In addition, the Board of Directors of the Association shall have the right to levy at any time, and from time to time, one or more special assessments for the purpose of defraying, in whole, or in part any unanticipated common expense not provided for by the annual assessment.

SECTION 9. ADJUSTMENTS. In the event that the amounts actually incurred by the Association for common expenses in any fiscal year exceed the amounts budgeted and assessed for common expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for assessments for the following fiscal year. Such deficit may be recouped either by inclusion in the budget for annual assessments or by the making of one or more special assessments for such purpose, at the option of the Association. In the event that the amounts budgeted and assessed for common expenses in any fiscal year exceed the amount actually expended by the Association for common expenses for that fiscal year, a pro-rata share of such excess shall be a credit against the assessment(s) due from each owner for the next fiscal year(s).
