In such event, Developer or the Association shall be entitled to recover the full cost of such work from the offending Owner and such amount shall be deemed a Special Assessment against the Lot owned by such Owner which, if unpaid, shall constitute a lien against such Lot and the personal obligation of the Owner thereof, and may be collected by the Association pursuant to this Article VII in the same manner as any Regular Assessment or Special Assessment may be collected.

**FIRST AMENDMENT TO THE DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS
OF WINONA PLACE**

This First Amendment to the Declaration of Covenants, Conditions and Restrictions of Winona Place was executed as of the date set forth below.

W I T N E S S E T H:

WHEREAS, the Winona Place subdivision located in Marion County was established by a certain Declaration of Covenants, Conditions and Restrictions which was recorded on December 1, 2005, as **Instrument No. 2005-198062**, in the Office of the Recorder of Marion County, Indiana, and re-recorded on February 16, 2006, as **Instrument No. 2006-21643**, in the Office of the Recorder of Marion County, Indiana (hereafter, the "Declaration"); and

WHEREAS, a Plat filed with the Office of the Recorder of Marion County, Indiana on December 1, 2005, as Instrument No. 2005-108063 established the Lots and Common Areas comprising said subdivision; and

WHEREAS, under Section 11.2 of the Declaration, the Developer, Sunnyside Development Co., LLC, an Indiana Limited Liability Company, presently has the right to amend the Declaration; and

WHEREAS, the Developer hereby amends the Declaration as set forth below; and

WHEREAS, all terms used in this First Amendment shall have the same meanings as given to such terms in Article I of the Declaration.

NOW, THEREFORE, the Declaration which is applicable to all Owners and residents within Winona Place is hereby amended as follows:

1. Article XII, Section 12.6 of the Declaration is deleted and replaced by the following:

Section 12.6 Controlling Document. If there is any conflict between the provisions of this Declaration and any Plat of a part of the Real Estate, the terms and provisions of this Declaration shall be controlling. If there is any conflict between the provisions of this Declaration and Articles of Incorporation or By-Laws of the Association, the terms and provisions of this Declaration shall be controlling. If there is any conflict between the provisions of this Declaration and the Statement of Commitments referred to in Section 14.1 below, the more restrictive provisions shall be controlling. Conflict, as used herein, shall mean a situation where the application of the language in one document contradicts the language in another document. Conflict does not occur where language in one document is simply more restrictive than language in another document.

2. Article XIV, Section 14.1 of the Declaration is deleted and replaced by the following:

Section 14.1 Zoning Restrictions, Commitments and Standards. For purposes of notice to all Owners, the Real Estate is further subject to the zoning restrictions, commitments or standards including but not limited to development standards, architectural commitments, development commitments, and the "Statement of Commitments" filed in the Office of the Recorder of Marion County, Indiana as Instrument No. 2003-90832, which from time to time may be changed or with respect to which variances or exceptions may be obtained generally or on a Lot by Lot basis.

3. There shall be a new Section 14.8 added to Article XIV of the Declaration to read as follows:

Section 14.8. Residence Unit Dimensions. The living area, exclusive of one-story open porches, terraces and garages, shall not be less than Two Thousand (2,000) square feet in the case of a one-story structure, and not less than Two Thousand Two Hundred (2,200) square feet in the case of a two story structure. Developer may require Residence Units to be larger than the requirements set forth herein.

4. There shall be a new Section 14.9 added to Article XIV of the Declaration to read as follows:

Section 14.9. Exterior Construction Materials. Twenty-five percent (25%) of the exterior of a Residence Unit may be stucco, brick or stone. No vinyl or aluminum siding is permitted. However, the prohibition against aluminum shall not apply to aluminum used for soffits and fascia and aluminum-clad windows, and the same are permitted. Unless otherwise approved in writing by the Developer or the Architectural Review Committee, all siding must be fiber cement such as HardiePlank™ or its equivalent.

5. There shall be a new Section 14.10 added to Article XIV of the Declaration to read as follows:

Section 14.10. Time Period to Commence and Complete Construction and Landscaping. All construction upon, landscaping of and other improvement to a Lot shall be completed strictly in accordance with the plans approved by the Developer or Architectural Review Committee and in accordance with this Declaration and the Statement of Commitments referred to in Section 14.1 above. All landscaping specified on the landscaping plan approved by the Developer or Architectural Review Committee shall be installed on the Lot strictly in accordance with such approved plans within thirty (30) days following substantial completion of the Residence Unit unless the Developer or Architectural Review Committee agrees to a later landscaping completion date. Unless a delay is caused by strikes, war, court injunction or act of God, the Owner of any Lot which on the date of purchase from Developer is not improved with a Residence Unit shall commence construction of a Residence Unit upon the Lot within nine (9) months from the date the owner acquired title, and shall complete construction of said Residence Unit within eighteen (18) months from the date the owner acquired title to the Lot. If the Owner fails to commence or complete construction of a Residence Unit within the time periods specified herein, or if the Owner should, without Developer's written approval, sell, contract to sell, convey, or otherwise dispose of, or attempt to sell, convey or otherwise dispose of, the Lot before timely commencing or completing construction of a Residence Unit on the Lot, then, in any of such events, Developer may:

- (i) Re-enter the Lot and divest the Owner of title thereto by tendering to the Owner or to the Clerk of the Circuit Court of Marion County the lesser of (a) the same net dollar amount as was received by Developer from such Owner as consideration for the conveyance by Developer of the Lot, together with such actual costs, if any, as the Owner may prove to have been

incurred in connection with the commencement of construction of a Residence Unit on the Lot, and (b) the then fair market value of the Lot, as determined by averaging two (2) appraisals made by qualified appraisers appointed by the Judge of the Marion County Circuit or Superior Court;

(ii) Obtain injunctive relief to force the Owner to proceed with construction of any Residence Unit, a plan for which has been approved by the Developer or Architectural Review Committee upon application by such Owner; or

(iii) Pursue other remedies at law or in equity as may be available to Developer or the Architectural Review Committee.

The failure of the Owner of a Lot to apply for approval of, or receive approval from, the Developer or Architectural Review Committee of a plan shall not relieve such Owner from his obligation to commence and complete construction of a Residence Unit upon the Lot within the time periods specified herein. For the purposes of this Section 14.10, construction of a Residence Unit will be deemed "completed" when the exterior of the Residence Unit (including but not limited to the foundation, walls, roof, windows, entry doors, gutters, downspouts, exterior trim, paved driveway and landscaping) has been completed in conformity with the submitted plans.

Any and all fees, costs, expenses, and attorneys fees incurred by the Developer or the Architectural Review Committee of the Association as a result of a breach of this Section 14.10 shall be the responsibility of the applicable Owner and shall be secured by the Association's lien against the Lot.

6. Except for the above amendments, all other provisions of the Declaration shall remain unchanged and in full force and effect.

7. Acceptance and Ratification. The acceptance of a deed of conveyance or the act of occupancy of any one Lot shall constitute a ratification of this First Amendment, together with the Declaration, and all such provisions shall be covenants running with the land and shall bind any person having at any time having any interest or estate in a Lot or the Winona Place subdivision as though such provisions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease.

8. Certification. The undersigned person hereby represents and certifies that all requirements for and conditions precedent to this First Amendment of the Declaration have been fulfilled and satisfied.
