22b. Any property owner altering, changing, damaging, or failing to maintain these drainage swales or ditches will be held responsible for such action and will be given 10 days notice by certified mail to repair said damage, after which time, if no action is taken, the Drainage Board will cause said repairs to be accomplished and the bill for said repairs will be sent to the affected property owner for immediate payment. Failure to pay will result in a lien against the property.

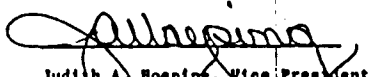

23. Violation of any of the covenants or restrictions of this plat or of those contained in the Declaration of Covenants and Restrictions for the Windsong Estates II Association, Inc. referenced herein, shall be subject to liquidated damages in the sum of Fifty Dollars (\$50.00) per day for each day the violation continues and to all other remedies, including injunction, provided by law or in equity and all costs and expenses incurred by the developer or property owners, including attorneys fees, in litigation or other procedures required to remedy such violations shall be paid by the owner(s) of the lot or lots found to be in violation. By acceptance of a deed for title

to any lot within this plat, the grantee acknowledges the provisions of this document and agrees to be bound thereby and to pay the costs and expenses described in this paragraph where applicable.

24. The right to enforce these provisions by injunction, together with the right to cause the removal by due process of law of any structure or part thereof, is hereby dedicated to public and reserved to the several owners of the several lots in this subdivision and to their heirs and assigns.

25. Enforcement shall be by proceedings at law or in equity against the person or persons violating or attempting to violate any covenants either to restrain violation or to recover damages. Invalidation of any one of these covenants by judgment or court order shall in no wise affect any of the other provisions which shall remain in full force and effect. Failure to enforce any specific requirement of the covenants shall not be considered as a waiver of the right to enforce any covenant herein, thereafter.

In Witness Whereof, Judith A. Hoeping, Vice President of Smith Valley Enterprises, has caused the execution of the foregoing restrictive covenants on this 16 day of November, 1987.
