5.11 Indemnity of Directors and Officers The Association shall indemnify, hold harmless and defend any person, his or her heirs, assigns and legal representatives (collectively, the "Indemnitee") made or threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is or was a director or officer of the Association, against all costs and expenses, including attorneys fees, actually and reasonably incurred by the Indemnitee in connection with the defense of such action, suit or proceeding, or in connection with any appeal thereof, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Indemnitee is guilty of gross negligence or willful misconduct in the performance of his or her duties. The Association shall also reimburse any such Indemnitee for the reasonable costs of settlement of or for any judgment rendered in any action, suit or proceeding, unless it shall be adjudged in such action, suit or proceeding that such Indemnitee was guilty of gross negligence or willful misconduct. In making such findings and notwithstanding the adjudication in any action, suit or proceeding against an Indemnitee, no director or officer shall be considered or deemed to be guilty of or liable for gross negligence or willful misconduct in the performance of his or her duties where, acting in good faith, such director or officer relied on the books and records of the Association or statements or advice made by or prepared by any managing agent of the Association or any director or officer of the Association, or any accountant, attorney or other person or firm employed or retained by the Association to render advice or service, unless such director or officer had actual knowledge of the falsity or incorrectness thereof, nor shall a director be deemed guilty of gross negligence or willful misconduct by virtue of the fact that he or she failed or neglected to attend a meeting or meetings of the Board of Directors of the Association. The costs and expenses incurred by any Indemnitee in defending any action, suit or proceeding may be paid by the Association in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the Indemnitee to repay the amount paid by the Association if it shall ultimately be determined that the Indemnitee is not entitled to indemnification or reimbursement as provided in this paragraph 5.11.

After the end of the Development Period, the Architectural Review Committee shall be a standing committee of the Association, consisting of three (3) persons appointed, from time to time, by the Board of Directors of the Association. The three persons appointed by the Board of Directors to the Architectural Review Committee shall consist of Owners of Lots. The Board of Directors may at any time after the end of the Development Period remove any member of the Architectural Review Committee at any time upon a majority vote of the members of the Board of Directors.

6.2 Purposes and Powers of Architectural Review Committee. The Architectural Review Committee shall review and approve the design, appearance and location of all residences, buildings, structures or any other improvements placed by any person, including any builder, on any Lot within the community, and the installation and removal of any trees, bushes, shrubbery and other landscaping on any Lot within the community, in such a manner as to preserve and enhance the value and desirability of the Real Estate and to preserve the harmonious relationship among structures and the natural vegetation and topography.

(i) In General. No residence, building, structure, antenna, walkway, fence, deck, pool, tennis court, wall, patio or other improvement of any type or kind shall be erected, constructed, placed or altered on any Lot and no change shall be made in the exterior material color of any Residence Unit or accessory building located on any Lot without the prior written approval of the Architectural Review Committee. Such approval may be obtained only after written application has been made to the Architectural Review Committee by the Owner of the Lot requesting authorization from the Architectural Review Committee. Such written application shall be in the manner and form prescribed from time to time by the Architectural Review Committee and, in the case of construction or placement of any improvement, shall be accompanied by two (2) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plans showing the location of all improvements existing upon the Lot and the location of the improvement proposed to be constructed or placed upon the Lot, each properly and clearly designated. Such plans and specifications shall set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other material or information which the Architectural Review Committee may reasonably require. Unless otherwise permitted by the Architectural Review Committee, plot plans shall be prepared by either a registered land surveyor, engineer or architect. Plot plans submitted for the Improvement Location Permit shall bear the stamp or signature of the Architectural Review Committee acknowledging the approval thereof.

(a) The plans, specifications, drawings or other materials submitted are inadequate or incomplete, or show the Requested Change to be in violation of any restrictions in this Declaration or in a Plat of any part of the Real Estate;

INSTR.

#

9551394

(b) The design or color scheme of a Requested Change is not in harmony with the general surroundings of the Lot or with the adjacent buildings or structures; or

(c) The Requested Change, or any part thereof, in the opinion of the Architectural Review Committee, would not preserve or enhance the value and desirability of the Real Estate or would otherwise be contrary to the interests, welfare or rights of the Developer or any other Owner.

(iii) Rules and Regulations. The Architectural Review Committee, from time to time, may promulgate, amend or modify additional rules and regulations or building policies or procedures as it may deem necessary or desirable to guide Owners as to the requirements of the Architectural Review Committee for the submission and approval of items to it. Such rules and regulations or building policies or procedures may set forth additional requirements to those set forth in this Declaration or a Plat of any part of the Real Estate, as long as the same are not inconsistent with this Declaration or such Plat(s).

If the Architectural Review Committee does not approve a Requested Change within forty-five (45) days after all required information on the Requested Change shall have been submitted to it, then such Requested Change shall be deemed denied. One copy of submitted material shall be retained by the Architectural Review Committee for its permanent files.

6.4 Liability of the Architectural Review Committee. Neither the Architectural Review Committee, the Association, the Developer nor any agent or member of any of the foregoing, shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto or for any decision made by it unless made in bad faith or by willful misconduct.

6.5 Inspection. The Architectural Review Committee or its representative may, but shall not be required to, inspect work being performed to assure compliance with this Declaration and the materials submitted to it pursuant to this Article VI and may require any work not consistent with the approved Requested Change, or not approved, to be stopped and removed.

INSTR.

#

9551394

(ii) From and after December 31, 1995, the Maximum Regular Assessment on any Residence Unit for any calendar year may be increased by not more than Sixty Dollars (\$60.00) per year above the Regular Assessment for the previous calendar year without a vote of the members of the Association.

(iii) From and after December 31, 1995, the Board of Directors of the Association may fix the Regular Assessment at an amount in excess of the maximum amount specified in subparagraph (ii) above only with the approval of a majority of those members of each class of members of the Association who cast votes in person or by proxy at a meeting of the members of the Association duly called and held for such purpose

7.3 Special Assessments. In addition to Regular Assessments, the Board of Directors of the Association may make Special Assessments against each Residence Unit, for the purpose of defraying, in whole or in part, the cost of constructing, reconstructing, repairing or replacing any capital improvement which the Association is required to maintain or the cost of special maintenance and repairs or to recover any deficits (whether from operations or any other loss) which the Association may from time incur, but only with the assent of a majority of the members of each class of members of the Association who cast votes in person or by proxy at a duly constituted meeting of the members of the Association called for such purpose

7.4 No Assessment against Developer During the Development Period. Neither the Developer nor any affiliated entity shall be assessed any portion of any Regular or Special Assessment during the Development Period

7.5 Date of Commencement of Regular or Special Assessments: Due Dates. The Regular Assessment or Special Assessment, if any, shall commence as to each Residence Unit on the first day of the first calendar month following the first conveyance of the related Lot to an Owner, provided that in the case of the conveyance by Developer to any builder, such commencement shall occur on the first day of the sixth calendar month following the first conveyance of the Lot to the builder.

The Board of Directors of the Association shall fix the amount of the Regular Assessment at least thirty (30) days in advance of each annual assessment period. Written notice of the Regular Assessment, any Special Assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to each Owner subject thereto. The installment periods and due dates for all assessments shall be established by the Board of Directors. The Board of Directors may provide for reasonable interest and late charges on past due installments of assessments

7.6 Failure of Owner to Pay Assessments.

(i) No Owner may exempt himself from paying Regular Assessments and Special Assessments due to such Owner's nonuse of the Common Areas or abandonment of the Residence Unit or Lot belonging to such Owner. If any Owner shall fail, refuse or neglect to make any payment of any assessment (or periodic installment of an assessment, if applicable) when due, the lien for such assessment (as described in paragraph 7.7 below) may be foreclosed by the Board of Directors of the Association for and on behalf of the Association as a mortgage on real property or as otherwise provided by law. In any action to foreclose the lien for any assessment, the Owner and any occupant of the Residence Unit shall be jointly and severally liable for the payment to the Association of reasonable rental for such Residence Unit, and the Board of Directors shall be entitled to the appointment of a receiver for the purpose of preserving the Residence Unit or Lot, and to collect the rentals and other profits therefrom for the benefit of the Association to be applied to the unpaid assessments. The Board of Directors of the Association, at its option, may in the alternative bring suit to recover a money judgment for any unpaid assessment without foreclosing or waiving the lien securing the same. In any action to recover an assessment, whether by foreclosure or otherwise, the Board of Directors of the Association, for and on behalf of the Association, shall be entitled to recover from the Owner of the respective Residence Unit

or Lot, costs and expenses of such action incurred (including but not limited to attorneys fees) and interest from the date such assessments were due until paid

(ii) Notwithstanding anything contained in this paragraph 7.6 or elsewhere in this Declaration, any sale or transfer of a Residence Unit or Lot to a Mortgagee pursuant to a foreclosure of its mortgage or conveyance in lieu thereof, or a conveyance to any person at a public sale in the manner provided by law with respect to mortgage foreclosures, shall extinguish the lien of any unpaid assessments (or periodic installments, if applicable) which became due prior to such sale, transfer or conveyance; provided, however, that the extinguishment of such lien shall not relieve the prior Owner from personal liability therefor. No such sale, transfer or conveyance shall relieve the Residence Unit, or the purchaser thereof, at such foreclosure sale, or the grantee in the event of conveyance in lieu thereof, from liability for any assessments (or periodic installments of such assessments, if applicable) thereafter becoming due or from the lien therefor.

7.7 Creation of Lien and Personal Obligation. Each Owner of a Residence Unit or Lot by acceptance for itself and related entities of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association for his obligation for (i) regular assessments for Common Expenses ("Regular Assessments") and (ii) special assessments for capital improvements and operating deficits and for special maintenance and repairs ("Special Assessments"). Such assessments shall be established, shall commence upon such dates and shall be collected as herein provided. All such assessments, together with interest, costs of collection and attorneys' fees, shall be a continuing lien upon the Residence Unit or Lot against which such assessment is made prior to all other liens except only (i) tax liens on any Residence Unit or Lot in favor of any unit of government or special taxing district and (ii) the lien of any first mortgage of record. Each such assessment, together with interest, costs of collection and attorneys' fees, shall also be the personal obligation of the Owner of the Residence Unit at the time such assessment became due and payable. Where the Owner constitutes more than one person, the liability of such persons shall be joint and several. The personal obligation for delinquent assessments (as distinguished from the lien upon the Residence Unit) shall not pass to such Owner's successors in title unless expressly assumed by them. The Association, upon request of a proposed Mortgagee or proposed purchaser having a contractual right to purchase a Residence Unit, shall furnish to such Mortgagee or purchaser a statement setting forth the amount of any unpaid Regular or Special Assessments or other charges against the Residence Unit or Lot. Such statement shall be binding upon the Association as of the date of such statement.

7.8 Expense Incurred to Clear Drainage, Utility or Sewer Easement Deemed a Special Assessment. As provided in the Plat Covenants relating to the Real Estate, the Owner of any Lot subject to a Drainage, Utility or Sanitary Sewer Easement, or Regulated Drainage Easement including any builder, shall be required to keep the portion of said Drainage, Utility or Sanitary Sewer Easement or Regulated Drainage Easement on his Lot free from obstructions so that the storm water drainage will not be impeded and will not be changed or altered without a permit from the applicable local governmental authority and prior written approval of the Developer and the Association. Also, no structures or improvements, including without limitation decks, patios, pools, fences, walkways or landscaping of any kind, shall be erected or maintained upon said easements, and any such structure or improvement so erected shall, at Developer's or the Association's written request, be removed by the Owner at the Owner's sole cost and expense. If, within thirty (30) days after the date of such written request, such Owner shall not have commenced and diligently and continuously effected the removal of any obstruction of storm water drainage or any prohibited structure or improvement, Developer or the Association may enter upon the Lot and cause such obstruction, structure or improvement to be removed so that the Drainage Utility and Sanitary Sewer Easement or Regulated Drainage Easement is returned to its original designed condition. In such event, Developer or the Association shall be entitled to recover the full cost of such work from the offending Owner and such amount shall be deemed a Special Assessment against the Lot owned by such Owner which, if unpaid, shall constitute a lien against such Lot and may be collected by the Association pursuant to this Article 7 in the same manner as any other Regular Assessment or Special Assessment may be collected.
