6. OWNERSHIP, USE AND ENJOYMENT OF COMMON FACILITIES.

Each common facility depicted on the recorded plat of the Development shall remain private; and the common area shown on the plat can never be separated from the plat, nor developed. The Developer's execution or recording of the plat or the doing of any other act by the Developer is not, nor is intended to be, or shall not be construed as, a dedication to the public of the common facilities. Ownership of the common facilities shall be conveyed in fee simple title, free of financial encumbrances to the Association upon their completion as provided in this Declaration of Restrictions of Village Oaks. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such common facilities to the Association. However, the common area cannot be mortgaged or conveyed without the consent of at least 67% of the lot owners, excluding the Developer.

Maintenance of the common areas and community amenities shall be the responsibility of the Homeowners Association. Such responsibilities may include, but not be limited to: mowing; maintenance of landscaping, ponds, mulch walking and fitness trails, entry monument, street signs, community lighting and recreational areas. Funding for the maintenance shall be from the Homeowners Association annual assessment, in accordance with the By-Laws of the Homeowners Association.

7. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but, except for negligence or unworkman like product or services, neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions. In the event of any legal action being taken under the terms of this paragraph, the prevailing party shall be entitled to recover reasonable attorneys fees.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of these Restrictions.

C. Association's or Developer's Right to Perform Certain Maintenance. In the event that the Owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these Restrictions, the Association or the Developer shall have the right, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of the Restrictions. The cost therefore to the Association shall be added to and become a part of the annual charge to which said lot is subject, and may be collected in any manner in which such annual charge may be collected. Furthermore, the Developer, Association or any public or governmental division or entity shall have the right to enter upon lots which abut or encroach a pond for purposes of maintenance or upkeep. Except for negligence or unworkmanlike products or services, neither the Developer, the Association nor any of their agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

7

The Owners of any lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent Owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the Owner acknowledges the rights and powers of the Developer and of the Association (including automatic membership therein by all lot owners) with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such Owners covenant and agree and consent to and with the Developer, the Association and to and with the Owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

9. TITLES.

The underlined titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provisions of the Restrictions. Wherever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

10. DURATION.

The foregoing covenants and restrictions are to run with the land and shall be binding on all parties and all persons claiming under them for a period of twenty-five (25) years, at which time said covenants and restrictions shall be automatically extended for successive periods of ten (10) years.

11. AMENDMENT.

This Declaration may be amended at any time by an instrument recorded in the Office of the Recorder of Hendricks County, Indiana, executed by the Developer or the Association and at least 75% of the lot owners in the Entire Development. Modification or waiver of any provisions of this Declaration shall be done one at a time and not as a whole.

12. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

13. LIEN OF ASSESSMENT.

All sums assessed by the Association, but unpaid, including installments of the Annual Assessment and Special Assessments, and any fines duly imposed by the Association, together with late charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owners lot prior to all other liens, except only:

charges, interest, attorney's fees and the costs of collection thereof, shall constitute a lien on the Owners lot prior to all other liens, except only:

- (a) Tax liens on the lot in favor of any assessing unit or special district; and
- (b) All sums unpaid on a first mortgage of record.

The sale or transfer of any lot by foreclosure or by deed in lieu of foreclosure (but not any other transfer), shall extinguish the Assessment lien for payments which became due prior to the date of such sale or transfer, but shall not extinguish the personal liability of the lot Owner for such assessments. No such sale or transfer shall relieve the lot Owner from liability for any assessments thereafter becoming due or from the lien thereof. The lien for sums assessed may be foreclosed by a suit by the Association or the Managing Agent on its behalf in like manner as a mortgage of such property. In any such foreclosure the Owner shall be required to pay a reasonable rental for the use and occupancy of the lot. The Association, upon the affirmative vote of 90% of all the Owners (so authorizing and setting up a special assessment to pay for the same), shall have the power to bid on the lot at any foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

The initial assessment for Owners in the Development shall be \$225.00 per year, subject to changes as provided for in the By-Laws of the Association.
