwithstanding the above, the provisions of Section 5.51(B) shall automatically apply to the homes of the above described Owners when those Owners sell, transfer or convey their homes.

(D) Hardship Exceptions and Waiver. Notwithstanding Section 5.51(B) above, if an Owner wishes to rent or lease his or her home, the Owner may request the Board of Directors to waive the Rental Cap Amount and approve a proposed lease, if the Owner establishes to the Board of Director's satisfaction that not being able to rent or lease will cause him or his family undue hardship. If the Board of Directors approves the Owner's request in writing, the Board of Directors shall permit the Owner to rent or lease his home, subject to any further conditions or limitations imposed by the Board in the Board's discretion, but only if the Owner satisfies all other requirements of this Section 5.51. Such decision shall be at the sole discretion of the Board. Examples of an undue hardship include, but are not limited to:

- (i) death, dissolution or liquidation of an Owner;
- (ii) divorce or marriage of an Owner;
- (iii) necessary relocation of the residence of an Owner to a point outside of a fifty (50) mile radius of the perimeter of Summer Ridge due to a change of employment, military deployment or retirement by one (1) of the Owners;
- (iv) necessary relocation of the residence of an Owner due to mental or physical infirmity or disability by one (1) of the Owners; and
- (v) other similar circumstances.

(E) General Lease Conditions. Subject to the provisions in this Section 5.51, if an Owner wishes to rent or lease his home, the Owner must petition the Board of Directors for permission to rent his home. All leases and rentals are subject to the following conditions:

- (i) No home may be rented or leased, until the Owner has owned and personally resided in the home for a period of not less than three (3) year(s).
- (ii) All leases, including renewals, shall be in writing, and no lease shall be entered into for a term of less than one (1) year without the prior written approval of the Board of Directors.
- (iii) A copy of a proposed lease of an Owner which identifies the tenant(s) shall be provided to the Board of Directors or Managing Agent by the Owner when the Owner petitions the Board for approval. A copy of the approved lease executed by the Owner and tenant(s) shall be provided to the Board of Directors or Managing Agent within thirty (30) days after execution. Copies of leases and lease renewals may have the rent or compensation exchanged and personal information, such as social security numbers and birthdates, redacted.
- (iv) No portion of any home other than the entire house shall be leased for any period. No subleasing of any home shall be permitted.
- (v) No home may be rented or leased for transient or hotel purposes.
- (vi) All leases shall be made expressly subject and subordinate in all respects to the terms of the Declaration of Covenants, Conditions

and Restrictions of Summer Ridge, By-Laws of Summer Ridge, Articles of Incorporation for Summer Ridge, architectural guidelines and any rules and regulations promulgated by the Board of Directors, as amended, (collectively referred to as "Legal Documents") to the same extent as if the tenant were an Owner and a member of the Association. If such provision is not stated in the Lease, it shall be deemed to be in the Lease. If at any time an Owner becomes delinquent, the Board shall have the right to revoke said Owner's right to lease the Owner's Dwelling Unit, even during the term of a lease.

(vii) All leases shall provide for direct action by the Association and/or any Owner against the tenant with or without joinder of the Owner of such home. If such provision is not in the lease, it will be deemed to be in such lease.

(viii) The Owner shall supply copies of the Legal Documents and rules and regulations of the Association to the tenants prior to the effective date of the lease.

(ix) The Owner cannot be delinquent in the payment of any assessments or other charges to the Association and must be in good standing with the Association at time of petitioning for approval of a lease. If at any time an Owner becomes delinquent or not in good standing, the Board shall have the right to revoke said Owner's right to lease the Owner's home, even if it occurs in the middle of the term of a lease.

(x) The Board of Directors shall have the power to promulgate such additional rules and regulations as, in its discretion, may be necessary or appropriate concerning leasing.

(xi) Owners who do not reside in the home shall provide the Board of Directors with the name of the tenant(s) and all other occupants of the home.

(F) Owner is Still Liable. No lease shall provide, or be interpreted or construed to provide, for a release of the Owner from his responsibilities to the Association and to other Owners for compliance with the provisions of any of the Legal Documents and any rules and regulations promulgated by the Board of Directors, or for the Owner's liability to the Association for payments of assessments or any other charges.

(G) Violations. Any lease, or attempted lease, of a home in violation of the provisions of this Section 5.51 shall be voidable at the election of the Association's Board of Directors or any other Summer Ridge Owner, except that

neither party to such lease may assert this provision of Section 5.51 to avoid its obligations hereunder. In the event of a violation or threatened violation, the Board of Directors or any Summer Ridge Owner, shall have the right to exercise any and all available remedies at law or in equity against the Owner and tenant(s).

(H) Burden of Proof. If at any time a Dwelling Unit is not occupied by one of the Owners thereof, there shall be a presumption that the Lot is being leased and subject to the leasing restrictions of this section 5.51 and the Owners shall have the burden of proving to the satisfaction of the Board that the occupancy is not in violation of the terms of this section 5.51, including but not limited to, the delivery to the Board of a written statement of the nature and circumstances of the occupancy and any written document that is the legal basis for the occupancy.

For purposes of this section 5.51 an occupancy of a Dwelling Unit (including occupancy pursuant to a rent-to-buy contract or similar arrangement or pursuant to any option to purchase) by anyone other than an Owner, shall be deemed to be a lease, rental or other similar arrangement, unless the Owner delivers to the Board a written purchase contract, conditional sales contract or similar contract whereby the occupant is unconditionally and presently legally obligated to purchase the Dwelling and Lot. The contract must be recorded with the County Recorder to be deemed valid. Failure to record the contract will automatically deem the document to be a lease for purposes of this amendment.

(I) Foreclosures. The provisions set forth in this Section 5.51 shall not apply to the Association or any institutional mortgagee of any home, which comes into possession of the home by reason of any remedies provided by law or in equity or in such mortgage or lien or as a result of a foreclosure sale or other judicial sale or as a result of any proceeding, arrangement, or deed in lieu of foreclosure, if such mortgage holder was in possession of the home at the time this Amendment was recorded. However, when a home is sold or conveyed by the Association or institutional mortgagee to a subsequent purchaser, that subsequent purchaser shall be bound by the provisions of this Section 5.51.

(J) Severability Clause. The invalidity of any covenant, restriction, condition, limitation or other provision of this Section 5.51 shall not impair or affect in any manner the validity, enforceability or effect of the rest of this Section 5.51, and each shall be enforced to the greatest extent permitted by law."

IN WITNESS WHEREOF, we the undersigned officers of the Summer Ridge Homeowners' Association, Inc., do hereby execute this First Amendment to the Declaration of Covenants, Conditions, and Restrictions of Summer Ridge; certify that at least seventy-five percent (75%) of the total Lot Owners voted to approve this First Amendment to the Declaration of Covenants, Conditions, and Restrictions of Summer Ridge; and certify the truth of the facts stated this 24th day of September, 2023.
