Written notice of any meeting called for the purpose of taking any action authorized under Section C and D shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half

703114

(1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

F. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed or on the date the owner signs a land contract to purchase a lot. The Board of Directors shall fix any increase in the amount of the monthly assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any lot shall be binding upon the Association as of the date of its issuance.

G. Effect of Non-Payment of Assessments: Remedies of the Association. Any charge levied or assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees, incurred by the Association in collecting the same. Every owner of a lot in the Development and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

The Association shall, upon demand, at any time, furnish a certificate in writing signed by an officer of the Association that the assessments on a specified lot have been paid or that certain assessments against said lot remain unpaid, as the case may be. A reasonable charge may be made by the Board of Directors of the Association for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

H. Subordination of the Lien to Mortgage. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not effect the assessment lien. No sale or transfer shall relieve such lot from liability for any assessment thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any lot pursuant to the foreclosure of any first mortgage on such lot (without

903114

the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

1. Suspension of Privileges of Membership. Notwithstanding any other provisions contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association, of any member or associate member (i) for any period during which any of the Association's charges or any fines assessed under these Restrictions owed by the member or associate member remains unpaid, (ii) during the period of any continuing violation of the restrictive covenants for the Development, after the existence of the violation shall have been declared by the Board of Directors of the Association: and (iii) during the period of any violation of the Articles of Incorporation, By-Laws or regulations of the Association.

13. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but neither the Developer nor the Association shall be liable for damages of any kind to any person for failing wither to abide by, enforce or carry out any of these Restrictions.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, reoccurrence or continuation of such violation or violations of these Restrictions.

14. EFFECT OF BECOMING AN OWNER.

The owners of any lot subject to these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By accepting of such deed or execution of such contract, the owner acknowledges the rights and powers of the Developer, Committee and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such owners covenant and agree and consent to and with the Developer, Committee and the Association and to and with the owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

15. TITLES.

The titles preceeding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

9031114

16. DURATION.

The foregoing Covenants and Restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2020, at which time said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the owners of a majority of the numbered lots in the Development.

17. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.

Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.
